

Higher Courts to Judge Charge of Negligence

William Vichoff, Charged with Responsibility for Accident Which Made Necessary Amputation of John Ficere's Leg, Committed for Trial.

Facing a charge that his criminal negligence in driving was responsible for the loss of John Ficere's leg, William Vichoff is to be tried by a higher court when he appears before Magistrate Atkinson on Tuesday. The magistrate conducted a preliminary hearing. "This looks to me like a case of gross negligence," he said, committing Vichoff for trial.

He was walking on the left side of the road. When he reached about the middle of the new stretch of the highway he was struck from behind by an automobile. When he recovered consciousness he was lying in the ditch yelling from the pain of his leg. Two cars had stopped. He was taken to the hospital by Vichoff and there the accused man admitted that he had been driving the automobile which struck him.

Later, after the leg had been broken and set, the man's condition grew steadily worse. Finally, said Dr. Kinsman, after he had consulted four or five other doctors and telephoned the chief surgeon, University of Toronto, to discuss the case with him, he amputated the leg at about the middle of the thigh.

After the amputation for several days the man was very ill and then he began to improve. His condition improved steadily after that.

Iroquois Falls Ski Club Organized

M. Filiatrault the First President.

Iroquois Falls, Nov. 30.—(Special to The Advance)—Iroquois Falls sportsmen turned out in good numbers on Monday evening to a public meeting, held in the court house, at which time it was unanimously decided to form a local ski club, which will later affiliate themselves with the Ontario Ski Association.

Mr. Marcel Filiatrault, for many years an ardent and active member of the North Bay Ski Club, was called upon to conduct the meeting, being the prime instigator of the movement. In Mr. Filiatrault's talk, he outlined the proposed program for this winter, the main objective being that local skiers would be enabled to practice this sport collectively, rather than individually, as is now the procedure, also to choose a suitable location for hills and runways.

The first order of business, was the election of officers, which resulted: President, Mr. M. Filiatrault; vice-president, Mr. D. Lough, secretary, Mr. F. Vanier; treasurer, Mr. E. Cashmore. Letters of encouragement and congratulations were read, having been received from Mr. Roy Herbert, of North Bay, who is an officer of the Ontario Ski Association.

Following a short discussion, Jacob's Hill was chosen as a suitable site for skiing activities this winter, where too is located a log cabin which can be used for a club house. The owner of the building was interviewed, and at a cost of \$15 for the season they reserve all rights to its use, and the farm lands on which it is located. Some resentment was voiced by persons who had built a ski jump near the Abibi trestle, as this location was not to be used, but owing to its extremely dangerous surroundings the location was not considered.

House-Warming Party on Sunday

Moccasin Dance by Schumacher Brigade

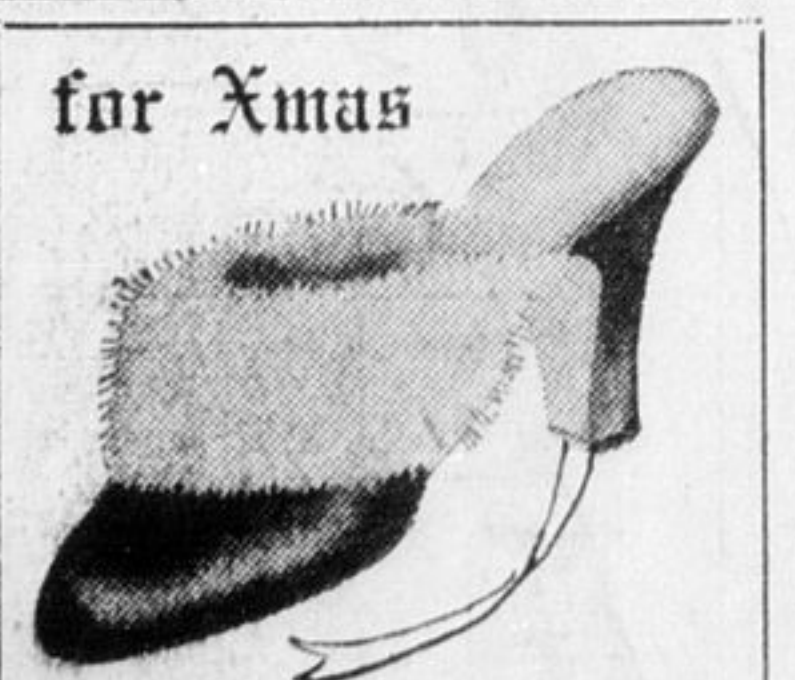

New Year's Event to be Held at McIntyre Community Rink.

About seventy of their friends gathered at the new home of Mr. and Mrs. Ryhanen, of Commercial Ave., to hold a surprise "house-warming" party on Sunday afternoon. The popular couple were presented with several handsome gifts to be used in their new home, and were congratulated by their numerous friends on the erection of the homelike building. During the afternoon a dainty lunch was served by the visiting friends, and a very happy social afternoon was had by all present.

Events by the Schumacher Fire Department are always so excellent that few will care to miss any of them. Consequently, there will be a tendency to thank the Schumacher Fire Department for early announcement of their next big event. This gives all opportunity to arrange to be present, and to keep the date free from other engagements. This week the Schumacher

er Fire Department announces their New Year's Moccasin Dance to be held in the new McIntyre community arena on Monday evening, Jan. 2nd, 1934. Dancing will be from 1 to 3 a.m. There will be novelties, and noisemakers, and lunch will be served. It will be a regular Schumacher Fire Department event, so all should make a special note of the date and resolve in these closing days of the old year to start the New Year right by having a good time at the Moccasin dance. Of course, there will be further particulars before the event. In the meantime it is well to remember how time flies, and so consider that an event like the Moccasin Dance is well worth announcing several weeks ahead of time.
