Interesting Event at Iroquois Falls on Monday. Ladies of St. Mark's Hold Delightful Tea and Sale. Other Interesting News From Iroquois Falls and Ansonville

Iroquois Falls, Ont., June 21, 1938.—(Special to The Advance)—In honour of the visit of M. Ex. Comp. William Y. Mills, Grand Z. of Kingston, Rt. Ex. Comp. G. H. Hayward, Grand Supt. d. Teakmakin No. 16, Halleybury, and M. Ex. Comp. Edwin Smith, Grand Scribe, E. London, Ont., an exceptionally enjoyable evening was held in the Masonic hall on Monday night, June 20th, by the Abitibi Chapter, No. 223, G.R.C.

Turning out in full numbers, the members took an active part in the lodge meeting, which proved very beneficial to all concerned.

The dedication of Chapter Room to Capitular Masonry proved a very im-

pressive ceremony, and was under the direction of Most Excellent Companion Wm. Y. Mills, Grand Z. accompanied by Most Ex. Com. Edwin Smith and Grand Scribe E.

Following the ceremony, a heartily enjoyed banquet was served to the gathering, during which suitable toasts were made.

Ex. Comp. T. J. Hogg, mayor of Iroquois Falls was toastmaster of the evening, and proposed a toast to The King and the Royal Craft, after grace had been said by Ex. Comp. J. C. Kincade. This was responded to by all singing the National Anthem. Toast to the Grand First Principal and the Grand Chapter was proposed by Ex. Comp. G. D. Adams, being responded to by M. Ex. Comp. W. Y. Mills. To the visitors, a toast was made by Ex. Comp. W. J. Grummett, and giving answer were M. Ex. Comp. Edwin Smith, and Rt. Ex. Comp. C. P. Ramsay. A toast to the Outer Guards was proposed by Ex. Comp. A. A. Howard.

Presentation of a valued gift, which was a smart desk clock, was made to the Grand First Principal, Rt. Ex. Comp. F. K. Ebbitt, who in fitting words thanked the Chapter most graciously.

Rev. P. M. Joy rendered many favourite piano selections during the evening, and accompanied Mr. J. R. Spence in his fine solos. Community singing and banjo songs by A. Ivy added greatly to the pleasure of the evening.

### Delightful Tea and Sale

The St. Mark's parish hall was the scene of the most delightful afternoon tea and sale of home baking here on Saturday afternoon, being held under the sponsorship of the Girls' Organization, recently formed.

The many tables were well arrayed, being charmingly touched off with handsome bouquets of lilacs and honeysuckles, adding greatly to the dainty decorations for the occasion.

Mrs. L. Laframboise was convener of the tea table, and along with her assistants, Miss Joan Needham and Miss Patsy Cannon, catered to the many guests who enjoyed the afternoon. Delicious tea and refreshments were served. Tasty baking, temptingly arrayed on the bake table, was completely sold out by the ladies in charge, Mrs. G. S. Wilson and Miss Audrey Cannon. The table where beautiful hand work was on display was taken care of by Mrs. R. McLeod and Miss K. Banting, who were both kept quite busy during the afternoon. The "Bran Dip" for children, wherein a large tub, filled with bran, also many useful articles, was a feature of the event, and gave great mirth as they pulled their luck from within. Miss Mildred Chapman had her hands full as she cared for this part of the programme.

Funds realized by this sale, which exceeded \$65, will greatly aid the church in its appeals for funds.

### Notes

Rev. W. M. Mustard, B.A., B.D., noted minister and talented speaker of the Timmins United Church, conducted the service of the Iroquois Falls United Church here on Sunday. The beautiful services conducted by Rev. Mr. Mustard at both the morning and evening worship were greatly appreciated by the congregation. Adding greatly to the enjoyable services was the singing of the junior choir in the morning and the senior choir at the evening service.

Mr. G. L. Cameron left here on Saturday afternoon to attend the Oddfellows' convention, to be held in Hamilton on Monday, June 20th. Mr. Cameron is delegate at this convention, representing the Iroquois Falls Lodge. While in Toronto, Mr. Cameron plans to attend the Paper Mills Superintendents' conference, to be held in the Queen City the latter part of this week. Mr. Geo. Brewtnall, who had previously arranged to attend the Oddfellows convention was unavoidably detained.

Mr. and Mrs. Frank Bean left here last Friday to attend the Oddfellows and Rebekah convention in Hamilton. Mrs. Bean is representing this branch of the Rebekah Lodge.

Mr. and Mrs. W. Harrison, recently married in Toronto, arrived in Iroquois Falls on Saturday, where they will take up their residence at 102 Circle Place. Mr. Harrison is forestry engineer in the Abitibi Woods Department.

Dave Dusseault, teamster for the Twin Falls Woods, had an unfortunate mishap the other day when he contracted blood poisoning in his arm. He is expected to be around shortly.

Last Saturday, Mr. L. J. Barry, Twin Falls, attended the executive committee meeting of the District Conservative Association, held in Timmins. An election for delegate for the Ottawa Conference was the order of business.

North Bay Nugget: Adverse criticism of George S. Henry's stewardship when premier of Ontario is proved unjustified by the revelation that he himself sustained a church for a number of years.

Windsor Daily Star: That astute Canadian Communist, Mr. Tim Buck, has a new bit for his speeches. He says that various clergymen in Canada are now inviting him to speak from their pulpits. Tim must get a great laugh out of that. The Moscow directions are that the best way to spread Communism is to bore from within. And what better boring from within could there be than to have a Communist take a pulpit and use the church for a movement that is determined to destroy the church!

## Dr. Fraser Honoured at South Porcupine

Presentation Made to Retiring Minister by Congregation

South Porcupine, June 22nd.—(Special to The Advance)—A number of members of the congregation met in the United Church on Wednesday evening to honour Dr. Fraser, the minister who is retiring at the end of June, and who has served the needs of the United Church in South Porcupine for the past four years.

Community singing under the leadership of Mr. Tom Kelly occupied part of the time, after which a short programme was presented.

Mr. J. Evans gave a reading, "The Man Who Wins," and as encore "A Story of the Quints," and was well received.

Miss Betty McIntosh played a piano solo, accompanying it with the whistling which she has made distinctly her own.

Mrs. Libby who is well known as an elocutionist, rendered an item from her repertoire which pleased the audience, before Mr. Kelly sang "Asleep in the Deep."

Dr. Fraser was then asked to come forward, and Mr. Kelly read an address from the congregation voicing the regret for the impending departure of Dr. Fraser, and thanking him for his years of work here, assuring him of the deep respect which he has inspired in all, and asking him to accept the gift offered as a memento of his work here and the esteem of his congregation.

The presentation was then made of a handsome cane with a gold handle. Dr. Fraser responded feelingly. He thanked them for the gift and spoke of the friendly spirit he had encountered in the North to such a great degree. He met friendliness when he came here, and entreated them to extend it as it is what our Christian Church stands for. By so doing, he said, there will be here a brighter and better church in the future.

Refreshments were served afterwards by the ladies of the church.

## Timmins Couple Wedded In St. Bridget's at Ottawa

Miss Mary Estelle Burke, Reg. N., and Dr. Joseph A. Martin, Both Popular Timmins Young People, Married at St. Bridget's Church in Ottawa, with Rev. Fr. O'Gorman, of Timmins, Officiating.

St. Bridget's Church, Ottawa, was the scene of an exceptionally pretty wedding on Monday, June 20th, 1938, at 9 a.m., when Miss Mary Estelle Burke, Reg. N., daughter of the late Mr. and Mrs. James E. Burke, became the bride of Dr. Joseph A. Martin, of Timmins, son of Mr. and Mrs. William Martin, of Cobalt, Ontario. Rev. Fr. O'Gorman, of the Church of Nativity, Timmins, officiated at the ceremony, assisted by Canon O'Toole, P.P. of St. Bridget's. Both the bride and groom have been very popular members of the community, and their many friends in town will wish them all happiness, and welcome them to Timmins again when they return from their honeymoon trip to take up residence in town.

Given in marriage by her brother, Mr. Gerald Burke, of Cantley, the bride was regally lovely in a gown of imported white satin, with insets of lace, shirred across the front with long tight fitted sleeves and a row of tiny buttons down the back. It was made on princess lines, with a Queen Anne collar. She wore a small halo hat, with shoulder length veil, and white lace gloves, and white satin shoes, and carried a shower bouquet of American beauty roses and lily-of-the-valley, tied with white tulle. The bride also wore a string of pearls, a gift from the groom.

Miss Marjorie Martin, of Cobalt, Ontario, sister of the groom, attended the bride, charmingly attired in a gown of pink lace with a jacket to match, with short sleeves. A large leghorn picture hat with blue taffeta crown, and long streamers down the back, blue lace gloves, and shoes to match, were her accessories, and she carried a Colonial bouquet of pink and blue cornflowers with forget-me-nots and sweet-peas.

Mr. Harold Burke, of Timmins, bro-

ther of the bride, acted as groomsman. The church was beautifully decorated for the occasion with spring flowers. "Ave Maria," and other wedding music, was played by Miss Madden, of Ottawa, at the organ, and the girls' choir of St. Bridget's very harmoniously sang several hymns.

Immediately following the ceremony at the church, a wedding breakfast was served to the immediate families, and the bridal party, including Canon O'Toole and Fathers O'Gorman of Timmins and Tomphine of Cantley, in the main dining room of the Chateau Laurier Hotel. A large wedding cake adorned the breakfast table. The toast to the bride was proposed by Rev. Fr. O'Gorman of Timmins.

Later in the day the bride and groom received their friends at a reception at the home of the bride's sister, Mrs. Jos. Holmes, of Cantley.

The bride's gift to the groom was a rosary, and to the bridesmaid, a cameo bracelet. The groom's gift to the bride was a string of pearls, and to the groomsman, a gold pen-knife. In the late afternoon the young couple left by car for Ogdensburg, N.Y., to visit the bride's sister, Sister St. Denis, of Heppburn Hospital, and later to attend the Eucharistic Congress in Quebec City, and tour New York City and other points. For travel the bride chose a summer suit of Rajah spun, in a dusky pink shade with white accessories.

Upon their return Mr. and Mrs. Martin will reside at 13 Cherry street, Timmins.

Prior to leaving Timmins for Ottawa the bride was entertained at several showers by her numerous friends in town. She graduated from St. Mary's hospital nine years ago, and has been on the staff of that hospital since that time, making friends with patients and

## FORD HAS MADE V-8 MEAN

# Economy

THE 1938 HALF-TON PANEL ON 112-INCH WHEELBASE

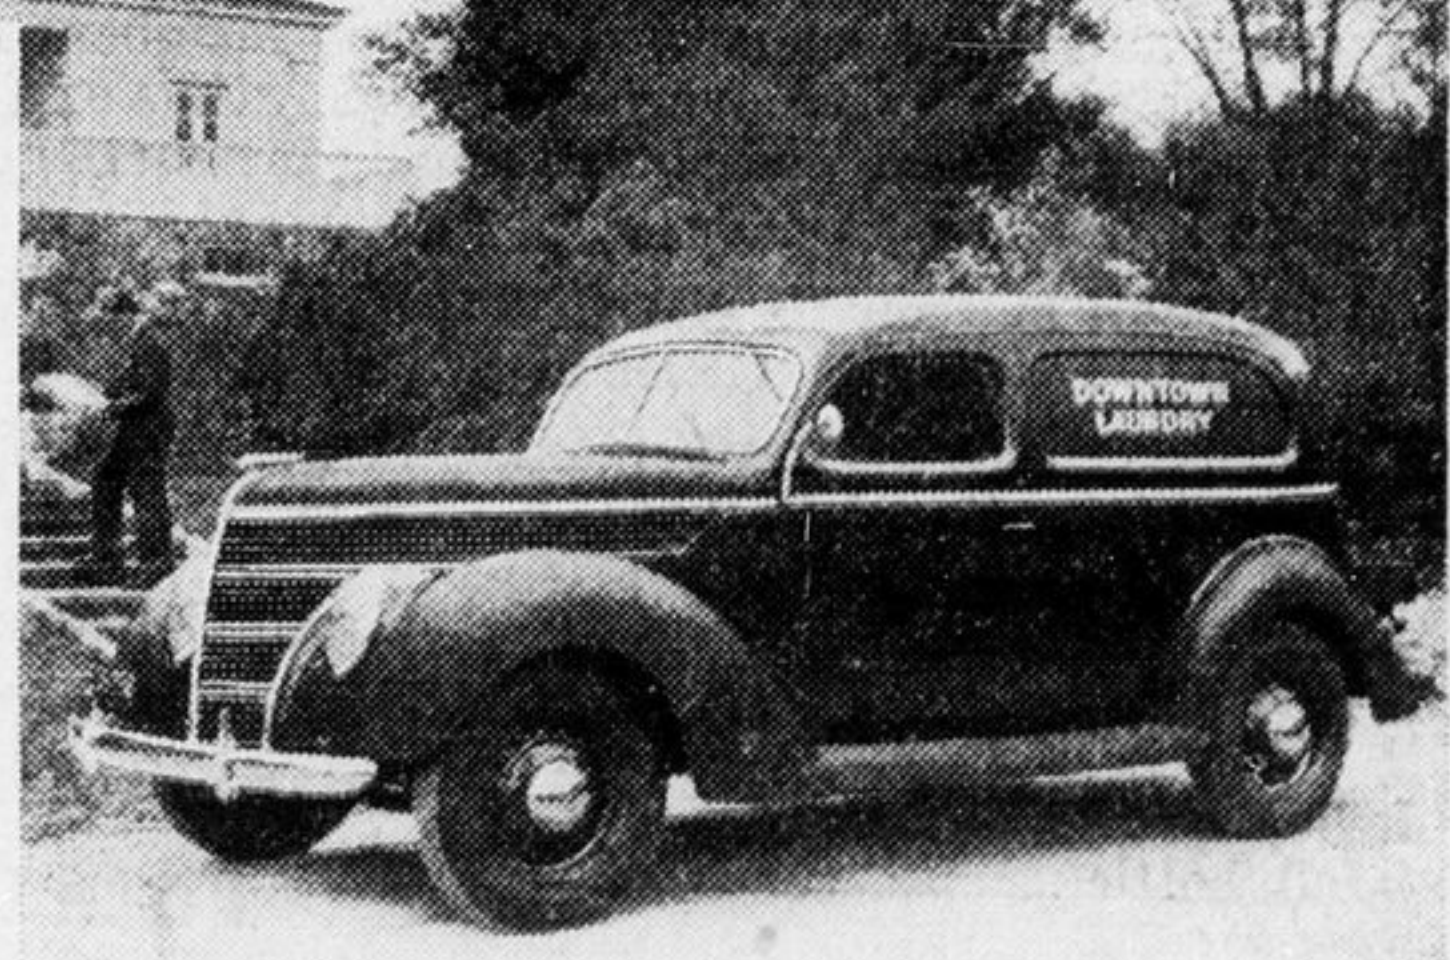

Everybody knows that the V-8 engine will give more power and performance. But here's the amazing thing about the Ford V-8 engine: it gives more economy too! That is not just a claim, but an established fact—proved in actual service by many thousands of owners of Ford V-8 trucks and commercial cars.

All-inclusive cost records show that Ford has developed an entirely new economy for truck and commercial car operation. Ford V-8 units do more work in less time—which in turn reduces the entire cost of the job.

Ford units have very low fuel

consumption; but fuel consumption alone is not a true measuring rod, for this does not take into consideration the time spent or work accomplished. Ford economy includes all three items — one reason that more Ford V-8 Trucks were sold in 1937 than any other 1937 make.

Every year for 21 years Ford economy has been increased. This year, give your business the advantages of a V-8 engine and save money as well. Get the truck that does more work, in less time, at lower cost. See the nearest Ford dealer—make your own "on-the-job" test and prove these facts yourself.

The 1938 half-ton Ford V-8 Sedan Delivery is shown above. Front design has the smartness of the Standard Ford V-8 passenger car. It enjoys great popularity with retail merchants who need handsome equipment to advertise their business as well as make their deliveries. Other Ford V-8 commercial cars are the Panel, Light Delivery and Station Wagon. There is also a chassis and cab unit for mounting stake or special bodies. All are built on a generous 112-inch wheelbase.
