ed at the occasion and the fine turnout of the members. The Legion have branched out into the youth movement and are now the sponsors of a troop of Scouts and a Cub pack. Scouting makes for citizenship and in closing he wished the boys much success in their work. Mr. Neame then called upon Walter Greaves president of Branch 88, to present the flags. These were carried into the hall by the Legion standard bearers, Comrade Farrar and Walker.

President Greaves in a few brief words asked Scoutmaster Cowan to accept these flags from the Legion and hoped that the troop and pack would for of The War Cry. continue to flourish.

Art Jenkins, a member of the Legion I.O.O.F. Veteran committee, gave an outline of how the troop came into being and stated that he is only too pleased to be able to assist in giving them First Aid instruction. After his remarks the Scouts showed how quickly they are learning and gave a fine demonstration of First Aid work, bandaging and resuscitation. The improvised stretcher also drew applause from the gathering. The Cubs demonstrated knot-tying and explained the use and purpose of each knot as it was tied. They also performed a snake

A sing-song then took place and how those lads could sing too! The action songs were particularly interesting. Walter Greaves, had the Legion members go through the Legion theme song for the young people's benefit. W. A. Devine played the piano for this part of the programme.

Hot dogs and coffee and soft drink were generously distributed by the entertainment committee with Geo. Nippers as caterer superb. After which horseshoe was again formed, the Cubs giving their closing yell and all singing the National Anthem.

The Legion Scout committee have been very generous with their time and talent to the No. 7 troop. The committee consists of Mr. Austin Neame, Mr. Jack Potts and Mr. Art Jenkin.

The toast to the Visitors by Bro. C. F. Lacey, P.G., was given happy reply by Bro. R. C. Mortson, P.G.

The Noble Grand, Bro. Campbell Angus expressed the thanks and appreciation felt by all to those who contributed in any way to the notable success and pleasure of the evening. making it a memorable occasion.

There were interesting features to practically every address and response during the evening. In referring to the Rebekah Lodge, the chairman made very fitting reference to the great work done by Sister E. Keene and the general regret felt that a recent illness prevented her from being present on this occasion, an occasion to which she would have contributed added success and effectiveness. It was also noted that Bro. W. H. Pritchard in addition to his quarter century in Oddfellowship was also observing twenty-five years of service to the Hollinger Mine. The Veterans Jewels presented by the Lodge are attractive in themselves and with the added significance of indicating twenty-five years of service in the Oddfellows' Lodge, will be treasured by all receiving them.

Special credit for the success of the evening goes to the Sisters of the Rebekah Lodge, to the popular chairman, to Bro. Spencer, the recording secretary, and to all the other officers and members who helped to make it a notable occasion.

The National Anthem brought to a close an evening that will long be treasured in the memory of all present.
