Swimming Pool Policy Discussed

(Continued from Page One) Councillor Piche—"Mr. Roberts has suggested to me that an outdoor swimming pool can be used as a skating rink in the winter time. I am told that a rink would also be a great help in preserving the concrete." Mayor Bartleman—"We are all in favour of swimming pools but we have no money in the estimates for this purpose." Councillor Roberts—"Money has been found for other things before. Candidly speaking I think that money spent on this park site will be wasted. When the first life is lost in the river you will remember this." Councillor Brunette—"I would like to see a swimming pool constructed but how are we going to get the money?" Councillor Roberts—"We could take the \$2,500 that is proposed for this park and raise the other \$1,500 by public subscription or through the Kiwanis and Lions clubs." Councillor Piche—"I am in favour of swimming pools but I haven't seen this new park site that is spoken of." Councillor Brunette—"It is intended to put in piling along the river in front of the park in which the water will be shallow and children will be protected from getting into the river proper." Mayor Bartleman—"Each and every member of the Council had the opportunity of bringing this question up be-

for the estimates were passed."

Finally as the discussion came to a close Councillor Brunette suggested that he would take Councillors Roberts and Piche to the new park site on the Mattagami and explain the plans that have been proposed. He also told the meeting that if it was intended at any time to raise money by subscription for a pool that he would be glad to be one of the first to make a contribution.

Property for Garage Council unanimously agreed to pay Sam Bucovetsky the sum of \$7,000 for five lots and a building at the corner of Hector and Spruce streets, on which the town had taken a thirty-day option. It is estimated that \$3,000 additional will be required to make the building suitable for a combined municipal garage and machine shop. The property was at one time owned by the Mattagami Pulp and Paper Company.

Change of Classification Proprietors of thirty small stores who claimed that they are essentially confectioners rather than grocers, petitioned the Council to have their businesses classified as such in order to avoid the Wednesday afternoon closing by-law in effect for grocery stores. While nearly all the storekeepers signing the petition carry groceries to a greater or lesser degree, they claim that the bulk of their business is in confectionery. The matter was referred to the town solicitor.

Polling Subdivisions A by-law was unanimously passed increasing the number of municipal polling subdivisions from thirty-two to forty-six. Each of the above figures includes one polling sub division in Mountjoy township for school purposes only. Recent annexations have been primarily responsible for the increase.

To pay After July 1. Notice was received from Hon. Harold Kirby, Ontario Minister of Health, that on and after July 1, the province will pay the total cost of indigent patients in sanitariums. Those able to pay their way will be required to do so in the regular way. "We were promised that this would go into effect on April 1st and in the meantime until the end of June it will cost us \$7,500 that we have not provided for," said the Mayor.

Chinese Tag Day The local Chinese patriotic committee were given permission to hold a tag day here on July 22. The proceeds will go toward furnishing an ambulance for the Chinese forces engaged in fighting the invasion of the Japanese army. Buy Directories The clerk was instructed to order four copies of the new town directory which will likely be published this Fall. The cost is \$10 each.

Burglary Conviction Get Two Men a Year

(Continued from Page One) charges of false pretenses arising out of the same circumstances were withdrawn.

Year For Burglary Raymond St. Jean, 20, was sentenced to one year in jail when he pleaded guilty to a charge of breaking and entering at the Balmoral Hotel on Mountjoy St. George Spiala, the proprietor, told the court that he had left the bar in his beverage room to secure an additional supply of glasses from the kitchen. As he entered the dining room he encountered St. Jean who struck him across the face with a heavy bunch of keys that he is said to have picked up after forcing the back door of the hotel. The keys comprised an entire set for the various doors and locks throughout the building. The hotel proprietor called police and St. Jean was placed under arrest. Further investigation showed that the accused had broken a lock on the rear door in effecting an entrance.

Given Ten Days L. Groves admitted that he was drunk in charge of a car when picked up by Constable Gualla and was given 10 days in jail. In passing sentence the magistrate inferred that in all likelihood future sentences for drunk driving will be increased in keeping with the aims of the safety campaign which has been instituted by Attorney-General Conant.

George Martinchuk, of Preston East, Dome, who pleaded guilty to being drunk in charge of a horse and wagon, got off with a fine of \$10 and costs. Beggar Was Solvent When police told the court that Paul Gagnon was found to have \$2.40 in small change in his pocket and had thrown away a lunch that a woman had provided him with after he had asked for something to eat, the accused was sentenced to 30 days at hard labor. Paul Minard and Marcel Ethier admitted they were vagrants and each drew a month in Halleybury.

Illegal Fishing Mike Kalinchuck pleaded guilty and was fined \$10 and costs on a charge of being in possession of pickarel out of

At 83 She Defies Rheumatism

After Suffering Acute Pain for Years

Rheumatism first attacked this old lady in 1931, and gradually spread from her arms to other parts of her body. Then she started to take Kruschen Salts, and now she sends the following letter in her own handwriting:—"I have suffered from rheumatism since 1931. At first, I felt acute pain in both arms. I could not sleep for pain. It grew worse, and gradually crept down to the tips of my fingers. Next it reached my knees and ankles, which made me quite helpless for a long period. A friend recommended me to take Kruschen Salts. I find they do me more good than any other medicine, liniment or ointment I ever used. This is my own writing, though I am in my 84th year."—(Mrs. H.)

The pains and stiffness of rheumatism are often caused by deposits of needle-pointed uric acid crystals in the muscles and joints. Kruschen Salts stimulate your liver and kidneys to healthy, regular action, and assist them to get rid of the excess uric acid which is frequently the cause of your suffering.

A similar charge against his brother, Alex, was withdrawn. Fred Asselin and George Blais were charged with catching pickarel out of season, but owing to the fact that no evidence was produced showing the men had actually caught the fish found in their possession, the cases were dismissed. Game and Fisheries Overseer Phil Boudreau intimated to the court that he will likely lay charges against the two men under the section pertaining to illegal possession of fish in closed seasons.

Liquor Charges Maurice Berthier was fined \$25 and costs when he was found guilty of having beer in a place other than his own private residence. A charge of having beer in a public place against R. Luigi Frapporri and a charge against Fred Lalonde, Tisdale township, of having liquor in his possession without a permit, were both adjourned for a week.

Domestic Cases Theodore Philippon, charged with non-support of his family was given one week to get work. The wives of Walter Kobas and Joe Lizak charged their respective husbands with assault occasioning actual bodily harm. The case against Lizak was withdrawn on payment of costs, and Kobas was remanded for a week.

Traffic Cases Seven motorists caught in a police drive against defective brakes were fined \$10 and costs. Seven others paid \$1 and costs for illegal parking and failure to stop at stop streets. One man was fined \$10 and costs for failure to produce an operator's license, and two others were taxed a like amount on minor reckless driving counts.

Stalled Car Proves Elusive

Garageman Tows in Wrong Vehicle—Owner Figures Vehicle Had Been Stolen.

When Taisto Viltasaari's car stalled on the road near the cemetery south of town Tuesday night his troubles had just begun. He decided to leave the car there over night and return the following day to have the necessary repairs made. Accordingly, he went home and went to bed. Returning yesterday he was astonished to find the vehicle had completely vanished. He immediately notified the police that his car had been stolen. Last night as he drove along one of the downtown streets in his brother-in-law's car, he suddenly spied the missing car in the yard of a local service station.

Making inquiries, he was informed that the service station had received a call to tow in a car from near the cemetery. When the man with the wrecker arrived, he presumed that the stalled and abandoned car was the one he had been called to tow in. Accordingly he hooked on and brought the vehicle to the garage. It is thought that the man who made the call for the wrecker in the first place got his car started again and drove off without informing the garage, leaving Viltasaari's the only one on the road that was in apparent difficulty. Viltasaari lives at 93 Fifth Ave.

Happy Social at the Legion on Monday

Programme Delights Large Crowd. Fitting Wind-up to Season.

As a fitting wind-up to the fall season the social evening held on Monday by the Canadian Legion topped them all. There was a very good attendance and the event in general was an extremely happy one.

Geo. Nippers, chairman of the entertainment committee, opened the programme and acted as the M.C. in fine style.

The musical part of the evening began with a banjo trio, with Geo. Jenkin at the piano, Mr. Campsall and Mr. Sullivan playing the banjos. Their first selection, "Liberty Bell," a march, caused insistent encore, and the trio responded by two other attractive selections.

Mrs. Geo. Jenkin sang in her lovely manner, "Coming Through the Rye," and also received prolonged applause and obliged with an encore, which was equally well received.

James Cowan was in top form and had all feet moving in "She's the Lass for Me," and "Phil Fluter's Ball."

A young lady tapped her way into the hearts of all and was generously applauded. Miss Barbara Gay sang in very pleasing way two very fine solos, Mrs. Gay accompanying her.

Dancing filled out the bill and this was much enjoyed. W. A. Devine played for this part of the evening and later was assisted by the two instrumentalists, the combined aggregation making good music for shuffling feet. Paper hats and noisemakers were distributed and a very good brand of "cats" served by the men's committee.

W. Graves, president, in a short address thanked all for supporting the branch and thought it was evenings like these that helped to build the branch and foster comradeship.

There were several prize contests and these helped to make the evening a very fitting close for the season.

Wedding on Monday of Popular Couple

Miss Ida Larivee and Mr. Stanley Hass Married at United Church.

The United Church was the scene of a very pretty wedding on Monday afternoon at 4.30 o'clock when Rev. W. M. Mustard united in marriage Ida, daughter of Mr. and Mrs. Napoleon Larivee, of 38 Southern Ave., and Mr. Stanley Hass, son of Mr. and Mrs. William Hass, of 4 Wilson Ave. A number of friends and relatives witnessed the wedding ceremony, both the bride and groom being very popular among the younger set of the town and district.

Given in marriage by her father, the bride was lovely in a gown of ivory bridal satin, beautifully fashioned on princess lines with a high neckline, accented by intricate smocking and long sleeves. An attractively embroidered tulle veil was caught in a coronet of orange blossoms and she carried a bouquet of pink roses and lily-of-the-valley with fern.

The maid of honor was Miss Evelyn Larivee, sister of the bride, who wore a gown of white chiffon, with dusky green figuring, made on fitted lines. A large cream milon straw picture hat added the finishing touch, and she wore matching accessories, and carried a bouquet of Ophelia roses and fern. The groom was attended by Mr. Jack Dupuis as best man. Following the ceremony, a wedding dinner was served to friends and relatives at the Russell Hotel. The bride's mother received the guests, charmingly attired in a two-piece suit of navy sheer with matching accessories and corsage of carnations, while the groom's mother assisted, wearing a gown of crushed raspberry satin, and

a corsage similar to that one worn by Mrs. Larivee. The many friends who were present showered the bride and groom with best wishes and lovely gifts, and several toasts were proposed in their honor. In the evening the bride and groom received their numerous friends at a reception at the Russell Hotel. Mr. and Mrs. Stanley Hass will reside in Timmins.

Rough Usage Given to Elderly Woman

Halleybury, May 26—Special to The Advance) Sequel to an incident in South Lorrain last week-end, in which an elderly woman allegedly was thrown from the stoop of her own home and had to be taken to Cobalt Municipal Hospital for treatment, three Finns, all employed at road camps south of Latchford, are to face charges before Magistrate Atkinson here on Saturday morning. The accused trio are Eino Wuori, charged with assault occasioning bodily harm and also with common assault, Matti Salminen, charged with common assault, and Pete Hoetikuinen charged with having liquor illegally. Two other members of the party, Clarence Peab, and Sweeney Maki, both of Cobalt, were not charged, although they were detained by police for nearly 48 hours before being released.

According to Provincial Constable Art Soulieres, who investigated, the five men in a car, called at the home of Mannus Niemi, 20 miles from here, and asked that supper be prepared for the party. This, it is said, was done, but only two men partook of the food. It is alleged a "crook" owned by Wuori, was placed on the table and when Mr. Niemi came it on the floor alongside the owner, into the house, he removed it and placed Wuori kicked the chair on which he was sitting, police said, and was escorted outside, at which stage Salminen, then in the car, allegedly attacked Niemi. Both men then are said to have struck Niemi, whose wife went to his aid, only, it is alleged, to be grabbed by Wuori and thrown from a seven foot stoop to
