Porcupine won the game in the sixth inning on three errors, a sacrifice and a fielder's choice. "Wink" Dowling. who has been one of the main cogs in the Porcupine machine during the entire series, went to first on Forster's error and advanced to second on a sacrifice by Dominas. Weeks made an attempt to nip him off second and Durnan fumbled the ball. Forster recovered and made a poor throw to third, Dowling pulling up safe. Labag drove a hard ball to Durnan at short and Dowling scored from third when Brennan, Lake Shore catcher, dropped the

A heated discussion with the threat of a protest took place in the fifth inning when Umpire Frawley called Shalley, of Lake Shore, cut at the plate on an unusual play. With one out Shalley drew a walk, stole second and attempted to come in on a single by Brennan. Murray in centre field made the play to the plate. Schultz was standing ready to catch the ball when Shalley crashed into him. The Lake Shore player dropped to the ground in a daze about two feet from the plate. Schultz recovered the ball and tossed to Senese who tagged the Lake Shore man as his teammates tried to drag his prostrate body over the plate.

Dan Howley, business manager of the Toronto Maple Leafs baseball team, was among the spectators at the game and was accompanied by George Quinn. Ostensibly they came to the Porcupine to look over the mines but, according to the grapevine there might have been a little scouting thrown in also. In any event Howley, one of the most prominent luminaries in the International League baseball firmament, saw Senese turn in his third straight playoff victory to complete one of the finest pitching efforts ever seen in the history of the T.B.L. The pokerfaced right-handed star of the Porcupine team has to be given more than ordinary credit when it is considered

> In the last inning of last night's game they planted men on first and second with none out and gave the Porkies the biggest scare of the series. Stoyond, batting for Scruton, who had struck out in each of three previous trips to the plate, beat out an infield hit along third base line despite a perfect pick-up and peg by Dowling. Catarello fumbled May's drive to second base and both runners were safe. Senese really bore down from this point on and the fans took another breath when he fanned the hard hitting Bill Durnan for the first out. Forster was out to Long at first unassisted, but the two men on base advanced to second and third. With the tieing and winning run in scoring position, Shalley poked a hard drive to short. Abbie Moreau, one of the gamest and scrapplest players in the circuit, gathered in the ball and retired the side with a perfect throw to first base which brought the league title to Porcupine.

Porcupine were not highly regarded in the pre-season ratings but have shown on sheer merit alone that they have a ball team that is worthy of the North Bay golf clubs. The chief arguetitle of champions.

#### New Golf Set-up for North is Proposed

Southern Group May be Formed in Northern Ontario Golf Association.

At a meeting in the Idylwylde Golf

Club house at Sudbury last week there was discussion of the idea of forming a southern group of the Northern Ont- the game in very short order. ario Golf Association. At the meeting there were representatives from Sudbury, Sault Ste. Marie, Chapleau and large and representing too extended a AB R H PO A territory. For this reason it was difficult to hold representative meetings, tournaments, etc., and to keep in propseparated parts of the territory reprasented. It was argued that a southern association would meet the situation more effectively than under the present plan. This is not the first time the question has been discussed, nor is it likely to be the last. A great many golfers believe that the formation of a southern association for this North is inevitable in the future on account of the immense territory concerned. Whe-A ther the present is the best time to make the change is another matter for argument. Of course, the discussion at Surbury last week did not result in any decision being reached. It was agreed, however, that the discussion on the matter should be continued next year at the invitation tournament at Soult Ste. Marie, and also at the annual meeting of the Northern Ontario Golf Association to be held at North Bay.

The North Bay Nugget published in its Friday edition a picture of some of 000 001 000-1 5 2 the golfers who were present last week at the meeting in Sudbury where the Errors, Dowling, Catarello, Forster, 2; discussion took place. These golfers ther, J. P. Mander and C. Stambol, ett. Sault Ste. Marie; H. J. Mutz, vicepresident of the Idylwylde Golf Club. Sudbury, who presided at the meeting; Alderman J. A. Harold Buck, youthful and diminu- 1 and emerged on the heavy end of 3-1

It was Buck himself that paved the had taken a one-run lead in the first canto. His smashing single to centre matched his skill against Bill Meade in the sixth inning and his perfect base running put him in a scoring position and big Bill Durnan took care of the rest of it. Buck had eight strikeouts to his credit, and though he did waiver battle for the league silverware. a bit in the last inning, a smart double killing pulled him out of a big hole.

Although the Porcupine team out-hit the Lake Shore squad they couldn't get the required drive to score runs at the right time. Lake Shore, on the other | . hand, took advantage of all the breaks and coupled with Buck's perfect base stealing, scored enough runs to win

Don Price, out of the first game here | with a knee injury, was back in the game Tuesday, and though his hitting wasn't nearly as effective as usual, his ment was that the Northern Ontario fielding was a big factor in Lake Golf Association was becoming too Shore's win. Scrutton made some sensational catches in the outfield too.

Labag drew a walk in the Porcupine end of the first inning and advanced to second on May's bad handling of er touch with the golfers in the widely Schultz's drive to third. Moreau's single to left scored him and advanced Schultz to second where he died when Long flied out to centre.

> Lake Shore's runs came in the sixth and seventh innings.

With one out in the sixth, Buck singled to centre and stole around to third before Scrutton flied out to catcher. Stovond walked and on the first pitch to Durnan he went down to second. Big | Bill Durnan then slashed outa long single to centre that scored Bcuk and Stoyond. Durnan was left stranded as Forster went out at first.

In the seventh Doug May, first man up bunted and went to second on Meade's bad throw to first. Shalley walked and Brennan sacrificed both men along. Price was batting when Lake Shore decided to try a squeeze and it was perfect. Buck was hit by Meade and it looked like the set-up for another couple of runs, but Scrutton, next man up, flied to deep right to end

In the last inning Buck began to weaken and walked Long, first man to face him. Dowling flied out to left field for the first out. Murray then turned out to be Buck's best friend as ne hit into a double play that finished

### Porcupine Take Lead In Series

Defeated Lake Shore in Lake Shore Third Game of T. B. L. Porcupine Play-offs by 2-0 Score.

South Porcupine went into the driver's seat of the play-offs for the senior Temiskaming League baseball title when they defeated Lake Shore at Scuth Porcupine Monday night by a score of 2-0 in the third game of the five-game series. After splitting the two games played in Kirkland Lake, the Porkies took a one-game lead in the

Weeks, for Lake Shore; limited the Porkies to three hits while Senese kept

nine blows well scrattered. The Kirkland Lake team lost the game on the bases, fourteen men being left strand-

Porcupine's big inning was the seventh when they grabbed their two runs just before Lake Shore pulled a double play to retire the side. Moreau was given a walk after Schultz had flied out to Forster and was sent to second on Long's single to right. 'Wink" Dowling smashed out a double to right field that sent Moreau and Long in with the only two runs of the games.

Claims Speed of 700 Miles per Hour for Aeroplane

### Baseball Finals Start On Monday

Porcupine and Smith's Falls Meet in Five-Game Series at McIntyre Park.

Porcupine Miners, champions of the Temiskaming Baseball League and Smith's Falls, will meet in the first game of the Eastern Ontario finals at McIntyre Stadium in Schumacher on Monday afternoon, according to instructions received today from E. V. O'Meara, president of the Eastern Association.

The series will be on a best-threeout-of-five basis, with games on Monday, Tuesday and Wednesday and also on Thursday and Friday if necessary. All games will be played at McIntyre

President O'Meara stated in his wire to Ike Solomon, vice-president of the T.B.L. that he will be present for the

signer, exhibiting at Philadelphia a model of his proposed ship, claims that he has designed an airplane capable of travelling at approximately the speed of sound, 700 miles an hour, says Science Service.

Now in the blueprint stage, the plane, according to Ivan Eremeeff, its inventer, would consist virtually of a flying fuselage and a pair of 1,500-horsepower engines. Its wings would be reduced to relatively small fins. Its two propellers would be mounted one forward and one in the rear of the novel

A top speed of 1,000 miles an hour and a normal speed of 600 to 700 miles an hour are claimed by Mr. Eremeeff. Aeronautical engineers, generally, however, appear to be skeptical and await an opportunity to inspect his plans before they vouchsafe any comment.
