Wedding This Week at South Porcupine

Miss Natalie Kostynyk and Mr. Fred Kazakow Married.

South Porcupine, Sept. 28.—(Special to The Advance)—A pretty wedding of a local girl took place on Monday afternoon at the United Church. Rev. J. A. Lytle officiated, and the church was filled with neighbours and friends.

The bride was Natalie, only daughter of Mr. and Mrs. John Kostynyk, of Golden Avenue, who became the bride of Fred Kazakow, of South Porcupine, formerly of Kanasack, Saskatchewan.

The bride looked very pretty as she entered the church on the arm of her father. She was attired in a bridal white gown of Chantilly lace, with short train, made on fitted lines, with inserts of white satin in front, and buttons down the back with simple Peter Pan collar. She wore white accessories, with short circular veil held to the head with high headpiece, entwined with orange blossoms. Her bouquet was of red roses with lilies-of-the-valley and fern. She was attended by two bridesmaids.

The maid of honour was Miss Mary Zepotoczny, of Iroquois Falls, who wore a frock of deep rose satin, with white gloves and shoes, and coronet of white flowers, and carried a shower bouquet of white garden blooms.

Miss Nora Kavek, of Timmins, the second bridesmaid, wore light pink moire silk, carrying white flowers, and wore a similar coronet of white flowers, with white accessories to the gown.

Mr. Peter Skrabek was best man, and Mr. Mike Kostynyk acted as usher. After the ceremony a wedding dinner was served at the home of the bride, the immediate relatives and friends, to the number of around twenty, being received by the bride's mother, assisted by the bride's aunt, Mrs. Maurin, of Timmins.

Mrs. Kostynyk wore a navy wool gown with white accessories, and a corsage of roses. Mrs. Maurin, being attired in an ensemble of navy and white.

We extend the heartiest of good wishes to the young couple. The bride has lived here for seventeen of her nineteen years, and has made many friends.

Her musical ability is of a high order, and a class of pupils for piano did very well under her tuition.

At the reception held later in the evening at the Finnish-hall, numbers attended to wish the young pair every happiness, and they were made the recipients of many lovely and useful gifts.

Constable Stringer Popular at the Falls

Constable Geo. White to be Provincial Constable at Iroquois Falls.

Porquois Falls, Sept. 17.—Constable Allan Stringer, whose appointment in charge of the special new high-grade squad stationed at Schumacher was noted in a recent issue of The Advance, has been very popular in Iroquois Falls and he will be much missed here.

Coming here from Belleville four years ago to head the Iroquois Falls detachment, Provincial Constable Stringer has during this time fulfilled his police duties with commendable results, gaining favourable popularity with the residents of this district, as well as being held in high esteem by the local police force.

With many years of service in the provincial police department to his credit, his career has been a most brilliant one, and the result of which has gained for him this outstanding promotion, in which everyone feels assured of his success.

Both Mr. and Mrs. Stringer feel reluctant to leave Iroquois Falls, where sterling friendships has resulted from their pleasant attitude, and their past associations will always be cherished in lingering memories.

The appointment of Provincial Constable George White, of Matheson, to take over the duties as head of the Iroquois Falls detachment has been announced, and will be effective immediately.

Provincial Constable White, who has familiarized himself with this territory, having worked with Constable Stringer for the past three years, will be stationed at Iroquois Falls, which is nearly the centre of his territory, which extends from Yorkston to Holland, and from Barber's Bay to Pyne township, in the Abitibi Limits.

Constable White, who is well known throughout the north, will undoubtedly gain the confidence of the public, as did Constable Stringer, for both these men possess the fine characteristics most suitable to the positions which they hold.
