

# Hollinger Take Porkies to Tie-up Group Leadership

## First Place is Deadlocked With McIntyre As Door Mat

Hollinger Pounded Out Twelve Hits from Offerings of Four Porcupine Pitchers Last Night. Reg. Dorey Plays Star Game in Field and Hits Homer With Two Men On Base.

Subdued only after the fourth opposing pitcher had been injected into the game in the sixth inning, Dan McIntyre's Hollinger team gave the Porcupine Miners a 13-3 lacing in South Porcupine last night. The win gives the "House of McInnis" a tie with Porcupine for the leadership of the northern group of the senior Temiskaming league, both teams having four wins and two losses to their credit. McIntyre are still wallowing in the dim depths of the cellar with one win and five reverses in six starts.

Last night's debacle dragged on for nearly two hours and a half, player changes and high scoring making progress slow. Istratti went the full distance for Hollinger and while on several occasions he was in difficulties, crack fielding by his teammates dynamited the chances of the Porkies. Bill Mead went to the mound for Porcupine but after allowing five hits and six runs, three of which crossed the plate when Reg. Dorey hit a home run with two on, retired in favour of Dominic Senese with none out in the third. Senese lasted until the end of the fifth, two hits with two errors giving Hollinger another pair of runs just before his departure. Lefty Turner was dropped into the fray but he only faced four men, issuing two walks and a single that accounted for another run. Dominas made the fourth hurler the Porkies used and he promptly walked Dorey to fill the bases. A single by Dean Ford, two errors by Moreau at short, and a hit batsman, sent three more runs across the plate but the next two men were retired to end the inning. From this point on Dominas was master of the situation and only ten men faced him in the succeeding three innings.

The Porcupine defense was woefully weak and eight bad errors, all but one of which figured in the scoring, practically presented the game to Hollinger. Combined with twelve hits by the Hollies, the Porkies were completely out of the contention.

Two hits and two errors gave Hollinger their first two runs in the second inning and in the next frame they cracked down with four more. Reg. Dorey hit a home run in this frame with two men ahead of him, Scarlett scoring from third with the other run when Long made a wild peg to the plate from first base.

With one out in their half of the third, Catarello, Dowling and Labag singled in succession to fill the bases. Just when it looked as if the losers would get a break, Moreau hit into a double play. Hollinger played airtight ball in the pinches and two errors by Romualdi didn't have any effect on the score.

Again in the fourth inning the Hollies bunched two hits with two errors by Carlo Catarello to score another brace of runs. Romualdi and Dorey were on third and second base on two hits, and with one out, Oitean tapped a roller to Catarello. With lots of time to make the play, he booted the ball and recovering the pill made a wild throw to first base, two runs scoring.

The sixth proved a nightmare and from the combined pitching of Turner and Dominas, Hollinger collected three walks, two hits and a hit batsman, along with a contribution of two errors by Abbe Moreau at short, for five runs. Up to this time Istratti had pitched shutout ball but in the seventh, Dowling and Labag scored for Porcupine. The Hollinger hurler seemed to be having difficulty finding the plate and after walking two men, Long drove a line drive into centre field for two bases that sent the two Porcupine runners in.

In the ninth Dowling drew another pass and finally crossed the plate on a single by Rock, batting as a pinch hitter, a felder's choice and an infield out. Two men were retired at the time and Cox, batting for "Skipper" Bean popped out to third base to end the game.

In addition to hitting a home run and a single and scoring three runs himself, Reg. Dorey gave a brilliant display in left field, handling six hard chances

faultlessly. Dean Ford, second sacker for the Hollies, was another star performer in the field, having eight assists and three putouts to his credit without an error. In addition he poled out a triple in the third inning, a single in the sixth and scored two runs. Trying to stretch the three-base smite into a homer he was tagged at the plate on a perfect throw from the outfield by Murray.

Box score:

Hollinger					
	AB	R	H	PO	A

a-replaced Leonard in third inning. b-replaced Mead in third inning. c-replaced Senese in sixth inning. d-replaced Turner in sixth inning. e-batted for Labag in ninth. f-batted for Bean in ninth.

Errors, Romualdi 2, Catarello 2, Dowling, Moreau 2, Long 2, Bean, Home runs, Dorey. Three-base hits, Ford. Two-base hits, Labag, Long. Struck out, by Istratti, 4; by Mead, 1 in two innings; by Senese, 0 in three innings; by Turner, 0 in 1-3 inning; by Dominas, 4 in 3-2-3 innings. Bases on balls, off Istratti, 7; off Mead, 1; off Turner, 2; off Dominas, 1. Passed balls, Schultz, Mackay. Hit by pitcher, Oitean. Double play, Cherevaty to Ford to Lawton. Left on bases, Hollinger, 8, Porcupine, 12. Time of game 2 hours, 20 minutes.

Hollinger 024 025 000—13 12 2  
Porcupine 000 000 201—3 7 8  
Umpires—Lloyd Chambers, at plate; Steve Carnahan on bases.

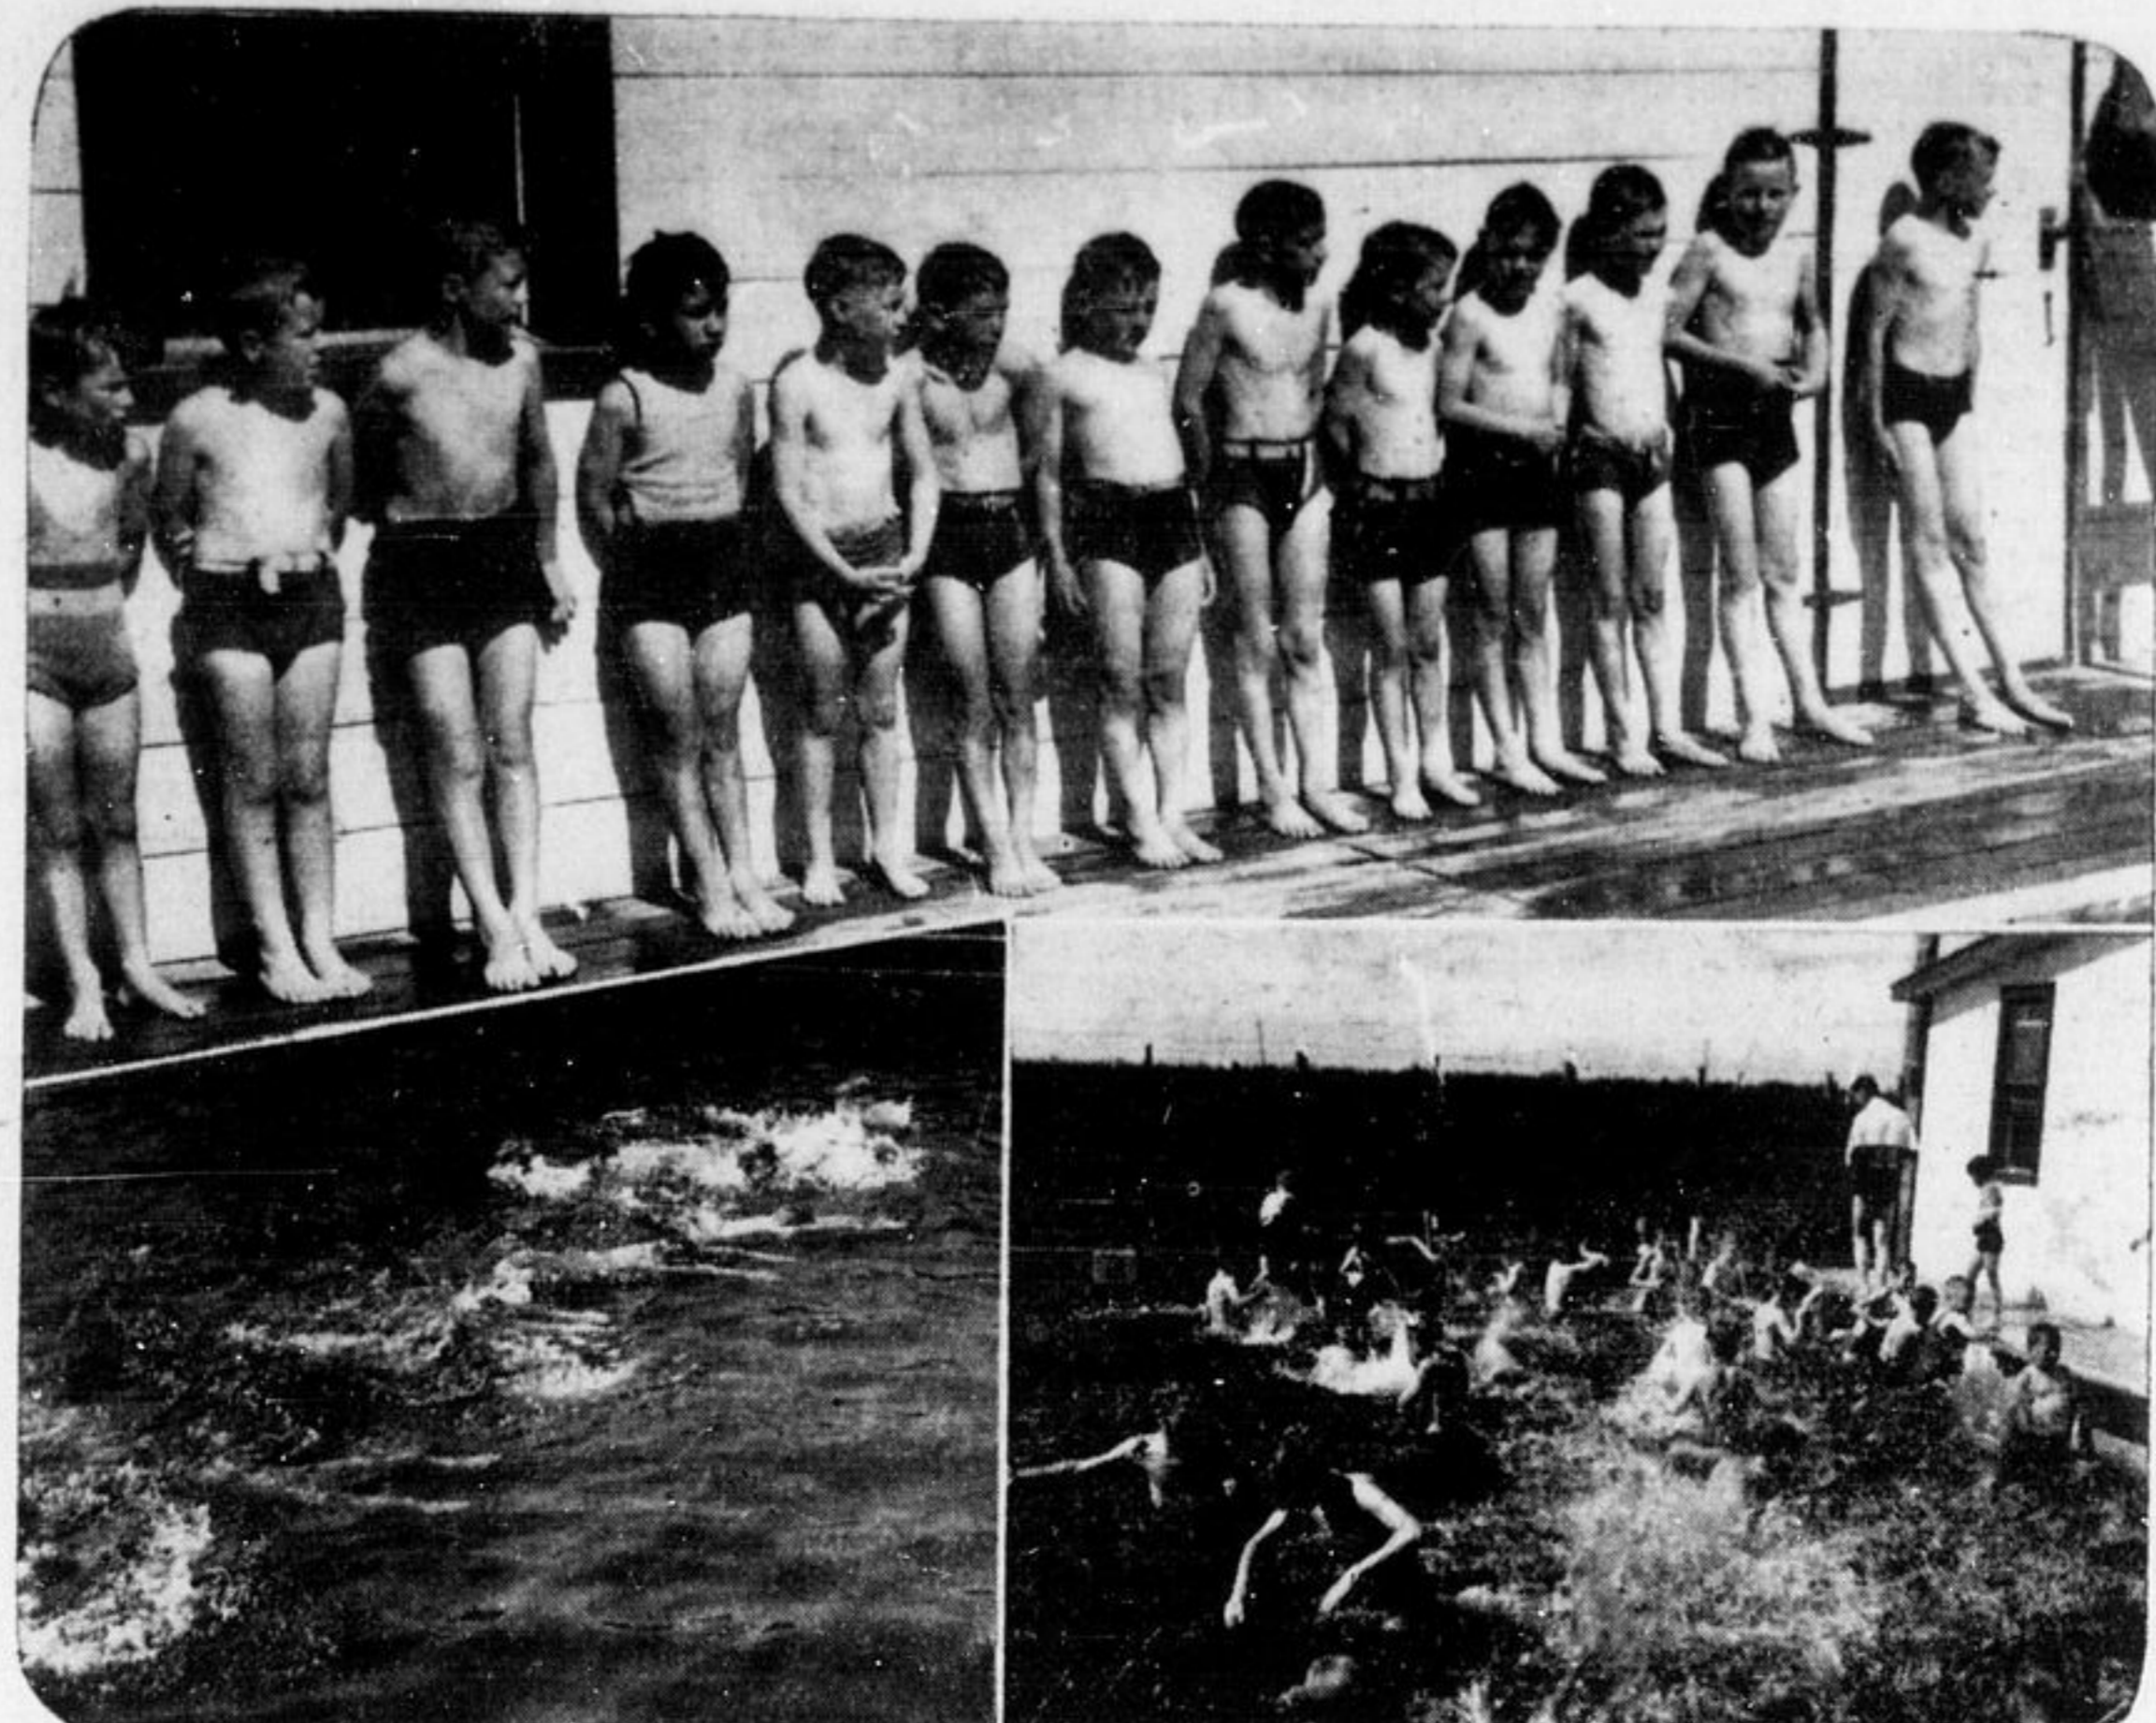

## Baseball At McIntyre On Friday

Hollinger to Meet Newly-Crowned E.O.B.A. Champions in Ennis Cup Game.

To-morrow evening at 5.15 McIntyre and Hollinger will meet in an Ennis Cup game at McIntyre stadium that should see plenty of action. With the Macs fresh from their win over Ottawa for the Eastern Ontario title last weekend, the Solomon crew have taken an extra hitch in their belts and are determined to end the losing streak that has dogged their heels ever since the season opened. While it must be admitted that the McIntyre lineup was bolstered by four men from Lake Shore during the four-game series against Ottawa, it's always hard to knock off newly-crowned champions.

On the other hand the Hollinger club have played consistently good baseball all year and will be in there trying to put the skids under the new title holders.

## RIVERSIDE SWIMMING POOL OPENED YESTERDAY

Wednesday marked the opening of the re-conducted Riverside Swimming Pool alongside the Mattagami bridge at the foot of Wilson avenue. Regularly supervised classes in swimming are being conducted daily by A. R. Fisher, a qualified instructor. Shown above is a class of boys from the Central School, one of the many groups that will be given lessons during the summer. The majority of them were oblivious to the Advance camera-man when the picture was taken yesterday afternoon. In the picture at the lower left several of the boys are seen doing the "dead man float" while at the right a spirited "water fight" is in full swing.

## Dates For Junior Baseball

Timmins Junior Well Out in Front in Local League—Play Off With Kirkland.

The following are the remaining games in the local junior section of the Temiskaming baseball league. Three teams, Timmins, Schumacher and Iroquois Falls are operating in the loop, with Timmins juniors being well out in front. The winners here will meet Kirkland Lake in the finals for the E.O.B.A. title.

Monday, July 25—McIntyre vs Timmins.
Thursday, July 28—Timmins vs McIntyre.
Monday, August 1—Iroquois Falls vs Timmins.
Wednesday, August 3—McIntyre vs Timmins.
Friday, August 5—Iroquois Falls vs McIntyre.
Monday, August 8—Timmins vs Iroquois Falls.
Friday, August 12—Iroquois Falls vs Timmins.
Monday, August 15—McIntyre vs Iroquois Falls.
Friday, August 19—Iroquois Falls vs McIntyre.

## Prospective Food Shortages May Reduce Chance of War

(From The Washington Post)  
The prospective food shortage in Europe at the present time may have one salutary result. Nations which find it difficult to feed their populations out of domestic supplies are likely to hesitate before plunging into war. As Gen. Blomberg, the late German war minister, is reported to have said: "You may be able to end a war on bread ration cards, but you cannot start a war on them." In other words, nature's cruelty may, under existing conditions, avert to the benefit of man.

## Several Car Accidents in Iroquois Falls Area

Iroquois Falls, July 6.—(Special to The Advance)—In the past few days the police here have had a busy time over car accidents. In four days there were no less than five accidents of more or less importance. The only redeeming feature of the matter was that no one was killed and any injuries sustained by persons were of more or less minor kind.

There were two accidents on Friday, Dominion Day. One was about twenty miles this side of Swastika. Mr. Guitard, of Iroquois Falls, was returning from Kirkland Lake, when he became involved in a crash with a car driving south. The chief damage was that both cars had injured front wheels and fenders, with broken glass, while medical attention was necessary for Mr. Guitard owing to strained muscles of the left arm. The second Dominion Day accident was just this side of Ramore. According to the reports given a truck parked on the highway obstructed the view of two drivers travelling in opposite directions. The damage was a rather bad crash. Both cars had to be towed from the scene, the damage including broken wheel, smashed fender, broken glass. One car was driven by Mr. Henry Goltz, of Kirkland Lake, and the other by Mr. Ernest Dumas, of Ramore. Miss Vera Connolly, of Kirkland Lake, a passenger with Mr. Goltz was lacerated about the face from flying glass, but was able to proceed home.

Saturday the police were called to Barber's Bay where a car and a truck were involved in what may be termed a close scraping. Adolph Labelle, Timmins, who was driving along this stretch of road, says that he slowed up to let a car by, and in passing the car scraped alongside of the truck and damaged the sides of both vehicles quite extensively. The other car was driven by Walter Niemi, also of Timmins. No one was reported hurt in this accident.

On Sunday, July 3rd, Chief Olavson answered a call to the scene of an accident on Fyfe Ave., just beside the skating rink here, in which Mrs. Marcott, of Mount Rock, and Mr. Fenelon Garripy, of Ansonville, taxi driver, were involved. It seems that one car was driving on the wrong side of the road, and the other one in trying to pass, on the left side, collided when the car turned over to its own side. Mrs. Marcott's car was very badly smashed in, pushing the engine well back, while the taxi only suffered a broken bumper. No one was reported hurt in this case either.

Then again on Monday, the police answered a summons to the highway leading to Timmins, near Alexo. In this accident a truck working on hauling gravel and driven by Mr. George Wolf, Matheson, was involved with an Oldsmobile car believed from Timmins. It was reported that Wolf, while turning in to the gravel pit here, was rammed by the Oldsmobile, which caused extensive damage to the car. The body was badly broken, both wheels, and fenders, along with granulated glass. The truck sustained minor damage, and proceeded on its chores.

## JOE LOUIS CELEBRATES VICTORY

Happy after his knockout victory over Max Schmeling after only two minutes and four seconds of the first round of their bout for the world's heavyweight championship, Joe Louis, boxing's famed Brown Bomber, celebrates in song with his close friend and admirer, the equally famous Bill Robinson of the tap-dancing world. Joe usually loses his deadpan expression when with Robinson.

## Rouyn Baseball Fan Hit on Head by Flying Bat

Noranda, July 6.—Barney Szuch, an employee of the Powell Rouyn Gold Mines Limited, will possibly not be such an enthusiastic sport fan in future. On Sunday afternoon Barney was one of a large crowd watching the baseball match on the local ball ground when a player, delivering a mighty whack, let the bat fly out of his hand. The first obstacle it met in its flight was Barney's head, which was about 25 feet away from the batsman. He was knocked unconscious and remained so for nearly two hours. He will spend the next few days in hospital with a badly lacerated skull, which, fortunately however, was not fractured.

Brampton Conservator.—The insurance on the once famous Duncan Marshall bull, amounting to \$5,030, has been received by the Ontario government. If the opinion of Holly Acres, M.P.P., and other prominent stock men, was correct, the animal was more valuable dead than alive. The purchase price was \$15,000.

## Trades and Labour Council Form Sporting Association

Union Representatives Make Decision at Meeting Held in Schumacher on Monday Night. Committees Appointed to Organize Softball League and Swimming Club.

At a meeting held on Monday night in the union hall in Schumacher the Porcupine District Trades and Labour Council unanimously decided to form a sporting association.

One of the first projects to be undertaken is the organization of a softball league. A committee was appointed to go into the matter and steps are to be taken to have the various teams organized without further delay. How many teams will be included in the

proposed loop is not known as yet but it is believed that the Trades and Labour Council have the nucleus of a compact group.

Another activity that is to be sponsored by the union organizations is the formation of a "Porcupine Swimming Club." "Al" Parsons, of Schumacher is in charge of the committee delegated to get the swimming club under way and any persons interested may contact him by telephoning 795.

## Sanatorium Care of Timmins Juniors Win 17-6

Municipalities Relieved of Cost of Indigent Patients.

Following the approval of the Lieutenant-Governor in Council of the regulations relating to the recent amendments to the Sanatoria for Consumptives Act whereby the Provincial Government relieves the municipalities of the cost of maintenance for indigent patients in sanatoria, the Honourable Mr. Harold J. Kirby, Minister of Health, outlined the policy of the Government in respect to this matter.

This Legislation was introduced as a result of an extensive study of the program of tuberculosis control which revealed that in many instances suitable and necessary care for those suffering from this disease had frequently not been provided because of the cost to the municipalities. Heretofore approximately half of the patients dying from tuberculosis have not received the benefit of sanatorium treatment. Furthermore the burden of the costs of sanatorium care have been strikingly unequal from municipality to municipality throughout the Province.

Prior to the last session of the Legislature, all cities, separated towns and counties were required by Statute to pay \$1.50 per day for the treatment in sanatorium of each indigent person suffering from tuberculosis. In the case of counties, one-half of this amount was charged back to the township, town or village, as the case might be. The amount of money raised by the municipalities through taxation for this purpose amounted to \$1,350,000.00 last year.

While the bulk of the financial burden, formerly borne by the municipalities, has been assumed by the Government, the responsibility for the after-care of certain patients is still left with the municipalities.

Failure on the part of the municipality to supply such after-care, will result in the retention of these patients in sanatorium at the expense of the municipality. Such cost would be greatly in excess of that entailed in providing proper living accommodation and treatment outside the sanatorium.

When pneumothorax treatments are necessary following the discharge of indigent patients from sanatoria, the municipalities are required to provide transportation from the place of residence to and from the nearest centre in which such treatment facilities are available, and to pay physicians approved by the Department for giving these treatments. The Government, however, will reimburse the municipality for the amount paid to these physicians up to \$3.00 per refill treatment.

This programme became effective July 1st, 1938.

Patients who are able to pay all or part of their maintenance in sanatorium will be expected to do so as heretofore. The Minister emphasizes the fact that the Government is taking on no additional responsibility whatever with respect to Public General Hospitals and the care of indigent patients therein. Such institutions will continue to receive Government support in the way of statutory per diem grants but the main responsibility for their operation will, as in the past, remain with the communities which they serve.

St. Mary's Journal-Argus.—Woman: "It's simply ridiculous calling these cashiers in banks 'tellers.' They won't tell you anything. Why, only yesterday, I asked one how much money my husband had on deposit there and, would you believe it, he just laughed at me!"

## Local Squad Swamped Schumacher Last Night 17-6 at Timmins Ball Park.

Timmins Juniors registered their fourth straight victory of the season last night at Timmins ball park when they defeated Schumacher by a score of 17-6. The local team hammered the offerings of Luchen and Harris to the four corners of the lot and while Churhill was touched quite freely on the Timmins mound, the decision was never in doubt after the early innings. The lineups were:—

Timmins—Black, rf, Poirier, 2b, Stonehouse, 3b, Copps, ss, McGinnis, c, Van Rassel 1b Roy cf, Webb, lf, Churchill, p.

Schumacher—Ovis, rf, Patarin, 1b, Arnot, cf, Symons, 3b, Turcotte, 2b, Zaddorne lf, Augustine, ss, Mira, c, Luchen, p, Harris, p.

Unable to field a team, Timmins defaulted a scheduled game on Monday night to Schumacher, which automatically became their first loss of the season. A number of Timmins players were away on holidays and the management couldn't round up enough players to make a start.

Canada Lumberman.—Only the fine wealth of thought and dedication can find a place in the everlasting garers.

## Hi There, Gang!

Victory in this year's renewal of England's famous Diamond Sculls rowing classic went to United States, and waving out at you is the man responsible, Joe Burk. Burk, already Canadian and American champion, had an easy time scoring his win.
