## New Year Sees Many Changes, Improvements at South Porcupine

New Skating and Hockey Rink. New Municipal Building Almost Completed. New Railway Station. New Bridge on Railroad Street. Some Other Changes that are Saddening. New Year Greeted.

South Porcupine, Jan. 3.—(Special to The Advance)—Once more we extend the age-old greeting "Happy New Year" to you all! May 1940 bring prosperity and happiness, and see the realization of your most cherished dreams. Many thanks to all readers of this column who have helped, by telephoning and writing news in to us, to make the task of recording the doings of our town easier. Hand in hand with thanks go apologies. Once or twice we have made mistakes, but never intentionally, and wherever possible they have been rectified.

1939 has seen a re-modelled South Porcupine. Things are moving. New buildings have been added. A new skating arena has been opened. New municipal buildings are almost completed. A new and much more comfortable station has been given to South Porcupine by the T. & N. O. Railway. A new bridge has been built on Railroad St., and much improvement made in this area. A cinder sidewalk to the Dome from town has been made for cyclists and pedestrians, and one also made to the hospital. Roads have been completed and re-modelled, and a new impetus given to business by developments in the mines within our area.

We have been saddened by the death of some of our old-timers, most notable of whom was the father of education in the Porcupine—Sylvester Kennedy. Harry Preston also has joined the great majority along with Veterans Ernie Anthony and Wm. Smith (of Porcupine).

Joy and happiness have come to some, and weddings and births have more than balanced the sadness of funerals.

This year of 1940 was ushered in in South Porcupine in good old-time fashion.

The Fire Brigade gave a New Year dance in the new community hall in the new arena and never were seen so many of our townfolk all together in one place. Large as this hall is, it was not large enough on New Year's Eve to accommodate all who would have liked to enter. Before the dance was well started numbers had to be told that there was no room inside. A very merry, very jolly crowd packed the hall, and danced to the music of Ken Tomkinson's orchestra, who played so untiringly for them that they were almost "all in" when the dance was over. Good-natured and friendly, out for a good time, all were happy. One family party it was (but a huge party!) and except for the fact that the air got very heated and the dancers were packed in so tightly that regulation "dancing" was out of the question, it was the biggest success that the Firemen have ever had at a New Year's party. It was, financially and socially, a grand dance. (See what the Firemen thought of it on the "Want Ad" page!)

The arena opens tonight with a double hockey attraction.

Some of the more religiously inclined of our townspeople greeted the New Year in the United Church after the first Candlelight Service to be held in South Porcupine. It was a new venture and wonderfully well attended. Starting at 11:15 p.m. on Sunday, the Rev. J. A. Lyttle conducted the service. Hymns were sung, projected from coloured slides onto a screen. A seven-branch candlestick with candles was placed, and with appropriate ceremony each candle lighted. The Central candle represented God. On each side of this candle were candles representing Christ and the Holy Spirit. Beside these the candles stood for the Heritage of the Past on one side, and the New Year on the other. On the extreme lights meant the Hope of the future, and the Church. These

## Red Cross Rooms at South Porcupine Now Open Again

Other News of South Porcupine and the Dome.

South Porcupine, Jan. 3.—(Special to The Advance)—Red Cross rooms opened today for work. Each day except Saturday the new rooms on Bruce Avenue will be open from 2 to 5 p.m. and on Monday night the Finnish ladies use it. Please remember—all knitters who have wool—that the new regulations for army socks—to be the new length of army trousers—is to be 16 inches from the top of the sock to the bottom of the heel. And those who cannot knit the "Kitchener" toe may receive instruction at the rooms from any experienced knitter. The idea of this toe is that no ridge must mar the perfect smoothness of sock-toes—the soldiers have to march in them. Thursday evening is reserved for the Ladies' Curling Club. They will meet under the guidance of Mrs. R. P. Smith and Mrs. Ewing and sew and cut out and knit—doing their part in Red Cross work in the evening as the afternoons will be occupied with curling. They are loyal to give up curling for Red Cross work, so will meet for this work each Thursday evening. All lady curlers please note.

And—speaking of curling—the Ladies Club had a wonderful afternoon on Tuesday as an "opener." Each member was asked to bring a prospective lady curler and several games of 4 ends were played, after which a delightful afternoon tea (in charge of Mrs. Cahill) was served. A schedule was drawn up for the beginning of the season, and the first games will be played on Friday.

Mrs. Turner, of Timmins, is spending the week as the guest of Mrs. Anthony, of Rae Avenue.

Another happy Christmas party, in addition to those already recorded, was that of last Wednesday, given by the Loyal Order of Moose to the children of their members, in the Masonic hall. About forty children accompanied by their parents, met, played musical games and gave a programme to which each child contributed his part, and were given a very nice gift and bag of candy before partaking of a splendid lunch. The Ladies of the Moose supervised the affair.

Mr. Art Clay was rushed to hospital on New Year's Day for emergency appendicitis operation. His condition today is reported as good.

So far the stork has forgotten South Porcupine for 1940. He has left no New Year baby to any of our townsfolk. His nearest visit was to Dugwal or Drinkwater Pit, where on New Year's Day he left a daughter to Mr. and Mrs. Harry Mohr.

Mr. A. E. Pugsley, of Paymaster, was called to his home in Barrie this week owing to the serious illness of his mother.

At a council meeting called on Thursday last the only item of importance was the discussion of a request to the T. & N. O. Railway that a "wig-way" signal be placed near Schumacher station where a road crosses the track.

Sixteen new members were admitted to the church during the evening service at the United Church on Sunday. Mrs. Stanlake sang "The Holy City" at this service and at the morning service Mrs. Mayes sang "Hail, Bethlehem."

Mr. George Wilson, of Hayden, near the Sault, spent Christmas at the home of his brother, Mr. I. P. Wilson, of Golden City, leaving for home on Friday. Also guests at the Wilson home over the holiday were Mr. and Mrs. McDonald, of Hayden, and Mrs. Florence Monahan and children, of Aldermanac.

Friends of Mrs. E. Anthony will regret to learn of the death of her sister-in-law, Mrs. John Anthony, of Hamilton, who has been a visitor to South Porcupine in recent years. The obituary notice is as follows:—"After a brief illness in the Hamilton General hospital on Tuesday, Dec. 26th, Lydia Humphreys, wife of Fred Anthony, of 71 Traquaine Avenue, aged 53. Interment in Woodland cemetery."

Twelve-year-old Betty Mairs, who is seriously ill in the Porcupine General hospital, is making fair progress after two recent blood transfusions.

Mrs. Stanley Pearce and son, Dick, spent New Year in Kirkland Lake visiting at the home of Mrs. Garrity.

Friends of Mrs. Alf Yeomans, of the Dome, will be sorry to learn that she caught her hand in the wringer of her washing machine this week and injured hand and arm, necessitating surgical attention.

Mr. and Mrs. Gilpin, of Capreol, were visitors in town on Tuesday.

## Charming New Year Event at the Buffalo-Ankerite

Among the most charming New Year's celebrations held in this district, was that which took place at the Buffalo - Ankerite Community hall, where one hundred couples cheerfully greeted the new year at a dance on Sunday at midnight.

Tall evergreen trees, with bright Christmas lights, stood proudly in front of the homes of the mine executives, and all the evergreens around the community hall were lighted and decorated for the occasion. Against the background of pure white snow the scene was a breathtaking one, reminiscent of stories more than of reality.

Music for the event was supplied by the Buffalo-Ankerite Rhythm Makers, and during the evening a tasty lunch was served by Tom Dees and the cooking staff.

Those in charge of the dance were: Milton M. Ludgate, chairman; Claude Bowker, Art Barrett, Chas. Brown, and Malcolm Florence, and they are to be complimented on the delightful success of the event.

## Coffee Shop in New McIntyre Arena Proving Popular

One of the Special Features of the McIntyre Community Building.

One of the features of the enlarged McIntyre Community building is the Coffee Shop—a restaurant elegantly equipped and giving service seldom equaled. When it was opened on Saturday evening there was a regular rush that kept the large staff of waiters and waitresses busy and this continued over the week-end. The Coffee Shop, under the direction of Mr. and Mrs. Mumby, promises to be an outstanding benefit and advantage to the members of the "McIntyre family." In modern equipment and service there is nothing to equal it outside the larger centres. The attractive menu cards of the Coffee Shop appear to carry everything in the line of good things to eat, while ice cream and a soda fountain give the finishing touch to the restaurant services. On New Year's Day a special full course dinner was served from 12 noon to 8 p.m. This proved a marked attraction for many. The menu suggested a genuine feast, and it is not exaggeration to say that the food was delicious, and the service perfect.

## Annual Meeting of Ladies' Auxiliary of Porcupine Hospital

The Ladies' Auxiliary of the Porcupine General Hospital held its annual meeting on Wednesday in the Masonic hall. Mrs. W. H. Johns acted as chairman for election of officers. Mrs. R. E. Dye, who has most successfully piloted the association through its first two years, signified her intention of declining office for a third term owing to pressure of Red Cross work.

Mrs. R. P. Smith was elected President for 1940. Mrs. B. H. Harper accepted the position of vice-president, and Mrs. F. C. Evans that of secretary-treasurer. Mrs. W. Atkinson remains as Convener of Entertainment Committee, assisted by Mrs. Ralph Ellis.

After the election Mrs. Sky, acting on behalf of the Auxiliary presented Mrs. Dye with a magnificent sheaf of yellow and mauve chrysanthemums in grateful appreciation of the splendid work done by her during her two years of office. Mrs. Dye was both touched and pleased by the gesture.

Support of the year's work as given by Mrs. R. P. Smith. It is a wonderful record of co-operative work for the hospital: "During the past year regular monthly meetings were held, barring two summer months. At each meeting supplies were made for the hospital—pneumonia jackets, doctor's towels, draw-sheets as well as 'bushels of dressings.'" During the two summer months the supplies were looked after by the W. A. of the Anglican Church and the Dome unit. Also many rolls of flannelette were made into bandages by members at the Hallor and Pamour Mines. The mending at the hospital was again looked after by the Women's Guild under Mrs. Galbraith. On May 12th, National Hospital Day, a towel and facecloth shower was held at the Nurses' residence—125 towels and 50 facecloths. A movie graciously run off by Mr. Sky of their Majesties' visit to Sudbury was a feature of July 17. Proceeds on Oct. 5 in the Masonic hall. Mrs. Kemsley in charge. Afternoon tea was served and proceeds of gifts were: 1 hamper of fruit; 68 quarts of fruit; 23 quarts of pickles; 39 quarts of jams and jellies; 11 tins of fruit juice; and 1 tin of salmon. A telephone bridge held in November. Mrs. Atkinson convener, —143 tables (at least 571 people) played during the evening—a great success. At the December meeting it was decided to buy another wheelchair for hospital use. Miss Morgan is to purchase the chair while in Toronto.

"This brings to a close another very successful year under the leadership of Mrs. Dye whose untiring efforts have made all this possible. While we work one day a month, Mrs. Dye carried on almost daily, carrying out the many tasks that kept all 'machinery' going."

## Toronto Lady Gave Great Christmas to Soldiers from Here

Schumacher, Jan. 3.—(Special to The Advance)—An act of kindness which was much appreciated by the boys in training, took place on Christmas Day in Toronto. A lady called at the training camp and asked the officer in charge if there were any men from Timmins there. The officer replied there were, so the Timmins boys were taken in cars to the lady's home. And what a wonderful Christmas they had! During the day friends of the Toronto lady called and presented the boys with gifts. This surprise party was much appreciated by the boys. The lady is a friend of Miss Morgan, superintendent of Porcupine General Hospital. Some of the boys who were home here for New Year's called at the South Porcupine hospital to thank Miss Morgan for the wonderful kindness of her gracious Toronto friend, but Miss Morgan was away, and the boys asked for a mention in The Advance of the incident so that their appreciation might be known.

## "Frame-up" Fails When Victim Told of Plot to Get Him in Trouble

Low Reprehensible Trick But Not too Low for Him, Says Magistrate of Attempt by William Torchyn to "Plant" Bottle in Enemy's "Social Club" and then Inform Police.

The story of a proposed "frame-up" which was foiled when one of those approached to take part proved to be a good friend of the victim and told him of the plan, was unfolded in all of its none-too-fragrant details in police court yesterday afternoon.

Ring-leader in the plot to "frame" Walter Doleski, proprietor of a pool room at the corner of Fourth Avenue and Birch Street was alleged to be William Torchyn. He was given the alternative of a fine of \$300 and costs or three months in jail on a charge of having liquor in his possession without the permit necessary to cover its purchase. The man approached to set the scene for the visit of police which would implicate Doleski, and who relented and told Doleski, his friend, of the plan, was Leo Cardinal. On a similar charge he was given the alternative of a fine of \$100 and costs or three months in jail.

The story, as told by Cardinal, was that he approached Torchyn at about 2 a.m. on December 13 and asked him to go with him to a place across the river where they could buy a drink. Torchyn began to talk and told him how much he hated Doleski, with whom he had had some police court trouble not long ago. He asked Cardinal to "plant" a bottle in Doleski's premises and he would inform police that it was there so they could raid.

He took a partly full bottle of whiskey from Torchyn, Cardinal said, and went into the pool room. Inside he changed his mind and informed Doleski of the plan to get him into trouble. On Doleski's advice he took the bottle out into the back lane and threw it away. He and Doleski then awaited the arrival of police.

Constable Guolla said that Torchyn came to the police office on the same morning and told him and other police to go to "The Social Club", at Fourth Avenue and Birch Street, where they would find some liquor.

Instructing the deskman to hold Torchyn there Constable Guolla and Sergeant DesRoches went to the place. There were three men there and one of them said, "We have been expecting you." After a search another member

## Pretty Wedding at South Porcupine on Saturday Morning

South Porcupine, Jan. 3.—(Special to The Advance)—A pretty wedding took place on Saturday morning, December 30th, in the vestry of the United Church, when Rev. J. A. Lyttle performed the ceremony which united Dorothy Marie Horman to Gordon John Hardie in the bonds of holy matrimony. Miss Horman is the eldest daughter of Mr. and Mrs. W. H. Horman, of Stratford, and Mr. Hardie is the second son of Mr. and Mrs. A. D. Hardie, of Kirkland Lake, and nephew of Mrs. Kaufman, Mrs. E. Hansen, and Mrs. Fera, of S. Porcupine. He is the grandson of Mr. Christie Schmelye.

The bride was gowned in a princess fitted long dress of amethyst velvet with brilliant clasps and wore a becoming hat to match trimmed with fur. She wore a corsage of sweetheart roses. Attending her as bridesmaid was Miss Bernice F. Wilkes, of Timmins, who wore a dress of autumn green crepe with matching accessories.

Mr. Beverly Stringer, of S. Porcupine, attended the groom as best man.

Only immediate relatives and friends of the couple were present at the ceremony and afterward they repaired to the home of Mrs. Ed. Hansen where a wedding dinner was served. A reception followed later in the day, and friends of both parties called and wished them success in their married life.

## Ladies' Auxiliary to Hold Children's Party, Jan. 10th

The regular monthly meeting of the Ladies' Auxiliary of the Canadian Legion was held on Tuesday evening in the Legion hall, with the president, Mrs. Hardy, in the chair. The meeting opened with "O Canada," and a two minute silence.

Much business was discussed, and it

of the raiding party, Constable Angus Greaves, found the liquor in the snow back of the building. Cardinal said that he brought the liquor in to "frame" Doleski but that he changed his mind because he didn't want to "double-cross" his best friend.

Back at the police station, said Sergeant DesRoches, Cardinal said that Torchyn asked him to "plant" the bottle of whiskey in Doleski's place. Torchyn denied the story and said that he had no knowledge of the liquor.

Torchyn had two witnesses. They were Mike Kurski and Walter Kalo. Both said that Cardinal came into Shankman's pool room with a bottle of whiskey in an inside pocket of his coat. He asked Torchyn to have a drink. Torchyn, they both said, did not have any whiskey.

Giving evidence on his behalf, Torchyn said that Cardinal asked him outside to give him a drink. While they were there Cardinal assured him that Doleski would have liquor in the place as it was the opening of his social club. He came to police and informed. He admitted that he did that because he hated Doleski and wanted to get him into trouble. He admitted that there was bad blood between him since the court incident a couple of weeks ago.

When Cardinal was in jail Doleski came to him and said "Leo if you say that it is Torchyn's liquor I'll get you out of here." That, said Torchyn, was the reason Cardinal insisted that the liquor was his, Torchyn's.

Said the Crown Attorney: "There is no doubt that Torchyn's two witnesses Kalo and Kurski are perjuring themselves to get their friend out of trouble. They may be getting money out of it or they may be doing it from friendship but they have perjured themselves."

Magistrate Atkinson: "Torchyn had it in his mind to get this man one way or the other. It was a low reprehensible trick but too low for him. He undoubtedly had the liquor in his possession but I must also find Cardinal guilty as he took the liquor down there and had it in his possession during that time although he probably did not own it."

was decided to donate \$250 to the Legion, and the secretary was given the amount of \$36 towards the comfort fund, this sum being handed over by the secretary of the Entertainment committee, Comrade Bellamy.

It was decided that the children's party would be held next Wednesday, January 10th, to commence as early as possible.

Mrs. J. Johnson, of Schumacher, was appointed as sick visitor for Schumacher and Mrs. A. Bellamy was appointed pianist for the organization.

It was noted the members would cater for the banquet by the Fire Department on Monday, January 8th.

Three guests were present from South Porcupine, Mrs. Curtis, president of the South Porcupine branch, Mrs. Wells, first vice-president, and Mrs. Thomas, treasurer. Mrs. Hardy introduced the guests, and said she was pleased to welcome and present them on this occasion, and Mrs. Devine, secretary, especially welcomed Mrs. Curtis, who was at one time a member of the Timmins branch.
