

Buy a Boy Scout Apple This Saturday

Help the Lads on Their Annual Apple Day Sale

Yearly Plan to Raise Funds for Registration Fees. Boy Scouts of Timmins Organized for Usual House-to-House Sale of Apples. Also to Sell on Main Corners.

Timmins Boy Scout Association will hold their annual Apple Day on Saturday for the raising of funds for the Scouts' registration fees. This date coincides with similar drives being made by Scouting organizations in the majority of centres throughout the entire province.

Headquarters for the Apple Day here will be in Marshall-Ecclestone's show-rooms on Third avenue, additional accommodation to be provided by the erection of a tent on the McDowell Motors used car lot, adjoining Moisey and Ball's drug store. Members of the different Scout Troops will sell apples at all downtown corners in addition to making a house-to-house canvass.

Any surplus earned above the requirements for registration fees will be used and administered in such a way that all groups will share in its benefits. This may take the form of developing the camp site, providing prizes for the annual hobby show or for jam-boree or other expenses.

The Timmins Boy Scout Association is doing a really worth while work and are deserving of whole-hearted public support in their annual appeal for funds. The advantages of a well-directed Scout organization in any town are manifold and in this respect Timmins is exceedingly fortunate. Boys who are members of Scout troops are taught to be honest, self reliant and helpful to others, which is a big step in the making of the highest type of Canadian citizen. Help the Scouts in their work. Buy at least one apple on Saturday.

Porcupine District Ministerial Meeting

Officers Elected for Ensuing Year. Address by Canon Paterson.

One of the particularly interesting and valuable features of the Porcupine District Ministerial Association meeting on Monday of this week was an address by Rev. Canon Douglas Peterson, rector of All Saints Church, Peterborough. He spoke on "The Outlook of the Church," and his address was both instructive and inspiring.

Another special item on the programme for the meeting was the election of officers for the ensuing year. The following are the new officers of the Porcupine District Ministerial Association:—

President—Adjutant J. H. Cornthwaite, S.A., Timmins.
Vice-President—Rev. A. I. Heinenen, of the Timmins and South Porcupine Finnish United Church.
Secretary-treasurer—Rev. W. M. Mustard, of the Timmins United Church.

Kiwanis Bridge Tournament to Start Here Next Week

The Kiwanis bridge tournament, which has proved such a popular feature in past seasons, will start next week for this season.

County Lodges of L.O.L. to Meet Here

County Master Clark to be Present on Friday.

On Friday evening of this week, Oct. 14th, the semi-annual meeting of the County Lodges of the L.O.L. will be held in the Oddfellows' hall, Timmins, commencing at 8 p.m. County Master Clark, of Shillington, is to be present for the occasion and it is particularly desired to have a large and representative meeting of all the lodges of the district to welcome the County Master to Timmins on this visit.

Winner This Year of the Myles Trophy

Russell Pirie Now Owner of Plowing Championship Cup.

North Cobalt, Oct. 13.—(Special to The Advance)—The Myles Cup, trophy donated by John Myles, South Porcupine jeweler who formerly lived in Haileybury, and emblematic of the plowing championship of the Lorrain Valley district, on Tuesday became the permanent possession of Russell Pirie, who won it for the third time when the annual competition was held on the farm of Mansus Niemi, on the Silver Centre road south of here. Mr. Pirie, in the opinion of the judges, Thomas Douglas, superintendent of the Ontario Government Demonstration farm at New Liskeard, and Thomas Edwards, foreman at the Murphy farm in Lorrain, had a narrow margin over Harry Gowler, last year's winner. Mr. Gowler's team was adjudged the best on parade and carried off the prize in that event. Other contestants were Albert Clark, Henry Vahey and David Vahey, who finished in that order. Tuesday's competition was the sixth since the trophy was first donated in 1933, and Mr. Pirie, who won it in 1935 and repeated the following year, keeps it under the terms of the deed of gift. Mr. Clark also had won it twice, the first time in the year of competition and again in 1934. The ground this year was very dry. A banquet followed the plowing match, which is held under the auspices of the Lorrain Junior Farmers' Club.

Junior C. W. L. Hold Their Regular Monthly Meeting

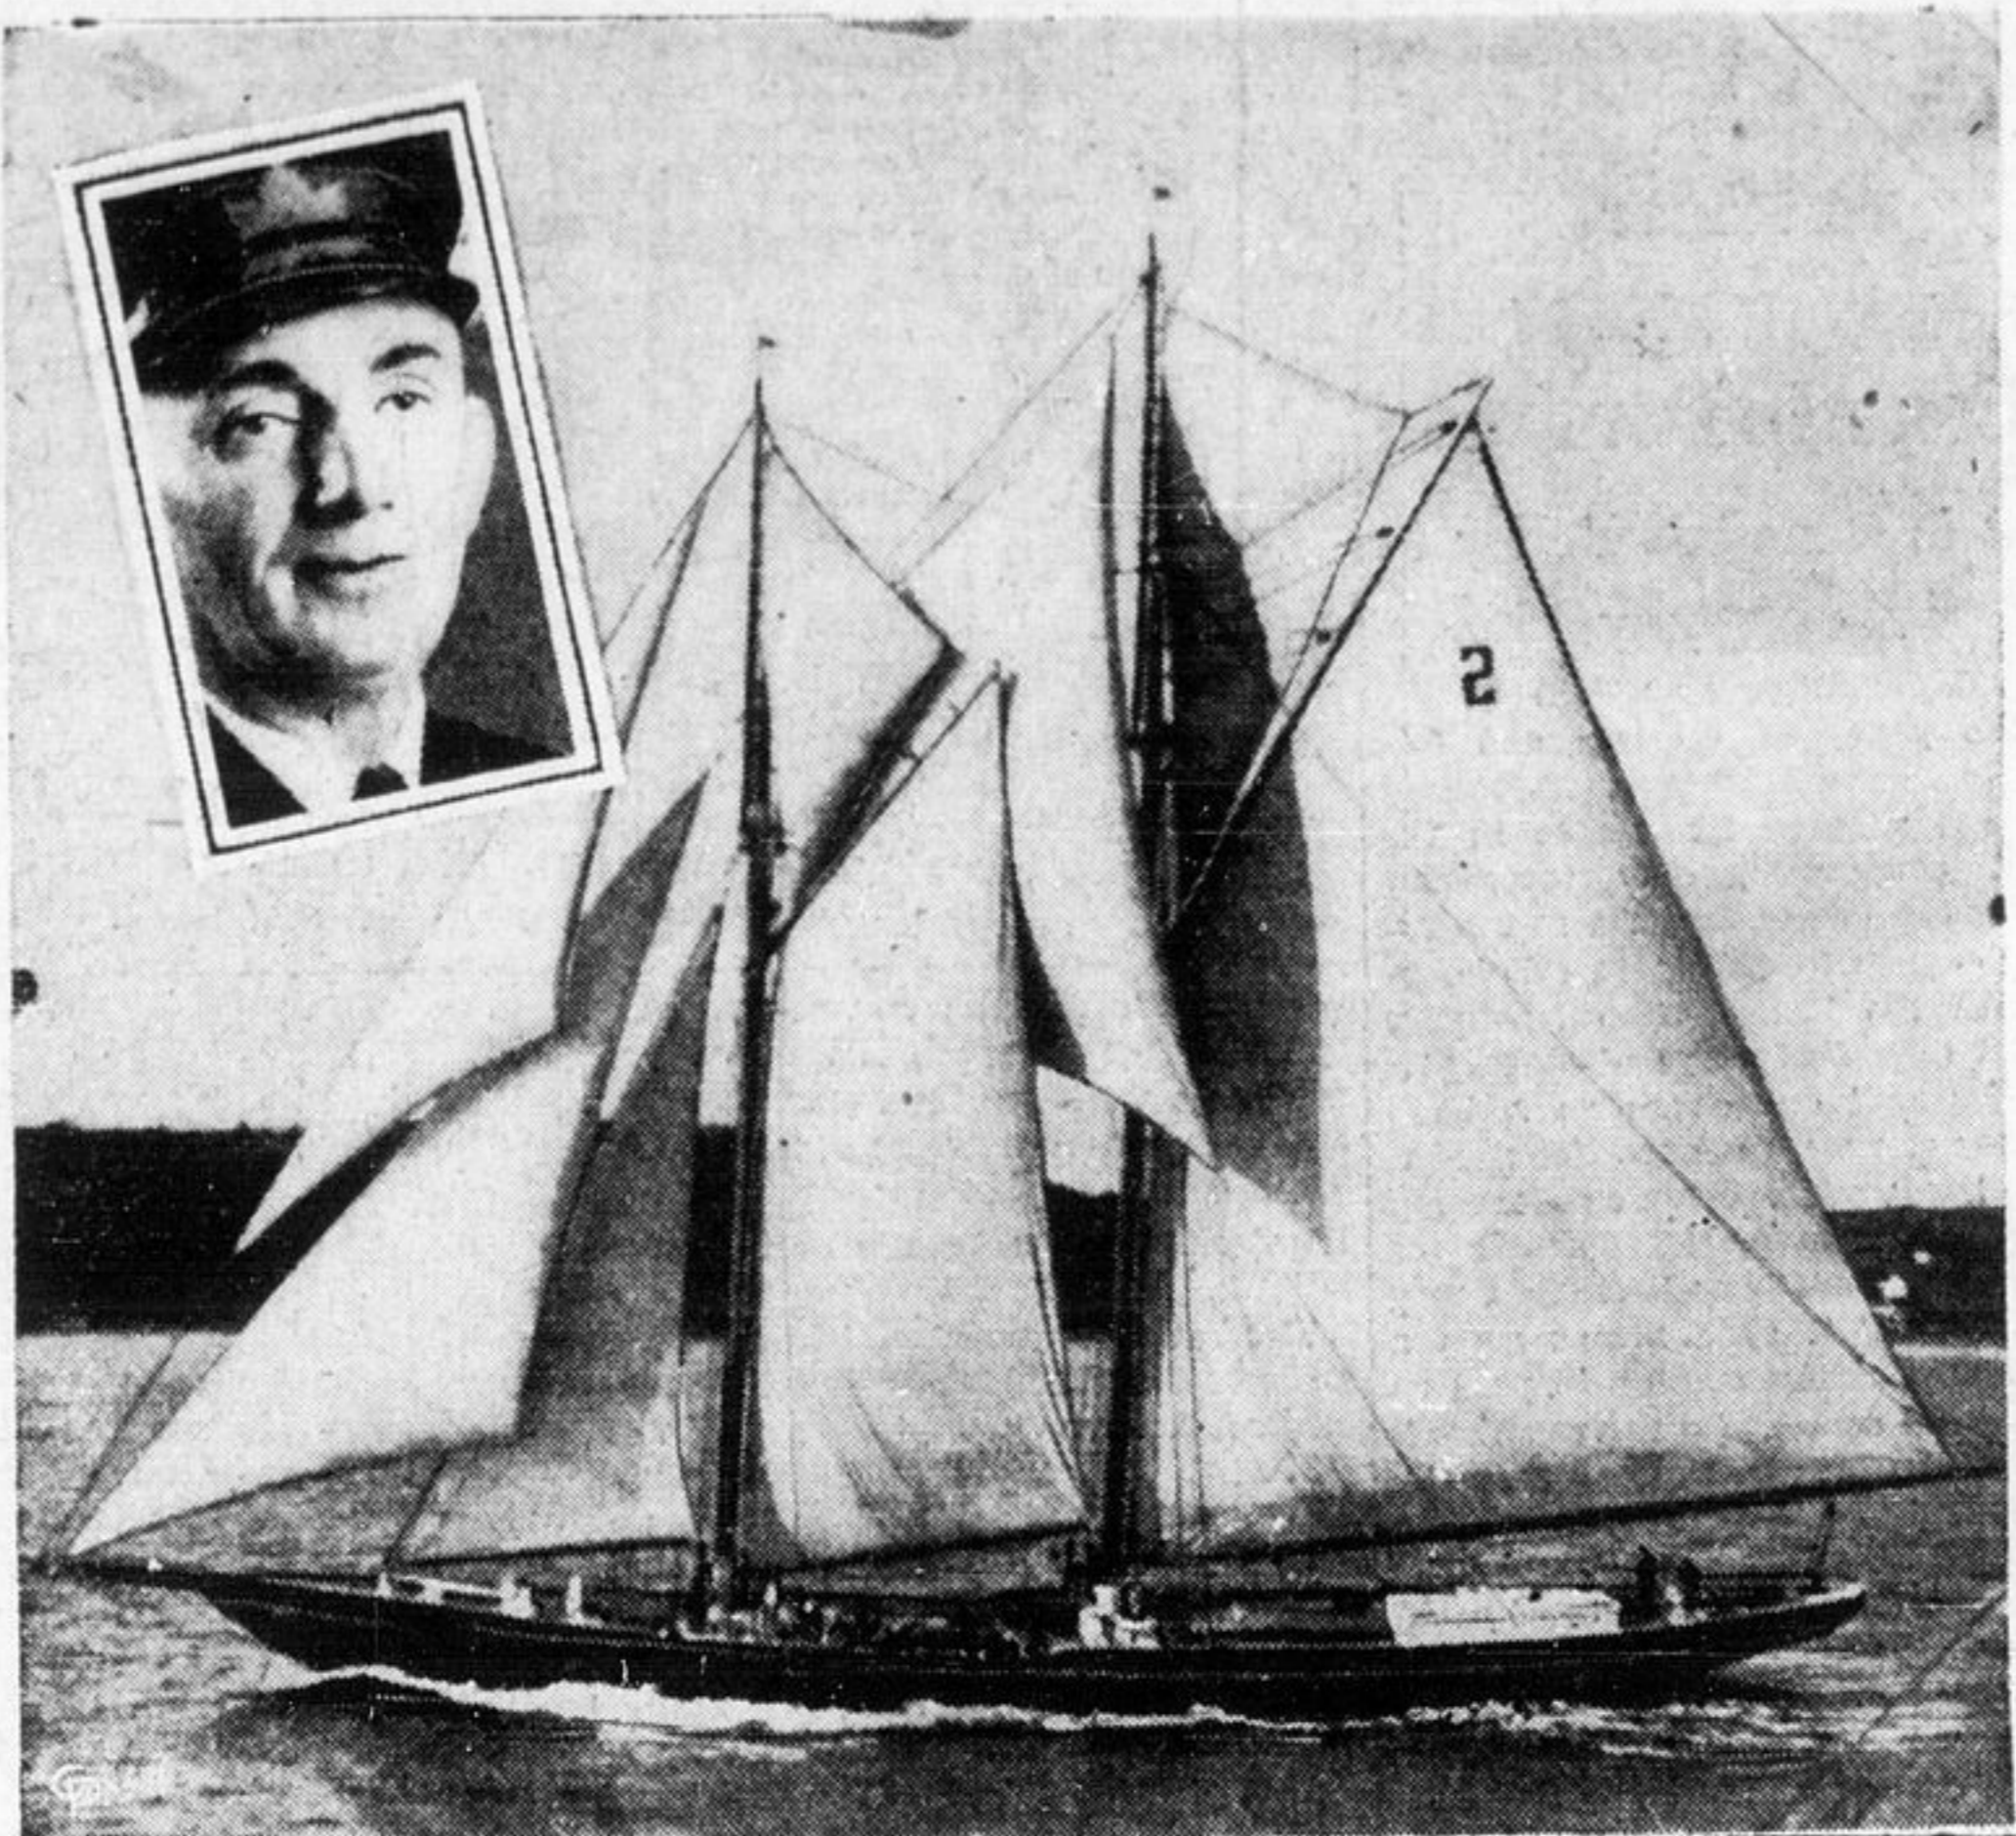

The Junior C.W.L. held their first regular monthly meeting in the parish hall of the Church of Nativity on Thursday evening. Regular business was discussed during the evening, and plans were made for a birthday party, for members only, to take place on October 27th. A dainty lunch was served, and members were urged to be present at the next regular meeting of the Junior C.W.L. which will be on Thursday, November 3rd.

DUCE'S WARRIORS FROM THE CRADLE

An idea of how young Mussolini catches recruits for his Fascist legions may be gathered from this photograph, snapped at Littorio, Italy. The Duce is shown giving the characteristic Fascist salute, while the honor guard of children stands at the foot of the dais.

SCHOONER RACES POSTPONED FOR TWO DAYS

Beaten last Sunday by a scarce three minutes, the Lunenburg fishing schooner, Bluenose, is down one in her contest with the American contestant, Gertrude L. Thebaud for the international fisherman's trophy. Neither schooner in a light wind Tuesday was able to finish the second race in the required time limit and again yesterday the schooners were idle for lack of breeze. A further attempt was to be made to-day to continue the contest. The Bluenose is shown above with her skipper, Capt. Angus Walters in the inset. The Bluenose won the cup in 1931 after the Thebaud captured the honours the previous year.

Stolen Lead Hearing Is Partly Completed

Possession Charge Against Julius Siskind is Dismissed for Lack of Evidence but Decision is Reserved in Case Against William Pigeon. Further Remand Made in Charge Against Mrs. Roy.

Julius Siskind was dismissed on a charge of receiving 270 pounds of lead, allegedly stolen from the Mascioli Construction Company, when he appeared in police court here Tuesday afternoon before Magistrate Atkinson. Decision in a similar charge against William Pigeon was reserved for a week. Siskind was represented by J. A. Lacourciere, with J. A. McCurdy appearing for Pigeon. A charge of stealing 900 pounds of lead against Henry Latour was dismissed on the evidence of a juvenile, who admitted the theft and told the court that Latour had merely helped him hide the metal and had taken no part in the original offence.

Paul Leblanc testified that he had sold Siskind 270 pounds of lead which he had found hidden under a mattress at the rear of a garage operated by Pigeon. Siskind didn't ask him where the lead came from but told him to cut it up before bringing it to his junk yard, the witness related. This evidence was corroborated by Leo Larouche.

Inspector Olson, of Timmins police department, said that when he searched the premises of the accused, he found only a small quantity of lead, no trace of the 270 pounds alleged to have been involved in the case, being apparent.

Siskind denied that he had told Leblanc to cut up the lead and declared that he had purchased 270 pounds of mixed metals. He was at a loss to explain to the magistrate the coincidence of the exact weight of the missing lead and the metal he admitted buying.

With the court unable to produce the alleged stolen material, the Magistrate, with the concurrence of Assistant Crown Attorney Yates, dismissed the charge.

Maurice Goulet, the juvenile who admitted the theft of the lead, said that he had hid eight "pigs" of the metal, weighing about 100 pounds each, under an old mattress on Pigeon's property. Leblanc got five of the bars, two others being sold by Goulet to Pigeon for fifty cents apiece. Thomas Harper, engineer employed by the Mascioli company, identified a quantity of lead found at Pigeon's as being the property of his firm. Evidence of the sale to Pigeon was corroborated by another witness, Charles Marchildon.

Taking the stand in his own defence, Pigeon denied buying any lead from the boys and was unable to understand why they swore that he had taken part in any transaction involving the missing metal. He further denied a statement made by the Goulet boy that he had promised him five dollars if he won the court case.

Declining to make an immediate decision in the case, the magistrate reserved his judgment until next week.

Mrs. Roy Remanded
Withholding a recommendation that the woman should be confined to an institution as a person of unsound mind, the Magistrate adjourned a charge of attempted murder against Mrs. Maria Roy for another week. In the meantime she is confined to the local hospital under police guard.

Driver Is Remanded
Alleged to have struck John Piers as he walked along the Back Road at McDonald's Hill early on the morning of September 30 causing injuries that have since necessitated the amputation of his leg, William Vichoff was remanded on a reckless driving charge. The Crown asking for bail of \$1,000 cash or \$2,000 property.

Aero Helminen and William Mason, who also faced reckless driving charges, were each fined \$25 and costs and had their licenses suspended for thirty days. Mason drove his car into a fence at the corner of Mountjoy and Fourth avenue and also hit a car owned by Col. Fleurie, Leo Racicot, of Connaught, was ordered to pay \$10 and costs for striking a car in pulling out from the curb, with another reckless driving charge against Frank Dubroy being adjourned for a week.

Evidence Lacking
Owing to the inability of Crown witnesses to swear that the accused was driving the vehicle at the time, a charge of failing to remain at the scene of an accident against Henry Timm, was dismissed. Timm was alleged to have struck a car on Sixth avenue and continued on without stopping. Sgt. G. Desroches said that the right side of Timm's truck was smashed and corresponded with the damage to the car. The accused admitted to the police officer that it was his truck but couldn't recall driving it at the time the accident was said to have taken place. Several witnesses heard the crash but didn't see who was driving the truck or get the number of the vehicle.

Sampson Dismissed
Michael Sampson, who was claimed to have thrown a plate through a \$100 window at a local cafe, had the charge dismissed after spending nearly two weeks in jail. The Chinese proprietor of the cafe claimed that Sampson had thrown the plate that caused the damage but the testimony failed through lack of corroboration. There were several in the cafe at the time, Sampson denying any connection with the plate throwing.

Liquor Charges
Leo Lavioie was fined \$25 and costs for illegal possession of wine. Patsy Cerrieza paying the same amount for illegal possession of beer at a wedding party held at a local hall. Police raided the premises and found a quantity of spirits following a complaint made by a neighbour.

At her own request, Mary Demchuk, proprietress of a local rooming house, which had been previously declared public under the L.C.A., had a charge of illegal possession of liquor adjourned for a week.

Two drunks were fined \$10 and costs with a thirty day jail term as an alternative.
Non-Support
Two non-support charges were disposed of, Leo Lefebvre being placed on probation for a month, and Lorenzo Riopelle being dismissed. Riopelle was brought back here last week from Nuremetal, Quebec, and an old charge of permitting drunkenness was withdrawn.

Traffic Charges
Four speeders paid \$10 and costs apiece and two additional charges were remanded for a week. The Rudolph McCheesney Lumber Company were fined \$50 and costs for a third conviction for overloading a truck, six others being fined \$1 and costs for illegal parking infractions.

Further Remand
Albert Pilon, who was remanded for mental observation last week, was given a further remand to permit medical attention at the local hospital, where he is scheduled to go under an operation.

Industrial Standards Act
Two charges of non payment of the correct section of wages under the logging section of the Industrial Standards Act, were withdrawn against the Gagne Lumber Company on payment of court costs amounting to \$11.50 and reimbursement of two employees for back wages according to the scale now in effect.

Game and Fisheries
Alleged to have shot four partridge out of season, Thomas McKay was given a week's remand on a charge laid by Game and Fisheries overseer Phil Boudreau.

Took Thirty Days
Picked up by police with three pints of beer in a lunch box, Paul Ojanen took thirty days in jail when he failed to raise a fine of \$25 and costs for illegal possession.

Bystander Hurt in Sunday Crash

Frank Dubroy, Mountjoy Township, Remanded for Week on Reckless Driving Count.

Frank Dubroy, Mountjoy Township, was given a week's remand on a charge of reckless driving following an accident Sunday night at seven o'clock, police claiming that he knocked down Joe Bazarache, 130 Poplar avenue after losing control of his car. Dubroy was proceeding south on Fogg street and is alleged to have run into the ditch on the side of the road after turning east on Poplar avenue. The car continued on its way and knocked down Bazarache, who was standing in front of his driveway. Fortunately the man was not badly hurt, escaping with minor bruises and scratches.

Gilwell Camp for North To Train Scout Leaders

Conference of Northern Scout Leaders at Kirkland Lake During the Week-end. Representatives Present from Timmins. Ask for Gilwell Camp for the North.

Kirkland Lake, Oct. 12.—Canadian Scout headquarters will be asked to establish a Gilwell training camp for scoutmasters and cub leaders this year, as the result of a decision taken at a conference of leaders held here over the week-end.

The group, which numbered 42, represented some 600 scouts and 400 cubs in the Timmins, South Porcupine, Kapuskasing, Smooth Rock Falls, Ansonville, Noranda, Rouyn and Kirkland Lake districts.

It is hoped to have the camp somewhere near Iroquois Falls, which would make it the most central location. Otherwise leaders would have to go to Blue Springs, near Brantford, the cost of the journey being rather prohibitive.

The plan is to have a ten-day camp at which scoutmasters could obtain their warrant, followed by a week for cub leaders.

Gilwell camps are the standard of training in the Scout movement throughout the British Empire.

Interesting papers were read on winter camping by District Scoutmaster Walter Lemon of South Porcupine, while Richard Holmes, Scoutmaster of Smooth Rock Falls gave some interesting details on sea scouting. Cub and Rover leaders had their own group discussions, and the local delegates and visitors all attended Church under their various denominations.

Leaders at the conference were: H. Roberts, W. Hebert, J. Martin, E. Wetton, and C. Kuzak, of Kapuskasing; J. H. Holmes, B. Holmes and W. Monkman of Smooth Rock Falls; N. Cutten, L. Pretzel, and J. Owens of Iroquois Falls; E. Lepage, J. Lepage, A. Regimbal, W. Regimbal and Miss Marshdon of Ansonville. Timmins was represented by E. B. Rowe, B. Wiesler, H. Lendrum, E. Sellers, E. Lacy, E. Gallagher and C. Cowan. W. Lemon, G. Dogue and D. Lertman attended from South Porcupine, while A. M. Wadden and F. Hurlbertson represented the Rouyn-Noranda district.

Local leaders were O. E. Andrews, N. Godin, R. M. Basher, Mrs. R. M. Basher, R. F. Dusharm, G. Strickland, G. Tipper, Miss J. Munro, P. Kovalchuk, J. Armstrong, O. Ducker, J. T. Pearson, F. R. Skelley, H. Devine, S. Terry and Mrs. C. Bailey.

Enjoy Banquet
The first get-together of the conference took place Saturday evening at the Delmona Banquet hall when about 50 Scouts and guests gathered around the festive board with Scout Master Ted Andrews in the chair.

Councillor Charlie Tresidder on behalf of the reve and council welcomed the visitors to Kirkland Lake and wished them a profitable and entertaining conference.

Walter Little, M.P., when called on congratulated the leaders for the good that the Scout movement was doing

throughout the land. He referred to Canada as a peace-loving country and took strong exception to the remarks he had heard over the radio that evening concerning Prime Minister Chamberlain. Mr. Little said that had there been war declared the radio speaker would have been the last to go, and then probably by force.

Toasts Chief Scout
The toast to "Scouting and the Chief Scout" was ably given by Dr. R. W. McBain. He appreciated the work the Boy Scouts had done and what the movement is doing among boys. Referring to some of the Scout rules the speaker remarked that had the two dictators of Europe been taught scouting in the young days, he just wondered if there would be the friction that exists today. Scouting, started in 1908 by Sir Robert Baden-Powell, had grown until today there were 2 billion members in nearly every country of the world. This, Dr. McBain stated, was amazing and certainly an outstanding event in history.

In responding to the toast, Scouter Richard Holmes of Smooth Rock Falls, gave a short history from the first organization of Sir Robert Baden-Powell. The chief scout had taken a gamble when he got together a group of boys and took them out camping. The success of the outing was the foundation of the Scout movement.

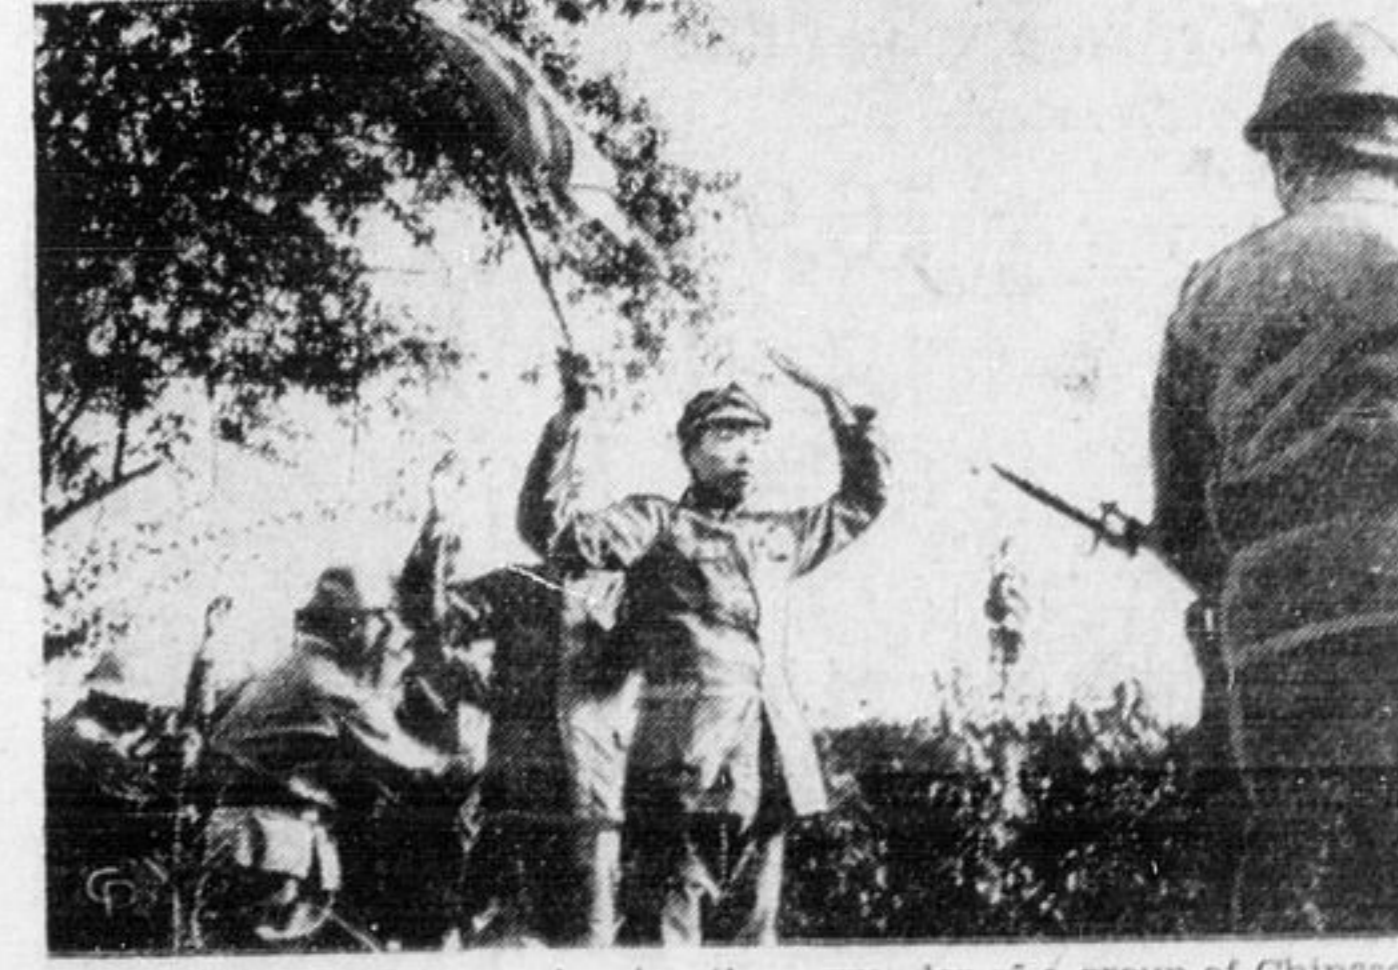

Scout Master O. Ducker, Kirkland Lake, gave the toast to "The Visitors" and welcomed them with open arms. The response by Scouter Walter Lemon, South Porcupine mirrored the feelings of the visitors when he said they were happy to be in Kirkland Lake, and they were looking forward to the conference.

Praise For Sponsors
To District Scout Master Bert Rowe of Timmins, fell the duty of proposing the toast to "The Sponsors". Mr. Rowe referred to them as the men behind the boys. The men who gave up their time, their cars, and when necessary cold cash to make up certain financial deficiencies. He took the opportunity of thanking them and giving them credit for their part in helping along the Scout movement.

Rev. Fr. McMahon in responding gave the boys a most inspired and helpful address. He asked them to be proud of their church, whatever denomination they belonged to. "If you are not faithful to your church," said the speaker, "you are not faithful to the Scouts."

Referring to Mr. Little's comment about Prime Minister Chamberlain, the speaker said that there should be no words of condemnation for Mr. Chamberlain, to whom he referred as the peacemaker. His name will go down in history for averting bloodshed, he said. In closing Fr. McMahon again asked the boys to be faithful to their church and to Christianity.

SURRENDER FOR FIVE DOLLARS "MEX"

Two dramatic pictures, showing the surrender of a group of Chinese soldiers near Lushan. TOP photo a Japanese trooper, bayonet and rifle ready, cautiously awaits the approach of the Chinese as hands raised, they come out of the underbrush. LOWER, holding aloft a dirty towel on a stick to serve as a white flag, the leader of the surrendering group stares at the bayonet point, while his comrades are searched. The surrender took place after Japanese airplanes had dropped leaflets behind Chinese lines offering \$5 Mexican (\$2.50), food and the opportunity to return to their homes to all deserters from the Chinese army.
