### Porcupine Lake Mining Com. Getting Ready to Increase Tonnage. South Porcupine People Bereaved. Timmins Men Recovering in Porcupine Hospital. Other South Porcupine and Dome News.

South Porcupine, Dec. 3.—(Special to The Advance)—We hear that the Porcupine Lake Mining Company has bought a tract of land on the south side of the T. & N.O. track to erect a pipeline and trestles, costing approximately \$2,500 and will thus increase their mileage by 50 tons.

Mr. and Mrs. Sydney Thomas, of Rae Avenue, attended the wedding at Iroquois Falls on Saturday of the latter's sister, Miss Edith McDowell, who became the bride of Mr. Roy Marsh, of Cochrane. The newlyweds will take up residence in Cochrane.

Mrs. Ehler, of Iroquois Falls, was a visitor this week-end at the home of Mrs. Greenacre.

The inquest on Mike Madavich, the man who died in South Porcupine jail on Thursday morning, will be held by Coroner Tucker at the end of next week.

We extend sympathy to Mr. and Mrs. Pete Raymond, of Dome Extension, who lost the baby of the family—Margaret, aged one year—on Thursday. The baby died of bronchitis. Seven other children are living. The funeral took place on Friday from Hunkin's Funeral Parlors to the Catholic Church where Father Galinas officiated at a funeral service before the little body was taken to Timmins for interment in the Timmins cemetery.

Another death—a young Finnish lad, aged 19—occurred on Friday at his home at 149 Commercial Ave. George Jarvi had been ill for two months with a disease similar to anemia, and succumbed on Dec. 2nd.

The funeral will be held on Sunday from the Finnish hall with Rev. Hein-

the four above mentioned and Mrs. James Murray (Jessie), of Bowmanville and one son, Mr. Harvey Ferguson, of Castleford. The funeral took place on Saturday from the United Church at Renfrew. We extend our sincere sympathies to the bereaved husband and family.

The Log Cabin Ski Club is starting a Sunday afternoon hike, and has now two log cabins for resting places one at the northwest and the other at the southeast of town, made by members of the club. This club is open for membership (both sexes). Roy Clark is secretary and Wes. Haynes, president.

Mr. James, of Strachan Ave., is moving his family into the Andrews house on Main St.

Mr. Abrams, of Cochrane, opens up a dry goods and men's-wear store in Mr. Ostrum's new building on Golden Avenue next week.

The weekly house party of the Consumers Co-operative Society took place on Wednesday evening in the Masonic hall. Whist was the form of recreation; prizes being won by 1st. Mrs. Wm. Thomas; and 2nd. Mrs. Libby for ladies; and 1st. Mr. Pat Cole; and 2nd. Mr. Hedley Varker, for gentlemen.

Next Wednesday the A.Y.P.A. of St. Paul's is holding a cribbage tournament in the Parish hall. This is a new venture and should prove popular. All cribbage players up to 90 years of age are invited by the young people.

The monthly meeting of the Ladies' Auxiliary of the Porcupine General Hospital will be held on Wednesday afternoon at 2 p.m. in the Masonic hall.

Don't forget that next Saturday (10th), there is to be a Christmas tea and sale of home baking at the home of Mrs. Wm. Fairhurst in aid of the W. A. of St. Paul's.

The Telephone Bridge for the Children's Shelter is undoubtedly going to be the most popular affair for charity this, this end of the camp has seen. It is growing increasingly difficult to find substitutes when a guest drops out. We have no definite figures but in the neighborhood of 100 tables will be filled in South Porcupine and the immediate mines.

The Guild of the Consumers' Educational Committee did their monthly good turn for the hospital on Thursday when they met at the Nurses' Residence to do the hospital mending and fold "swabs" for hospital use.

The Kiwanis weekly dinner was held as usual on Thursday. The guest speaker was Reeve V. H. Evans who gave an exceedingly good address on municipal affairs generally, with non-political intent. He explained municipal finance in detail and exhorted his fellow Kiwanians to realize their duties as citizens at the forthcoming elections. Incidentally the tickets for the carnival in Schumacher are selling well.

Students' night at the High School on Friday was interesting. The pupils sharpened their wits on a debate—"Resolved that National Advertising is Harmful"—with Bud Evans as chairman, Isabel Rapsey, and Mary McNevin on the affirmative side and Jean Andrews and Eino Kautto on the negative. The negative side won. The next big debate with Schumacher High School will be held here on the 8th of December and will be on the subject "The Curtailment of Modern Advertising is Desirable."

The A.Y.P.A. heard a most interesting talk on Wednesday by Mr. H. H. Costain, of Dome Extension; on mineralogy, illustrated by specimens which

# Donations to Porcupine Christmas Seal Campaign

### Committee Under Auspices of Timmins Lions Club Meeting With Good Results in Campaign for Funds to Carry on the Battle Against Tuberculosis in the Porcupine.

The Porcupine Christmas seal Committee, sponsored by the Lions Club, is meeting with good success in its annual campaign to raise the needed funds to carry on the battle against tuberculosis in the Porcupine camp. Recently letters telling of the work and enclosing attractive Christmas Seals were sent out, with the request that donations be made for the seals. Returns are now coming in. Any who have not received the letter should give a member of the committee their donations and receive their seals. Those who have received the seals will facilitate the work by making prompt return of their donations. As in past years, The Advance will publish the names of all those contributing to the Christmas Seal Fund. The list of donors will appear in each Monday's issue of The Advance until the close of the campaign. Herewith is given the list of donors to Nov. 30:

Prior to Mr. Rotondo's speech, Mr. Geo. Hamilton, of Lakeview, old-timer and old campaigner, and whose years of service to Whitney township have been many and valuable, spoke of the early history of Whitney and touched on municipal affairs of today. He stressed the necessity of a school for Pamour for the young children, emphasizing the danger of transportation in this hurrying age, and the consequent parental worry. He was heard with attention and applauded well. Whitney's patriotism goes one better than Tisdale's. They finished with God Save the King, sung lustily and with fervor.

### Concert by Symphony Orchestra

ple" and "Lovelight in the Starlight," his arrangements of these selections making them much more than the dance tunes of the day.

Gino and his accordion, with their laurels from other events, added to their popularity with the exceptional playing of selections from "Rigoletto," the undying "Dark Eyes," and a second group of "The Waltz from Faust," and "Under the Double Eagle" (march). Mr. Marascotta has completely mastered the piano accordion, and as he draws music from the instrument, it seems that the piano accordion is obeying the word of its master.

The orchestra, made up of twenty-five members, who donate their services, contains the following instruments: Piano, piano accordion, violins, trumpets, basses, clarinets, trombones, alto horns, and drums. This group has planned a series of concerts, the presentation on Friday being the first in the group.

During the evening the orchestra played such well-known and popular selections as "The Flying Ace" (march), "Old South," overture "Il Trovatore," "Song of the Seas," "On the Hike" (march), "Song of the Bayou" with vocal by Mr. Struck; "Bonemian Girl," "Colonial Days," and "Down in Zanzibar." Mr. Schroeder is to be complimented on the excellence of this group of musicians, and on their outstanding performance on Friday evening.

Mr. Wm. Kenney acted as master of ceremonies during the programme, and before the appearance of the orchestra and special artists, four pupils of Mr. Schroeder, Irene Scripnick (piano), Herbert McAllinden (violin) and Audrey and Lucy Leach (piano), proved by their presentations that they have already progressed far in their chosen field of music.

### Annual Concert of the Central Public School

There is always much interest in the annual concert given about this time of year by the Central Public school pupils there. The programme promised this year is said to be one of special interest and merit. The pupils have been keen as well as busy recently in practising for the event. In the past week or two the youngsters have also been busy selling tickets for the concert. These tickets announce that the concert this year will be held in the Central public school on Thursday, Dec. 8th, and Friday, Dec. 9th, commencing at 8 p.m. Any who have missed the chance to buy one of the tickets, or had the ill-fortune to be overlooked by the young ticket-sellers, should hunt up one of the pupils and purchase a ticket for either Thursday or Friday evening, or for both. All parents and others interested in children—and that includes nearly everybody—will find the Central Public school concert an event that they would not wish to miss.

Do Your Christmas Shopping Early.

### Municipal Meeting In Whitney Election

Interesting Addresses at Township Hall Last Week.

South Porcupine, Dec. 3.—(Special to The Advance)—Whitney is in the throes of a municipal election, too! At the township hall in Golden City on Friday night a packed room greeted the candidates for municipal honours. In the old days Whitney thought it had registered a good poll if 50 votes came out on election day to record their decisions, but Whitney, like Tisdale—is growing! Now what with Pamour Hall-nor and Broulan, to say nothing of Porcupine Lake, the voters' list tells us that 700 citizens may vote on Monday next. This past year has seen a revision of one of Whitney's by-laws. All tenants and ratepayers may vote in this year of our Lord, 1938—whether back taxes are paid or not! The reason is given that Pamour's residents (voters) pay no direct taxes, all being tenants. Some of Whitney's good old-timers who have stuck by the country and helped to bring it to its present state have had to live through years of depression when it was hard enough to live, and taxes were burdens too big to be entirely lifted. It did not appear quite fair to the council that these should be deprived of the franchise when new-comers might vote—hence the new bylaw. The meeting of Friday was called to order by Mr. King, the chairman, who, with his Irish wit, put all in good humor to begin with. (Whitney sings "The Maple Leaf For Ever" as a prelude). The first speaker was Mr. Bromley, of the Pamour Mine. He gave a very able address on the township's financial standing. Mr. Montrose spoke next, he is on the fire, light and water committee for 1938. He thinks that the township should buy 500 water buckets to distribute to the town people to quench fires—if any. "Monty" is a member of the S.P.F.D. and is "on his toes" where fire is concerned. He also advised them to plan a water and sewer system to cost not more than \$500,000. He advised that 50 additional lights be put in the township. Mr. C. Sweet of the Porcupine Lake Mining Company has served on 1938 council and has been active on the Board of Health. His work in this connection is expressed by an old-timer who says "The people do not have to worry about sanitary questions when Mr. Sweet is on the board of health." Mr. Wm. Bannerman, chairman of the board of public works in 1938, spoke at the meeting. "He may not have seen all the holes in the roads, especially on the south road, but he deserves credit for snowplowing the road which offsets all the other discrepancies," says our informant. The next prospect for 1939 honors was Mr. P. Wilson of Golden City. Mr. Wilson says he doesn't think Mr. Bromley was a good man to have around Pamour soliciting votes. "I had him as my campaign manager in Pamour when I was in the running last election," said Mr. Wilson, "and I got two votes; so as a comeback, Mr. Bromley said that he would not use his influence as a political adviser for Pamour to give me any support!" Mr. Lester Ripelle was next speaker. He is a sampler for the McIntyre Mines, who lives in Bellevue, and runs a chicken ranch which is proving quite a success. He made a good speech on farming and mining—and appeared to have the good opinion of the audience as a prospective councillor. Mr. Rotondo, reeve by acclamation for 1939, after a good year's service in 1938, gave a very short speech. He said that last year's council for Whitney was the best in twenty years—believe it or not, said Mr. Rotondo.

### Funeral Yesterday at South Porcupine

George Arvo Jarvinen Laid to Rest at South Porcupine.

The funeral service for George Arvo Jarvinen, son of the late Arvo Edward Jarvinen and his wife, Bertha Lydia (now Mrs. Kumm), of 149 Commercial Ave., South Porcupine, was conducted in Finnish and English by Rev. A. I. Helonen, minister of the Finnish United Church, at the hall of the South Porcupine Local of the Finnish Organization of Canada Sunday, Dec. 4th, at 1:30 p.m. in presence of a great number of relatives and friends from all over the Porcupine Camp.

The late Mr. Jarvinen was born at Poytya, Province of Turku and Porii, in Finland, Oct. 23, 1920. He and his widowed mother came to Canada July 11th, 1929, and have since lived the most part of the time in the Porcupine Camp. The late Mr. Jarvinen had been working for some time at the Workers' Co-operative store in South Porcupine. After an illness of a considerable period he died in St. Mary's hospital, Timmins, Dec. 1st.

The brass band and the choir of the South Porcupine Local of the Finnish Organization of Canada assisted at the service, contributing suitable instrumental and vocal selections. Many floral offerings from friends all over the Porcupine Camp were received.

The pallbearers were Messrs Gordon Harper, Bill Kuly, Chester Slabodan, Reino Heino, Arnold Coot and George Maki. The interment was at South Porcupine cemetery.
