

Dominion Football Title Will be Decided at Dome

Hiram Walker Golf Tourney In North Bay, July 22 and 23

All Men, 21 and Over, With Amateur Status, Will be Eligible for Two-Day 54-Hole Medal Competition. Seven Attractive Prizes to be Presented by Hiram Walker & Sons Limited.

The Northern Hiram Walker Golf Tournament will provide a two-day meet at the North Bay Golf and Country Club, opening on Friday, July 22. All men 21 years and over, with amateur status, will be eligible for the 54-hole medal play.

Seven outstanding prizes are being presented by Hiram Walker & Sons, Limited, as follows:—To the low qualifying medalist; to championship flight winner and runner-up; to first flight winner and runner-up; to second flight winner and runner-up. There

will also be a special award for an 18-hole match between the championship flight winner and runner-up and two visiting golfers from Toronto, to be played on Saturday afternoon, July 23.

Rules of Play
According to the official rules, the tournament will be non-handicap medal play throughout, the field to be started in threesomes. Play will consist of three 18-hole medal rounds, two to be played on Friday and the last on Saturday. At the close of the first day, the field will be divided into championship, first and second flights, the basis of division to be gross medal scores on the first 36 holes. Flight winners will be determined on gross medal scores for the entire 54 holes. The entry fee will be \$2.00 which also covers the cost of the entrant's noon meal at the clubhouse both days of the tournament. A special entertainment will be provided each evening.

It is expected that the Timmins Club will be well represented in the entry list.

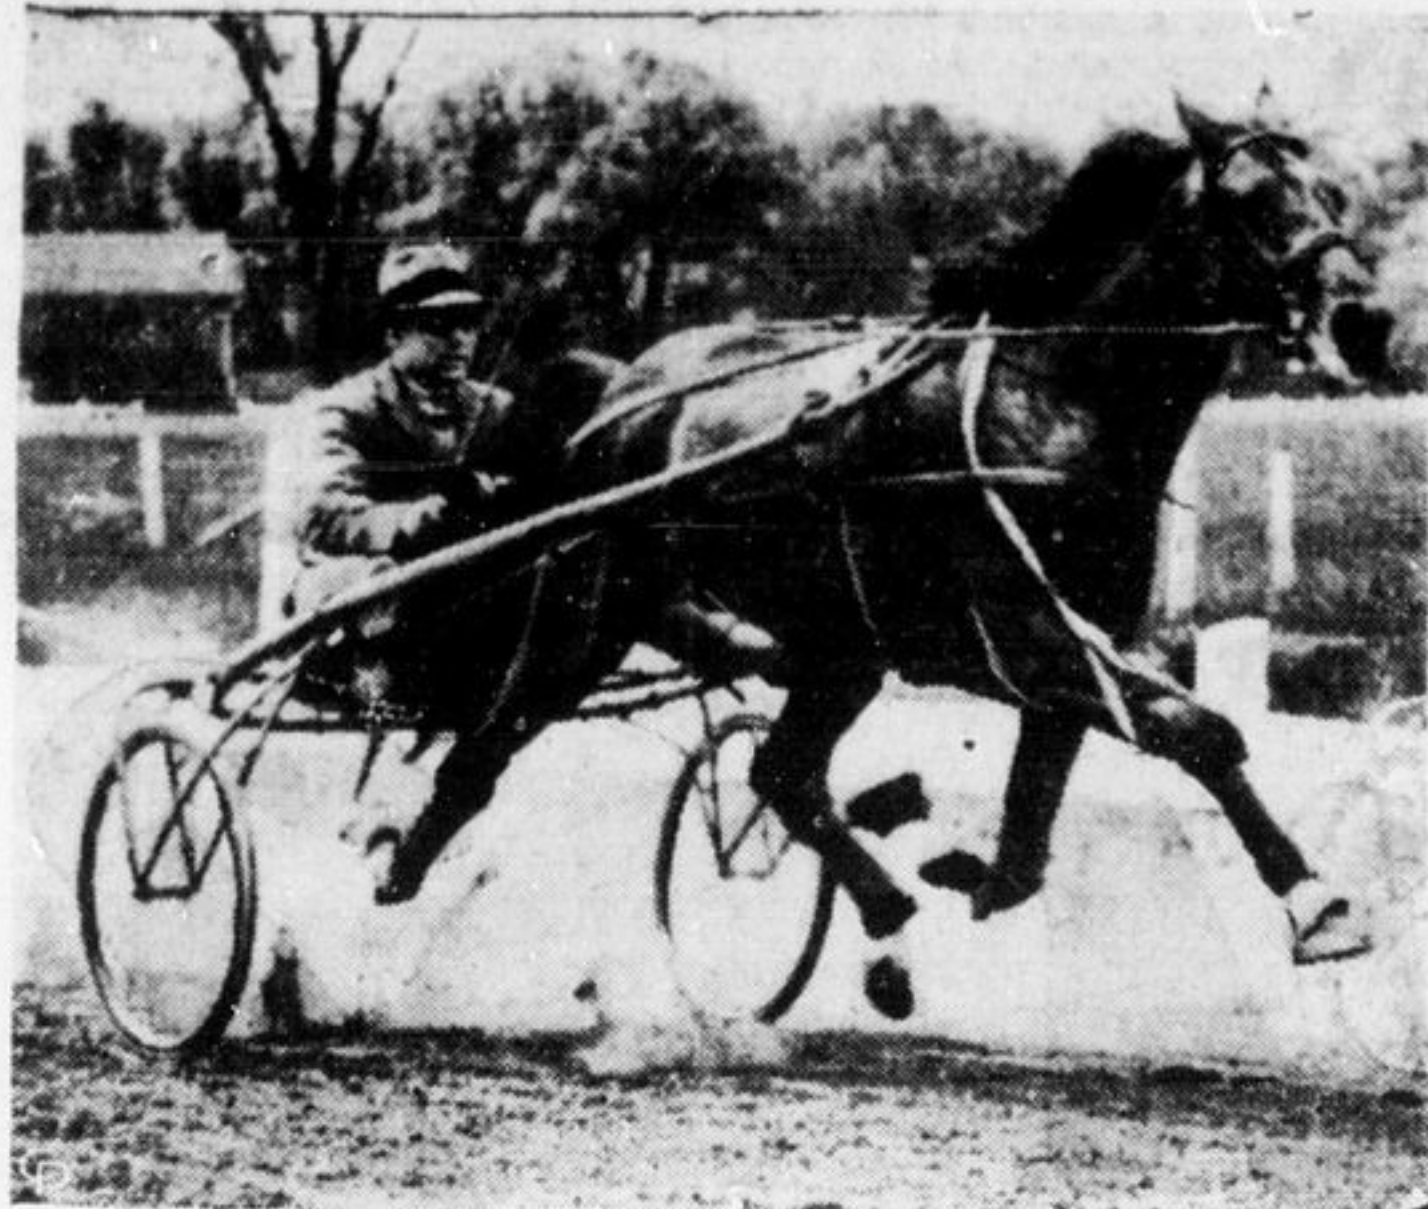

McIntyre Here To-Night

Solomon Crew Meet Hollinger Here in Senior Temiskaming Baseball Game.

With the good offices of the weathermen the controlling factor, Ike Solomon will bring his McIntyre ball tossers to Timmins to-night to meet Hollinger at the local ball park in a senior Temiskaming league game.

The luckless Macs have only one win to their credit in the league games played so far and this was a 6-2 victory over Hollinger on June 20. Hollinger are encircled in second place and need the game to keep pace with the league-leading Porcupine team. On the other hand McIntyre are due to break out one of these days and to-night may be the time. Fresh from their Ennis Cup victory over Wright-Hargreaves in Kirkland Lake last week they will likely be tough to knock off.

HAMBLETONIAN HOPEFUL

Eligible for the famed Hambletonian Stakes at Goshen in August, and one of the favourites in the bargain, is Dale Hanover, ABOVE, seen out for a canter with Elbridge T. Gerry in the sulky. The Hambletonian hopeful is a son of Guy McKinney, winner of the first running classic in 1926.

Northern Ontario Golf Body To Hold Annual on August 3rd

Meeting to be Held in Kirkland Lake. Timmins Club Will be Represented by W. R. Rinn and Geo. Lake. Executive Will Consider Recommendation to Revise Name of Association.

The annual meeting of the Northern Ontario Golf Association will be held on Wednesday evening, August 3, in the clubrooms of the Kirkland Lake club. The Timmins club will be officially represented by W. R. Rinn and Geo. Lake.

A number of recommendations have been included on the agenda for the annual meeting, chief among them being formal approval of changing the name of the present body to "The Northern Ontario-Quebec Golf Association."

In this connection an amendment to the constitution will be submitted covering the granting of membership privileges to the Siscoe Island Golf Club.

Other recommendations that will be considered include the appointment of a permanent secretary of the association and the affiliation of the Northern Ontario body with the Royal Canadian Golf Association.

A good representation will go from the Timmins club.

English, the boys have become expert Morse signallers. Incidentally Scouting has given the boys a new and wider interest in life. Except for a rare trip, few of them had left the rubber plantation, but since becoming Scouts they go camping in other parts of Malaya. The estate provides the boys' uniforms, on condition that these are paid for by instalments out of their monthly wages. The troop is the 11th Iph.

Troops are asked to register their summer camps with local and provincial headquarters. Applications are available through the Local Association's Asst. Sec.

Scouters! Big and Little! Hear ye! The Big Splash Scheduled for last Saturday and postponed, will take place Wednesday evening, July 20th. Every Cubmaster, Scoutmaster, Assistant Leader and Committeeman, with, of course, their lady friends, should be at the Riverside Swimming Pool by 8 o'clock and equipped with a swim suit and a big smile. Come one, come all.

Little sister to Scout tying knots: "Mom says if you want to go to the Boy Scout Camporee, July 29th, you better quit putting bowline knots in her clothes line."

See you there! Scoutingly yours, Ebr., District Leader.

Toburn Meet Macs Wednesday

Ennis Cup Game at McIntyre Stadium — Hollinger Meet Lake Shore

Two Ennis Cup games will be played on Wednesday, Toburn being the "guests" of McIntyre and Hollinger meeting Lake Shore in Kirkland Lake.

Toburn were scheduled to make a previous appearance here against Hollinger but the game was rained out. Only one Ennis Cup game has been played here to date, Wright-Hargreaves defeating the Macs 5-1. Toburn have been playing a lot of smart baseball of late and no doubt will give the Solomon representatives plenty of opposition.

Caddies Persuaded to Strike in the North

Kirkland Lake Boys Added to Those at Timmins and Iroquois Falls.

Last week the caddies at the Timmins golf course expressed regret for the mistake they had made in declaring a strike. Although the boys did not specifically say so, it was quite apparent that they had been eched into taking the action. Similar mistake was made by the caddies at Iroquois Falls, and later last week it was announced that the caddies at Kirkland Lake had also declared a strike. So far as can be learned, there does not seem to be any fair reason for the caddies going on strike at any of the three courses mentioned, as they have been on good enough terms with the golfers to have anything adjusted at any time without any drastic action. Some light on the real trouble may be gathered from circulars distributed last week in Timmins. These circulars were of the same type of "printing" by duplicate as those so frequently put out in the past by the communist party, while the wording was equal proof of the source of the appeal. To The Advance, it seems like a particularly mean form of agitation to induce young boys to take action that they regret as soon as they understand what they have done.

BOY SCOUTS IN TIMMINS

It Makes a Difference

A blizzard coming down off a western mountain top can quickly put to test the camping ability of the most hardened camper and, above all, is a proving ground of a true Scout's camping mettle. Not so long ago a patrol of Scouts in the West found itself suddenly caught in the midst of a 48-hour blizzard. In less time than it takes to tell, these Scouts were up against a bad blow. The Patrol became a bit panicky but the Patrol Leader had been watching the trail carefully, observing every trail sign and all the surrounding countryside. In a flash the Patrol Leader right-about-faced the Patrol, hiked back a ways and then commanded it to leave the trail. The Patrol rather wondered about leaving the trail in the midst of a blizzard. But soon the Patrol Leader brought it up before an old shack. Immediately every Scout set to. A fire was built, a supply of firewood was collected and a hunter's stew was soon simmering over the cheery blaze. The blizzard was something in the dim distance. The Patrol was all set to "ride it out." In 48 hours the storm subsided and the Scouts slung their packs on their backs to head for home. In true Scout fashion they had come up against a tough situation and had cheerily conquered it.

During these 48 hours there was another group of three boys caught in the same snow storm. What a different story. When the storm struck, these boys were panic-stricken, completely losing all self-control. They did the most foolish thing possible in a blinding snowstorm; they tried to retrace their steps homeward along the trail. It was a hike in which the odds were against them. Soon the youngest boy became exhausted and his two companions carried him until they spotted a farmhouse off in the distance. Whereupon they laid him down along the edge of a gully so that they could more easily make an exploratory trip to the house. They hiked off a mile or so only to find that the "house" was a cump of trees. Nothing to do but to return to their exhausted friend—but their tracks had disappeared, completely obliterated by the falling snow.

For hours these two boys wandered hopelessly, trying to find their companion. On the second day searching parties were sent out. The boys were found; the exhausted one had died and the other two were delirious from exposure.

Here then are the stories of two groups of boys. Both groups had faced the same risks and the same conditions but what a difference in the outcome! What was that difference? Don't you think it was the Patrol's and the Patrol Leader's Camping knowledge that made the difference? Would your patrol have stood the test?

We don't have such storms as they had but often emergencies arise that will test our abilities. Let's not wait till such comes along to show what we can do. Let's show our mettle at the Camporee! Just two more weeks now. EVERY PATROL OF EVERY TROOP REPRESENTED. There's the slogan. Let's show our "stuff" and have a lot of fun doing it. Send in your entry forms NOW.

Members of the 8th group went on a week-end hike to Kamiskotia under the leadership of their Troop Leader. The Court of Honour of this troop has quite often planned and organized such hikes for themselves and members of their troop.

A Boy Scout troop of rubber tree tappers and "pest" colies is described as one of the most unusual troops in Malaya. Although unable to speak

Porcupine Team Meet Winners of Ulster-Carsteel Series

Great Excitement in Local Soccer Circles Regarding Dominion Title Matches on Wednesday and Friday Nights. Dome Figured to Have Good Chance to Win Championship.

Porcupine soccer fans are jubilant over the announcement that Dome Football Club will meet the winner of the Ulster-Carsteel series for the Dominion title at Dome grounds on Wednesday and Friday of this week in the first two games of a best-two-out-of-three series.

Dome have marched through to the finals with an impressive record of wins and while they will be meeting strong opposition in their bid for the title their supporters feel confident that they will be equal to the test.

The Carsteel team from Montreal and Ulster from Toronto played the first of their three game series in Toronto on Saturday night, Ulster taking the verdict 4-0. The second game, which the experts feel Ulster can win handily, is being played in Toronto to-night. If the unexpected should happen and Carsteel wins to-night, forcing the playing of a third game, the dates for the finals here will be revised.

The management of the Dome team

contacted Sam Davidson, secretary of the Dominion Football Association and made a guarantee of \$600 to the Ulster team to play the finals on the Dome grounds. The offer has been accepted and in the event that Carsteel should pull out with a surprise win, the same offer will be made to them.

The two games at Dome on Wednesday and Friday will start promptly at 6 p.m. The soccer-loving sportsmen in the Porcupine are expected to be out in large numbers and no doubt Dome stadium will be packed to capacity when the final matches get under way.
