Wedding on Monday at South Porcupine

Miss Augusta Carlson and Mr. Herbert E. Green of the Dome, Married.

South Porcupine, Aug. 31—Special to The Advance.

A very pretty and simple wedding took place on Monday afternoon in St. Paul's Anglican Church, when Archdeacon Woodall united in the bonds of holy matrimony Augusta ("Kitty") Carlson, eldest daughter of Mr. and Mrs. Adolph Carlson, of the Dome Mines, and Herbert E. ("Stan") Green, also of the Dome.

The church had been specially decorated for the occasion by friends, and the chancel was a bower of pale pink and white phlox and greenery. The bride, who was given away by her father was a very beautiful bride. Her gown was of bridal white chiffon over satin, cut long and full, the bodice being of chiffon skillfully shirred to represent a lace design. White satin slippers and a shoulder length veil of silk net attached to a coronet of chiffon with orange blossoms completed the ensemble. A shower bouquet of tallman roses with lilies of the valley and fern was carried.

Her sister, Miss Genevieve Carlson, attended her as bridesmaid. She looked a picture in shell pink silk net over taffeta, the gown being long and full with bolero effect in embroidered lace over net. She wore silver slippers and a large mohair picture hat of shell pink, and carried a shower bouquet of sweet-heart roses and bouvardia with fern and pink chiffon streamers.

Frank Crisp, of Timmins, attended the bridegroom as best man.

During the signing of the register Mrs. W. H. Johns sang "At Dawning," her accompaniment and the wedding march being played by Mrs. Frank Reynolds.

After the ceremony the immediate relatives and friends repaired to the home of the bride's parents where a wedding breakfast was served.

Table decorations were white sweet peas with smilax. The bride's mother received in a navy blue sheer gown with a corsage of sweet peas and baby's breath.

After the breakfast an informal reception was held during which many friends of the bride and groom dropped in to wish the newly-weds every happiness.

Lovely and useful gifts were showered upon this popular pair, who left early in the afternoon by car for a honeymoon in points East. The bride's travelling gown was of navy blue wool sheer, with touches of cerise, with navy halo hat and veil, and grey coat.

Upon their return they will take up residence at 55 Powell Avenue.

We join with their many other friends in wishing Mr. and Mrs. Green the very best that life can offer them.

Provincial Constable Marshall Hancock, of Kirkland Lake, and until recently of Timmins, who underwent an appendix operation at St. Mary's hospital here, has recovered sufficiently to return home and is making rapid progress toward recovery.

St. Mary's Journal: Teacher: "I see you are early of late." Pupil: "I was behind before." Teacher: "Now you are first at last."

They Put Power in its Proper Place

Speaking over the Columbia Network recently, Mr. Albin Johanson, the leader of the Co-operative Movement in Sweden, said this:

"When I left Sweden a few weeks ago, I was informed that the linoleum monopoly, which comprises practically all factories in this field, has decided to reduce its prices in Sweden by 15 per cent.

"This was done because KF, our co-operative wholesale, had made it known that if the monopoly did not reduce prices KF was ready to build its own linoleum factory.

"The Swedish consumers will save nearly one million dollars yearly on their purchase of linoleum alone as a result of this action."

In the past KF has actually broken trusts in margarine, flour-milling, rubber and electric lamps by erecting and operating its own factories. Now, the threat alone is enough.

The co-operative movement in Sweden is one of the most powerful manufacturing and distributing organizations in the world—completely owned and controlled by small local societies of consumers. It has put POWER IN THE PROPER PLACE—IN THE HANDS OF THE CONSUMERS.
