

# Starting THE HOME FIRES BURNING

**FOR** every home that's modernized or new home that's built in Timmins, Schumacher or South Porcupine there's a whole group of new needs. And for every need, local families know where they'll find the answer - - - in the ads in THE PORCUPINE ADVANCE!

Whether it's cement for the cellar or soap for the sink, towels for the tub or tape for the drapes, a heating plant or a hot water bottle - - - their needs are filled faster, easier, and more economically if they shop through The Advance Ads. first.

The whole district knows the advantages of building well. And in buying, as in building, Northern families know that the best is usually the most economical - - - reason enough for checking the offerings of the better stores and firms first - - - in the Ads. of The Advance, every issue.
