South Porcupine Choir Presents Sacred Cantata

Music Lovers Well Pleased with Cantata, "Olivet to Calvary," as Given on Sunday Last by the South Porcupine United Church Choir. Excellent Work Throughout.

South Porcupine, May 2—(Special to The Advance)—It is a matter of regret that two musical performances of outstanding merit should have taken place on the same night in South Porcupine. It was impossible to attend both fully, and in consequence the attendance at each was slightly curtailed. The performance at the United Church of the cantata "Olivet to Calvary" (by J. H. Maunders) by the United Church Choir was an event that no lover of choral singing should have missed. Under the directorship of Mr. Geo. Hale, the choir has been practising this cantata for weeks, and should have presented it at Easter but, owing to sickness in the ranks of the choristers it had to be postponed until Sunday.

However, the rendition on Sunday was of such excellence, that it reflects the greatest credit on both performers and leader.

The chorus sang with tone accuracy and feeling and the resultant harmony was most pleasing, and the solos left little to be desired in any respect.

The soloists were:—Mrs. Stanlake, of whose voice we have spoken so often, and who sang most beautifully in her solo parts; tenor soloist, Mr. Chas. Roberts, of Timmins; baritone soloist, Mr. Colin Watkins; and bass soloist, Mr. Percy Harris, also of Timmins.

"Olivet to Calvary" recalls reverently the scenes which mark the last few days of Christ's life on earth. The rejoicings of the multitude, with hosannas and palms, the lament over Jerusalem, the scene in the Temple, and the lovely walk back over the Mount at night form the chief features of the first part.

Part two describes the Supper of the Passover, the pathos of Gethsemane, Jesus forsaken, His loneliness among ruthless foes, Pilate in the Judgment Hall, the Passage of the Cross, and the tragedy and triumph of Calvary.

All the soloists were excellent in the parts they portrayed; it would be difficult to single out any one artist or solo as of outstanding merit. All played their parts with the chorus to make the production of "Olivet to Calvary," a rendition which those who heard it will not soon forget.

Part I
Chorus—"When O'er the Steep of Olivet."
Tenor Solo—"Like a Fair Vision."
Baritone Solo—"And Jesus Paused"
Tenor Solo—"And Jesus Entered Into the Temple."
Bass Solo—"It Is Written—"
Soprano Solo—"Another Temple Waits These Lord."
Chorus—"Bow Down Thine Ear, O Lord."
Tenor Solo—"Not of This World the Kingdom of Our Lord."
Chorus—"Twas Night O'er Lonely Olivet."
Tenor Solo—"He Was Despised and Rejected."
Baritone Solo—"Come Unto Him."
Chorus—"Come Unto Him."
Hymn—"Just as I am, Without One Plea," sung by choir and congregation No. 270.

Part II
Bass Solo—"And Jesus Knowing That His Hour was Come."
Chorus—"O Thou Whose Sweet Compassion."
Bass Solo—"And When They Had Sung a Hymn."
Chorus—"And While He Yet Spoke There Came a Great Multitude."
Tenor Solo—"O Was There Ever Loneliness Like His."
Chorus—"Before Pilate, 'Crucify Him!'
Chorus—"The March to Calvary."
Bass Solo—"Droop, Sacred Head."
Soprano and Chorus—"Droop Sacred Head."
Hymn—"Rock of Ages," sung by choir and congregation, No. 267.

Given Term of One Year For Attack on Policeman
At North Bay this week Tom Burie of Sault Ste. Marie, was sentenced to one year in prison for assaulting Constable E. Cleaver of the C.P.R. police force at North Bay on Sunday, April 24.

A large cinder wrapped with a handkerchief, was produced in court as the weapon with which Burie attempted to hit the constable.

When Constable Cleaver turned to Burie, Burie kicked him in the abdomen, according to evidence. Burie, drunk, was creating a disturbance in the C.P.R. station at the time.

Terming the assault a cowardly one, Magistrate J. H. McCurry, ignored Burie's plea that he was "a little drunk."

London Daily Express:—The London Star quivers. And in their fright the Lib.-Lab. newspapers in general call for Mr. Eden to come back and make all well again. The idea is fostered that if only Mr. Eden had been in office then Hitler's seizure of Austria could not have taken place. The same newspapers that put forward such nonsense print the news that Hitler's blow was prepared in detail many months ago, while Mr. Eden was still in office.

Explains Study Course For Secondary Schools

W. W. Tanner, Principal of Timmins High and Vocational School, Outlines, New System of Instruction Introduced Last Year. At Weekly Meeting of Kiwanis Club.

W. W. Tanner, principal of Timmins High and Vocational School, gave a most informative insight into the new course of study for secondary schools during an address at the weekly luncheon of the local Kiwanis Club on Monday.

The new type of instruction was introduced into first form last year and one additional form will be included each year until the entire five forms of the school are operating on the same basis. In the new course of study for Form I, twenty per cent. of the syllabus is devoted to the teaching of English, including reading, spelling, literature and composition. Social studies, which include geography, British history and civics, are given fifteen per cent. of the total time, while health education occupies seven and a half per cent. of the curriculum.

Other subjects that are taught include mathematics, science, French, art for girls, mechanical drawing for boys, business practice, music, domestic science for girls and shop work for boys.

The course is extensive in character rather than intensive, in order that students may explore a broad field of knowledge and as a result make a wide choice in equipping themselves for later life. "So long as a person is able to make a living in life, the most important thing is that they are happy and no one can be happy unless they enjoy the activity in which they are engaged," said Mr. Tanner.

For a long time it was felt that students must study certain subjects to increase the capacity of their minds, regardless of the fact that they would never need the subject in their later life. It is now believed that it is possible to increase the mind capacity along any line provided the student is willing to work and apply himself or herself.

Claims Nazis Are Trying to Put "Indian Sign" Over

Now comes forward at St. Ignace, Michigan, a man learned in Indian signs, customs, manners, history, folklore and so forth—Dr. W. C. Edmison—to say that Hitler, in effect is trying to put the "Indian sign" on all the folks. Dr. Edmison says that the Nazi salute, oral salutation and insignia are all borrowed from the North American Indians. What is still worse from the standpoint of Mr. Hitler the doctor makes out an excellent diagnosis of the case.

"In the Nazi salute," he said, "note the upraised arm, extended slightly forward—a gesture identical to that with which the great chiefs of the Algonquin tribe greeted Jean Nicolet, first white man to sail the Great Lakes, when he landed at Pointe St. Ignace in 1634 in the gaudy garments of a Chinese mandarin."

"Even the first word the Indians used in greeting the white man has been made part of the Nazi salute," continued Dr. Edmison. He pointed to the similarity between the Nazi "heil" and the Indian "how."

The Nazi swastika, Dr. Edmison said, is the same good luck signal used by the Indians since time immemorial, and is still used by Ojibways in decorating hand-woven and carved souvenirs.

To Open New Town Hall On Wednesday, June 1st

Decision Is Reached at Committee Meeting of Town Council Monday Afternoon. Proposed New Traffic By-Law Includes Half Hour Parking Restriction in Some Sections.

Timmins' new town hall will be officially opened on Wednesday, June 1, it was decided on Monday at a committee meeting of council. While no definite plans were made as to the form the opening will take, it was suggested that an afternoon tea and possibly a street dance in the evening, will be included on the programme.

The formation of a cemetery board was also informally discussed and the parks committee were instructed to bring in a motion as to personnel. The question of including the Roman Catholic portion of the cemetery under the jurisdiction of the new board, will be taken up with Rev. Father Theriault.

Councillor Karl Eyre declared that according to information he had received, Timmins is paying too high an interest rate on loans from local banks. He had been informed that Kirkland Lake is paying 4½ per cent., while the town of Timmins pays 4 per cent. Council will investigate the matter fully before a decision is made.

Public Health Nurse
The question of the appointment of an additional public health nurse was also dealt with and was recommended that the new position be not filled until the starting of the school term next September.

Junk Yards
The committee also discussed junk yards and the mayor and fire and light committee were authorized to take the necessary action regarding the licensing of same.

Restrict Use of Room
It was unanimously decided that the committee room shall be used only for meetings of council and its various committees. Other boards and commissions will have to seek other space in the building for their meetings.

Have No Control
After perusing a plan submitted by Town Engineer Jack MacLean, the council were convinced that they have no control over the straightening of a lane between Birch and Balsam street, due to the fact that the property required for straightening, is not owned by the municipality.

Traffic By-Law
The committee also deliberated on the provisions of a new traffic by-law that will be submitted to council shortly for approval. The new enactment sets out certain areas in which half hour parking will be enforced while in other sections a limit of four hours is suggested. A number of streets will also be designated as through streets according to the preliminary draft of the by-law.

Wedding Tuesday at Notre Dame Church
Miss Simone Richard and Mr. Paul Boulanger United in Marriage.

A very pretty marriage was solemnized by Rev. Fr. A. Morin at the Notre Dame des Lourdes Roman Catholic Church on Tuesday morning at 8 o'clock, when Simone, daughter of Mr. and Mrs. Adolphe Richard, of 49 Wendé avenue, became the bride of Mr. Paul Boulanger, son of Mr. and Mrs. Fred Boulanger, of 50 Kent avenue.

The bride, who was given in marriage by her father, Mr. Adolphe Richard, was attractively attired in a navy blue tailored suit, with white satin blouse, navy-blue off-the-face hat, and navy blue gabardine shoes. She carried a bouquet of mixed carnations.

The groom was attended by his father, Mr. Fred Boulanger.

After the ceremony, close friends and relatives were received at a wedding breakfast in the Argyle Grill.

In the evening the bride and groom received their many friends at a reception in the Ukrainian hall on Mountjoy street. The bride chose for the occasion a gown of pink net over tulle, made on fitted lines, gracefully flaring into a wide skirt, adorned with a corsage of white roses and lily-of-the-valley. The groom's mother, Mrs. Boulanger, was charmingly attired in a street-length dress of blue crepe.

Mr. and Mrs. Boulanger will reside at 50 Kent avenue.

Drunken Drivers Given Fifteen Days in Jail

Street Must be Kept Safe, Says Magistrate Atkinson in Sentencing Two Timmins Men. Sunday Selling Costs Two Storekeepers \$5 and Costs. Other Cases Heard.

"Something has to be done to keep our streets safe," said Magistrate Atkinson in police court here on Tuesday as he sentenced two Timmins men, A. Edouard Dussault and Francis St. Aubin, to fifteen days in jail, when they pleaded guilty to charges of being drunk in charge of cars.

Both men were arrested by Timmins police on Monday night. St. Aubin, who resides at 81 Tisdale avenue, was picked up on Pine street and Dussault at the corner of Wendé avenue and Wilcox street.

Sunday Selling Charges
Two local storekeepers, Mike Ayoub, proprietor of Mike's Grocery, 69 Commercial avenue, and Andrew Kovac, of the Residential Grocery at the corner of Seventh avenue and Tamarack street pleaded guilty to selling groceries last Sunday and were each fined \$5 and costs.

Traffic Cases
Hermas Rondeau paid \$10 and costs on a reckless driving charge and similar charges against Albert Pratt, Joseph Renaud and Vincent McGowan were adjourned for a week. Albert Clark and Harry Graydon paid the same amount for operating cars without the required operator's license, while illegal parking cost Leonard Leblanc \$1 and costs. The same penalty was meted out to Vincent Lebouthier for riding a bicycle on the sidewalk.

Sunday Gaming
An unannounced visit by local police to a mild session of "galloping dominos" Sunday afternoon brought three local men into the toils. The trio each contributed \$10 and costs, lending weight to the claim "that the house always wins."

Must Tie Dog Up
Despite conflicting evidence in a charge against Cyrus Hodgins of allowing a dog to run at large and attack peaceable persons, the court ordered the dog owner to keep the dog tied up in future. The complainant claimed that the dog in question had bitten two of her children while evidence for the defence was to the effect that a dog owned by the complainant and being carried by the children had been responsible for the bites.

PICTURE OF A HAPPY ENDING

Here's the finale of a great diplomatic bargain in which everybody smiled and signed up for a new peace treaty between Britain and Italy. Lord Perth, British Ambassador to Rome, is shown signing the pact as an Italian Foreign Office assistant holds the paper. The Italian Foreign Minister Count Galeazzo Ciano, who struck the agreement with the Earl of Perth to settle numerous differences, is at the right. The accord was signed at Rome.

Pembroke Bulletin—In spite of some ways that are peculiarly his possession, Premier Hepburn has shown himself a man of horse sense, and just why, after so many requests, he will not recall the present automobile markers, and issue others, is difficult to understand.
