

Loss To Hollinger Crimps McIntyre Play-off Chances

Eleven-Inning Battle is Won By Hollys Friday Night 5-1

Macs Tie Game Up in Ninth But Timmins Team Score Four in Eleventh. Romualdi Hits Homer With Two on. Hollinger Must Win From Porcupine Tonight to Keep Macs in Running

Beaten by Hollinger 5-1 in a spectacular eleven inning game last Friday night, the Solomons McIntyre team now have only a mathematical chance of getting into the play-offs of the northern section of the senior Temiskaming Baseball League. In the two remaining games of the schedule McIntyre and Hollinger will both have to beat Porcupine to give McIntyre a tie with the Porkies for second place. If Porcupine win either of the two games, McIntyre, last year's Eastern Ontario champions, will be eliminated. The all-important game takes place to-night in South End when Hollinger meet Porcupine. McIntyre are scheduled to play there Wednesday night but to-night's battle will determine the chances of the Macs for another bid to get back in the running.

With Reg. Dorey, southpaw ace of the Hollinger mound staff, and George McShane, right-handed star of the McIntyre team, hooked up in a pitching duel, Friday night's game was one of the best seen this year. Dorey allowed only six hits over the eleven-inning route, three of which came in the ninth when the Macs bunched three hits to tie the score at 1-1 after two men were out and two strikes on the batter.

McShane pitched superb ball up to the last inning when Hollinger descended on his offerings for four runs and four hits, one a homer by Louis Romualdi with two men ahead of him. McIntyre came within an eyelash of winning the game in the last of the ninth, Sunderland being trapped between third and home with what would have been the winning run, when he attempted to score from third base on a double steal with Bill Cooke, whose single had driven Quinn home with the tying run a moment before.

For five innings there was no score, each team being credited with only two hits. Hollinger scored their first run in the sixth. Dorey starting things off with a single to left. He was sacrificed to second by Knight and advanced to third on Scarlett's infield out to Cybulski at first unassisted. Bill Lawton, Hollinger first sacker, drove Dorey in from third when he popped a Texas leaguer behind second that dropped between Hann, Quinn and Gilbert for a base hit. Darragh then struck out to end the inning.

Romualdi, whose homer in the eleventh sealed the fate of the Macs, nearly had another in the seventh. He plastered a long drive into deep centre but on a perfect return, Gilbert to Quinn to Cooke, the Hollinger short-stop was tagged at the plate.

When the Macs began to get to Dorey after two were out in the ninth it looked as if they might pull a Frank Merrill climax. Cybulski opened the inning with a screaming line drive that Romualdi dived into and snagged for the fielding feature of the game. Zampelli struck out for the third time in four trips to the plate and it looked as if Hollinger would emerge with a 1-0 victory. Jake Quinn dropped a short infield hit near the pitcher's box and beat the throw to first for a hit. He twisted a leg going into the bag and had to retire from the game. Sunderland connected for a single advancing Elias, who replaced Quinn, to third. On the play at third base he scampered to second. Catcher Bill Cooke sent the McIntyre hopes scurrying when he hit a sharp single to left that scored Elias with the tying run.

Sunderland, who was perched on third and Cooke on first base, attempted a double steal. Oltman, Hollinger catcher, made a short throw to Dorey when Cooke started for second and Dorey with a smart peg to third trapped Sunderland off the bag. In the ensuing chase the McIntyre runner was run down for the third out.

The tenth inning went scoreless but the eleventh proved bad news for McIntyre. Knight singled and went to second on Scarlett's sacrifice. Lawton singled but Knight was held at third. Jack Darragh won the ball game a moment later when he singled to centre scoring Knight and advancing Lawton to second. Bigger things were in

store however and Romualdi electrified the fans when he hit a long home run into deep right field over the head of Zampelli. By the time the portly McIntyre outfielder recovered the ball Romualdi and his two team mates had crossed the plate. Darkness was fast closing in and Ford struck out intentionally to hurry things along. Oltman tried to do the same thing but was hit by a pitched ball. After reaching first heh walked to second and was tagged out as he proceeded toward third.

Dorey got himself into trouble when he walked the first two men in the eleventh but the next three men were retired in order, Elias striking out, Sunderland flying out to right and Cooke being thrown out, pitcher to first.

Suggesting Routes for Main Highway

Haileybury and Cobalt Making Proposals to Authorities

Haileybury, August 22.—(Special to The Advance)—Members of Haileybury Board of Trade met a delegation of Cobalt citizens here on Friday evening, discussing with the visitors the problem of the diversion of the main road and adopted two resolutions which will result in bringing to the attention of the Ontario authorities the claims of the two towns to be kept on the number eleven highway when plans for the re-routing of that chief artery of northern traffic are under consideration for this district.

First of all, and outcome of a proposal sponsored by Joseph Robitaille and Romeo Robitaille, of Cobalt, a deputation of three men from each town will wait upon W. G. Nixon, M.L.A. for Temiskaming, and V. H. Long-staff, the divisional engineer for the Department of Highways, and submit to them their suggestions of routes that will satisfy Cobalt and Haileybury. This is to be followed by the terms of another resolution proposed by Mayor S. J. Mason and seconded by P. M. Fleming, both of Haileybury, by action designed to take the case for the towns to the Ontario Ministers of Highways, Hon. T. B. McQuesten, and with him Mr. Nixon, as member for this riding. No definite route was advocated in the resolution presented by the mayor here, and while there was some discussion on proposed lines that might be followed, further discussion among members of the deputation of six will take place before deciding that phase of the question. In the course of the discussions, Taylor Pipe, ex-mayor of both towns, said that the road through Cobalt was the kernel of the whole question, and others present generally agreed that present conditions in the silver town would not be acceptable to engineers.

The resolution prepared by Mayor Mason suggested that a deputation wait upon the Minister of Highways and Mr. Uixon and stress the desirability of re-routing the highway immediately west of the towns and within a reasonable distance of them, including New Liskeard, instead of directly into New Liskeard and several miles west of the other two, "as appears to be the present intention of the Department of Highways." It was urged that consideration should be given to claims that the romantic associations of Cobalt on the one hand and the scenic attractions of the Lake Temiskaming area on the other should not be overlooked when plans for the re-routing of the main road were being prepared.

McIntyre Win First Game in Foster Football Cup Series

Defeated Lake Shore at McIntyre Stadium on Saturday Afternoon by Score of 2-1. Return Game in Kirkland Lake Next Saturday. Searle is Prominent for McIntyre.

Controlling the lion's share of the play right from the outset, McIntyre football team defeated Lake Shore in the first game of the inter-sectional play-offs at McIntyre stadium Saturday afternoon for the Foster Cup by a score of 2-1.

Winning the toss, McIntyre kicked off with a brisk wind and bright sun at their backs. For minutes at a time the ball stayed close to the Lake Shore goal but nice defensive work prevented a score. Finally, however, Tom Searle, starry centre forward for the Macs, broke clear and booted the ball into the cage from close range. McMurphy had no chance to save. Despite the fact that there were several close calls, there was no more scoring in this half, which ended with McIntyre leading 1-0.

Even when the teams changed ends and McIntyre kicked into the wind, the local team looked superior. After about eight minutes of play Tom Searle again came to the fore when he laid over a perfect pass to Dunstan. The latter made no mistakes as he fired a hard shot from close in.

Lake Shore fought back hard and Houston hung up the nicest goal of the night on a pass from Kiskoos. The attack was perfectly timed and the goal well deserved. There was still another half hour to play but neither team could break through for a score. The next game in the series takes place in Kirkland Lake next Saturday.

McIntyre—Goal, Brockbank; backs, McAdam and Mair; half-backs, Phillips, Urquhart, J. Dawson; forwards, T. Morrison, R. Dunstan, Searle, G. Boyd, Rogers; subs, J. Morrison, R. Boyd.

Lake Shore—Goal, McMurphy; backs, Williams and Syme; half-backs, Turley, Duffin, Chalmers; forwards, Doyle, Alexander, Houston, Kiskoos, Cree; subs, McMill, Healy.

Referee—Bill Rice, Timmins.

Golf Match Between Town and Mines on Thursday

Another golf match between the Town and the Mines for the John W. Fogg Trophy will be played on Thursday evening, commencing at 5 o'clock. All members wishing to take part please sign up on the bulletin board at the club house or get in touch with A. W. Pickering, captain. Dinner will be served at 7 p.m. rain or shine.

Half Mile Record Set by Wooderson

English Sprinter Hangs Up New Mark in Special Handicap Race on Saturday.

Sydney Wooderson of Britain broke the world's record for the half-mile last Saturday in a special handicap race at London's Hotspur Park. His time was 1.49.2.

Local Mine Company Victim of Forger

Kirkland Lake Business Men Swindled by Phoney Gillies Lake Cheques.

Provincial police of Timmins and Kirkland Lake have launched an investigation into the activities of a smooth cheque artist, who has made Gillies Lake Porcupine Mines the victims of a number of forgeries in the past few days in Kirkland Lake.

In some manner the forger has obtained a number of cheques carrying the company's stamp. How the cheques got into circulation is a mystery to the company as it would appear that they were stolen from the mine office here. The Doherty Roadhouse branch in Kirkland Lake and a jewellery store were victimized to the extent of \$59.32 while a third cheque was passed on the McClelland Transport Company for \$31.48.

Two signatures are required on each cheque and the names of J. M. Forbes, a former director, and Charles Baunet were forged on the documents. The name of Baunet is unknown to company officials. The cheques were made payable to W. Kuhl and R. Kuhl and were drawn in such a way as to indicate they had been received by an employee for wages.

Provincial Constable Harold Gall left for Kirkland Lake this afternoon to assist in the investigation from that end.

Grand Master of I.O.O.F. at Iroquois Falls, Sept. 1st

Bro. Dr. Geo. C. R. Hall, Grand Master of the Oddfellows for Ontario, will pay official visit to the North on Thursday of next week, Sept. 1st. The meeting will be at Iroquois Falls on that date, commencing at 8 p.m., and Oddfellows in Timmins and district are asked to be present at the Falls in as large representation as present to welcome the distinguished visitor. The sisters of Gold Nugget Rebekah Lodge are invited to be present at the luncheon after the meeting.

Exchange—All philosophy lies in two words: "sustain" and "abstain."

Wadsworth Defeats McIntyre

Regains Middleweight Title

Timmins Battler Wins Ten-Round Decision Victory Over His Conqueror to Recover Championship. Crowd of 3,000 Sees Local Boy Stage Comeback. Two Knockouts in Preliminary Bouts.

Forcing the fight from the outset, Len Wadsworth, of Timmins, regained his Canadian middleweight championship when he won a ten-round decision victory last Thursday night at the local arena over Ray McIntyre, of St. Johns, New Brunswick, defending title holder. A crowd of nearly 3,000 saw the Timmins fighter triumph over the coloured scrapper who dethroned him in Ottawa several months ago. It was sweet revenge for Wadsworth and when referee Phil Zwick raised his hand as the new champion after a driving finish in the tenth round, the huge crowd gave the local lad a memorable ovation. McIntyre, who bowed in defeat and lost his championship crown, was the first to shake his conqueror's hand before the crowd tossed hundreds of programmes into the ring in a wild demonstration. Despite the jubilation there was no disorder and with all exits opened, the rink was soon emptied of the largest crowd that ever saw a boxing match in Timmins.

Wadsworth, who weighed in at 157, shaded his opponent by one pound. Referee Phil Zwick, catalogued as sixth in line as challenger for the world's featherweight title, handled the bout well, both fighters breaking clean from every clinch. Zwick is scheduled to make an appearance here in the near future as a main bout attraction against a top-flight fighter and no doubt another big crowd will be on hand for the occasion.

Iroquois Falls Sees the Forestry Films

Other News of Ansonville and Iroquois Falls

Scenes of beautiful forests, obliterated by fires caused mostly by careless human hands, were shown, also the disastrous resulting effects of fires both to the country as a whole, and to the damaging of game and fisheries which usually abound these forested territories.

Every precaution is taken by the department, and large sums of money are appropriated to the prevention of such occurrences, but without the aid of all who frequent nature's forests, the department's efforts are practically futile.

In Northern Ontario, especially to those who derive their living from the paper making industry, fire prevention is an important factor for their continuance of living, and everybody attending the pictures was quite impressed with the great danger of this ever-present menace.

Strikingly bringing to mind was the fact that drought, landslides, death to game and fisheries were attributed to forest fires, and in these very descriptive pictures, the results were really brought to the mind of all in a forcible manner.

The two hours spent by the audience were profitable, and will prove more beneficial to all than all the posters they have read in the forests.

Dog Returns Home After Wandering Two Weeks Through Bush
It is often said that a man's best friend is a dog, and another instance of a dog's loyalty to his master was brought to light here this week, in Iroquois Falls.

"Nigger," a huge sleigh dog, partly husky and part collie, was taken by his master, Mr. J. Guitlar, the forty miles by water to Couch, where he was to remain until the winter months set in. Leaving here the latter part of July, the dog was well chained to his new home, his master returning. Unfamiliar with his new surroundings, the dog continually tugged at his collar, trying to break loose, till at last one evening he succeeded, and started out. For two solid weeks no one knew of his whereabouts, and gave him up for lost. However one day the man in charge of the snow crossing the river to town tried to entice this dog onto the snow, to effect his crossing, which he was anticipating. The efforts of the kind man were futile, for the dog finally jumped into the water and swam the river, as he must have done several times before to come the way in which he had. It was no time till he reached home, and laid down in his dog house, where Mr. Guitlar found him.

Traces of a hard journey were apparent on the dog's body, though the animal seemed happy and contented after arriving home.

As the dog is rather unaccustomed to strangers, Mr. Guitlar thought it advisable to return him to his place at Couch, and taking him back he stopped off at a camp, up the river. The dog which has often been to this site, had apparently stayed here for a while on his trip back, expecting that his master would come. Evidence showed that the dog had slept around the camp, waiting someone. Eventually giving it up, he continued his journey to home.

Nigger is now at Couch, extra care being taken that he will not effect his escape again, till the colder months when he will be used for drawing sleighs.

Notes
Mr. Jack Brown surprised all his friends about town here when he and his bride, formerly Miss Patricia Hay, returned from their two weeks' vacation, married. The marriage took place at Sault Ste. Marie, where a quiet wedding was held for the popular young couple. Everybody extends hearty congratulations and sincere wishes for their happy future.

"Tops" Tellino, of Timmins, after an even first round, outfought "Ducky"

Thirteen Awards Won by Swimmers at Cochrane

Cochrane, August 20.—Already 13 awards have been gained by young Cochrane swimmers in the annual examinations of the Royal National Life Saving Society, with Instructor H. M. Crosby acting as official examiner.

It is expected that within the next week others will have been added to the list as the examinations progress, and Cochrane will have a considerable number of experienced lifesavers trained. Those obtaining awards this season to date are:

Intermediate diploma: Misses Lillian Stops, and Pearl Brown.
Bronze medalion: Doris McLeod, Gladys Symonds, Mary Dent, Reg. Taylor, E. Charron, W. Avery.

Silver medalion: Donnis Presby, H. Bieleck, Reg. Taylor and E. Charron.
Instructors diploma: H. Bieleck.

Here a Sweet One to Put Down on the Day's Record

St. Catharines Standard:—Amid the trials and tribulations, the pitfalls and quicksands of these uncertain and quivering times, it is reassuring to set foot once in a while on a bit of something solid. The newest of these substantial islands is honey. It is reported that there is no surplus of honey, that honey is one product which is quickly sold out, never becomes a drag on the market or clogs up tables of farm statistics or deepens the frowns on the brows of worried statesmen.

The reason for the fortunate position of honey producers is that they need no longer depend on the breakfast table market. Large quantities of honey are now used in making golf balls and shaving cream, in curing hams and in the manufacture of cosmetics, candles, polishes and insulating material.

Sudbury Star:—As time goes on, the impetuous Jap may see the error of his way. While putting the hammer-lock on a dragon is no time to kick a passing bear in the pants.

Preliminaries
The main bout was preceded by three preliminaries packed with action, two of them ending in technical knockouts. The first lightweight scrap between Stan Bailey and "Kid" Bergeron, of Timmins, developed into a slugging match with both boys handing it out. Referee Sammy Hackett, who handled all but the main bout, called it a draw. Bailey showed considerable improvement since his last appearance and has been training under the instruction of Len Wadsworth, who acted as his second.

Dubeau Scores Knockout
In a second lightweight encounter, Larry Dubeau, a protege of Art Leonard and one of the most popular local fighters, scored a technical knockout over Jake Brant, of Toronto, after one minute and forty seconds of the fourth round. Dubeau, in the pink of condition, passed Brant through the ropes and then flattened him for a count of nine with heavy body punches in the third round but the bell saved the Toronto lad. Still dazed by the punishment he had received, Brant was easy game for Dubeau in the next round and went to the canvas under a wicked onslaught.

Wadsworth Scores Knockout
The tenth and final round saw Wadsworth really go to town. The crowd roared encouragement as Wadsworth battered his opponent all over the ring. Early in the round a hard right to McIntyre's nose produced the first blood of the fight and during the whole three minutes Wadsworth rained punches on his former conqueror. McIntyre crouched, dodged and clinched but Wadsworth asked or gave no quarter as he battered his foe around the ring. McIntyre was groggy several times but Wadsworth didn't seem to have the extra ounce to make a kill. He rained punches on his adversary and was right in high gear when the final bell sounded to end the scrap.

Without a moment's hesitation, referee Zwick raised Wadsworth's hand as the victor and the crowd roared a tumultuous endorsement of the verdict.
