

Porkies Prove Strength With 13 to 1 Victory Saturday

Porkies Use Macmen to Mop Up South Porcupine Arena

Commit Mayhem on McIntyre Miners to the Tune of Thirteen Goals to One. Dome Attacks Smash Through Disorganized McIntyre Defence. Score Six Goals in the Final Period.

South Porcupine, Jan. 22.—(Special to The Advance)—The Dome-McIntyre game in South Porcupine on Saturday night was not an exhibition of hockey, it was murder on a large scale. The Porkies set a charge of powder under the Macmen and blew them high wide and handsome all over the South End Arena. Final score of a one-sided contest was Dome, 13, McIntyre, 1.

Had the Miners been matched against the Toronto Maple Leafs or the Chicago Cubs they could hardly have been trimmed worse than they were by the South Porcupine representatives.

Dome laced three goals home in the first period, three in the second and seven in the final canto. Lons McIntyre counter came after thirteen minutes of the last period. Kenty, Cooke and Vail co-operated.

Near the end of the game McKay, Dome defenceman, mixed it up with a couple of the Macmen. His offence was considered enough to have him penalized a game. He will not participate in the next contest in which Dome plays.

As might possibly be inferred from the score, the Dome team was the stronger. Throughout the whole contest the South End team carried the play. They drove hard into McIntyre territory line and again and scored goals almost unopposed.

Clark, in the McIntyre goal, got hardly any support from his defencemen. He was not in the best of form himself but was hardly responsible for the large number of goals counted against him. Dome forward lines found no difficulty in breaking through the McIntyre defence lines and the Schumacher forwards did practically no efficient back-checking.

In addition to the weakness of the Macmen, the Domesters were having a good evening. After they rolled up a lead they had the confidence to continue to add to the score. The Macmen, on the other hand, were playing under the mental handicap of a sure lost game.

Messett and Huggins added substantially to their scoring record with four and three goals respectively. Dunn and Reynolds each got a pair, and Nevins scored one. The only McIntyre goal was scored by Kenty.

Precision and timing featured the Dome offensive. The principal reason why the Dome leads the standing, namely the use of simple but fast plays with plenty of short passing, was well to the fore on Saturday. The Dome attacks left the McIntyre defencemen stunned and useless.

After ten minutes of the first period the scoring began. In the next ten minutes Messett, Huggins and Nevins scored for the Dome. Dunn assisted Huggins and Taylor and Maki were the other men on the fast three-man passing play which resulted in Huggins' first goal. Nevins took a pass from Huggins to get his counter.

Dunn scored unassisted in the second, Reynolds took an ass from Maki and Gordon assisted Messett to count. Play was heavy in the second and checking rough. Penalties were given McKay, Kenty, Vail, Messett, Simpson and Cook.

First goal of the third came after four minutes when Huggins took the puck from Maki, who had received it from Nevins. Huggins shot on a true, Messett followed with two goals, one.

Dome Porkies—Goal, Brownlee; defence, Taylor, McKay, centre, Maki; on a pass from Reynolds.

After the McIntyre goal scored by Kenty, who was assisted by Cook and Vail, Dunn and Huggins each scored

final bell tolled Nevins and Reynolds got goals.
The teams:
wings, Nevins, Huggins; alternates, Simpson, Reynolds, Dunn, Messett, Gordon.
McIntyre—Goal, Clark; defence, Vail, McComb; centre, Loney; wings, Cooke, Baker; alternates, Murphy, Trudell, Kenty, Malone.
Officials—Fender, Wilder.

Revise Hockey Schedule to Conform to Play-off Dates

N.O.H.A. Officials Meet Here Friday. Decide to Shorten Schedule. First Four Teams Will Play Off in Finals. Will Play Four Point Games to Make up for Eliminated Contests.

A change in the Mines League hockey schedule of which more than thirty games have already been played, was made on Friday when W. A. Thompson, Secretary of the N. O. H. A. came to Timmins to confer with Dean Kestner, N.O.H.A. president, and other officials. The change was made in order to have the schedule finished in time to have a champion declared at a date not later than that on which other sections of the association finish their play-offs.

The change has eliminated six home games. Each of the teams in the camp will now play nine instead of ten home games before concluding the schedule. In order to make up for the loss of games, six four-point games will be played.

Usual practice has been to award two points for a win and one to each team in the case of a tie. Since Friday's decision a win will mean four points, in six of the games, and a tie two points for each team.

On two occasions teams will play double-headers. Games will be played in two different rinks.

At the meeting on Friday the play-off system to be used was decided. The teams standing first, second, third and fourth in the standing at the end of the schedule will play off. The first and third teams will play home and home games, goals to count. The second and fourth teams will do likewise. The semi-final games will be played on February 14 and February 16.

The winners of the semi-finals will play home and home games, goals to count for the title. Games will be played on February 18 and 20.

When a winner has been declared it will meet the winner of the Kirkland Lake section of the N.O.H.A. in home and home games, goals to count.

Tentative arrangements have been made to play the first game of this final series here at the McIntyre Arena on February 23 and the second game at Kirkland Lake on February 25.

T. P. A. Holds Falls to 7 to 6 Decision

Much Improved Timmins Junior "B" Outfit Plays Rough Game in Falls on Friday.

In a game featured by slashing and fighting, the local T.P.A. juniors lost a 7 to 6 decision to Iroquois Falls on Friday night. Played in Iroquois Falls, the game was spiced with major penalties imposed for brawls and altercations.

In a game here early in the season the local team took an 8 to 0 drubbing at the hands of the Cubs. The close decision on Friday is indicative of the way in which the local outfit has improved.

Total penalty time served was sixty-two minutes, two minutes more than the duration of the game. Forty minutes of this time was spent by Timmins players. Officials of the local team complained that the refereeing favoured the home town but were not using their complaint as an alibi.

They were, in fact, pleased with the performance of their juniors. The team is a much improved aggregation from the one that took to the ice in a formless and disorganized group early in the season.

The Falls scored the only goal of the first period when Smith took a pass from Dawson.

In the second Ronholme and Smith scored for the Cubs on solo efforts and O'Mara took a pass from McGrath to get another. Jelbert scored alone for Timmins and "Dinty" Moore took a pass from Alex Kalenchuk to count.

Timmins outscored and outplayed the home team in a rough third period. Kosick, Panichuk and Jones tallied on solo efforts and Moore took a pass from Alex Kalenchuk to get the fourth goal. For the Falls Ronholme got two and O'Mara one.

Considering that Timmins played one man short for close to two thirds of the game, the performance of the team was creditable enough.

The Timmins team was penalized fifteen times. Iroquois Falls received eleven penalties.

Buffalo-Ankerite Bisens and Pamour Dynamiters played to a draw on Friday night in the Timmins Arena. All the scoring was done in the first two periods. Hard, fast play-making and heavy body-checking in the third period and in overtime failed to produce a goal.

In overtime "Red" McArthur, who played his usual ace-high game, drove the puck between Zuke and Richer, on the Buffalo-Ankerite defence, and skated around intending to pick it up. It looked like a sure goal until Kemp came far out of his net, picked up the disc and deliberately lifted it over the boards.

Kemp's action drew a penalty shot. McArthur ruffed a hard one at the upper right hand corner but Kemp turned it with his shoulder.

Friday night's was the third game the Bisens have turned in this year. Two of them have been with the Dome Porkies.

First goal of the game was scored for Buffalo-Ankerite by Hughie Allan. Morris took the puck in the corner and centred out to where the bespectacled Allan was waiting in front of the net. It was an easy task for him to jab it past Bentley.

There was no other score in the first period. Checking was hard but it was clean and confined to the areas behind the blue line. Only one penalty was imposed. Zuke was the offender.

Three minutes after the second period began Hannaberry tore in and shot on the net. To stop the puck Kemp went down on the ice. Following close behind Hannaberry, McArthur picked up the loose puck and neatly flipped it over Kemp's prostrate body to get the deadlocking goal.

A minute later Pamour took the lead when Lafoley passed out to Woods. Half a minute after the Pamour goal, Ankerite sent five men up the ice on a power play. Kaufman took a shot on the net and Bentley got in the way of it. Following close behind Kaufman, McKinnon picked up the rubber and scored a clean beat on the Pamour goal-tender.

Both teams played hard hockey in the third period in an attempt to score. Credit was due Bentley and Kemp in the nets, for managing to keep the period score sheet clean. The two opposing goalies were on top of every play and had perfect control of the situation.

"Red" McArthur was his usual dangerous self. He made plenty of trouble for Ankerite defencemen and was a pain in the side to the whole team every time he got away with the puck. Morris played good hockey offensively and defensively for the Ankerite.

Favourite Ankerite tactic was to send five men up the ice every time Pamour received a penalty. Pamour defence against this move was to back-check furiously. Bentley, in the Dynamiters' goal did some stellar work on these rushes.

The teams; Buffalo-Ankerite—Goal, Kemp; defence, Zuke, Richer; centre, Allan; wings, Plotte, McKinnon; alternates, Kaufman, Morris, Fasano, Schriber, Tennant.

Pamour Dynamiters—Goal, Bentley; defence, Mansfield, Mayes; centre, McArthur; wings, Harmon, Hannaberry; alternates, Woods, Lafoley, Fummetton, LaRoche.

North Bay Nugget:—Report from Cochrane that the Trans-Canada highway is to be "branched" at White River to take in the T. & N. O. region is indicative of good judgment.
