

Remembrance Day at So. Porcupine High School

Interesting Event on Friday. Flag Presented to School by Kiwanis Club. News of the Girl Guides, Other Items from South Porcupine and the Dome.

South Porcupine, Nov. 12.—(Special to The Advance)—Remembrance Day was noted in our High School on Thursday afternoon. The students gathered in the auditorium and on the platform besides Mr. W. S. Blake, principal, were: Archdeacon Woodall, Rev. Lyttle, Colonel Scobell, and Mr. F. G. Evans. The Archdeacon greeted the children and gave a short talk on our "Reasons for Remembrance." He was followed by Rev. J. A. Lyttle, who spoke of Remembrance Day, and its origin. Mr. F. C. Evans then presented the school, on behalf of the Kiwanis Club, South Porcupine, with a splendid, large Union Jack, for the use of the school, (indeed purposes). Joan Maxwell-Smith, replying for the school, thanked Mr. Evans and the Kiwanis for the beautiful flag, mentioning affection for the Mother Country and the pride inspired by the sight of the symbol of that country. Ronald Walker, in Scout uniform unfurled the flag. Colonel Scobell then held the attention of all while he spoke of his experiences in France during the war—and described a digout in detail. Coming from a man who had been there and who knew, the talk was doubly interesting to the youngsters. William McNevin gave a vote of thanks to Col. Scobell for his splendid talk which was heartily echoed by all present. Mr. Blake thanked the other guests for their part in the Remembrance Day celebrations.

Mr. Craig Lambert, of Noranda, was visiting relatives in town over the week-end. Mr. and Mrs. Ferguson, of Rae Ave., left this week for Montserrat where Mr. Ferguson and son, have secured positions at the prison farm. Mr. William Battick left this week for Kirkland Lake where he intends to spend the winter.

Miss Theima Roy is spending a week's vacation in Toronto. Mrs. Osborne Bowes entertained some 20 of her friends on the evening of Wednesday (9th) in celebration of the first anniversary of her little daughter, Barbara. Whist was played, honors going to Mrs. C. Pierce, Mrs. Len Smith and Mrs. L. Bowes. The baby received many lovely gifts for her first birthday. Many in camp will be interested in learning of the marriage this week in Port Colborne of Leda Cox who, born in the camp, lived at Dome Extension before going South to live with her parents some years ago. She is now Mrs. A. Claude Steed. Mr. and Mrs. John Doran, of the Dome, announce the engagement of their youngest daughter, Ruth Mary May, to Mr. Gerald Dovey, son of Mr. and Mrs. Dorey, of Gananaque. The wedding will take place on November 30, in South Porcupine. The Kiwanis Excursion appears to be an overwhelming success. Figures roughly computed give 267 passengers carried. Of these, 140 were from Timmins, 48 from South Porcupine, and the others gathered en route from here to Swastika. Among those leaving from S. Porcupine were: Mrs. and Miss M. Woodall, Mrs. Kelly and children; Mr. J. Naish, Mr. Eddie Mansfield; Mrs. Wm. Gagon, Mr. and Mrs. Sky and Mrs. W. W. Wilson.

Wedding—On Saturday evening at the home of Mr. and Mrs. M. Owens, of Powell Avenue, Archdeacon Woodall performed the marriage ceremony between Miss Madeline Eva Campbell, of South Porcupine, formerly of Ottawa, and Goldie Byron Swartz, of

South Porcupine. Mr. and Mrs. Owens were witnesses at the wedding. Another wedding of interest to South Porcupine people took place on Friday at 5:30 p.m. in the priest's house at Schumacher, when Father Martindale united in the bonds of holy matrimony Miss Aline Maisonneuve, of Sturgeon Falls, and James Miner, second son of Mr. and Mrs. James Miner, of South Porcupine. The bride was attired in wine velvet with wine colored accessories, wearing a corsage of talisman roses and was attended by her sister, Miss Jannie Maisonneuve, wearing a brown ensemble with yellow roses. Mr. Robert Miner attended his brother as best man. In the evening a reception for the young couple was held at the home of the bridegroom's parents on Connaught Hill and a number of family friends met to wish the young couple happiness in their married life. We add our best wishes to those of others and trust that Mr. and Mrs. Miner may have the best of luck in life. The newly-weds will reside at 15 Elm St., Timmins. Mr. and Mrs. Schulte are on holiday in Toronto. Mr. W. Smith and Mr. R. Anderson, who have been on a hunting trip to Sundridge, are now in Toronto. We regret that the small son of Rev. and Mrs. Lyttle is quite sick with an infected arm. News that John Gibbons is progressing nicely and hopes to leave hospital within a week, comes from Noranda today. No further operation was necessary on his arm. Hockey prospects for our Junior team look bright this year. With C. Edgecombe once more managing this bright little outfit, and Carlo Catalarello coaching, and last year's record behind them, they hold high hopes of bringing the N.O.H.A. cup to town this season. The same boys will be playing on the team with the exception of Pecore who went to Barrie this year. The line-up will be: Lone or Steele in the nets, Cuyk and Pirie on defence, Anderson, Doran and Harris, first line, and Howe, Brown, Dysart, Smith and Astor (new, from B.C.) on the second. We learn that W. G. Smith has been made vice-president of the N.O.H.A. Junior League. This is the first time South Porcupine has been represented in the league. One of the finest and best patronized bazaars put on by the Ladies' Guild of the United Church was that of Thursday last held in the church during the afternoon. The ladies have been sewing during the year with this bazaar in view and it is most gratifying to them and to their president, Mrs. Libby, to find that their work has not been in vain, and the financial returns so successful. The church was set out with tables for tea, decorated with bronze and mauve chrysanthemums, and a steady stream of patrons for tea came and went during the afternoon. The booths held wonderful displays of

sewing, fancy and plain, the baby booth being particularly nice. Mrs. Jamieson was in charge of the sewing booth. Mrs. Webb looked after the fish pond. Mrs. Ray Anderson and Mrs. Houston assisted at the booths. Mrs. Melville was in charge of the tea tables with Mesdames Hepburn, Johnston, A. Hall, R. Woods, Cameron, Woon, McKinnon and Blood, assisting. Mrs. Wilson and Mrs. Dacon took charge of the baking table, and Mrs. Burton in the kitchen was assisted by Mrs. Callahan, Mrs. H. Smith and Mesdames C. Anderson, Clement and Dixon. A reception Committee did good work composed of Mrs. Libby, Mrs. Hall, Mrs. Reed and Mrs. Armstrong. A pleasing note was the patriotic bunting decoration for Remembrance Day. Mrs. Libby, on behalf of the Guild wishes to express her thanks to all who helped to make this bazaar such an outstanding success. The wedding of Mr. Sydney Thomas, of Dome Extension, and Miss Genevieve McDowell, of Iroquois Falls, took place at the Falls on Thursday, Nov. 10. On Saturday night at Dome Extension a reception for the young people was held at the home of the bridegroom's parents. Mrs. William Thomas, mother of the bridegroom received the guests, attired in a charming gown of black transparent velvet with silver corsage. The house was decorated in bridal fashion with streamers and veils in pink and white, lovely pink and white talisman roses gracing the bridal

cake on the buffet table. The bride looked very pretty in her wedding gown of midnight blue transparent velvet, and, with her husband received the heartiest good wishes from the guests. Mrs. McDowell, mother of the bride, was also present. The evening was spent in music and dancing and general jollity. Over fifty guests enjoyed the affair. A delicious buffet lunch was served later in the evening. The young couple, who will reside on Rae Ave., South Porcupine, were made the recipients of a number of beautiful and useful gifts; and our wish for them is that the rest of their wedded life may be as happy as its beginning. Guide News

A surprise party featured the Guide meeting on Wednesday in the Scout hall. This was in the nature of a farewell party to Annie Kelley, who is leaving with her mother to spend the winter in Toronto. After roll call, a special speech was given by Captain Wilkins on Remembrance Day, with an appeal to buy poppies if possible. Dorothy Sharp taught the Guides a new game, and charades were planned in corners for camp fire. Miss Naish played piano for games and at campfire a Girl Guide pennant to hang in her room was presented to Annie Kelly by her sister Guides. Annie then sang for them—two old favorites, "Did Your Mother Come from Ireland?" and Alexander's Rag-time Band. Annie's nice little voice will be missed from the band this winter, but she is hoping to be back with them in the spring. A special lunch provided by the leaders and seconds of the different patrols. Irma Rittimaki, the Finnish Guide, will give her speech on Finland next week. Legion Banquet Held At South Porcupine

Notable Events on Night of Remembrance Day. South Porcupine, Nov. 12.—(Special to The Advance)—The banquet sponsored by the Porcupine Branch of the Canadian Legion on the night of Remembrance Day was held in the Banquet hall of the Central Hotel. Nearly a hundred guests were accommodated. Mr. Tom Wilson, president of the Porcupine Legion in the chair. Mr. G. Courtyman, vice-president and executives P. Raymond, J. Grant, A. Walsh and B. C. Mitchell were also present. After O Canada was sung a two-minute silence "in memory of our fallen comrades" was held, before the "Last Post" and Reveille was sounded, offered by Archdeacon Woodall, followed by grace, and the menu, at the bottom of which was printed: "This time we are thinking not of war but of peace—and we are ready for both." The President's Remembrance Day message was printed on the program, finishing with, "If Remembrance Day means anything at all to those who served in the Great War which it commemorates, surely it means an opportunity for rededication to the service of King, Country and Empire, an opportunity for re-creating the old spirit of comradeship which upheld fellow warriors in the days 'over there' so that sacrifices of the fallen may have not been made in vain, and so that not one of the deathless army of disabled and stricken shall be allowed to suffer because he was ready and willing to place his body as a living wall between the country he loved and its enemy." Colonel Scobell gave the toast to the King. Reeve Evans spoke a few words. The Archdeacon proposed a toast to the Legion and Commander Neame gave the toast to the Ladies Auxiliary. In his message to the comrades of Branch No. 287, South Porcupine, printed on the program he said: "Please accept my congratulations on this, the occasion of your first Remembrance Day banquet. May you and the ladies of your Auxiliary prosper and continue your splendid work on the behalf of our comrades." The guest speaker was Mr. W. S. Blake, who in a very splendid speech that was listened to attentively and well received, gave a talk on Empire.

He spoke of the meaning of Empire, how our Empire came into being and what it stands for; and told how every race, creed, type of personality and outlook worked into a unit under Freedom, the keynote of the whole. He then spoke of the maintenance of Empire, by co-operation and service and the necessity of defence from corroding influences that come from within. The Legion can be a force from within to maintain law and order, the rights of home and the rights of freedom for every man to have his chance. Mr. Blake's earnest appeal made quite an impression on the gathering. Entertainment during the evening was provided by Mr. Hunkin, who sang "Not Understood," and in response to encore, "Boys of the Old Brigade"; Mr. J. A. Evans who recited "Dan McGrew"; Mr. Jack McCurdie, who sang "Misty Islands" and "L'Amour Toujours"; Mr. Jenkins who sang "The Last Chord"; and an accordionist whose music pleased the crowd. Max Smith played the accompaniments to most of the songs. Remembrance Day Observed Here

Kiwanis Club of Timmins, Timmins Lions Club. Members of various societies, clubs and other organizations. The various national and other patriotic societies carried flags and standards that added to the interest of the parade. The large number of Girl Guides in the parade was a feature that caused pleased comment, while the fine turnout of the Italian comrades also aroused similar expressions of appreciation. The service at the cenotaph opened with the singing of the hymn, "Onward Christian Soldiers," accompaniment being played by the Timmins Citizens' Band under the leadership of Bandmaster F. J. Wolno. This was followed by a prayer by Major J. H. Cornthwaite, of the Salvation Army, who prayed for peace with righteousness, concluding his petition with the Lord's Prayer as a summary of the earnest thoughts of all hearts that day. At 11 o'clock, two bombs were discharged, followed by the blowing of the Hollinger whistle. Then there were the two minutes of silence and the sounding of the "Last Post" by Trumpeter George Bergin, of the Timmins Citizens' Band. This was followed by either bomb discharges and the blowing again of the Hollinger whistle. A brief address by Mayor J. P. Bartleman spoke of the debt owed to those who fought in the war of twenty years ago, and the honour due to those who gave their lives in that contest. "Lead Kindly Light" was the next hymn, following by an address by Rev. W. M. Mustard, minister of the Timmins United Church. Rev. Mr. Mustard spoke of the gratitude that should be felt by all that the recent crisis had passed without the horrors of world war. He believed that greater understanding, fellowship, unity and goodwill were necessary in the world to avoid the frightful curse of a repetition of the horrors of war. President Walter Greaves, of the Timmins Legion, who acted as director of the proceedings for the day, filling the office with notable ability, added a brief address of thanks to all who had helped to make the occasion so worthy and so impressive. He also thanked all who had supported the sale of wreaths and poppies, the funds from this going to help disabled soldiers, returned soldiers in need, and the families of ex-servicemen. Then followed the placing of wreaths on the cenotaph in honour of the gallant dead. Among the tokens placed by representatives of the various organizations and groups concerned were wreaths from the following:— Branch 88 Canadian Legion; Moose Lodge, South Porcupine; Province of Ontario; Town of Timmins; Timmins Police Department; Ladies' Auxiliary B.E.S.L.; Sons of England; "D" Company Algonquin Regiment; Timmins Boy Scouts; Buffalo Ankerlie Gold Mines; Porcupine Branch 287 Canadian Legion B.E.S.L.; Lions Club; "In Memory of Thomas and Jack Lowther", Ethel and Hilda; National Slovak Societies, Timmins; Hungarian Society, Timmins; Northern Telephone Co.,

Pioneer Lawyer Dies Sunday Morning (Continued from Page One) and five years ago was appointed King's Council. Throughout his sojourn in this area Mr. Gauthier was a member of the Conservative Association. He founded the organization and was its president for many years. Later he was made Honorary President. His political activities in this area on behalf of his party were numerous. Before coming to the Porcupine Camp Mr. Gauthier was a member of the Windsor Masonic Lodge. He has been prominent in Lodge activities here. In 1937 while acting in court, Mr. Gauthier had a heart attack. Since that time his health has been uncertain. He had another attack last Friday, but was determined to come down to his office on the following day. On Sunday at six o'clock in the morning he had a serious seizure and died soon after. By sad coincidence it was Mrs. Gauthier's birthday. Prior to her marriage, Mrs. Gauthier was Mabel Wood, of Parry Sound. She married Mr. Gauthier in Golden City. The widow survives with three sons and two daughters. The sons are Gordon, Jack and Harold. Gordon is a Flight Lieutenant with the Royal Air Force, stationed in Aden, Mesopotamia. Gordon was arranging for leave to come home when his father died. Harold, another son is in his final year at the Royal Military College, Kingston. Jack is manager of his father's Gold Ridge Farm. The daughters are Mrs. Ed. Baderski, of Timmins, and Cherry, who is attending the Ontario Ladies' College, at Whitby. Although he did not use the title, Mr. Gauthier could have prefixed his name with "Major". He was a major in the Militia. In addition to being Solicitor for the Townships of Whitney and Tisdale Mr. Gauthier did a great deal of legal work for the Town of Timmins. He was solicitor for the Imperial Bank branch here and also for numerous mining companies.

After the singing of "God Save the King," the parade re-formed and proceeded along Fourth Avenue, Pine Street, Third Avenue and Cedar Street, to the Legion hall where the parade disbanded. The order at the service was particularly noteworthy, the work of the Boy Scouts in directing and controlling crowds being especially good. The parade was in charge of R. Hardy. As usual, the Porcupine District Pipe Band gave generous service and added to the attractiveness of the occasion by music and costumes. Another feature of the parade was the number of national flags in evidence, these including—Many Union Jacks, Italian flags, Ukrainian flags. Also there were the standards of the Timmins Legion, South Porcupine Legion, I.O.D.E., Boy Scouts, Ladies' Auxiliary of the Legion, Girl Guides, etc.
