

BOTH McINTYRE AND HOLLINGER WINS ENNIS CUP GAMES

Hollinger Take Early Lead To Defeat Hargreaves 11-7

Capacity Crowd Sees Timmins Team Wallop Smart Kirkland Lake Aggregation Here Wednesday Night. Roach and Goldsmith Blasted Out of Box. Nels Avery Does Nice Relief Job for Locals.

Going on a batting spree that netted them nine runs in the first two innings Hollinger had little trouble in defeating Wright Hargreaves of Kirkland Lake in an Ennis Cup game at the Timmins ball park last night. A capacity crowd turned out to see their home team whip Hargreaves 11-7 in the longest contest of the season.

It was the third scheduled game at the local park with a Kirkland Lake team and the first one that was played. Both previous contests had been rained out. It was the first Ennis Cup win for the local nine and the victory was well deserved. Hardly a fan in the park expected Hollinger to beat Hargreaves who are supposed to be the cream of the league, but they rallied behind their team to a man when the Hollinger bats started to beat a tattoo on the offerings of three Kirkland Lake hurlers.

Johnny Oltean, catcher-hurler for the locals, got credit for the win but it was really the splendid pitching by Nels Avery that saved the game. Though Avery yielded seven of Hargreaves' thirteen hits he kept them well scattered and performed magnificently in the pinches.

Lefty Goldsmith, had no luck when he replaced Roach in the second when Hollinger had started their rally. He lasted only part of the inning before being replaced by Cookson. Cookson, though he came into the box from shortstop, pitched a much better game than either Roach or Goldsmith.

Hargreaves started off with a double by McLroy. Riley walked and Cookson was hit to fill the bases. A smart double play that started with Oltean and went through Delmonte at the plate and Lawton at first relieved the pressure. Perigo grounded out to Oltean just after Riley scored on a passed ball.

Four hits and an error enabled Hollinger to score three runs in the first inning. In the second inning after holding Hargreaves scoreless Hollinger went on a batting spree that was strong enough to give them a lead that was never threatened. They pasted the offerings of three pitchers to the four corners of the lot to count six runs and leave two men still on the bags.

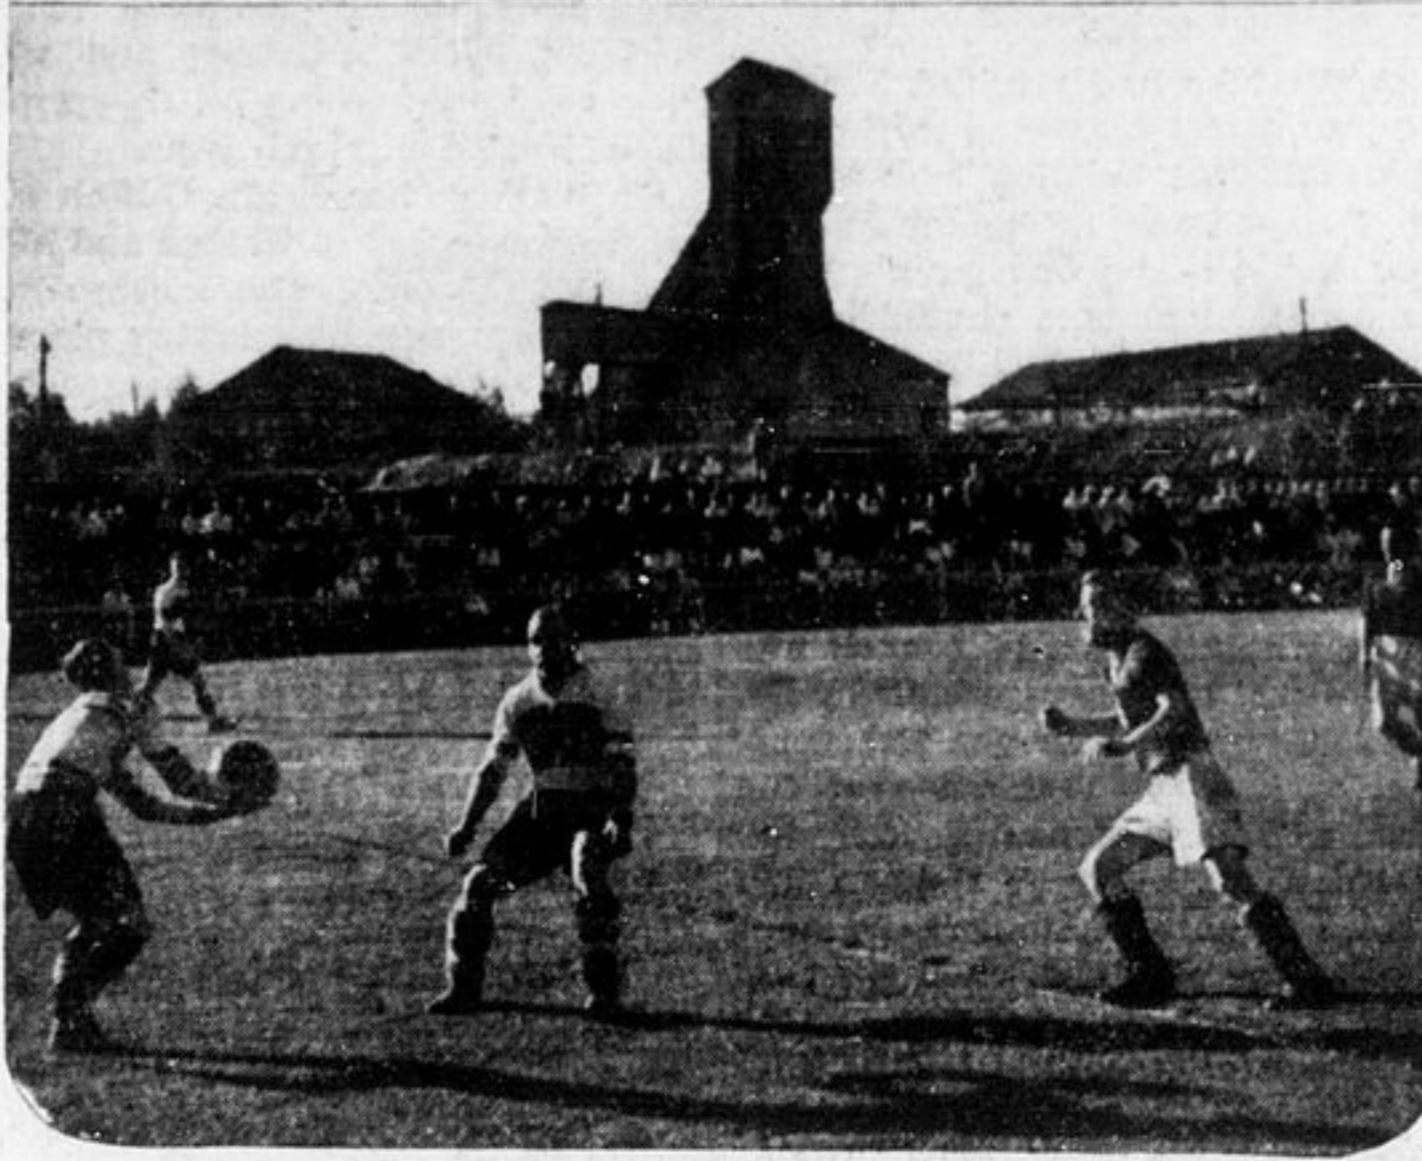

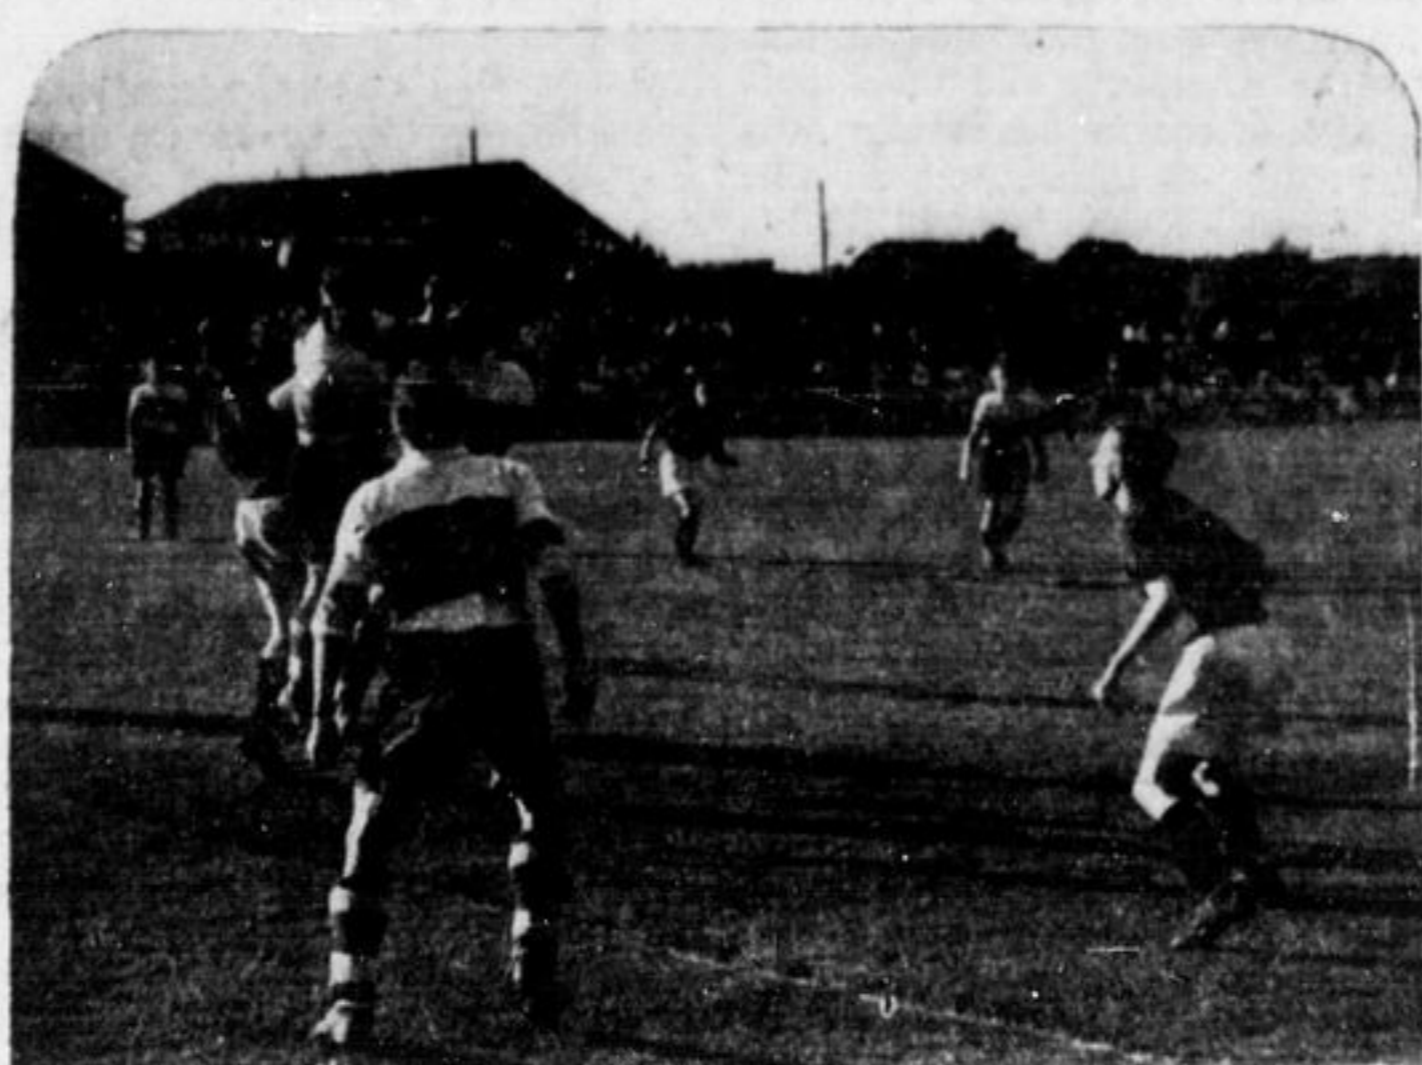

Four hits in the third gave Hargreaves a pair of runs while Hollinger retaliated with the same amount in their half of the chukker on a pair of hits. Hargreaves counted another couple in the fourth on two hits and an error and another one in the eighth on a hit and an error while Hollinger were held scoreless for the remainder of the game.

Gold Dust Prize in Val d'Or Dog Derby

Plans Made for Dog Derby at Val d'Or Next Year.

Val d'Or, Que., July 27.—Native gold dust tucked in a proper miner's poke will constitute the principal prizes to be awarded to winners in the Quebec Goldfields International Dog Derby to be run off at this rich mining centre March 1 to 4, inclusive, 1939.

This lively gold town has completed plans for their first dog derby on large scale. The course has been mapped over a route from Val d'Or to Rouyn and return, a total distance of 140 miles. It will be divided into daily stages each of 35 miles with O'Brien, another important mining community, as the intermediate stop, thus the four legs of the race will require four days.

The terrain is such as to provide a real test for dogs and mushers and the local Chamber of Commerce is confident that a big field will be attracted to this important mining territory which is served at both entrances, Val d'Or and Rouyn, by the Canadian National Railways.

Solomon Crew Score Ten in Eighth to Take Toburn 12-6

McIntyre go on Batting Spree Late in Game Played at Kirkland Lake Last Night. Toburn Use Three Hurlers to no Avail With George McShane Relieving Fred Callery for McIntyre in Seventh.

Kirkland Lake, July 27.—(Special to The Advance)—Disaster, in the form of a cyclone of McIntyre runs, swept over Toburn's T.B.L. ship here to-night and the Timmins nine went home with the second straight victory over Kirkland teams.

Landing on three Toburn pitchers for 10 runs from eight hits in the eighth inning, Ike Solomon's now fast stepping crew took down the Ennis Cup points 12-6.

Until that inning, the local lads had been coasting along on a comfortable six-run lead. They saw the Macmen nibble two runs from it in the seventh, but it took the wholesale slaughter in the eighth to make them sit up and take notice.

Credit for the victory went to George McShane who relieved Callery in the seventh. Callery had allowed six runs and ten hits. The loss was charged to "Roly" Bussiere who went in in the eighth to replace Don England, only to be driven to the showers by his own wildness and three base hits. It was Toburn's pitching staff which blew up.

Zalba tried to stem the tide of hits but a triple by Sutherland off him cleared the bases for more damage. Each team was charged with four errors, Quinn making all of McIntyre's. Saviole had two for Toburn, with England and Parent making the others. England dropped a fly ball in the seventh which would have ended the inning but meant a run.

The only double play of the game came in the last inning when Parent scooped up Prout's grounder, touched second and then tossed to first. McIntyre 000 000 2 10 0—12 13 4. Toburn 002 022 0 00 —6 13 4
