

# Hollinger and Porcupine Resume Play-Offs Tonight

## Porcupine Defeats Hollinger In First Play-Off Game 3-1

Winners' Five Hits All go for Extra Bases. Senese Wins His Own Game with Long Triple in Fifth. Hollinger Outthit Opponents but Miss Chance to Tie Score in the Ninth Inning.

Making all five hits good for extra bases, Porcupine Miners defeated Hollinger 3-1 here Monday night in the first game of the play-offs for the championship of the northern section of the senior Temiskaming baseball league and the right to proceed against the winner of the southern section in Kirkland Lake for the title.

Dominic Senese for Porcupine allowed seven hits to five by Dorey, four of which came in the first two frames. After the second inning the Porkies' star righthander had little trouble disposing of the Hollies until the ninth when they planted men on second and third with two out. Art Scarlett, the next batter, flew out to right field to end the game and give the Porkies the jump on the three-game series.

Tied 1-1 at the end of the first inning, Porcupine scored single runs in the fifth and sixth to win the verdict. With one out in the first, Pete Dominas smacked a line double to right and scored when Labag cracked a two-base hit to left.

Hollinger evened the count in their half of the initial frame after two men had been retired. Knight was safe at first on Catarello's error but was nipped off the bag by Schultz when Scarlett missed on an attempted sacrifice. The latter finally fanned but Bill Lawton and Darragh singled in succession. Lawton being held at second. Both runners advanced a base on a wild pitch and Lawton crossed the plate on a fluky passed ball. The ball bounced out of Schultz's mitt and rolled down umpire Frawley's back. Before the Porcupine catcher could recover Lawton was in.

There was no further scoring until Senese opened the fifth with a drive to right centre that went for three bases. Dowling then flew out and on a perfect squeeze play with Pete Dominas, the Porcupine hurler scored with what proved to be the winning run.

The last run of the night was driven in by Long, who hit another triple to

the fence in centre field with Abbie Moreau ahead of him, the latter having reached first on a base on balls. Two men had been retired at the time and Murray was tossed out leaving Long stranded at third.

Hollinger had a chance to snatch the game out of the fire or at least go into a tie in the ninth. McDonald, batting as a pinch hitter, was struck out but O'Leary drew a pass. Dorey flied out but Knight doubled to left sending O'Leary to third. Any kind of a hit would have scored two runs but Scarlett drove an easy fly to right field that Dominas only had to move a couple of feet for to end the game.

## Terry Picks Pirates To Take Yanks

Predicts Pittsburgh Will First win National League Pennant by Ten Games.

Bill Terry jumped aboard the Pirate brig this week with a prediction Pittsburgh would win the National League Baseball pennant, and "have a good chance to beat the Yankees in the World Series."

"The Pirates ought to win the pennant by ten games," he said, as he explained his New York Giants' chances were "shut" and that, as a last straw, he had to take Dick Bartell out of the lineup because of an injured elbow. He sported at talk of the Pirates "backing" into the championship.

**No Back Up to Flag**  
"No team ever backed into the pennant," he declared. "You've got to win those games. The Pirates have a hustling ball club, and they are just the team that can give the Yankees trouble in the series."

"Pittsburgh can hit the kind of pitching the Yankees have, and they have a tight fielding combination with a lot of pitchers. Don't worry, they have a good chance to beat the Yankees."

## To Try New Course in Iroquois Falls Golf

Plans of Links Have Been Changed Temporarily.

Iroquois Falls, Ont., Aug. 26, 1938.—(Special to The Advance)—With the view in mind of increasing the yardage distance of the Abitibi Golf Course here, also to make it a little more difficult, the plans of the links have been temporarily changed, which will increase the distance by 395 yards. The par game of the golf course which was 33 will be set up to a par game of 35.

Sunday, August 28th, is the day set, on which the members have been invited out to try the new proposed plans, and will play in the form of a tournament. Many members are anticipating the changed course, and the games will prove very interesting.

As a result of this change, if adopted, the golf course will be near the standard championship regulation course, also increasing the hazards now encountered.

The plan to be used on Sunday was drawn up by Mr. H. R. Soderston, chairman of the greens committee, who has given considerable thought and time to the contemplated change. Another active member of the golf club here, also deliberated on the subject, and here-to is a plan that may be tried out later.

The member is Mr. W. F. Hiscocks, president of the Abitibi Golf Club, whose changes would take in greater yardage and a more difficult course on which to play.

The proposed plans to be tried out first, outlined by Mr. Soderston are as follows:—Number one and two holes will remain the same. Number three tee will be moved back further. Number four tee will be moved back considerable distance also. Number five hole will be played from beside the old number four green to the old number seven green. Number six hole will be teed off from the corner of old number seven green, to the number eight green, on the side of the hill, overlooking the Potter's Pond. Number seven hole, which will be increased from 250 yards to 500 yards, will be played from the water fountain, down to the old number five green. The eighth hole starts from here and stretching out longer will be played to the old number six green. Number nine hole, across Potter's Pond remains the same.

If the plans suggested should be adopted, minor alterations to the course will be necessary, although no great expense will be necessary to make the new course.

Already many enthusiastic players have assigned their names, to try the new proposition and Sunday sees a new angle to the game of golf in Iroquois Falls.

## National Jr. Track and Field Championships At Hamilton

Competitions to be Held in Conjunction with Annual Hamilton Marathon on September 10th under Auspices of Hamilton Olympic Club. Six Events Included on the Programme for Girls.

"The Hamilton Olympic Club will conduct the Junior Canadian Track and Field Championships at the Civic Stadium in Scott Park, Hamilton, on Saturday, September 10th, and a very large entry list is expected of these teen-age athletes. According to the regulations of the Amateur Athletic Union of Canada, competition in this junior class is restricted to those boys who have not reached their nineteenth birthday, and this gives an opportunity to all boys in all parts of the country to win a Canadian championship. The usual series of events will be on the programme: 110 yards, 220 yards, 440 yards, 880 yards, one mile, running high jump, running broad jump, pole vault, shot-put, 120 yards high hurdles, discus throw and javelin throw. In addition to these events, the Olympic Club is including some events for the younger boys, 100 yards relay for boys under 17 years, 440 yards relay for boys under 17 (4 boys each to run 110 yards) and 100 yards run for boys under 15 years.

The Hamilton Marathon will also be included on the same programme, and this event is one of those famous long-distance competitions, which has been held regularly for so many years, that it always attracts an entry list of all the famous runners from all parts of the North American continent. Entries have already been promised by men, whose names have become famous in such events, and this event alone would be sufficient to attract thousands of spectators.

Interest in girls' track and field events has always been keen, and a number of events for these feminine speedsters have been placed on the programme. These will include the 60 yards run, 220 yards run, 60 metres hurdles, running broad jump, discus throw and shot-put. In a meet held recently at Halifax, the Ontario girls won almost every event in the Canadian championships and most of these winners will be taking part in these events.

This will be the last major track and field event of the year and the Hamilton Olympic Club is sparing no effort to make it outstanding in interest to spectators. Prices have also been kept down to the lowest possible level, and those who attend will really see three track meets in one. Entry forms for all classes may be obtained from the secretary of the club at 35 Arkell Avenue, Hamilton.

## Iroquois Falls Golf Players Win Prizes

Other News of Iroquois Falls and Ansonville

Iroquois Falls, Ont., Aug. 30.—(Special to The Advance).—A competition between local members of the Golf Club was drawn up on Sunday, to try for the awards on the new proposed outlay of the golf course.

After an exceptionally fine game of golf, in which a good turn-out of the enthusiasts participated, the results were:  
Low Gross, for 18 holes: W. Yurnchuck.  
First low net, for 18 holes: won by U. Hakkinen.  
Second low net for 18 holes: won by Norwood Pawkert.

The weather being particularly favorable, the match was most interesting and gave a varied game to the contestants.

In the competition for the Benjamin Moore Trophy, which has been played for during the past while, the finals were between Nipper Neagle and Greg MacDonald. On Saturday and Sunday these two winners battled it out for

## Timmins Team One Down And Facing Elimination

Hollies in Tough Spot After Dropping First Contest Here on Monday Night 3-1. Bill Meade, for Porcupine and Nels Avery, for Hollinger, Likely Mound Selections.

## Hargreaves Eliminate Toburn

Manager of Toburn Team Protests Game on Short-stop Jimmy Yawney.

Wright-Hargreaves blasted Toburn Mine out of the playoff picture in the Temiskaming Baseball League in Kirkland Lake on Tuesday with a 10-6 victory.

Coach Gar Jelly of the Toburnites protested before the game started the inclusion of Shortstop Jim Yawney in the Hargreaves line-up. The game was a replay of a tie game early in the season when Yawney was on the bench under a suspension.

Salesberg went the route for the victors, yielding nine hits. Jack Alexander, on the mound for Toburn, was replaced by Bussiere in the fourth.

Porcupine and Hollinger will renew hostilities tonight in the second game of the play-offs for the championship of the northern section of the senior Temiskaming Baseball League at South Porcupine. The game, originally scheduled to be played last night, was cancelled on account of rain.

The Porkies are in the driver's seat after their 3-1 win over the Hollies in the first game here Monday night and their supporters are calling them to take the series in two straight.

Hollinger on the other hand have their chins pulled in and ready to battle tonight to the last ditch and force a third game. Rival managers are keeping their mound selections to themselves, but in all likelihood Bill Meade will work for the Porkies and Nels Avery for Hollinger. Both are right-handers.

The weather will be more in keeping with football and the chilly atmosphere may have a lot to do with tonight's result. Both squads are thoroughly accustomed to heat and mud, but it will be their first test today in cold weather. The game will start sharp at 5 p.m.

## Annual Dance of McIntyre Tennis Club on Friday

Present indication suggests an unusually large attendance and a very happy time for all at the annual summer dance of the McIntyre Tennis Club to be held in the Porcupine Badminton Club hall, Schumacher, to-morrow (Friday) night, Sept. 2nd. Arrangements for the event have been perfected by a very capable committee, including Miss Joy Wookey, Miss Mary Emma Skavlem, Mr. R. Jackson, Mr. J. Keeley, and Mr. J. Dutton. Dancing will be from 10 to 2:30. Music will be provided by Andy Cangiano and his orchestra. A buffet lunch will be served in the lounge after midnight. A pleasing novelty for the evening is the summer garden made for the occasion for couples wishing to sit-out the occasional dance.

Eighty thousand saw the rugby game between All-Stars and Washington last night. All-Stars won 28-16.

## Jeannette Garrette Here for Big Bazaar

Noted Concert Artist Also to be at McIntyre Tennis Club Dance.

Jeannette Garrette, noted concert and movie artist from Horace Heidt's famous Biltmore hotel orchestra, New York, arrived in town on Tuesday and is the guest of Mr. and Mrs. J. D. Brady. All who have had the pleasure of meeting her have been charmed by the pleasing personality of this outstanding artist. She will be at the Bingo bazaar in the Timmins arena to-night, to-morrow night and Saturday, under the auspices of the Italian Sacred Heart Church. She will also be at the McIntyre Tennis Club dance to-morrow night.

## Release Trio Of Veteran Canadiens

Pete Lepine, Aurel Joliat and Marty Burke Dropped from Montreal Team.

Unconditional release of three veteran players—Aurel Joliat, Pete Lepine and Marty Burke—was announced Tuesday night by Montreal Canadiens of the National Hockey League.

Except perhaps for Burke's, none of the releases were unexpected. Joliat announced last winter that was his last season as a player, and the grey-haired Lepine had indicated he was not sure he would catch on with the habitants this year.

Burke, stocky defenceman, who came back to Canadiens last year from Chicago Black Hawks, missed last winter's playoffs. An operation took him out of the game for the last part of the season. But he said tonight he would try to sell his services to another NHL team.

With Maroons' players on the market, now that the other Montreal team has secured league permission to suspend operations for a year, the Canadian management proposes getting Herb Cain, Bob Gracie and Cy Wentworth from the Red team to fill in the gaps.
