

Death of Mrs. Connolly at Dome Extension Friday

Ill Only About Twenty-four Hours. Much Regret at the Death. Mrs. Turtin Meets Unfortunate Accident. Other News of South Porcupine, Dome and Dome Extension.

South Porcupine, May 6th, 1938.—(Special to The Advance)—An occurrence that has shocked the community and especially Dome Extension was the very sudden death on Friday morning of Mrs. Robert Connolly, aged 44, and mother of six children under 14 years. Mrs. Connolly was in town on Wednesday apparently in good health, but was stricken Thursday and taken to hospital and within twenty-four hours had passed away. Intense sympathy is felt for the husband and little family, too young yet to realize what has happened to them. Mrs. Connolly was a woman who lived for her home and family and was an excellent mother to her children who range in age from Kathleen who is fourteen to little Bernice aged three years. In between are Florence 13, Mary 10, Margaret 8, and Jim 6. Mrs. Connolly was born Eliza Jane Morrison and was married sixteen years ago, coming from Shawville to South Porcupine ten years ago. Two sisters, Mrs. Thomas Farrell and Mrs. J. Johnston, live in South Porcupine; her mother is still living in Shawville. Her father died about a year ago. This death is the first break in a family of ten children. The funeral arrangements were in the hands of Mr. Huntkin, and the body was shipped to Shawville for interment, leaving here on the

noon train on Saturday. Accompanying the deceased for the funeral were Mrs. Johnson, Mrs. Farrell and Mr. Connelly, with his four older children, also Jim Baker, a nephew. Many beautiful floral tributes were sent from sympathizing neighbours and friends, a list of which will be published later. The body was borne to the station by the following pallbearers:—Mr. Jack Johnson, Mr. Thomas Farrell, Mr. George Pirie, Mr. A. LeMay, Mr. A. McGinn and Mr. Jack Wilson. We add our sympathies to those of others for the bereaved husband and children.

The Ladies' Guild of the United Church is to meet on Wednesday next at the home of Mrs. Gooding at 7.30 p.m.

An accident of serious nature befell Mrs. Turtin on Friday. She walked down the hill from her home to visit her niece, Mrs. Wm. Gannon, and slipped on some loose rock near the Gannon home, and fell breaking her hip. Mrs. Gannon took her immediately to the Porcupine hospital where the elderly lady now is doing as well as can be expected.

The Workers' Co-operative Social Club held another very well attended whist drive and dance in the Masonic hall on Wednesday evening. Over twenty tables were filled for cards and

prizes were won by:—Ladies' first, Mrs. Barnes; 2, Mrs. J. D. McDonald; 3, Mrs. W. J. Butter. For men, Mrs. Hedges won first playing as man, and J. Johnson gained second with C. Craig coming third. The rest of the evening was taken up with singing and square dancing.

We hear that 115 tickets were sold locally for the "Kiwans Special" week-end blossom-time excursion. Leaving South Porcupine among others were:—Mrs. I. Cameron, Mrs. F. H. Hall, Mrs. Sky, Mr. H. Burton, Mr. A. Carlson, Mr. B. Levinson and Mr. Oswald Miller. Little Keith Horner, five years old, returned to his home on Bloor avenue on Thursday after spending fifteen months in the Western Sanitarium. We are glad to report the little fellow is discharged as completely cured of tuberculosis.

Football is in the air, and training of the Dome Football team has begun under Mr. J. Naish who takes them three times a week for exercise. A new directorate of the club was elected two weeks ago, with the following in office:—Mr. Walter Horner, president; Mr. Wm. Kellow, vice-president; and Mr. H. Richmond, secretary-treasurer. Mr. P. J. Andrews (who served 12 years as secretary-treasurer) was appointed on the committee, with Mr. Mark Ford, Mr. H. Barnes and Mr. Jos. White as manager. No new "imports" are to be brought in on the Dome team it being now generally understood that local players will be given opportunity for starting. This also applies, we understand to all forms of sport sponsored by the Dome Mines.

The first game opening the season is to be played at the Dome on Tuesday, May 17th, against McIntyre. The Junior C.W.L. at their recent

meeting decided to hold a tea, and sale of home baking at the home of Mrs. George Starling, 130 Dome avenue east on Saturday afternoon next (May 14) from 3 to 6 p.m.

Mr. and Mrs. George P. Hamilton, of Haileybury, spent a week visiting his sister-in-law, Mrs. Gavin McIntosh, returning on Thursday.

The interior of St. Paul's Church is being painted this week, that of the Parish hall being completed last week. The hall looks very smart and clean, and the new curtains (made during Lent by the A.Y.P.A.) are in position for the breakfast-party after Corporate Communion on Sunday morning. We mentioned last week that Rev. J. W. Bradbury, B.D., Eastern Field Secretary, of the G.B.R.E., is visiting St. Paul's in the interests of our Sunday Schools and a special invitation is extended by Archdeacon Woodall to the mothers of Bible Class pupils and Sunday School children to a gathering in the Parish hall on Tuesday afternoon at 2.30 p.m. Tea will be served, and as Mr. Bradbury is an expert on the many problems concerning youth, and especially the religious life of our children, he will be in a position to discuss them with those attending.

We are glad to hear that Mr. C. Armstrong, upon reporting at Gravenhurst Sanitarium on his way to Rochester, had an examination which pronounced him in complete health again.

The annual banquet of the Pax's Grands' Club of the Rebekah Lodge took place on Wednesday in the Dutch Door restaurant. A very delicious banquet was served to the members, enjoyed by all, the dainty tables being decorated with tulips for the occasion. The members then adjourned to the home of Mrs. Walter Freeman, where bridge was played, honours going to 1, Mrs. Anthony; 2, Mrs. Sky; and consolation to Mrs. R. Quesnel. After cards a pleasing little ceremony took place. The president, Mrs. T. Gibbons, is leaving on Wednesday next to spend three months' holiday in her native England, so the members had made a model of a ship in full sail, each sail a dainty handkerchief and the body of the model was filled with silk stockings, and this was presented to Mrs. Gibbons with the many felicitations of all concerning her voyage and holiday. Mrs. Gibbons was both surprised and touched at the kindly thought of her fellow Rebekahs, and responded briefly with expressions of thanks. Another presentation was then made to the Past President of the Club, Mrs. Wilson Rayner, of two lovely cups and saucers with the best wishes of the Club. The hostess served a very nice lunch at the conclusion of proceedings.

Mr. and Mrs. T. Gibbons, also Mr. and Mrs. Frank Reynolds, are leaving on Wednesday to sail from Montreal on Friday for three months' visit to Lancashire, on the S.S. Duchess of Richmond. We wish them "bon voyage."

Executive of the C. W. L. Preparing for New Events

The first general meeting of the new executive of the C.W.L. was held on Wednesday evening in the Church of Nativity hall with Mrs. Carriere, president, in the chair. The Diocesan president, Mrs. Munn, was also present, and gave an interesting reading on the duties of the standing committees. Among other business, a card party was arranged to take place on Thursday evening, May 19th. Plans were discussed for a rummage sale to be held on Saturday morning, May 28th, and many interesting matters were brought to the attention of the new executive.

New York Sun:—In the Legislatures Stratford Beacon-Herald:—The Italian military forces of occupation are said to be losing their grip in Ethiopia. Which may prevent them from packing up and going home.

Interesting Events at Iroquois Falls

Moose Chapter Sponsor Party. A.Y.P.A. Meeting.

Iroquois Falls, Ont., May 6, 1938.—(Special to The Advance)—In the Knights of Columbus hall on Tuesday evening a very successful card party and dance was held, under the auspices of the Women of the Moose, Ansonville Chapter No. 551.

The early part of the evening was spent in playing bridge and 500. Mrs. P. DeCote was convener of the card tables, where 70 people were playing with keen interest.

The winners of the bridge games were: Ladies, first, Mrs. Dales; second, Mrs. M. Ayoub. For gentlemen, first, Mr. L. Boissonneault; second, Mr. B. Devine. For the games of 500, Mrs. Mellenfont took the ladies' first, and second, Mrs. McDonough. Mr. Ludwig took the gentlemen's first in 500, and the second was won by Mr. Leiby.

Following the card games, dancing was the order of the evening, and many more people turned up for this feature of the party.

Dancing proved very gay and enjoyable to the excellent music played by Mrs. L. McDonald and Mr. G. DeCote.

Delightful refreshments were served during the course of the evening under the able direction of Mrs. E. Claverson.

Enjoyable Evening by A.Y.P.A. Nearly thirty members were on hand Tuesday evening, at the St. Mark's parish hall, to join in the entertainment sponsored by the A.Y.P.A.

Card games, "monopoly" and dancing were the order of the evening, and as the younger set participated, great enjoyment was realized by all.

A delightful lunch was served and was greatly enjoyed by all.

It was noted at the meeting, that due to several changes in the executive of the A.Y.P.A. during the past few weeks, that it was necessary to hold a re-election, the results being:—Honorary President—Rev. Francis Joy.

Vice-President—Mr. Bruce Brewer. Secretary—Mr. J. Eaton. Treasurer—Mr. Alex Smith. Chaplain—Mr. M. Owen.

Major Geo. Mitchell and Major Chown, of Ayers Limited, were visitors in town last week.

Mr. H. L. Sanborn, of the Abitibi Toronto office, and head of the electrical development for the company, spent an extended visit in town last week.

We are pleased to see Mr. A. F. Righton, of the main office, back to work again, after having spent a few days in the hospital for observation. We hope that nothing serious will be found from the tests taken.

Address to Kiwanis at South Porcupine

Dr. Fraser Stresses the Anglo-Saxon Inherent Sense of Personal Responsibility

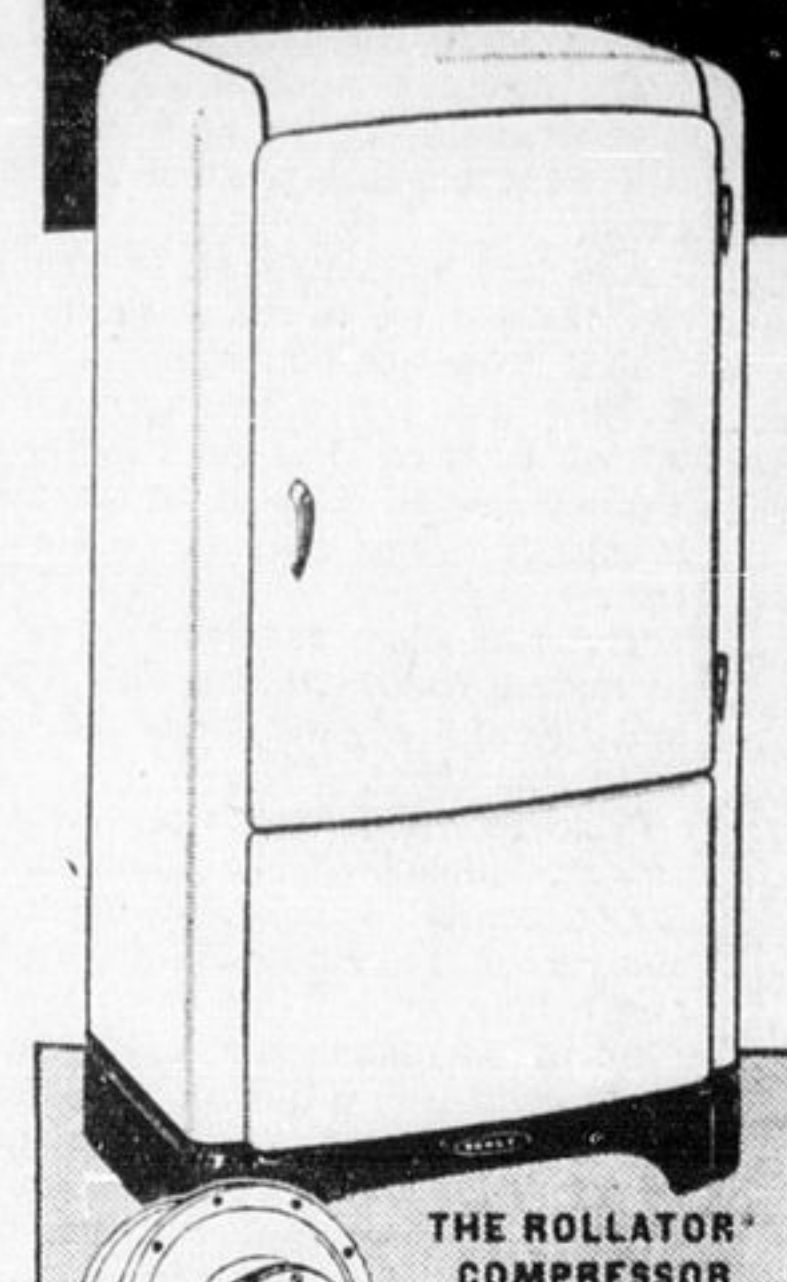

Following last week's internationalistic feature, the South Porcupine Kiwanis Club was further impressed with the importance of racial self-analysis as a step towards the progress of a nation or group of nations, by a most interesting address by Rev. Dr. J. R. Fraser, of the United Church of South Porcupine, when he spoke as guest of the club on Thursday evening last. As a political factor, the cultivation of which has apparently served Britain or the British race to good advantage, Dr. Fraser laid stress upon the Anglo-Saxon's inherent sense of personal responsibility in both individual and national matters. This sense, developed through, and as evidenced by jury trials, elections, etc., has taught the Anglo-Saxon the value of compromise and tact—the basis of that Anglo-Saxon policy which has stood him in such good stead in both national and international affairs.

Progress is well under way towards securing a site for the Kiwanis playground in South Porcupine; and it is expected that the matter will be completed within the course of the next week.

The Kiwanis-T. & N. O. excursion to Southern Ontario this week-end will, it is hoped, help considerably towards securing funds for this enterprise.
