F. W. Schumacher On Visit to North

Pioneer of Porcupine Area Sees Remarkable Development Here.

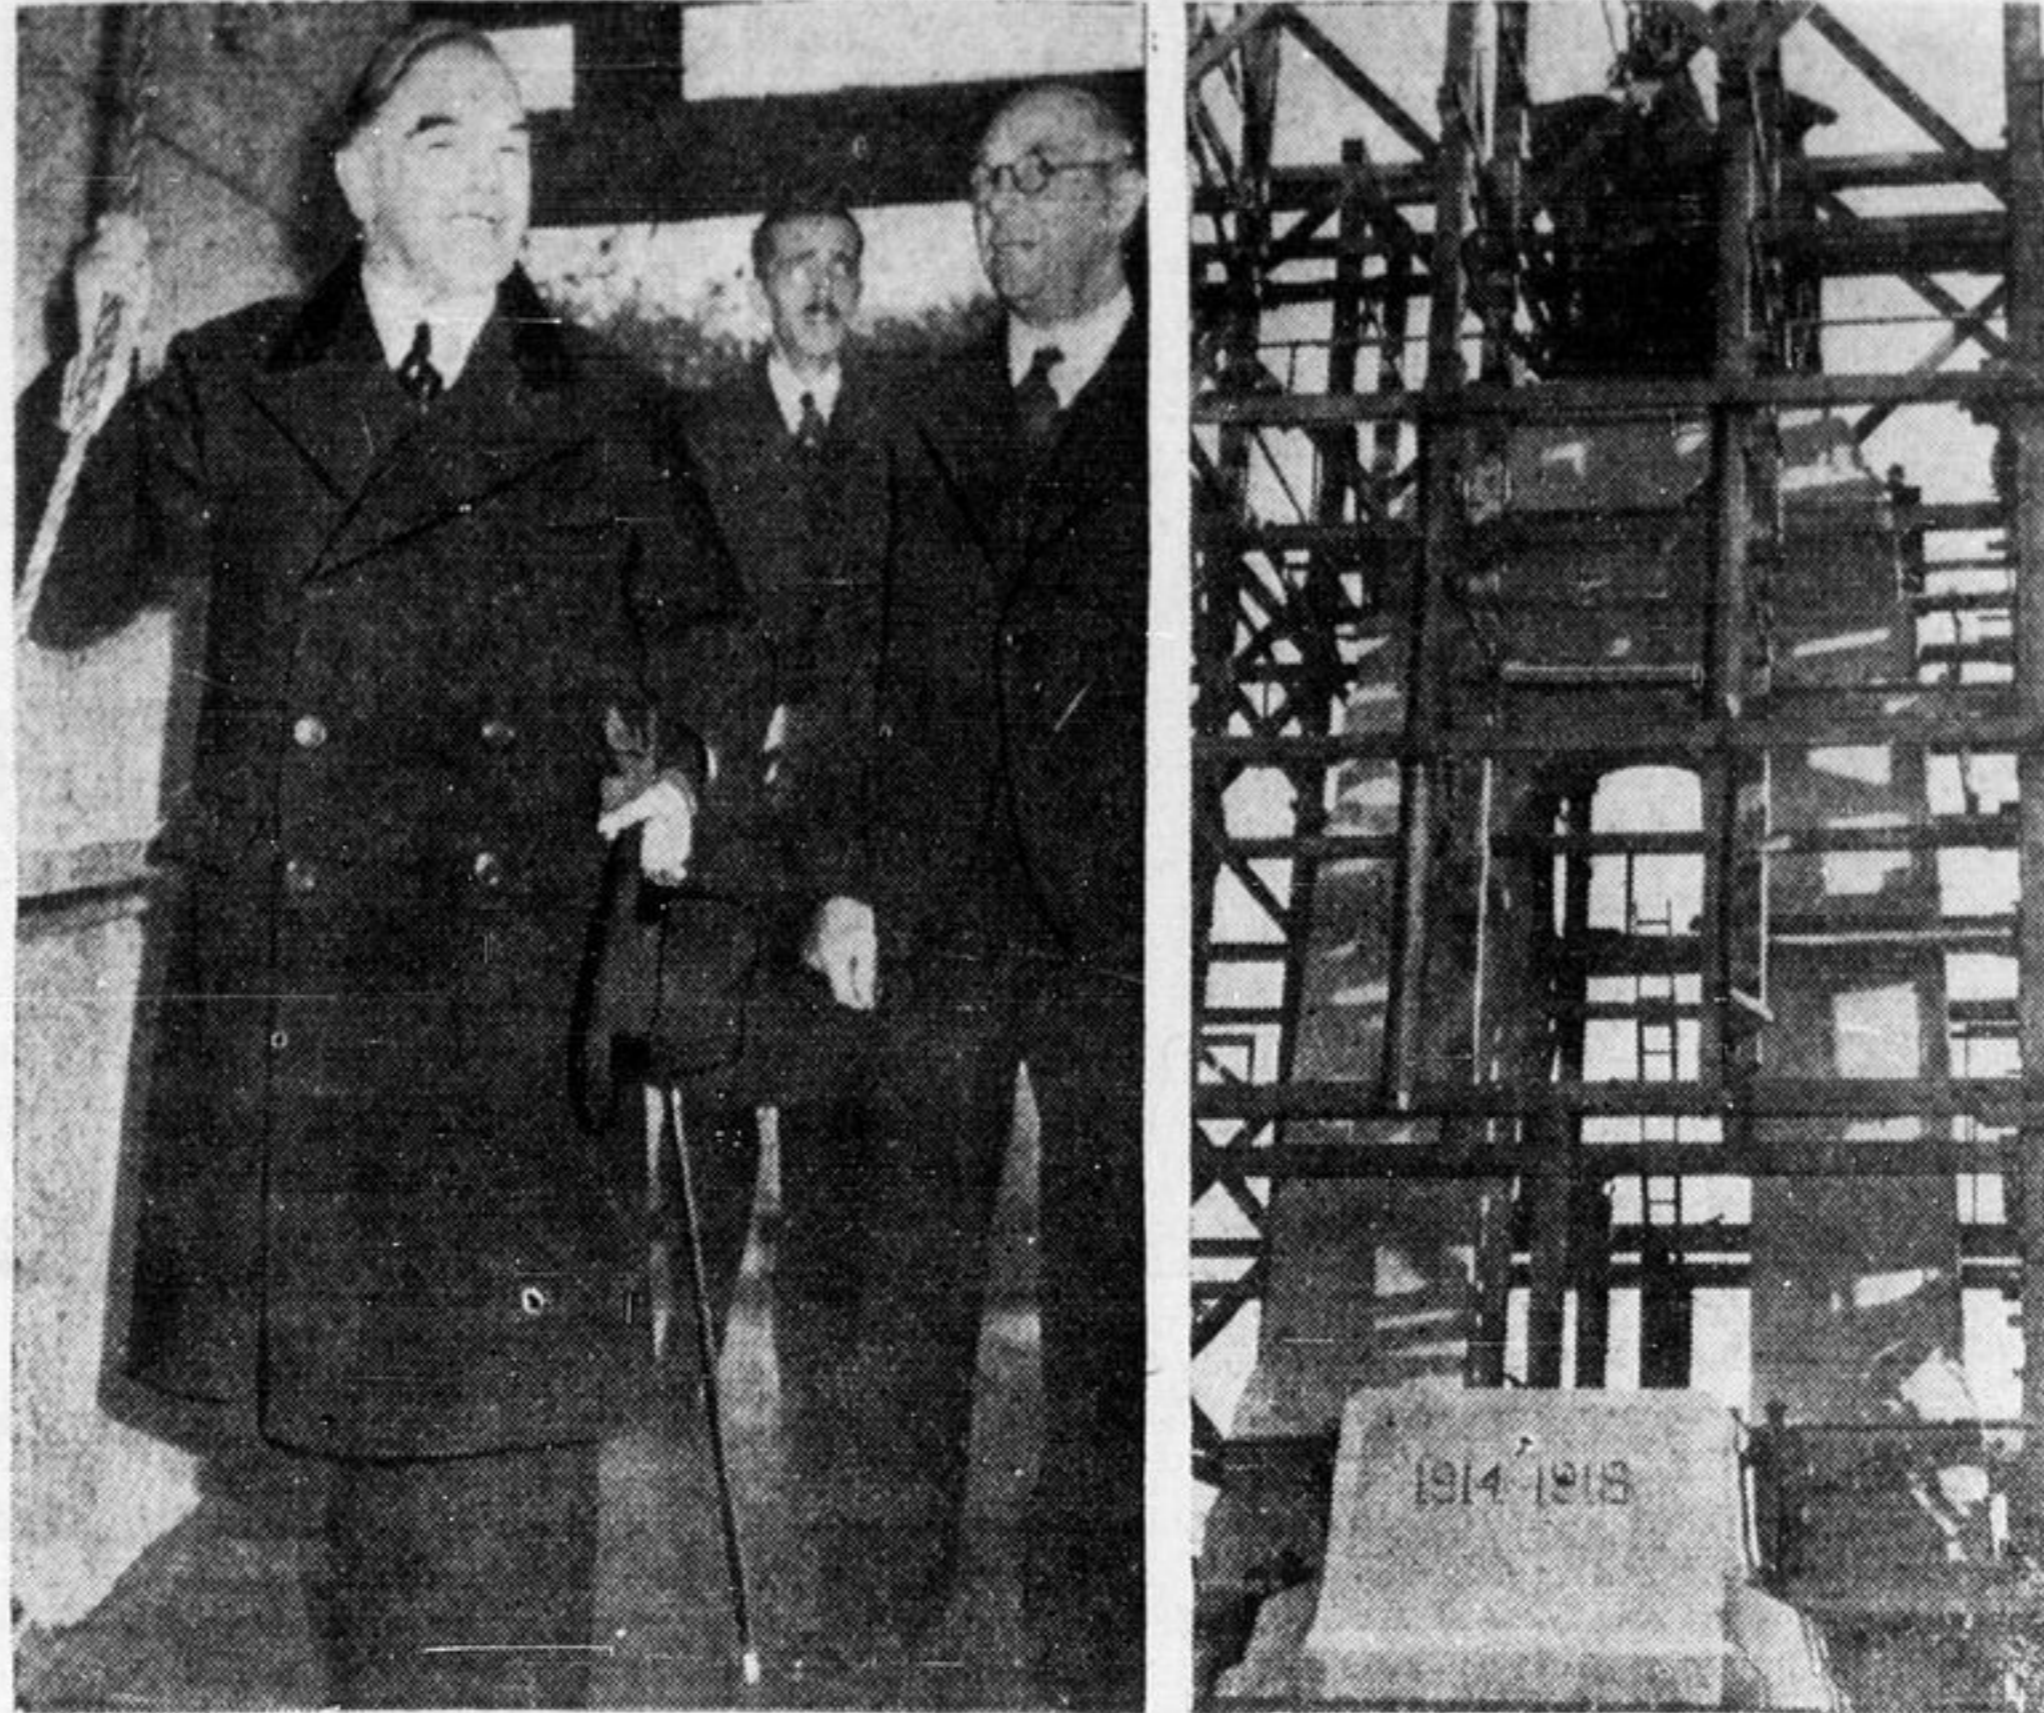

After an extended vacation abroad, Fred W. Schumacher, prominent Columbus, Ohio, financier and one of the early pioneers of the Porcupine Camp, was a visitor here over the past week-end on one of his periodical trips. Despite the fact that he has made his residence in United States for many years, Mr. Schumacher has maintained a constant interest in the Porcupine as his many philanthropies in the town that bears his name will attest. He was accompanied by his two daughters, Mrs. K. Cunningham, of New York, and Mrs. Harry McCoy-Jones and her husband, a retired commander of the United States Navy.

"Every time I return I can see a marked increase in the development of the Camp," Mr. Schumacher told an Advance reporter. "To you who live here continually this growth is not so apparent, but to one with the detached view of a visitor, the progress is striking," he remarked.

While he still maintains many mining interests in this area, Mr. Schumacher assured the interviewer that his visit did not presage the launching of a development program. "It was the Schumacher company that sank the first 600 feet of the Hollinger Schumacher shaft, Hollinger later acquiring the property and deepening the original development to 4,000 feet," he related.

Mr. Schumacher believed that the note of President Roosevelt to Chancellor Hitler had been of considerable assistance in solving the recent European crisis but felt that the bulk of the credit was due to the efforts of Prime Minister Chamberlain, of Great Britain. He was thankful that war has

Man Shoots Himself in Mine Bunkhouse

Tragic Death Last Week Near Rouyn. Victim Despondent Following Death of Wife.

"You're going to see something you never saw before," Murray Henry, aged 23, is quoted as telling friends at the O'Brien Mine bunkhouse last week when he woke them up at 4 o'clock in the morning. His friends before he finished agreed with him and hoped desperately that they might never see anything like it again, as he placed a .22 rifle to his head and pulled the trigger. Some of the men in the bunkhouse made desperate effort to stop the shooting but were not quick enough, though one of them grabbed the gun before it dropped to the floor from Henry's hand. The young man died on his way to the hospital at Noranda. At the inquest it was shown that Henry had been despondent recently over the death of his wife and had talked about ending his life. While his friends had attempted to cheer him up and get his mind from thoughts of death, they had not believed that he would do such an act. He borrowed the gun from a friend in another bunkhouse and returned to the first bunkhouse to take his own life. When borrowing the gun he explained that he intended to go partridge shooting.

Death of Mrs. A. Quesnel At Sudbury Last Week

Sudbury, Oct. 12.—While visiting at the home of her daughter, Mrs. A. Leclair, in Espanola, Mrs. Alfred Quesnel took suddenly ill on Wednesday and died shortly after 8 o'clock that evening. She had been residing with her daughter, Mrs. George Eaton, 377 Morris St., Sudbury, for the past few years. Born in Mattawa 67 years ago next month, she was the former Miss Mary Louise Soucie, a daughter of the late Mr. and Mrs. Theophile Soucie. She was married in Mattawa to Alfred Quesnel, who predeceased her five years ago, and with her husband and family came to Sudbury to reside 22 years ago. A devoted member of St. Anne's Roman Catholic Church, she was a member of the Ladies of St. Anne's. Surviving are four daughters and four sons: Mrs. J. Gauthier, of Toronto; Mrs. A. Leclair, of Espanola; Mrs. P. J. Burke and Mrs. G. F. Eaton, of Sudbury; Maurice and Fred, of Timmins; Rene, of South Porcupine; and Arthur, of Sudbury. Four brothers also survive: Charles Soucie, of Sudbury; Joseph, Peter and Simon Soucie, all of Mattawa. The funeral was held on Saturday at 9 o'clock, Requiem Mass being sung in St. Anne's Church, Sudbury, and interment being made in Sudbury Roman Catholic cemetery. Among those from out-of-town attending the funeral were: Maurice and Fred Quesnel, of Timmins; Rene Quesnel, of South Porcupine; Mrs. J. Gauthier, of Toronto; Mrs. A. Leclair, of Espanola; Messrs. Joseph, Peter and Simon Soucie, of Mattawa; Mrs. S. Boyce and daughter, Lorraine, of Warren; Mr. and Mrs. A. Patterson, of Ottawa; Mrs. J. Gagne, of Montreal; and Edgar Eaton, of Quebec.

Stressing the significance of the observance of Thanksgiving Day, Rev. Father J. R. O'Gorman, as guest speaker at the meeting of Timmins Lions Club last week, urged his listeners to give thanks for the last minute averting of war in Europe.

"I agree with Stanley Baldwin, who said that war is never inevitable, but we should give thanks to Almighty God that He so fashioned the minds of statesmen that their first consideration is peace," said Father O'Gorman. "I am a realist and an optimist," continued Father O'Gorman, "and I believe that the future holds much more promise now than Chamberlain, the great British leader, has shown the way so that the representatives of four great powers could sit down at a round table conference and iron out their differences."

The club was royally entertained by Miss May Scott and Alex Jackson, both of South Porcupine. Miss Scott and her partner presented an exceptional acrobatic show that had the members continually applauding. In extending the thanks of the club, Lion Chip Ball invited the two performers to make their headquarters in Timmins if they had any difficulty in forming a proposed physical culture group in South Porcupine.

During the meeting a cable was handed to President Dr. M. J. Kelly, from Lion Emile Brunette, who is on a holiday in Europe. It read as follows: "Arras, France. See to my attendance at the Lions Club. Enjoying ourselves very much. Going to Paris for a week tonight. Very likely will set them up for Daladier. Signed, Emile Brunette."

Guests at the meeting included Herb Trennear, who was announced as the club pianist, Doug Carriere, of Timmins High School staff, and Cecil Whitehead, of South Porcupine.
