

Notable Program Open New Arena

(Continued From Page One)

leaked both the ballet and figure skating. The crowd roared as they tripped not so lightly across the ice and bowed and pirouetted. Their movements were just off-time and awkward enough to be amusing.

One lurching gentleman, who was plentifully covered with surplus avoirdupois perspired through the movements of the ballet number, vibrating emphatically every time he was forced to move in a hurry or every time the chorus forsook the ballet for the shag.

As the lights were dimmed the Granite Club sextet, Mrs. E. H. Goodrich, Mrs. J. A. McDougald, Miss Hazel Caley, Miss Eleanor O'Meara, Miss Eleanor Wilson, and Miss Dorothy Caley, were spotlighted on the ice in "False Alarm," beautifully skating to "What Goes on Here in My Heart." The group beautifully attired in red "fire department" skating skirts, circled and performed figures in perfect rhythm.

"Post Haste" a burlesque on a drunk, presenting Trevor Owen (Toronto Skating Club), Walter Peace, and Donald Gilchrist, with the appropriate musical section, "Show Me the Way to Go Home," demonstrated what happens to the inebriated gentleman trying to post a letter.

Back taffeta, in formal evening style, with glimmering silver lapels, and high heels, was worn by the three "Hat Check Girls," Miss Margot Coram, Miss Marion Lumbers, and Miss Ruth Paul, and loud applause greeted the appearance of Miss Hazel Caley, the elder of the Caley sisters. Miss Caley performed the "double salchow," a special figure that can be done by only nine other people in North America, one of whom is the other Caley sister, Miss Dorothy.

Later in the programme, the Caley Sisters performed together, and gave the large audience the thrill of seeing a very famous pair, and of seeing perfect timing and more "double salchows" each member of the sister act performing in exact timing to the music and in keeping with one another.

Donald Gilchrist, the sixteen-year-old skating wonder, performed smoothly and was a special "hit" of the evening, while Miss Eleanor O'Meara, Senior Canadian Champion 1936 and 1938, and Miss Eleanor Wilson, Junior Canadian Champion 1935, also were exceptional in solo numbers.

For smoothness, grace, and rhythm, the professionals of the group, Brunet and Joly, World Champion Pair Skaters from Paris, who are now with the Granite Club, cannot be excelled. Their two numbers, "Crimoline Dance," the quiet performed in slow, difficult movements, and two tango skating dances, were a marvel to the large audience, who expressed their appreciation in loud applause.

The following is the programme in full of the "Northern Lights of 1938":

- "False Alarm" - Sextet—Gooderham, Mrs. E. H.; McDougald, Mrs. J. A.; Caley, Miss Hazel; O'Meara, Miss Eleanor; Wilson, Miss Eleanor; Caley, Miss Dorothy.
- "What Goes on Here in My Heart" - Robin and Rainier.
- "Post Haste"—Owen, Trevor (Toronto Skating Club); Peace, Walter; Gilchrist, Donald.

First aid room equipped with first aid supplies.

Check room, women's room and cafeteria to left of entrance.

Stairs on either side leading to community hall.

Ladies' and men's lounge rooms and kitchen and dressing room in second floor.

Dumb waiter in kitchen.

Auditorium is height of two storeys.

Private dining room and lounge in third floor.

Auditorium is 70 feet long and 35 feet wide.

Auditorium runs north and south.

A south end of auditorium is stage. Simplicity keynote of auditorium.

Auditorium has conical fixtures and side wall brackets.

Floor of auditorium of hardwood.

Walls of auditorium of dark panelling and cream.

Tall windows at one side of auditorium.

Tops of pillars in auditorium decorated with acanthus leaf design in Corinthian manner.

Modern lighting fixtures in auditorium, made of light coloured metal and conical in shape.

Stage of auditorium equipped with floodlights.

Building is for use of general public as well as employees of McIntyre.

Christmas Music by Public School Pupils

Programme This Week Will Also Feature Christmas Music.

On their regular weekly broadcast, presented on Thursday evening by station CKGB, the students of the Timmins Public Schools sang Christmas carols and selections. The students of the Timmins Public Schools, are directed in their musical work by Mr. Wallace Young, who has capably taken charge of this phase of the work, and has developed the natural talent of the students.

The following is the programme presented by the public school pupils on Thursday evening:

"Deck the Halls with Bows of Holly" old Welsh carol.

"Oh, Little Town of Bethlehem," in 2 part harmony.

"We, Three Kings of Orient Are," in which three boy pupils sang solo parts.

"Christmas Lullaby," beautifully sung by Beulah Woods.

"Santa's Visit."

"Holy Night," in 2 part harmony.

The programme by the pupils next Thursday will also be made up of Christmas selections, and will be the final programme in the series.

Lions Talk Safety Measures, Thursday

Will Work With Police and Kiwanis Club to Institute Safety Programme for Children

Owing to the opening of the new McIntyre Arena on Thursday night, the Lions Club Father and Son banquet scheduled for that night, was postponed until after Christmas.

Dr. M. J. Kelly, president, told the club that a joint meeting of the Lions Club and Police Department would be held next Thursday night to discuss traffic safety measures. Motion pictures would be shown. Owing to the fact that Christmas was so near the Kiwanis Club would not be able to assist with the programme. They would help later.

Chairman of the Safety Committee, Wendel Brewer, told club members that the Chief of Police Leo Gagnon and Constable John Atkinson were giving safety lessons to the children so that part of the programme would be taken off the club's hands. Mr. Brewer asked club members for suggestions with regard to the proposed safety programme.

"Chip" Ball reported that \$812.50 had been collected to date, for the Christmas Seal Fund. He urged members to greater efforts.

Ladies of Harmony Hall Event Friday

Hall Attractively Decorated for the Occasion.

A very successful tea and sale of embroidery and Finnish home baking, was held at the Harmony hall on Fourth avenue, on Friday afternoon, from 2 to 5 p.m., by the Ladies of the Harmony hall.

The hall was attractively decorated for the occasion, the tea tables being beautifully set, and a fine display of work and home-baking being a decided asset.

Mrs. D. Colander, Mrs. S. Slack, and Mrs. Wm. Trudgeon, poured tea. Mrs. Forsberg was in charge of the fancy work, and Mrs. Chas. Haapanen was at the home-baking table.

The kitchen committee was made up of Mrs. V. Taskinen, Mrs. Frank Oja, and Mrs. O. Korri.

Mrs. Frank Winder arranged the draw for a beautiful doll, which was raffled in knitted dress and hat, and was won by Miss Irma Riihinen with ticket 220.

"What was the cause of your father's death?" "I don't recall exactly but I know it was nothing serious."

Another Enjoyable Event by Merry Maids 500 Clubs

The Merry Maids Five Hundred Club held its regular weekly get-together at the home of Mrs. Walter Wilkinson, 47 Cambrai avenue, on Wednesday evening, a very enjoyable evening being spent. A dainty and tasty lunch was served by the hostess.

Winners at 500 were: 1st, Mrs. Richards, 2nd, Mrs. Charbonneau, and 3rd, Mrs. Carver.

SCOTT'S SCRAP BOOK By R. J. SCOTT

AN ICEBERG AT SEA CAN BE SEEN FROM ONE TO THREE MILES AWAY IN THE DAYTIME DURING A FOG OR A DRIZZLING RAIN, BUT ONLY A QUARTER OF A MILE AWAY ON A STARLIT NIGHT

MEXICAN STAMP ISSUED TO RAISE FUNDS TO COMBAT A PLAGUE OF LOCUSTS

THE TAXICAB PAR EXCELLENCE OF 1903 HAD A MAXIMUM SPEED OF 25 MILES PER HOUR WITH ITS TWO-CYLINDER 12 H. P. MOTOR

Urging Silver Coins for Royal Visit Here

Would Have Dollars, Half-Dollars, Quarters and Ten Cent Pieces.

Some days ago "Old Timer" of South Porcupine wrote to The Advance advocating the issue of silver coins to observe the visit of Their Majesties, King George and Queen Elizabeth, to Canada. The Advance has also had editorial reference to the question, pointing out that silver coinage for the purpose would be particularly appropriate. Last week the following letter from Old Timer appeared in The Halleyburian:

South Porcupine, Ont. Dec. 2, 1938. The Halleyburian.

Gentlemen: May I congratulate you on your Royal visit Silver Dollar article. Front page and editorial. We need it. Why all the delay at Ottawa? Our own Canadian metal for a keepsake for our own people for this most historical visit.

Will you mark both items and mail copies (Dec. 1st issue) to:

Mr. A. A. McIntosh, editor-in-chief, Globe and Mail, Toronto; The Daily Sun-Times, Owen Sound; Dr. W. P. Caven, 70 Gerrard St. E., Toronto; Mr. T. Bradshaw, North American Life, Toronto; The Vancouver Sun, Vancouver; The Halifax Herald, Halifax; The Montreal Star, Montreal; The Edmonton Journal, Edmonton; Toronto Saturday Night, Toronto; The Victoria Colonist, Victoria, B.C.; Winnipeg Free Press, Winnipeg; and send me the bill.

Ottawa is always urging production, now let them produce. We have the mint, we have the silver, we have the market.

'Twas silver started our great gold mines.

This is a very worthy work. Helps many provinces in Canada. Quebec now growing in silver production.

A silver greeting across Canada. Every boy and girl will be proud now and 25, 40, 50 years from now. Who's a token.

Why not 11,000,000 dollars issue, H.M. The King; a like number of half-dollars, H.M. The Queen; 11,000,000 quarter dollars, H.R.H. Princess Elizabeth; and 11,000,000 ten-cent pieces, H.R.H. Princess Margaret Rose. One of each per capita.

A fair order for Canada. We can do it.

Everybody pay employees five or ten silver dollars, part wages, before this visit, so it is across Canada. Prince Edward Island to B.C. and the Arctic—now the new mining North.

Mr. Myles gave me your item. As an old-timer, I thank you.

Yours truly,

"OLD TIMER."

GIRL GUIDES IN TIMMINS

Guides of the 51st I.O.D.E. Company held their regular weekly meeting Wednesday, Dec. 7th.

Horseshoe was formed and the flag raised by Bertha Sheridan assisted by Danice Stuart and Ruby Strongman. The Guide song for O Canada, was sung and the Guide Prayer repeated.

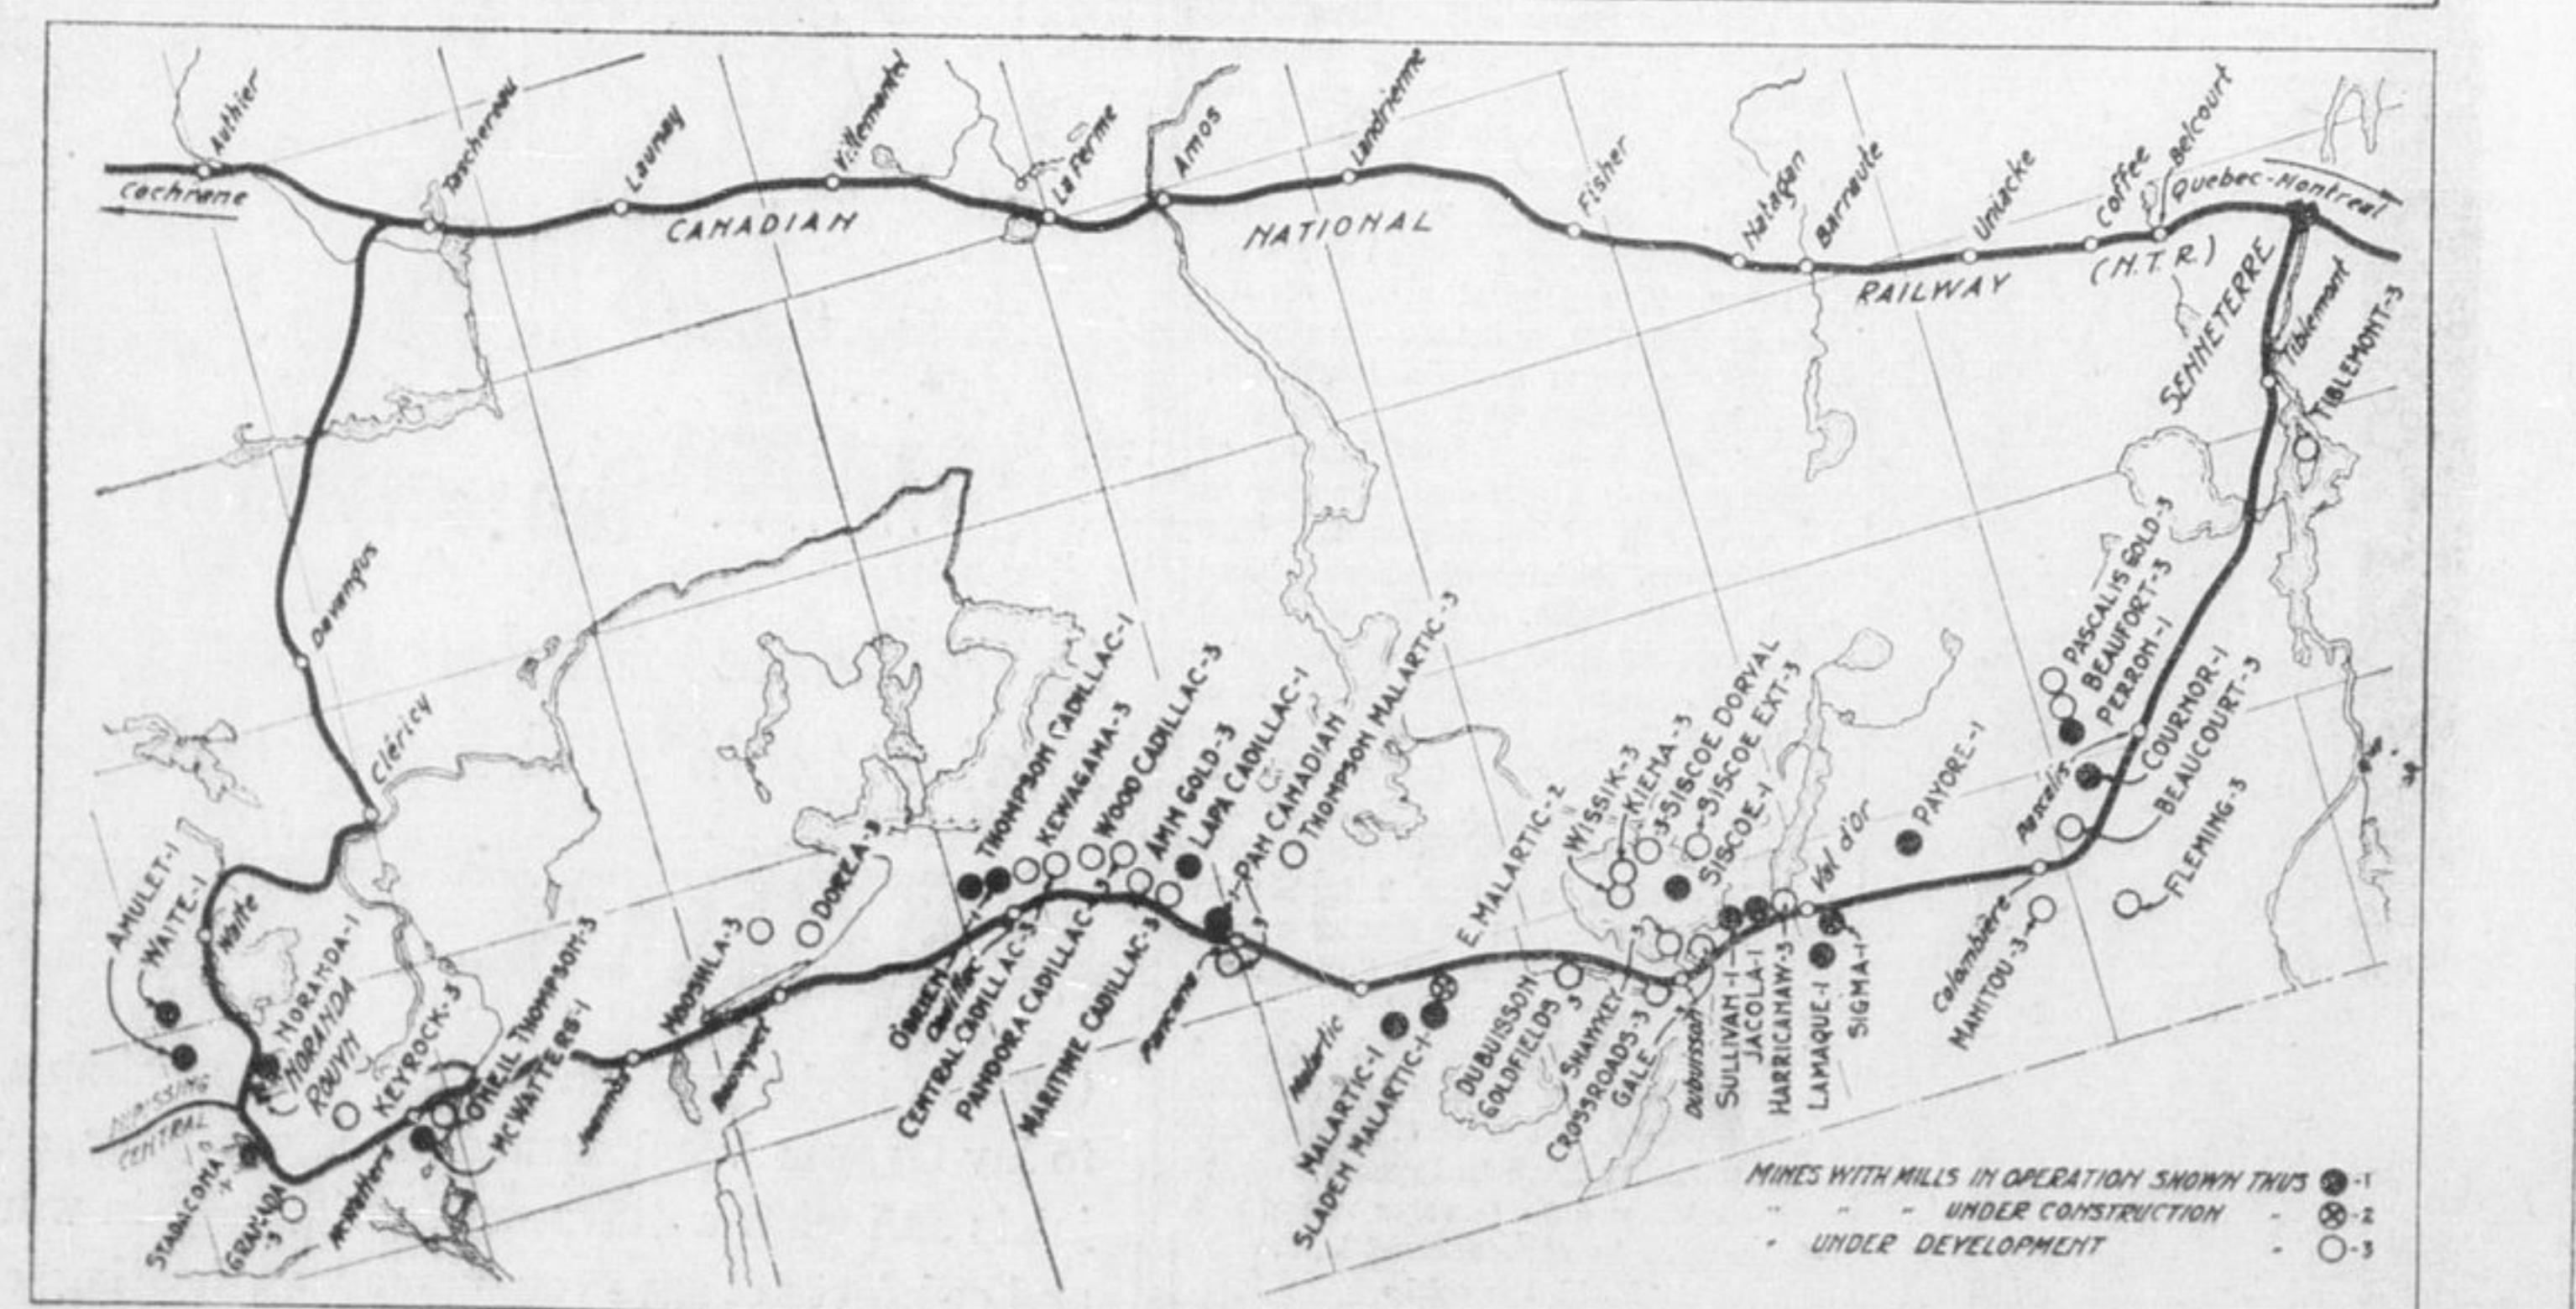

Campfire then assembled and preparations for the bazaar finished. The flag was lowered by the Colour Party and the national anthem sung. The meeting closed with "Taps."

There will be a badge meeting at the home of Mrs. Morris, 82 Mountjoy street south on Tuesday night, December 13th.

Large Auditorium in the New Building

A special feature of the new McIntyre Community Building is the large auditorium in the building. This auditorium is attractive in appearance and commodious in size. It has stage, dressing rooms and other special features. The modern lights is a specially noteworthy point about the auditorium, as about the rest of the building. The acoustics of the new auditorium are also excellent. On the opening night (Thursday) the Croatian orchestra in national costume were on the stage and delighted the crowds in the auditorium with the pleasing music presented.

New Railway Branch Links Rich Mining Area With Eastern Cities

The new branch line of the Canadian National Railways, required for the continued development of the rich mineral areas to the south of the National Transcontinental line in north-western Quebec gives a large number of producing mines, and mines new under development, direct rail connection with Montreal, Quebec City and Toronto. The new branch, which has just been completed, extends for 100 miles from Senneterre, on the Transcontinental, through Val d'Or to Rouyn, the terminus of the C.N.R. branch connecting with the Transcontinental at Taschereau, which was built in 1927 and made possible the rapid development of the Noranda group. This enterprise last year had an output of gold and copper valued at over \$21,000,000 and the estimated value of the output of the producing mines served by the new line is \$42,000,000 for the current year. The location of the various mines in the district is shown on the map. Previous to the construction of the branch the majority of these mines had to transport materials and supplies from points on the Transcontinental by truck, boat, or tractor for a distance of approximately forty miles. Now by the direct service freight will be laid down conveniently to the mines and a big saving will be effected both in cost of transportation and in time.

Give Your Family

INSUL-BRIC SIDING

Attractive in its brick like appearance, Insul-Bric siding is not only weather-proof but has high insulating qualities. Easily applied over your present siding.

INSUL-BOARD

Cover those old inside walls with Insul-Board. Smart in appearance and also acts as insulation.

COMBINATION STORM DOORS

Combination Storm and Screen doors in standard sizes carried in stock.

WHEN It Is COLD Be Sure your Family will BE WARM inside

There's no place like home when it's cold and stormy outside. That is—if your home is warm and comfortable in the coldest weather. You'll spend a goodly portion of your time at home this winter and you wouldn't be happy or comfortable if a chilly draft is playing up and down your back.

See Feldman's for low prices on the materials needed to make your home winter-proof.
