Narrow Escape of Young Boy at South Porcupine

Young Truck Driver Does Some Quick and Clever Thinking to Avert Serious Accident. Parents Should Warn Children About Playing on Roads. Other South Porcupine and Dome News.

South Porcupine, Nov. 26.—(Special to The Advance)—What might have been a serious accident on Main St. this morning was averted by a miracle. A small truck was proceeding south when a youngster playing hockey darted right in front of the truck. The driver turned his truck at right angles, jammed on his brakes and fortunately struck a road to the sidewalk for a garage entrance and just avoided a telephone pole and the ditch. We don't know who was most relieved—the truck driver (just a boy), the tiny chap with the hockey stick, or ourselves, (who witnessed it).

This goes to show how really dangerous it is for kiddies to play hockey on the main thoroughfares. Parents may see this and warn their children of the hazard. Soon the school rink will be open again for the children. Mr. Gallagher tells us that the township are once more seeing to it, and that ice is being made and will soon be ready for use.

Congratulations to Mrs. J. Armstrong who was the lucky holder of the ticket winning the door prize (a tea wagon) at the Oddfellows hall in Timmins on Thursday. This was the occasion of the Rebekah tea (Gold Nugget Lodge) and social, at which many of our local Rebekahs were present. Mrs. Webb, of Dome Extension, was also lucky winning one of the prizes.

Mr. H. Blood was appointed in charge of the skating rink for the season. Ice is now being made and the rink may soon be in use.

Business visitors in town this week were:—Mr. Roberts, of Matheson; Mr. H. A. Coom, lawyer, of Toronto; Mr. Tremblay, of the Abitibi Co., Iroquois Falls; and Mr. R. A. Anderson, of Toronto.

Mrs. T. Gibbons and Mr. John Gibbons came home from Noranda this week.

There is to be a special tea and sale of baking (Christmas baking featured) under the auspices of the W.A. of St. Paul's Church at the home of Mrs. Wm. Fairhurst on Dec. 10th from 3 to 6 p.m. Please keep this date open.

A quiet wedding was solemnized by Archdeacon Woodall at the Rectory on Friday evening, when Miss Ruth Chambers Hill became the bride of Mr. Thomas Tate Blair. The bride was most becomingly attired in a gown of grapevine transparent velvet, but on long lines, and carried tulle roses. She wore a halo effect chaplet of roses to match her gown. She was attended by her sister-in-law Mrs. George Chambers who wore an ensemble of sapphire-blue velvet and carried yellow roses. Mr. Peter Sharp supported the groom as best man. Mr. Michael Hill, of Kirkland Lake, father of the bride, was present and gave away the bride, and Mr. and Mrs. Ernest Chambers, of

Kirkland Lake, were also at the wedding. Following the ceremony the bridal party repaired to the "Dutch Door," where a special wedding dinner was prepared. Later in the evening the young couple held a reception at the Dome Community hall, and many friends met to wish them all success, and to enjoy an evening of dancing and jollity. We extend our best wishes to Mr. and Mrs. Blair who will reside in town.

We extend best wishes for success to our esteemed fellow-ownsmen and councillor, Mr. William Fairhurst, on his new venture. Friday saw the opening of a new bake shop on First avenue, Schumacher, which Fairhurst's Bakery is operating.

A euche party, under the auspices of the local Rebekah Lodge was held on Friday evening in the Parish hall. A fair crowd attended and all had a good time, and thoroughly enjoyed the evening and the lovely lunch provided. A new scheme—counting by points—was carried out and seemed to meet with popular approval. Prizes for the ladies were donated, and were won by—1. Mrs. Irene Bowes (silver and china dish); 2. Mrs. Florence Mitchell (set of towels and face cloths); 3. Mrs. V. Hedges (package of face cloths). Gentlemen's prizes went to—1. Mr. J. Hodgins (smoker's stand); 2. Mr. F. Clark (brushes); and 3. Mrs. G. Helmer, (cribbage board and pack of cards).

Miss Morley (nee of Temagami Post Office) has been appointed as assistant at the post office during the busy Christmas season.

Mrs. Lightbody returned last week from a week spent in Saskatoon where she was called on account of her mother having suffered a stroke.

Miss Ruth Doran of the Dome, was the guest of honour on Saturday (19th) in Timmins when at the home of Mrs. Cecil Harry, Mrs. Willa Naish acted as hostess at a miscellaneous shower for the bride-to-be. (Miss Doran becomes the bride of Mr. G. Dorey on Wednesday next at the R.C. Church, South Porcupine.) The house was beautifully decorated with roses and chrysanthemums and a number of lovely gifts were presented to the future bride. A delicious lunch was served after cards. Again, on Wednesday (23rd) Miss Doran was made the centre of attraction at a bridal shower given at Dome Extension by the members of a Sewing Club to which she belongs. It was held at the home of her sister, Mrs. A. Margerrison, and a package, decorated in bridal fashion was handed to her, which contained numbers of beautiful gifts. The house was decorated in pink and white, in honour of the occasion and bingo was the form of entertainment. Miss Agnes Robertson gained first prize at bingo, Mrs. Syvret coming second. The hostess served a dainty lunch.

Reeve Evans Re-Elected, Friday

(Continued From Page One)
 passed with little commotion, unlike some we have known.

A fairly representative group met in the council chambers and numbers of nomination forms were handed out and filled in.

At 2 p.m. Clerk F. C. Evans declared the nominations closed and read out the names of those nominated.

Applause greeted the statement that Reeve Victor H. Evans had been nominated five times but, no other name had been given in, so Mr. Evans is reeve for 1933 by acclamation.

Fourteen names were read as nominees for council, some given three or four times.

Mr. Dan Keeley, of Schumacher, was appointed chairman, and a well-conducted orderly meeting followed, each nominee being given opportunity to speak as well as the members of the 1933 council.

Mr. V. Evans called first to the platform gave an account of his stewardship, after thanking the meeting for the confidence placed in him.

"The duties of reeve are onerous," said he, "and it is impossible to please all, some demands being made by selfish people, with ulterior motives not for the public good."

He then gave an account of the activities put in motion this year by council.

The Dept. of Public Works was the heaviest spender, and put in a busy year.

He then gave in detail the several achievements and projects—septic tanks and sewers in both parts of the township, storm sewers and hydrants, etc., and mentioned the capable work done by the foremen and the engineering department.

He mentioned the reduction of water rates, and installation of water meters for Schumacher and part of South Porcupine. Meets at this end of the township may obviate the necessity of enlarging the water supply line.

The Fire and Light Committee have added to street lighting, added to Gold Centre a water line for use and fire protection; Mr. Evans also gave credit to both Fire Departments for splendid work done, mentioning educational work in schools and homes—eliminating fire hazards. The signal honors brought to the North by our Brigade is deserving of high praise. Police Dept. have had a most successful year. They were handicapped by having to use the back road all summer, but have co-operated well with council. Have instituted parking by-laws, and drafted a by-law for Provincial consideration restricting speed to 30 miles per hour.

The finance committee—a most important field—were responsible for cutting down on bank loans and interests by getting out tax notices earlier and collecting taxes in three instalments. All outstanding bank loans have been paid and instead of a deficit there is now a bank balance—a thing never before known. Also succeeded in placing debentures at highest rate ever paid—a meritorious and commendable year.

Chairman Keeley commended the report and voiced his opinion that good work had been done under the engineering heads—Anderson and Vickers.

Mr. G. H. Helmer went over the year's work as given by Mr. Evans and corroborated it. He had put in a pleasant year with the council. He believes in running public works as one would run his own business.

Mr. Cavanagh congratulated the people of the township for returning Mr. Evans as reeve, as he has many good qualities and is efficient. The year's work is a record of activity. No grass has grown under their feet, and

much has been done of benefit to the ratepayers. He spoke of the Schumacher water rates and said the system is now uniform. His was the suggestion of an office in Schumacher.

Mr. Fairhurst said the council had done much without squabbling. Reeve Evans kept all their noses to the grindstone and the council had received co-operation from all departments of the township.

Reeve Evans spoke of the township as a big business proposition—gross income of \$500,000 demands service of the best type. The responsibility belongs to who shall govern the future policy. His platform for this year favours a full-time sanitary officer, revision of the by-laws of the township, the best mechanical devices in the offices, and extension of municipal service where required.

Mr. G. Henderson in stating his intention of running for council spoke of meetings during the forthcoming week, when he would have some important things to address the ratepayers.

Mr. J. Harris would not say this year's council was the best, but handed that honour to Reeve Evans who had the confidence of the people. He spoke of Schumacher water rates and refuted the statement that there had been a cut in the rate. He mentioned Timmins rate as being much less, and accounted for empty houses in Schumacher, by stating that some people had gone to live in Timmins in consequence of the rates. If elected he will work in the best interests of the township with the reeve.

Mr. Helmer will stand again, and made the statement that council this year laid a foundation that if carried through on the same policy next year will lead to acclamation of council at next nomination day.

Emil Helmo will stand for election.

Mr. Cavanagh put in a correction of Mr. Harris' statement concerning his water rate. He is definitely out for re-election on his platform of sound business administration.

Mr. H. Mackey hopes to stand and will work "sensibly and reasonably" with councillors if elected.

Mr. Wm. Moran will stand and will do his utmost to merit confidence.

Mr. J. Woods ("Happy") reminded all that when on the 1937 council he was not carried as excess baggage, and did not promise what he could not perform. He promised a reduction in taxes. "I foot a tax bill," said Mr. Woods, "and have a hard time to do it." While on council he probably broke all the commandments but he kept faithfully the one concerning "bearing false witness against his neighbour." He will stand for election.

The other nominees were not present.

Two Running for Mayor

(Continued From Page One)

Brunette, Emilie, agent.
 Cousins, Leonard, mill foreman.
 Cyr, Edward, millman.
 Flynn, J. W. gentleman.
 Gauthier, Homer, butcher.
 Lacroix, Peter, manager.
 Lafontaine, Eugene, mechanic.
 McNamara, Henry F., contractor.
 McCabe, Alfred, millman.
 McNeill, Thomas, miner.
 Piche, Paul Emilie, clerk.
 Roberts, Wm., miner.
 Spooner, J. W., insurance.
 Tessler, Arthur, secretary.
 White W. W., electrician.

Several With Council Experience

It will be noted that several of the candidates listed have had previous experience in council work. Of the 1933 council, Councillors Brunette, Roberts and Piche are up for election. Len Cousins served several terms in the council and gave valued service in that capacity. He was a candidate for the mayoralty last year.

There was general regret that Councillor McDermott did not qualify for the council again. Earlier in the week Councillor Wm. Wren announced that he would not be a candidate for municipal honours at the coming election, and Councillor Karl Eyrle made similar announcement last week.

School Trustees by Acclamation

There were four nominated for the public school board to fill the three places vacant on account of their terms having elapsed. Of the four Mr. J. E. Gurnell retired, leaving Mr. Rinn, F. W. Simpson and W. Roy Dunbar re-elected for two-year terms.

The public school board for 1933, accordingly will be: T. A. Skelly, James Cowan, U. L. Lrquhart, W. R. Rinn, W. F. Simpson and W. Roy Dunbar. J. P. Walker is the secretary.

Successful Chalet Dance By Porcupine Ski Club

The Porcupine Ski Club entertained at a very successful and well attended chalet dance in the Riverside Pavilion on Friday evening, when a large number of dancers from Timmins and district gathered at the well-known dance hall for a thoroughly enjoyable evening of dancing.

The occasion was semi-formal, and many beautiful gowns, in the newest of fashions, were worn by the ladies, adding colour and charm to the memorable event.

Music for the occasion was supplied by Andy Cangiano and his band, who rendered "swing" tunes to the pleasure of all present. Balloons and other novelties were a great attraction.

Late in the evening a delicious individual lunch was served, the committee in charge of the serving being Mrs. Carlin, Mrs. Banning, Mrs. Shields, Mrs. Caplans, and Mrs. Brunette.

The dance was arranged by a special committee, in charge of Luke Morin and Manny Abrams.

MAKE YOUR KICKS COUNT!

Let's keep our feet on the ground and make gains for the town.

More team play is needed and less grand stand performance.

High Taxes must be tackled and brought down. Not side stepped.

STOP MAKING A POLITICAL FOOTBALL OF IMPORTANT ISSUES.

VOTE for DR. HONEY

- To secure better service for all the people by co-operating fully with all Town Departments.
- To secure a larger share of the Mines Royalty Tax and a fair deal for the town by approaching the province in a friendly way rather than the methods that have been unsuccessfully followed.
- To help the workingman by being able to discuss with employers ways in which labour can be better served and being assured of a friendly hearing and earnest consideration.
- To set the example for other employers by seeing that town employees (the only labour over which the council has authority) is fairly treated and fairly paid.
