Istratti Pitches Hollinger To Smart Win Over McIntyre

Allows Five Hits and Three Runs in First Inning But Holds Macs Scoreless Thereafter. Hollis Tie Score in Third and Go On to Win 5-3. McIntyres Use McShane and Sunderland.

Unable to retain or improve a three-run lead they jumped off with in the first inning, McIntyre were defeated in a postponed senior Temiskaming baseball match by Hollinger on Monday night by a score of 5-3. The game was played at the McIntyre ball emporium and when the Solomon gang gave Istratti a five-hit baptism for three runs in the first frame, it looked as if the Macs might be on their way for a win.

The squatty righthander for the Hollis was just getting into his stride however, and for the next six innings allowed but one hit, the runner being cut down at second on a double play. In the last two frames McIntyre got

two hits in each but failed to produce the necessary punch to score. In the ninth they had men on second and third with none out, but Istratti whiffed the next two batters and Prout filed out to centre with the tying runs on the pathways.

George McShane was the mound selection for McIntyre, but retired after pitching four innings. Ernie Sunderland finished the game and while he only allowed three safe blows, two were doubles that accounted for as many runs.

McIntyre's three run lead didn't seem to phase the Hollinger sluggers and in the third inning they got to McShane for two doubles and a single, with a fielder's choice thrown in to tie the score. They added single runs in the fifth and seventh to win the verdict 5-3.

Prout, the lead-off man for the Macs in the first inning, was fanned, but Normie Hann belted a line drive to left field that went for two bases. Cybulski singled to score Hann but was nipped at second on a throw by Scarlett from centre field when he tried to stretch the hit for an extra base. Joe McDonald, McIntyre catcher who had a finger crippled recently, got back in the game in right field and followed Cybulski with another single. Gilbert, star centre fielder for the Macs, connected for another double but McDonald was held at third on a fast return from the outfield. Jake Quinn then walked to fill the bases. On a scratch hit by "Dusty" Baker that hit the pitcher's box and bounced high in-

to the air, McDonald scored and all three runners were safe, leaving the bags still clogged with two out. Ford fumbled Cooke's drive to second base and Gilbert raced home from third. George McShane, the next batter, could have won his own game with a circuit clout when he came to bat, but fell by the wayside as a strikeout victim of Istratti's to bring the inning to an end.

McDonald, left fielder for the Hollinger team, cracked a sizzling hit just inside third that went for two bases as the third inning started. After Istratti fouled out, Lawton hit another in the same spot as McDonald for a double, the latter scoring with Hollinger's first run. Cherevaty beat out a ground ball to third base for an infield hit and with runners on first and second Scarlett dumped an easy roller to McShane. The McIntyre hurler recovered the ball but made a wild throw to third base to get Lawton, who scored on the play, Cherevaty pulling up at third and Scarlett at second. An infield out by Jack Darragh sent Cherevaty in with the tying run, but Rumoualdi struck out, retiring the side.

Istratti won his own game in the fifth when he led off with a double and scored on two long flies to right field by Lawton and Cherevaty. Losing control after two were out in the seventh, Sunderland walked Cherevaty and Scarlett, the former scoring the last run of the game when Jack Darragh straightened one out for a double. The rally was over on the next batter, Rumoualdi grounding out to short.

Singles by Cybulski and Joe McDonald gave McIntyre men on third and first in the eighth with two out, but Gilbert whiffed the air on a third strike to blanket the chance of a score. It seemed almost certain that McIntyre would score in the ninth, two hits and a passed ball putting men on second and third with none out. It

was at this point that Istratti really produced his bag of tricks and fanned two pinch hitters, Fred Callery and Lefty Zampell. Bill Prout hit a long fly into centre field that Scarlett gathered in to end the game and leave the tying runs stranded.

Johnny Oltean, Hollinger catcher, with a bullet-like throw, nipped Joe McDonald and Dusty Baker off first base with perfect pags to the bag. Both runners had reached first as lead off men in the third and fourth innings and were all set to go down on a sacrifice when Oltean called for two pitch-outs and caught them cold. Needless to say, the two incidents didn't go down very well with Manager Solomon and the two victims slunk to the sidelines like sheep.

The win places Hollinger within one game of the group leading Porcupine team, while the loss shoves McIntyre down another rung on the ladder into the cellar.

Toburn Vanquish Hollinger By 7-3 Score At Kirkland

Timmins Team Unable to Hold on to First-Inning Lead of Two Runs. Dorey Forced to Retire in the Seventh After Allowing Nine Hits, Including Two Home Runs by Parent Toburn Shortstop.

Kirkland Lake, June 29.—(Special to The Advance)—Led by Nerts Parent, hard-hitting shortstop, Toburn's T.B.L. nine defeated Hollinger 7-3 in an Ennis Cup feature here tonight. Parent hit two home runs, with a man on base each time, to score four of his team's tallies.

In the field, the diminutive shortstop with the rest of the team playing good ball behind him, held the visitors to eight hits. He had seven chances, many of them difficult, without an error and started the double play which cut a Hollinger rally short in the eighth inning.

Zealbo started on the mound for Toburn to be replaced in the seventh. Don England went into trouble right away, putting three men on base with none out but managed to come out undam-

aged. Dorey was hit nine times before he was replaced by McNulty in the seventh. Both Parent's circuit clouts were from his slants while Zealbo also had a triple.

Hollinger afforded poorer support, but their errors were not fatal. They had six men left on base. The teams: Hollinger—Lawton, 1b; Cherevaty, 3b; Scarlett, cf.; Darragh, rf; Rumoualdi, ss; Ford, 2b; Oltean, c; McDonald, lf; Dorey, p; MacKey, c; Istratti, lf; McNulty, p.

Wright-Hargreaves Victors Over Ike Solomon's Squad

Visitors Get to "Lefty" Zampell for Four Runs in Fourth Inning and Add Single Run in Seventh to Win 5-1. Kelly Lets Locals Down With Seven Hits. Macs Score in First Frame on Two Errors.

Smashing the offering of "Lefty" Zampell for four hits, including a homer with one on in the fourth and adding another marker in the seventh, Wright-Hargreaves defeated the luckless McIntyre champions of last year in an Ennis Cup game last night at McIntyre stadium by a score of 5-1. "Mike" Kelly, burly righthander for the Kirkland Lake aggregation, set the Macs down with a meagre seven hits and in all but the first inning was given rare support, two double plays cutting off potential rallies by McIntyre in both the eighth and ninth innings.

In the ninth particularly, the Macs had men on first and third with one out but Sunderland, batting as a pinch hitter, hit into a double play that put the quietus on any hopes the locals might have had for a Frank Merriwell finish.

McIntyre scored their one and only run in the first inning. The first two men up were thrown out at first but Cybulski, the next batter, hit a lively bouncer to short. Baldwin made a perfect pick-up but threw the ball over the first baseman's head and the McIntyre runner went to second. Joe McDonald drew a walk and Gilbert followed with a sharp single that advanced both runners. With the bases full "Dusty" Baker popped an easy roller to Kelly, which the latter fumbled and Cybulski scored. With the pathways still crowded, Elias popped an easy fly to second base for the third out.

For three innings Zampell had been going nicely but a misjudged fly on the lead-off man for Hargreaves in the fourth started the fireworks that eventually lost the game. Cookson hit a high fly into short centre and Normie Hann raced out from short in an effort to get under the ball. At the same time Gilbert was coming in from centre. In the ensuing mix-up Gilbert got his hand on the ball but failed to hang on to it. Ferti, Kirkland Lake shortstop, was the next man to bat and on the first pitch he plastered a long drive out to the fence in left centre for a home run, scoring Cookson ahead of him. Jennings came next with a lone single and got a free ticket to second on a wild pitch. Perigo and Anderson filed out to centre but Schonfeldt, who went into catch at the start of the second inning, blasted out a sizzling double to score Jennings and crossed the plate himself with the fourth run of the inning when Kelly sniped a clean single. McElroy, the next batter, was thrown out at first leaving Hargreaves in the lead, 4-1. Successive singles by Cybulski and

McDonald gave McIntyre men on first and second in the sixth with none out, but Gilbert filed out to centre. Baker forced McDonald at second and Elias popped an easy fly to first base.

McElroy, lead-off man for Hargreaves in the seventh, smashed a long triple between left and centre and after the next two hitters had lined out to Normie Hann at short, Ferti got his second extra-base blow of the night when he doubled to left, scoring McElroy. Jennings then filed out to Hann who made all three put-outs of the inning.

With one out and a man on first, in the eighth, Joe McDonald hit into a double play and the same thing happened in the ninth with first and third occupied by McIntyre players.

Zone Tennis Tournery to Start Friday

Porcupine Clubs to Compete for Right to Enter N.O.L.T.A. Competition.

Timmins, South Porcupine and McIntyre, members of the newly-formed Northern Ontario Lawn Tennis Association, will commence a zone tournament here tomorrow to decide winners to take part in the big district competition for the Harold A. Wilson Trophy at Kapuskasing on July 30, August 1 and 2.

The N.O.L.T.A. was organized recently at Cochrane and will include clubs along the T. & N.O., including branch lines from New Liskeard to Cochrane and along the C.N.R. from Cochrane to Hearst. Up to the present time the clubs that have affiliated are: Cochrane, Hearst, Smooth Rock Falls, Kapuskasing in the northern zone, Timmins, McIntyre and South Porcupine in the central zone, and Kirkland Lake, Larder Lake and New Liskeard in the southern section. The three districts will hold individual competitions and the winners of each will participate in the big tournament at Kapuskasing for Northern Ontario honors. While the organization is just in its infancy, it is hoped that next year North Bay, Pamour and other clubs in the North will affiliate with the organization, winners to compete in the regular Ontario championships.

The local zone tournament, which opens at the courts of the three Porcupine clubs on Friday, will be continued on Saturday and Sunday.
