Fined \$200 and Jailed on Delinquency Charge

Henry Fong, Chinese Rooming House Proprietor, Gets Stiff Sentence When Convicted in Case Involving Two Girls Under Sixteen, Who are Sent to Reformatory.

Henry Fong, Chinese proprietor of the Cedar hotel, a rooming house on Fourth avenue, was sentenced to a term of 30 days in jail and ordered to pay a fine of \$200 and costs, when he was convicted in police court here Tuesday afternoon on a charge of contributing to juvenile delinquency. He was remanded by W. O. Langdon.

The charge against Fong was the result of a visit by police to the Cedar hotel on March 29, at which time Irene Ming, aged 20, and two juvenile girls, one fifteen and the other thirteen, were found there. The Ming girl and one of the juveniles were in one room with seven men while the third girl was found crouched under a bed in another nearby room. Police Inspector Olson testified. On the table in the first room a partly-filled bottle of wine was found and at the time the entire party were said to have been singing and creating a disturbance.

John Homonuk, a roomer there, told the court that at about four o'clock in the morning of the day in question, three young men had come into the hotel and asked to get a room. Fong, he testified, asked three dollars rent but the boys told him they only wanted the room for a few hours and agreed to pay two dollars. A few minutes later three girls came in and the party of six signed the register and went upstairs. In reply to a question by Mr. Langdon, Homonuk swore that he had not heard Fong tell the girls and boys that they would have kept out of one another's rooms. He was of the opinion that only one and not two rooms had been rented.

Irene Ming, who last week was sentenced to an indefinite term not to exceed six months on a charge of vagrancy, in connection with the case, testified that she and the two juvenile girls had gone to Fong's hotel early in the morning of March 29 and had used fictitious names in registering. They were accompanied by three boys who had arranged for two rooms, she swore. Fong, she claimed, had told them they were to stay in their own rooms. She reaffirmed her evidence in this regard under cross examination by defence counsel.

The first juvenile girl, who was called to the stand, gave her age as fifteen and testified that Fong had told the three girls and boys that they were not to leave their own rooms. There was one bed in the room to be occupied by the three girls, she told the court.

Inspector Olson produced the register from the hotel which showed that one of the younger girls had registered under her correct name several times prior to the time charged.

Two roomers, George and Leo Laframbois, declared that they had not heard any disturbance on the day in question in testifying for the defence.

The second juvenile girl claimed that she had not heard Fong tell the party that the boys and girls would have to stay in their own rooms and admitted that the accused might have done so without her hearing it.

Fong, giving evidence in his own behalf through an interpreter, declared that he had rented the six young people two rooms and told them definitely that they could not go into one another's rooms. Asked why he had considered renting a room to such young girls, he told the court that he felt there was safety in numbers.

Mr. Langdon, in summing up the case, asked the court to consider the fact that his client had instructed the girls and boys not to leave their rooms, which he felt would absolve him from wilfully or knowingly contributing to juvenile delinquency.

Crown Attorney Caldbick drew attention to the evidence of John Homonuk who swore that the boys in question had arranged for only one room. He also felt that the fact Fong had not asked the younger girls, who were obviously children, any questions before renting them a room at that hour of the morning, was significant.

Magistrate Atkinson:—"It's a shame that young girls can go into places like this at four o'clock in the morning. There is no reason to doubt the evidence of Homonuk who said that the boys told Fong they only wanted a room for a few hours. Fong must have known this young girl who had registered there under her right name several times before and then given a fictitious name. As far as giving any warning is concerned, all he did was to tell them to stay out of one another's rooms and then walked downstairs and went to bed. On the evidence I find him guilty and impose a sentence of 30 days in jail and a fine of \$200 and costs or two months."

Two Girls Sentenced

The two young girls, charged with juvenile delinquency, were sentenced to indefinite terms, one in St. Mary's Industrial School and the other in the Girls' Training School in Galt. In one of the cases it was said that the girl's mother is primarily at fault and it was suggested that if sufficient evidence of neglect can be obtained a charge should be laid by police against the parent.

Making Plans for Kiwanis Carnival

Big Affair to be Held in Latter Part of June — Vacating Members Welcomed.

Preliminary arrangements for the holding of the Kiwanis Carnival were discussed at the regular meeting of the club during their luncheon on Monday. The show will be staged in the latter part of June.

An enthusiastic welcome was extended to "Lap" Laprarie, of Toronto, a former member of the club who was visiting in town. Reg. Smith, who has spent the winter in California, Texas and British Columbia, and Frank Feldman, who has recently returned from Florida, were also given a warm reception.

Timmins Citizens' Band Ends Season

Membership Drive Will Conclude on April 30, Bandmaster Wolno Announces.

Timmins Citizens' Band concluded the last broadcast of the winter season here on Monday, the concluding programme in a series of six. Monday night's offering included a march, "The Runaway," by J. A. Greenwood; selection from H.M.S. Pinafore, by Arthur Sullivan; euphonium solo by Bandsman A. Whitford. "The Brigadier," by E. Sutton; and "Pot-Pouri Musical Memories" by Sidney Trenchard.

Bandmaster Fred Wolno extended his sincere thanks and appreciation for the reception given the band during the past winter and also drew attention to the faithful manner in which members of the organization had attended rehearsals.

Mr. Wolno asked for the hearty co-operation of the public in the membership drive being conducted by the band, proceeds of which will be used to buy new uniforms. "The Town of Timmins has improved greatly in the past few years and the shabby uniforms of the band are hardly in keeping with this progress," Mr. Wolno declared.

The drive will end on Saturday, April 30, with an evening of bingo and other entertainment at the Oddfellows' hall. The draw for prizes will take place at this time. It had first been planned to hold the affair at Riverside pavilion but the hall could not be secured for the required date.

Awarded Medal

DR. IRVIN ABELL

Dr. Irvin Abell, of Louisville, Ky., president-elect of the United States Medical Association, will be this year's recipient of the Laetere Meda, it was announced recently by Father John F. O'Hara, president of the University of Notre Dame.

The Laetere Meda, a counterpart of the Papal Golden Rose, has been awarded annually since 1883 by the University of Notre Dame, to an outstanding Catholic layman.

The award to Dr. Abell is made because of "his years of devotion to the complete welfare of his fellow men... and his contribution to the difficult science of psychiatry and his efficient effort toward the cure and prevention of mental disorder."

To Open New Road Through Reserve

Main Road South Through Temagami to be Re-opened at End of This Month.

Latchford, April 14, 1938.—(Special to The Advance)—The main road south through the Temagami Forest Reserve, which has been closed since before Christmas during reconstruction operations, will be open again for traffic by the end of the present month, according to V. H. Longstaffe, district engineer for the Ontario Department of Highways, under whose direction the rebuilding of the section between Latchford and Temagami has been carried on throughout the winter. Mr. Longstaffe said it was possible to get through now, but under difficulties, and a few cars have been driven over the section since snow and ice melted from the right of way. Some stretches of the old road will be used for a time, it was intimated, but no difficulty is anticipated for motorists, although driving will be slow on portions of the route.

Rev. Fr. O'Gorman at Event at Cochrane

Guest Speaker Last Week at Vimy Banquet Event.

Cochrane, April 13th.—Many Cochrane veterans took part in the annual Vimy celebrations staged by the Cochrane branch, Canadian Legion, Thursday evening when Comrade Father J. R. O'Gorman of Timmins was guest speaker.

President of the local branch, L. F. E. Carter was chairman and was ably supported by a number of prominent local citizens and speakers. Father O'Gorman, leading his hearers through his first days in France around the time of the battle of Vimy, touched on the Vimy Memorial, at the unveiling of which he was an honoured guest. Vimy, he stated, had been the distinguished feature of the second battle of Arras and would be remembered as such because the Canadian troops had stormed and taken the ridge which was thought to be a well fortified bastion in the German lines.

An interesting fact came to light when the speaker stated that the first soldier he had buried in France came from the Town of Cochrane, being Capt. W. McEwan.

The toast list included a toast to the Town of Cochrane by Comrade R. R. Mitchell responded to by Acting Mayor Comrade E. G. Jameson, the proposer boasting the proposal for the erection of a covered rink to assist the children of the town in their winter sports.

Vimy Important

Responding to a toast by Comrade J. P. Carter to the Canadian Legion, Comrade E. R. Tucker in a forceful manner, ridiculed some present day comments derogatory to the deeds of the men who fought from 1914 to 1918.

The part played by the Canadian troops at Vimy Ridge, he stated, should be embodied in our school text books, so that our children will never forget the heroism of that day. The traditions for which the Canadian soldiers fought in the Great War are the only traditions that will last, the speaker averred, and if the nations of the world would live up to these traditions there would be no world upheaval, as at the present time.

An excellent musical programme interspersed the various addresses. W. Avery and W. Pond making vocal contributions while M. Dubin played two violin solos. S. Babcock also entertained in a step dance and all entered into the singing of the army songs.

Huntingdon Gleaner:—A questionnaire passed out to the 2800 prisoners in Folsom prison, California, where the state keeps its most hardened criminals, asked them to state whether they would prefer to remain in prison or enlist in the army or navy in case of war. Nearly 2000 of them, or approximately two-thirds, preferred to remain in prison. The others were willing to gain their freedom on parole and fight for their country.

THRILL FOR KIDDIES ON ST. PATRICK'S DAY

In common with Irishmen and women the world over, the Irish Guards stationed at Caterham Barracks, Surrey, England, celebrated St. Patrick's Day in fitting style and gladdened the hearts of many children when they presented them with shamrock sprigs. Our photo shows the shamrocks being distributed to the children by a Guardsman as the regiment observed the day. A presentation of shamrock was made to the soldiers on behalf of the Princess Royal, honorary colonel-in-chief.

District Deputy Visits Cochrane Masonic Lodge

Cochrane, April 13th.—A large number of members of the Masonic Lodge were present at Cochrane Lodge Friday evening to welcome Right Worshipful Brother R. C. Mortson of Timmins, district deputy grand master on his annual official visit. Mr. Mortson who is a member of Cochrane Lodge, having been its first initiate, was welcomed by Worshipful Brother A. Stanbury, master of the Cochrane lodge, and during the first degree put on by a team of pastmasters.

Addressing the brethren he gave a concise resume of the standing of the craft in the Temiskaming district over which he has jurisdiction during the present year.

Huntingdon Gleaner:—Celebrating her 77th birthday, Mrs. Ann Van Slike, of Los Angeles, took a five-mile swim. She had intended to swim ten miles as she usually does on her birthdays. "I am a bit muscle-bound," she explained, "or I would have done my annual ten miles. I could do it over again right now. Next year I am sure I will make my usual ten-mile swim."
