## Home Improvement Loan

Up to \$2,000 Cash is available now at the Lowest Rate of Interest ever known for this type of loan. No Endorsement or Security Required. Simply call in and see us. We'll give you full details.

All those home refinements you've always wished for can now be yours—cement basement, glassed-in verandah, an additional room, finished upstairs, hardwood floors, storm windows, French doors, insulation, roofing, repainting or completely covering the outside of your house with Insul-bric siding.

This plan for better homes sponsored by the Canadian Government makes it possible for you to borrow up to \$2,000 and repay it monthly over a period of 3 years at the remarkably low discount rate of 3¼ per cent. No down payment is needed. No security or endorsement required other than your promise of payment.

Feldman Timber Company will give you all particulars. Just call in and let them explain how the Home Improvement Plan works for you. They will make suggestions how best to undertake the work you have in mind and also furnish an estimate of the cost. You'll find their quotations the lowest possible on building materials and supplies of all kinds. Building weather is here so make your arrangements now!
