

Famous Football Team to Play at the Dome Grounds

Ulster to Play at Dome During This Week-end

Negotiations Under Way at Present Black Caterpillar Doing Damage at South Porcupine. New Men's Club at South Porcupine. Other Dome and South Porcupine News

South Porcupine, July 20th.—(Special to The Advance)—There is great rejoicing among football fans to-day upon the definite news that Dome Football Club plays Ulster F.C. (Toronto) on our own Dome field this week-end. At first the dates 20th and 22nd were set for the playoffs, but those were cancelled, and for a time it looked as if there would be no game here at all. Negotiations between the Dome Powers and the Dominion Football Association secretary, Mr. S. Davidson, of Winnipeg have at last announced the definite decision to play these games off on the Northern field. We see the Tor-

onto papers incorrectly state that Ulster plays Timmins but we respectfully beg to state that the Dome football club is one of South Porcupine's claims to fame and the limelight. Should any hitch arise in these plans of to-day it is understood that the dates 30th of July and 1st of August will be substituted. In any case the games are played here and it is hoped that the football fans will turn out in crowds to see them.

An accident, details of which will be learned at an inquest later, occurred to-day at Hoyle when Yajo Palminen, a Finnish man about 35 years of age, was decapitated by the morning train, the wheel passing over him. It is understood that he had worked in the bush in this neighbourhood and had roomed at the "Star" Club here. Whether he was riding the "bumpers" and was thrown off, or whether he committed suicide is for a jury to decide. Mr. Hunkin has the body at the undertaking parlors and the funeral is to be held on Thursday morning. No relatives are known in camp.

A newly-organized Men's Club in connection with the Roman Catholic Church here is headed by Mr. Sweet, of the Porcupine Lake Gold Mines, and has Mr. D. Eames as secretary. The immediate work to be done is cleaning up and beautifying the church grounds and garden of the priests' house. This was started this week and has been delayed by the wet weather.

Mrs. Guise of Strachan avenue was taken on Wednesday evening to hospital. A portrait of Miss Alice Regan of Toronto appeared in a Toronto paper on Friday with the following: "Miss Alice Regan, Toronto, will become the bride of Harry McLean, the latter part of this month. She is the daughter of Mr. and Mrs. F. Regan, Mitchell, and

her fiancé is the son of Mr. and Mrs. Wm. McLean, South Porcupine."

The black caterpillars (army worms?) are descending upon us. We squash the repulsive things under our feet on the sidewalks and surround our precious plants with paris green and chloride of lime, and hope. The fields and meadows of hay are getting the worst of it, the gardens are as yet fairly free. Visitors to Cochrane this week tell us that whole fields there are black with them!

Congratulations to Peter Dominis, player on the Dome ball team, who learned this week that he is the father of a son, born in Winnipeg.

One guilty motorist who failed to stop at a stop sign paid \$1 and costs. One lady and one gentleman paid \$10 and costs for being "unlawfully intoxicated in a public place."

The case occupying most of the time of the court concerned a reckless driver who pleaded not guilty.

Sergt. Douglas testified to following the car driven by defendant, on the back road at 10 p.m., and after witnessing erratic driving the car went into the ditch.

He asked the driver what had happened and his answer was "Too much talk."

Defendant's own testimony through a Finnish interpreter was that he was avoiding holes in the road, got onto soft shoulders, endeavoured to extricate himself and went into the ditch. "What appeared reckless in my opinion in this case was pure accident," said his worship. Upon appeal by Counsel Gardiner case was dismissed.

For having no license with him a man paid \$1 and costs.

Defendant in an assault case asked for adjournment, bail of \$100 was offered by three friends and case will come up again next Tuesday.

Tait, of the Dome, who leaves with her husband on July 29th for a holiday in Scotland, was held at the home of Mrs. T. Galbraith, Connaught Hill, with Mrs. G. Woodley as joint hostess. The evening was spent in playing bingo at which Mrs. H. Richmond and Mrs. R. Tait were prize winners. Community singing also entertained the guests, and the evening finished with a delightful lunch served by the hostesses.

Mr. MacDonnell's fine piano playing being greatly appreciated by the guests.

We join with their other friends in wishing Mr. and Mrs. Tait a pleasant voyage, a happy holiday in their native land, and a safe return.

We have been asked by a nervous mother to say a word concerning the danger of children playing with the ropes around the flagpole in the High School grounds. The youngsters hang on to these ropes which are attached to the top of the pole and swing out and round it. The whole structure sways, and this lady is afraid of what might happen should the pole break! There may be no danger; but an ounce of prevention . . .

Chas. E. Hardwicke Dies at Englehart

Englehart, July 21.—(Special to The Advance)—Charles E. Hardwicke, chief clerk to the superintendent and acting assistant superintendent on the T. & N. O. staff here, died early this week at the home of Arthur A. Casselman, following an illness of about three weeks. Mr. Hardwicke had appeared to be recovering, and a cable to his wife in England had advised her to this effect after an earlier message had told of his condition, but he suffered a relapse and died on Monday evening. The body was sent to Peterboro, his native city, on the late train on Tuesday, and the funeral was held there later in the week.

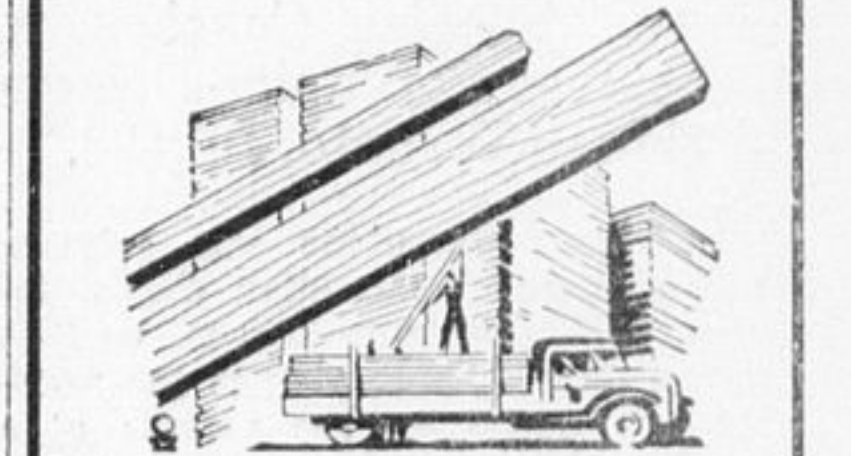

Mr. Hardwicke, who was 43 years of age and who had been with the T. & N. O. for over 18 years, had been actively identified with labour matters during his residence in the North and

had taken a prominent part in union affairs. He was a former chairman of the Order of Railway Telegraphers for the T. & N. O. region, and at the funeral services held here before the body was sent south, all branches of the railway were represented among the mourners. A brother and a sister came north and returned to Peterboro with the body, and Mr. and Mrs. Casselman also accompanied the remains south and attended the funeral in Peterboro.

Mr. Hardwicke is survived by his widow and one son, Archie, both at present in England, where Mr. Hardwicke, who met her husband first when he was serving overseas with the Canadian Expeditionary Forces during the World War, had been ordered for health reasons. The couple were married in Peterboro after the war, and they first took up residence in Cochrane, afterwards living in North Bay and in Englehart, to which point Mr. Hardwicke was transferred when the T. & N. O. management moved the despatchers some years ago. He was formerly with the C.P.R., chiefly in the commercial service.

Joining the T. & N. O. on February 13, 1920, Mr. Hardwicke went to Cochrane soon after that time, and he remained there until 1923, when he was transferred to North Bay, subsequently becoming a member of the despatching staff, in which capacity his initials were familiar on orders to the railwaymen along the road. Later, he was moved to Englehart, and last year was appointed assistant superintendent, with headquarters here. In the absence of his wife and son overseas, Mr. Hardwicke had made his home with Mr. and Mrs. Casselman.
