SAVED AT SEA

Suffering from shock, but otherwise unharmed by her harrowing experience, Mrs. Edna Watson, a Canadian, was taken on board the oil tanker Esso Baytown, one of the ten ships in the vicinity which sped to the sinking airplane Cavalier. Three on board the Cavalier when it was forced down on its New York-Bermuda flight, became exhausted and slipped beneath the gale-whipped waves before a boat from the tanker could reach the party adrift on a raft made from life preservers. Formerly a resident of Montreal, Mrs. Watson was praised as "the bravest woman living" by the other passengers for the bravery she showed in holding up the unconscious form of Capt. R. M. Alderson of the Cavalier until help came.

Magistrate Again Heads Commission

(Continued from Page One) resident member of the Commission and therefore would be able to attend to details demanding immediate attention.

The Council had nothing whatsoever to do with the Police Commission, said Judge Caron. When Magistrate Atkinson suggested that the mayor be made chairman the Judge refused to second. A formal proposal was not made. Asked by the Magistrate, Mayor Bartleman said that he would not second his own nomination.

Judge Caron again proposed Magistrate Atkinson as Chairman. The Commission had functioned well in 1937 under the Magistrate's leadership, he said, and he believed things should remain the same. Another reason why chairmanship should not change was that it would add more work to the Mayor's already onerous duties.

Finally, in order to break the deadlock, Magistrate Atkinson seconded his own nomination.

P. H. Murphy, town clerk, was made Secretary of the Commission. It has been customary since the inception of that body, to have the town clerk as secretary.

A letter received from Police Chief Leo Gagnon asking what stand the Commission desired he should take with respect to raffles. No specific reply was given but the members of the Commission agreed that the law on that point should be enforced.

Surprise Party Held in Honour of Mrs. G. Kirk

A number of friends gathered at the home of Mrs. Redden on Columbus avenue this week for a social time and to hold a surprise celebration of the birthday of one of the guests—Mrs. Gordon Kirk, whose birthday it was. After the ladies had chatted for a while they were asked to the dining room where a dainty lunch was served. Upon returning to the living room, Mrs. Redden with a few appropriate remarks presented Mrs. Kirk with a large package, nicely decorated. This, when opened, revealed a number of pleasing gifts. Although completely taken by surprise, Mrs. Kirk made suitable response. Later the guests left for home after all having had a very pleasant afternoon.

Story of Spode Told in Interesting Way

Event Under Auspices of Fireside Club Interests Large Number.

A very large number of people enjoyed one of the most interesting lectures given in Timmins on Wednesday evening, when Mr. Ian Davey, of the Copeland-Spode Company of Toronto, spoke on "Josiah Spode and His Successors." The event took place in the United Church, and was held under the auspices of the Timmins Fireside Club.

Mr. Davey was introduced by the president of the Fireside Club, Mrs. G. F. Mitchell. He outlined the work of digging for the clay to form pottery and chinaware, spoke of the work at the factory, and of the finished product. He illustrated his address with moving pictures, and later displayed a large collection of some of the finest China ever to be brought to Timmins.

The film Mr. Davey brought with him to Timmins, showed the work of digging for the clay, and a visit to the factory. The process of forming the clay into beautiful and valuable china was also shown, as was the art of painting the china. The address was educational and was interesting to all who love "a thing of beauty."

Next Week C.G.I.T. Week in Timmins

Over Fifty 'Teen-Age Girls' to Take Part in Special Activities.

Next week will be C. G. I. T. week in Timmins. The four local groups of Canadian Girls in Training (more than fifty teen-age girls) will take active part in the Sunday morning service of worship in the Timmins United Church and in the following Tuesday evening will entertain at a Mother and Daughter banquet at 5:30 p.m. in the church basement.

It is just about fifteen years ago that C.G.I.T. groups were first formed in Timmins at the Presbyterian church through the efforts and interests of Mrs. Gordon Irving and Mrs. Fred Charbonneau, who at that time was in charge of Mission Band work. Each of these ladies took a group of girls while a third group was shortly added under the leadership of Miss Helen Hurley (now Mrs. H. McCarthy, Gold Centre).

The C.G.I.T. programme is planned for girls by a committee from the Interdenominational Religious Education Council called the Girls' Work Board, and is planned to help the girl in the building of Christian Character. Its method is to establish a group of girls of about the same age, where fun, knowledge, common purposes, may be shared. Working through the Sunday School and mid-week meetings, it aims to relate Christian teaching to daily living within the home, school, church and community.

There are now 3,000 groups and 34,000 girls in Canada in the C.G.I.T. movement, 80 groups in Newfoundland. Following similar programmes are African Girls in Training (A. G. I. T.), others in China, Japan, Formosa, Trinidad, Bermuda, so that it is an active means of world friendship.

The theme for National C. G. I. T. Week is:—"Too Low they Build, who Build Beneath the Stars."
