

Premier Duplessis Makes Flying Visit Here

Injured Motorcyclist
Is Reported Improved

Schumacher Man Crashes Broadside Into Car Near Swimming Pool on New Highway and Thrown Into Windshield. Sustains Bad Face and Head Cuts, Fractured Arm, Bruises and Shock.

Crashing his motorcycle broadside into a car driven by W. J. F. Cosser near Schumacher swimming pool Monday afternoon and thrown headlong into the windshield, Erminio Papize, 26, of 113A Third avenue, Schumacher, was rushed to St. Mary's hospital here suffering from bad face and head cuts, a fractured right arm, shock and multiple bruises.

According to police, Papize was proceeding along the new highway toward Schumacher. Mr. Cosser was crossing the highway diagonally from the old road leading to the McIntyre Mine staff house. He is alleged to have cleared the right lane of the highway when the motorcycle driven by Papize crashed into the car at the left front fender, the unfortunate victim being tossed into the windshield of the car, breaking a large hole in the glass immediately in front of the driver.

Picked up after the accident Papize was taken to the office of Dr. J. H. Stiles in Schumacher and later to hospital in Timmins. Despite his injuries, he was reported at the hospital to-day to be progressing favourably.

Week-End
To Be
Fair, Warm

Hollinger Observer Forecasts Clearing Conditions in Daily Prediction.

While the weather for to-day will be mostly cloudy with showers or drizzle, S. C. Wheeler at Hollinger observatory forecast this morning that the weather for the week-end will be mostly fair and warm.

Light showers on Monday accounted for .03 of an inch of rain while heavy showers from yesterday morning at ten o'clock until six o'clock this morning totalled exactly one-half inch.

Maximum and minimum temperatures since Sunday are:—Monday, 78 above and 55 below; Tuesday, 72 above and 52 below; Wednesday, 64 above and 56 below; lowest last night, 52; eight o'clock this morning, 53.

Man Killed Instantly
At Buffalo-Ankerite

Matt Brander, of Timmins, Employed in New Shaft, Struck on Head by Sinking Bucket Tuesday Afternoon in Unusual Accident. Inquest is Ordered but Date to be Set Later.

Struck on the head with a sinking bucket in the new shaft at Buffalo-Ankerite mine at three o'clock Tuesday afternoon, Matt Brander, 40, of 129 Hollinger Lane, Timmins, was instantly killed. He leaves a wife but no children.

According to mine officials Brander was in the manway on the eighth level and just as the shift was coming off at three o'clock walked over into the cage compartment of the shaft. For some unexplained reason, the unfortunate victim stuck his head into the skip compartment and almost at the same moment was struck on the head by the heavy iron sinking bucket that was being lowered to bring the off-coming shift to surface. The customary shouts to stand clear were given as the bucket was being lowered but Brander apparently did not hear the warning as the bucket dropped noiselessly into the depths of the workings.

Brander was known to be an experienced shaftsman and had formerly been employed on similar work at Connaught Mine. He had been working at Buffalo-Ankerite since last March. A man of remarkable physique, he was one of the most popular employees at the mine and was well known as an anchor man on the mine tug-of-war team.

An inquest will be held into the fatality but the date will not be set for several days.

Erecting
Steel For
New Rink

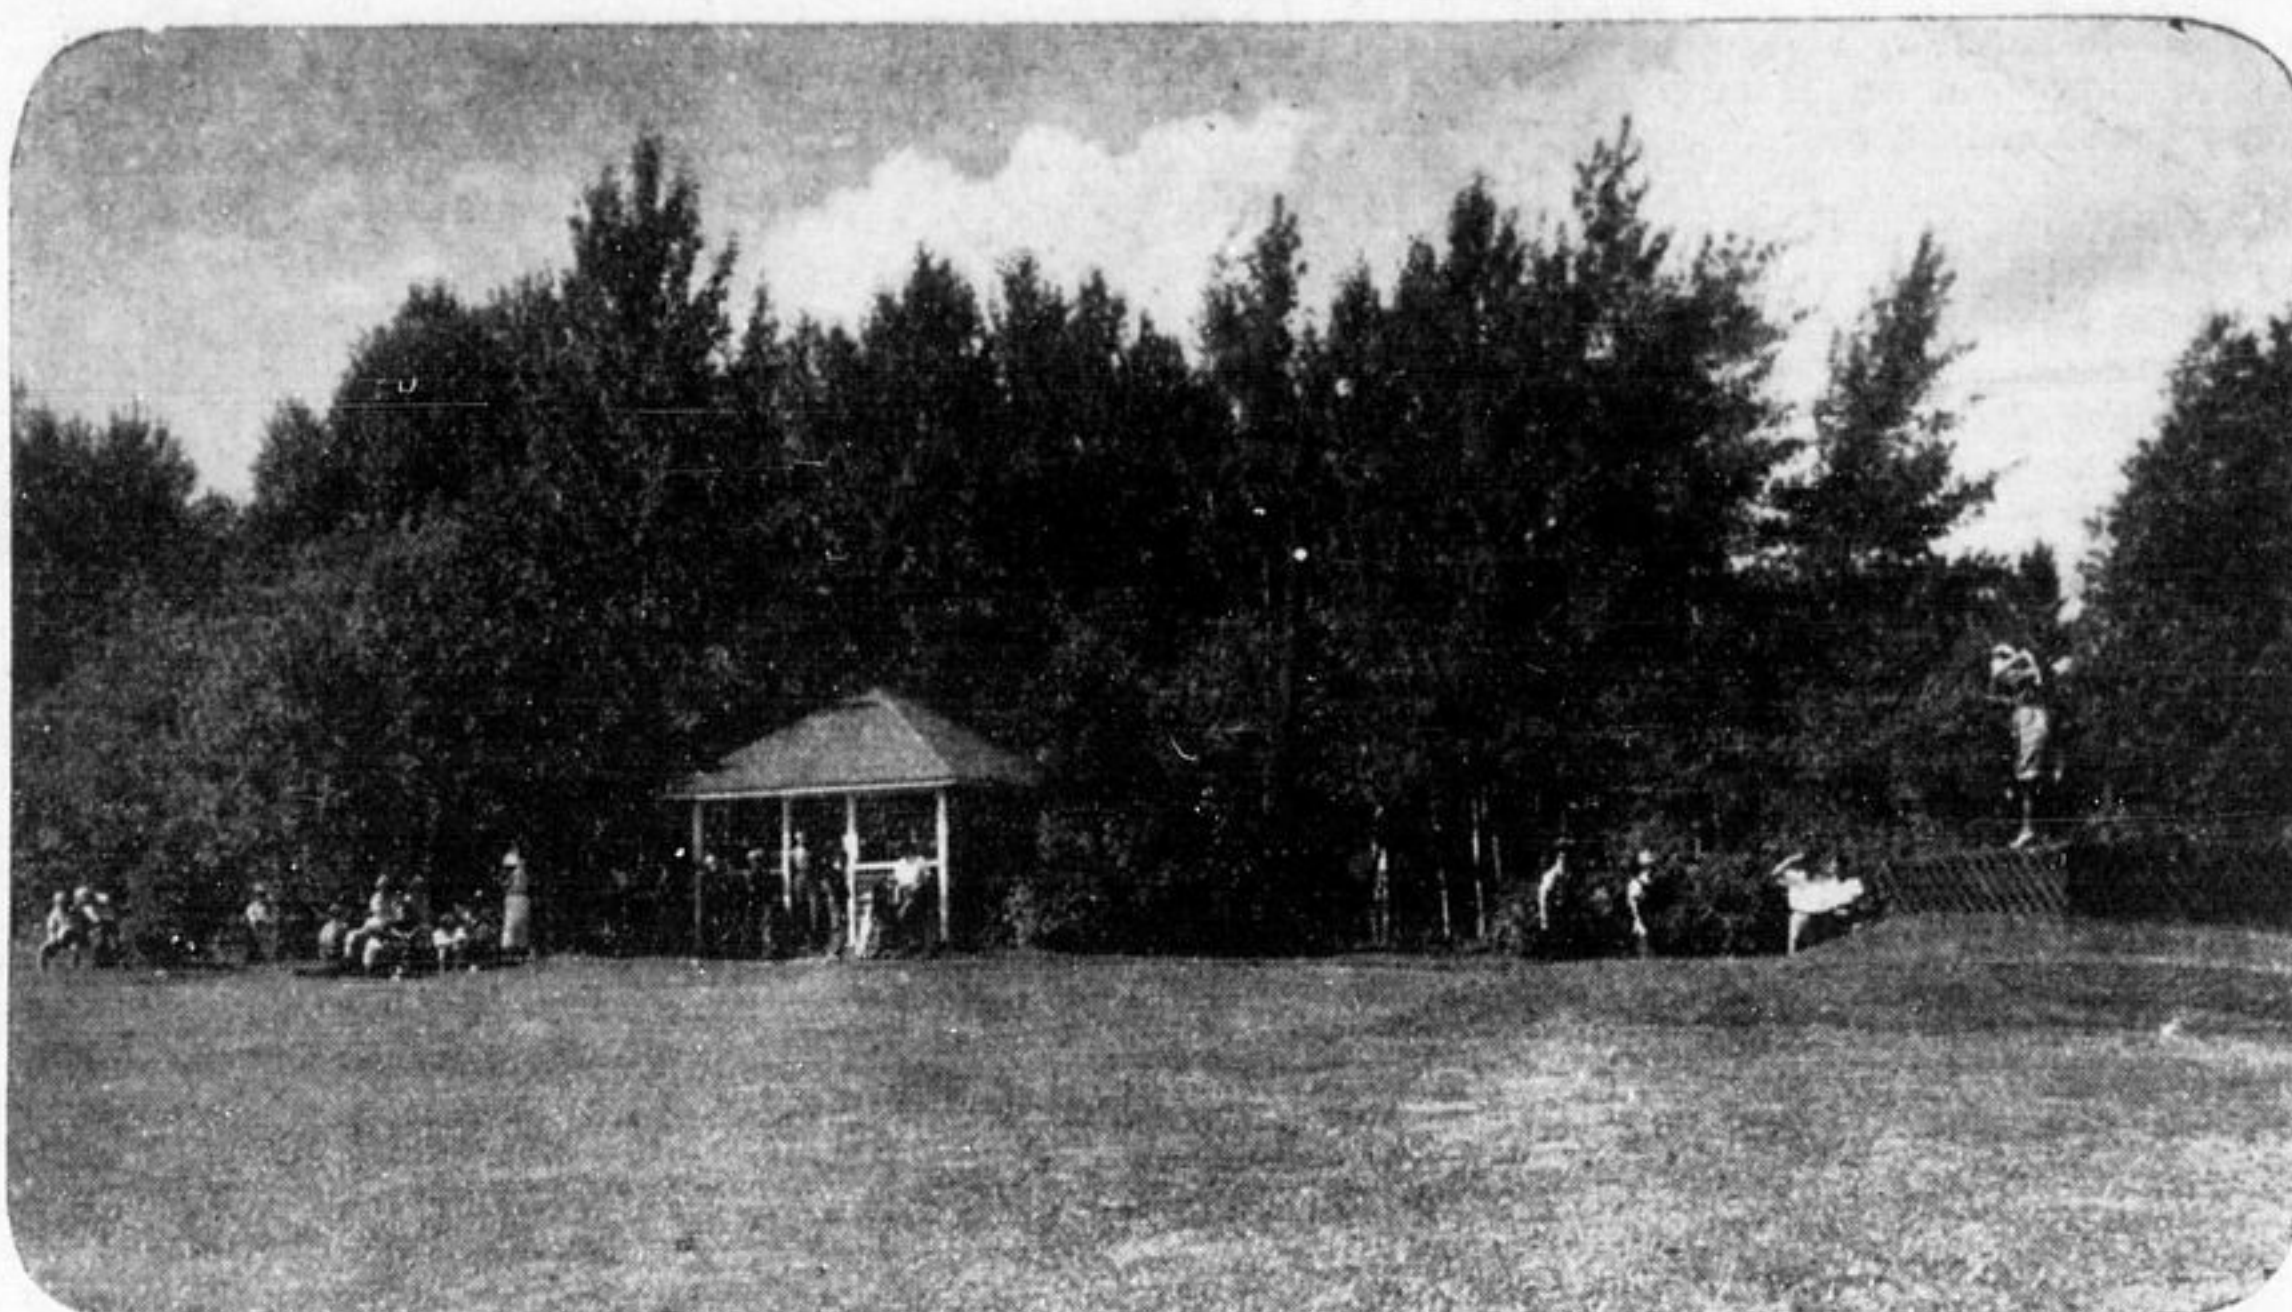

Superstructure of McIntyre Ice Palace at Schumacher Commences to Take Shape

With the concrete foundations complete, erection of steel for the new artificial rink being built at Schumacher by McIntyre Mine commenced this week. Already several of the roof beams have been hoisted into place and the work is scheduled to proceed without delay. The seemingly slow task of getting the job "out of the ground" has been finished and it is expected that the superstructure will be completed in a short time. The steelwork is being done by Dominion Bridge Company, of Toronto.

No Calls for the Timmins
Firemen Since Monday

Timmins firemen are getting so good that they are eliminating fire calls as well as fires. Several weeks this year they have had the "no call" sign out. This week there hasn't been a call since Sunday. The firemen, however, are right on the job with the fixed idea that if there comes a call, it won't be their fault if it is "just a call," the fire being answered so promptly and effectively that it will have no chance to be anything else.

WHERE THE LADIES' GOLF TOURNAMENT IS BEING HELD THIS WEEK

This is No. 1 tee of the Abitibi Golf Club course at Iroquois Falls where the Northern Ontario Ladies' Golf tournament is being held this week. The picture was taken by The Advance photographer yesterday on the first day's play of the tournament. It is a difficult course,

especially in the present unfavourable weather, and particularly for ladies, but good scores are being made, as will be noted by the report of the tournament in this issue. It will be noted that the Timmins ladies at the tournament are holding up their end in creditable way.

Four Timmins Ladies in
the Championship Flight

Mrs. Eyre, Mrs. Sandwith, Mrs. Robson and Mrs. Porter All Successful in Opening of Championship Event at N.O.L.G.A. Tournament at Iroquois Falls To-day.

Iroquois Falls, Ont., Aug. 11.—(Special to The Advance).—Starting out in a fine drizzling rain and a high north wind, the championship flight got under way this morning. At noon the championship flight was completed with the following results:—

Mrs. K. Eyre, Timmins, defeated Mrs. Cresswell, Kapuskasing, 2-1.

Mrs. Sandwith, Timmins, defeated Mrs. McNally, North Bay, 7-6.

Mrs. Robson, Timmins, defeated Mrs. H. Soderstrom, Iroquois Falls, 6-5.

Mrs. Barager, Kirkland Lake, defeated Miss A. Wilkes, Iroquois Falls, 1 up.

Mrs. Porter, of Timmins, defeated Miss F. Cavanagh, North Bay, 4-2.

Mrs. Thom, Kapuskasing, defeated Mrs. G. Morrisette, Iroquois Falls, 3-2.

Miss N. Bagshaw, Halleybury, defeated Mrs. Grisdale, Kirkland Lake, 4-3.

Miss D. Barager, Kirkland Lake, defeated Miss McDonald, North Bay, 6-1.

Mrs. Thom, Kapuskasing, won out in tie match last night with score of 53.

Mrs. Sipprell of Timmins had 59.

Five other flights started out immediately following championship and are:

Second Flight

Mrs. Sipprell vs. Miss Harrison.

Mrs. Fryer vs. Mrs. W. Brydger.

Mrs. Knox vs. Mrs. McFarlane.

Mrs. D. Kester vs. Mrs. Douglas.

Third Flight

Mrs. Harrison vs. Mrs. Verrier.

Mrs. Ludgate vs. Mrs. Hudson.

Mrs. Stokes vs. Mrs. Geo. Lake.

Mrs. Connell vs. Miss Dunbar.

Fourth Flight

Mrs. Mott vs. Mrs. McVicar.

Mrs. Pickering vs. Mrs. Darling.

Mrs. Horner vs. Mrs. Greer.

Mrs. Kishbaugh vs. Miss Greer.

Fifth Flight

Mrs. Stopps vs. Mrs. Todhunter.

Mrs. McWhirter vs. Mrs. Gillies.

Mrs. Dupuis vs. Mrs. Pollock.

Miss Little vs. Mrs. Leaman.

Sixth Flight

Miss D. Hiscocks, bye.

Mrs. Pierce vs. Mrs. Adams.

Mrs. McEbs, bye.

Miss G. Hiscocks, bye.

Weather is clearing and indications are fair weather for this afternoon and to-morrow.

An interesting part of championship flight was to find both Mrs. Barager and her daughter Doris winning their respective matches, and if both are fortunate enough to win their remaining games they will be playing off in the finals.

Dome Tie Vancouver
In First Game Of
Dominion Finals, 1-1

Dome Football Club played Vancouver North Shore to a 1-1 tie in the first game of the Dominion Cup finals in Winnipeg last night before a huge crowd of fans. Porcupine supporters of the Dome team are jubilant today over the success of the team and are confident they will bring back the championship.

All the more remarkable is the Dome showing in view of the fact that they were on the train going west from Monday night until Wednesday morning but despite the long and tiresome train journey were able to hold the highly-rated Vancouver team to a draw. Vancouver, in the pre-series ballyhoo, were heralded as the greatest team that ever came out of the West. Dome have one of the finest clubs that ever operated in Eastern Canada and will take a lot of beating before bowing to their Vancouver opposition.

The series is on a best two-out-of-three basis but in view of last night's tie, there is a possibility that it may go four games if each club wins one of the next two encounters.

The two teams will meet in the next game on Friday night and with a couple of days of rest and more time to become accustomed to the western air, Dome should be in top form when the series is renewed.

Change in Date of
Official Opening

Schumacher Lions Club Swimming Pool to be Officially Opened Monday Night.

The formal opening of the Lions Club swimming pool at Schumacher, originally scheduled for last night, was cancelled on account of rain. The committee in charge of the affair announce that the opening proceedings will now take place Monday evening. An attractive program has been arranged for the occasion and a large crowd is expected.

Designate South
Lane as Sidewalk

Pedestrians Asked to Use Only One Side of Road from Timmins to Hollinger.

Fending the building of a sidewalk from Timmins to Hollinger mine, the south lane of the new three-lane highway has been designated as a walk for pedestrians. Motorists are asked to exercise the greatest care in traversing this section, and are warned that the speed limit of thirty miles an hour must be observed. Pedestrians are also requested to use caution in walking the road and police have announced that the practice of walking on both sides of the highway must be stopped. Several complaints have been received by police from motorists that pedestrians wander along on both sides of the road leaving only the narrow centre strip for cars to pass in.

Mrs. E. H. Clemens and daughter, Dorothy, and Mrs. M. Feader, of Toronto, spent a few days last week with friends in Timmins.

Guest of J. P. Bickell
On Way to St. Thomas

Left Here This Afternoon for Belletre, Quebec. Will Fly to St. Thomas To-Morrow to Attend Birthday of Premier Mitchell Hepburn. Several Others in the Air Party.

Must Have
Licences
by Sept. 1

This Applies to Dog Tax, Bicycle Licences and Taxes for Signs, Coal Chutes, Etc.

This week official notice is given that all residents of Timmins who do not secure the necessary licences for any dogs they may have, or for bicycles, signs, coal chutes, fire escapes, etc., before Sept. 1st will receive summons to court. There is probably the usual reluctance on the part of some to purchase dog tags and there are some who cannot afford the required amount for this license. This year there is added resentment at taxes, the licenses, so-called, asked for signs, coal chutes and fire escapes being so high that they are really added and burdensome taxes. Many have escaped the tax on coal chutes by filling up the gratings and making other provision for putting coal in the buildings. There is also considerable criticism of the tax on bicycles. Many of the boys who possess bicycles find the fifty cent fee a rather burdensome tax for them, fifty cents being quite an amount for the average lad.

Bingo Bazaar to be
Held Here Sept. 1-3

Artist from Heidt's Orchestra to be Featured.

There is very special interest being shown in the bingo bazaar to be held at the Timmins skating rink on Thursday, Friday and Saturday, September 1st, 2nd and 3rd, under the auspices of the Italian Sacred Heart Church. In addition to the bingo and the many novel bazaar features, there will be several special attractions. These include a fashion show as well as a floor show by Miss Margaret Easton and her pupils. Then there is the outstanding number secured for the occasion—the visit here of Jeannette Garrette, noted movie and concert dancer from Horace Heidt's famous orchestra, direct from the Biltmore hotel, New York.

Middle School Results
Expected Here This Week

According to despatches from Toronto this week, J. P. Cowles, who is in charge of the departmental examination papers, told newspapers that results of the middle school examinations were mailed to the students in the province on Tuesday. It is added to this that the upper school results will be sent out in about another week's time.

1938 Is Making Record
For Total Snow, Rain

Precipitation So Far is Ten Inches in Excess of Corresponding Period for Last Year According to Figures Supplied by S. C. Wheeler at Hollinger Mine Observatory.

Parking
Law Now
In Force

Half-Hour Limit in Downtown Area from Eight in Morning Until Seven at Night.

Timmins' new traffic by-law is going into effect as rapidly as signs can be erected and already restricted parking is in effect on Pine street, Second, Third and Fourth avenues. On these streets thirty-minute parking is in effect from 8 a.m. to 7 p.m., with a four-hour limit from 7 p.m. to 8 a.m. Motorists will be well advised to heed the warnings that are prominently displayed on every telegraph pole as the provisions of the by-law become effective as soon as the signs are installed.

Mr. and Mrs. Robert T. McArthur, of Hamilton, were the guests this week of friends in Timmins and district.

Flying as the guest of J. P. Bickell, president of McIntyre Porcupine Mines, Premier Duplessis of Quebec and a party of friends arrived at South Porcupine airport Wednesday afternoon after a leisurely journey from Amos, Quebec.

Definitely on a pleasure trip, the Quebec premier declined to be interviewed during his stay at the home of R. J. Ennis, manager of McIntyre.

Mr. Duplessis, Mr. Bickell and their party took off this afternoon for Belletre, Quebec, from which point they will fly to St. Thomas, Ontario, to-morrow, to attend Premier Mitchell Hepburn's birthday party.

Charge Bartender
Gave Minors Beer

Hotel Employee Said to Have Supplied Beverages to Two Girls Under 21.

Paul Larochelle, 105 Hollinger Lane, bartender at a local hotel, was arrested by Timmins police last night and charged with supplying liquor to two girls under the age of twenty-one. After questioning at the police station he was allowed to go on a summons and will appear in police court here on Tuesday before Magistrate Atkinson.

Household Section
at the Flower Show

Timmins Horticultural Society Featuring a Household Science Section.

The fourteenth annual exhibition of flowers and vegetables will be held in the Timmins arena on Monday and Tuesday, August 29th and 30th. This year, in addition to a record showing of flowers and vegetables, the Timmins Horticultural Society is featuring the Household Science section. There is a long list of prizes for this section, which includes baking, sewing, needlework, fancy work, preserved goods, and other household arts. In addition to the regular prizes in this section there are a number of specials. In a previous issue of The Advance the whole Household Science section of the prize list was published for the benefit of readers.

The regular section of the prize list of the exhibition includes such sections as:—Cut flowers, annuals; cut flowers, perennials; fancy baskets and bouquets of flowers; house plants, flowering; house plants, foliage; vegetables; table display for juveniles; school plot competition; novice classes. In addition to the regular prizes there are as usual many special prizes. It would be well for all interested to secure a prize list.

CHILDREN HAVE HAPPY TIME AT ALEXO CAMP

Yesterday The Advance staff photographer took this picture of the children's fresh air camp at Alexo. This camp, which has been in active progress for some weeks, will close on Sunday. One hundred and twenty children have had a happy healthy holiday at this camp this summer.

In recent weeks the camp has been for girls, the previous weeks having been reserved for boys. The camp is financed by funds gathered for summer outings specially for children from homes where there are alcoholics patients.

(Advance Photo and Engraving)

ANNOUNCEMENT OF MARRIAGE

Mr. and Mrs. James J. Johnson, of Middleton avenue, Timmins, announce the marriage of their youngest daughter, Ada Edith, to Mr. Leonard Alton Traver, only son of Mr. and Mrs. H. L. Traver. The marriage will take place on September the fifth at St. Matthew's Anglican Church, Timmins.
