

The Porcupine Advance AMATEUR PHOTOGRAPHY CONTEST

Open to every amateur photographer and
camera enthusiast in the Porcupine district

Start taking pictures to-day and enter them in The Advance Amateur Photography Contest. There is no limit to the types of pictures - - - it is all perfectly simple. In this district are many beautiful scenes and interesting subjects just waiting for your skill to transform them into a prize-winning photograph. If you are going away on vacation take your camera along. Many exceptional opportunities will present themselves. Send your films in each week to one of the Contest Stores advertising in these pages for entry in the contest. You may enter as many pictures as you like. There is a prize for the best picture each week for ten weeks and a grand prize for the best picture of the whole contest.

IT'S EASY TO ENTER. Just take your films to be developed to one of the "Advance Photography Contest" Stores (any of the advertisers on these pages). When the pictures are finished select the ones you wish to enter. The Contest Stores staff will gladly fill out the Entry Form for you and turn it and the pictures over to The Advance for the judging. It's just as simple as that. Start taking prize-winning pictures at once. The more you enter the better chance you have of winning weekly prizes and the grand prize.
