South Porcupine, August 3rd.—(Special to The Advance)—The Rev. J. A. Little was officiating minister at a quiet wedding at the Manse on Saturday afternoon when Miss Thelma May Shields, daughter of Mr. and Mrs. Fred Shields, of Connaught, became the bride of Joseph Ormond Mandville, son of Mr. and Mrs. Adelord Mandville, also of Connaught. Miss Mary Rose White, of Connaught, and Mr. S. Gurevitch, of Schumacher, attended the bridal pair.

A grand day and a grand attendance marked the United Church Sunday school picnic at the pump house on Porcupine Lake on Wednesday last. Everybody had a wonderful time, especially the youngsters, who were not only treated royally to good things to eat, but also were given very nice prizes in the sports which were arranged.

Police Court
Magistrate Atkinson once more was presiding at the South Porcupine police court on Tuesday after his vacation.

It was a very long session, court carrying on until almost 1 p.m.

The first long case concerned a South Porcupine man who was accused of selling beer.

The house (private) was raided by police who had had it under observation for some time.

A man went in—a paper sack containing six bottles of beer was handed to him, and he came out.

Police held the beer and investigated. Glasses were found in the sink—and two visitors were present. No evidence could be produced of a monetary transaction.

Accused said the man was his friend—had come in to ask for some beer as he had guests from Sudbury.

Corroborating testimony was given by the two witnesses.

No case was found against defendant and so a dismissal resulted.

Another—of Schumacher—was not so fortunate. His cases of beer were found in a house not his own and his sentence was \$100 and costs.

For failing to carry a motor driver's permit—\$5 and costs was imposed on

In a letter received locally from one of the Ulster football team, the Dome and the North are extolled to the skies for the hospitality shown the team while here. The writer says the kindness shown them here and the good time offered was unsurpassed by any ever given them anywhere. It is rather gratifying to know that one's efforts to please and entertain are appreciated, we think.

Word has been received to-day of the passing in Streetsville this morning of Mrs. Stanley McPherson, youngest daughter of Mrs. S. A. Jones, of Commercial avenue, South Porcupine. The end came after long weeks of suffering and our sincerest sympathies are offered to the sorrowing mother, husband and family. Her brother, Ernie, left to-night on the Northland, to attend the funeral which will take place from her sister's home (Mrs. Harrison) in Mount Dennis. Left to mourn here are, besides her husband, mother and two sisters: Mrs. Harrison (Elizabeth) of Mount Dennis, and Mrs. Bond (Nettie) of Toronto; and three brothers, two in Toronto, and Ernest in South Porcupine. South Porcupine, August 3rd.—(Special to The Advance)—Fire Chief Maxwell-Smith arrived back on Monday from attending the Dominion Fire Chiefs' annual convention held this year at Sault Ste. Marie. Attending also as representative from the T.P.A. was Mr. W. Skinner, who went on from the Sault to Barrie to attend the Ontario Firemen's Convention, held there this week.

The Sault was most hospitable to the chiefs from all over the Dominion. Everything possible was done for their comfort and enjoyment during the three-day session.

Co-incident with the convention was the Old Boys' Reunion at the Sault. Dr. Harper, with three others from the camp, including Mr. Jack Fulton, of Schumacher, flew in to be present. The parade in the evening of Wednesday last was on a scale unparalleled before in the "So's" history—which is noted for its parades.

At the business session of the Fire Chiefs' Association Chief Smith of South Porcupine was honoured by being elected first vice-president of the Dominion Association. Last year he served a term as second vice-president and in 1939 is in line for the presidency.

When the fact is taken into consideration that members from Vancouver to Halifax comprise this association and the majority of its members are fire chiefs of the big cities of the Dominion, it is we think an honour for South Porcupine, that the chief of its small volunteer fire department should be considered of sufficient importance to fill a position of such prominence.

Archdeacon Woodall officiated at a wedding on July 29th in St. Paul's Anglican Church, at which Irene Winter, of Hoyle, became the bride of Euclid Lajeunesse. The young couple were attended by Mildred Winter and Arthur Latendresse.

Another "Moose" event that proved to be a success was the dance held on Tuesday (July 26th) in the Pinn hall on Commercial avenue. A large number of both young and older folks enjoyed round and square dancing. The Royal Order of Moose feel that as the public enjoys these dances and the spirit of good fellowship which prevails, that they should be continued; so the committee has arranged to hold another on August 16th when they hope to welcome those who enjoy dancing a "square" to the music of the Moose Orchestra, with Bill Gannon "calling."

Harold T. Winship and Thos. McHenry Neil, who were present in Toronto this week for the Canadian Corps Re-union, will also attend, as delegates, the Moore convention in the Toronto Royal York hotel this week-end.

Mr. William D. Skinner, of Liverpool, England, arrived in Canada this week, sailing on the S.S. "Duchess of Richmond" and is paying an extended visit to his daughter, Mrs. Robert Stark, of Connaught Hill, and his son, Mr. Wm. G. Skinner.

The weather was not as kind as it might have been for the garden tea and supper held at the home of Mrs. W. H. Johns on Friday afternoon. A few guests preferred the lawn for tea but the majority played safe and were entertained within the house to tea or supper. This affair was held under the auspices of the Women's Auxiliary of the Anglican Church, and proved to be quite a financial success. Local strawberries (from Connaught) were a feature of the menu. Mrs. Woodall, Mrs. A. H. Cooke and Mrs. Lemmon were in charge of the baking table, which was soon depleted of its large supply of home baked delicacies, and assisting at tables under the direction of the hostess, who is president of the Association, were Misses Joyce Hughes, Mary and Clarice Curtis, Jean Adamson, and Dorothy Nicholls. Objects to Cattle at Local Cemetery

Conditions at the Timmins Cemetery Most Deplorable.

Timmins, Aug. 2nd, 1938

To the Editor, of the Porcupine Advance

Dear Sir:—Please allow me some space in your valuable paper, for it gets things done in a hurry and what I am going to write about wants to be done in a hurry.

If I read your columns right, last year a committee was formed to look after the cemetery. I don't know what they do, but if this committee had visited the cemetery last Saturday they would have had a shock, like the ones that went up to trim the grass and take out the weeds. One didn't have to go through the gate, for one look over the fence gave you an impression that there had been a stampede of cattle. How many cows got into the cemetery is hard to say, but the only graves that seemed to be unharmed were the Legionnaires'. Others had been trampled down in a deplorable state.

On making enquiries, I was told that people take their cars in to carry water, etc., and forget to close the gates when they leave.

My suggestion is although the ones who think of other people's loved ones and close the gate will have to suffer, and that is to put a lock on the big gates until there is a funeral and let them use the small gate where cattle cannot pass.

I understand the cemetery is a fine haven for blueberry pickers, and have heard several complaints that they not only pick berries but also uproot plants off the graves and carry them away.

It is a hard job to catch the latter when there is no permanent caretaker, but surely a lock could be put on the large gates to keep the cattle out.

Yours truly,

R. I. P.
