T. P. A. Work Seen as Curbing Juvenile Delinquency

Association Plans Spring and Summer Activity. Over 225 Boys Played in Hockey Teams.

The fact that juvenile delinquency in Timmins during the past winter has been at a minimum was attributed—at a meeting of the Timmins Police Amateur Athletic Association held on Thursday night—to the fact that there were, among other activities, fifteen hockey teams playing in regular schedules on town rinks.

Among those present at the meeting were the President, Chief Leo H. Gagnon, and directors, R. P. Kinkel, Dr. M. J. Kelly, Dr. Ray Hughes, William Wren, Len Cousins and Sergeant Jack Downey.

Chief Gagnon reported that more than 225 boys participated in T.P.A. hockey during the past winter. He also outlined the work done in the T.P.A. gymnasium and its beneficial effect in keeping young boys interested in athletics and out of trouble.

Spring and summer activities were discussed and it was decided to start a troop of Sea Scouts in Timmins if a charter could be obtained. More information will be got on the subject and given at a later meeting of the Association.

Among the activities which were planned for the summer were baseball and softball.

NOT REAL HITLER?

Sudbury Star: A rumor persists that he isn't the real Hitler, but four other fellows. Wonder if we could arrange a public demonstration of the boys hanging a roll of wallpaper.

St. Patrick's Day Social at the Legion

Masquerade and Costume Event With Several Contest Features.

The annual St. Patrick's Day social of the Timmins Branch of the Canadian Legion will be held on Friday evening, March 17th. A very good programme has been planned and the event is to take the form of a masquerade of costume event. There will be prizes for the best get-up for ladies and men, and other contests for which prizes will be given. No doubt the fun-provoking "Jitterbug" and "Lambeth Walk" will be included in the dance contests.

The Legion entertainment committee, under the chairmanship of Geo. Nippers, intend to make this the best social of the year and ask for the attendance of Legion members and their wives, Ladies' Auxiliary members and their husbands. A tasty luncheon will be served and the fitting celebration of St. Patrick's day will include Irish songs and music. It is also earnestly requested that those attending be early as the committee feel that much of the pleasure is spoiled by lack of prompt attendance. The social will start promptly at 9:00 p.m. on St. Patrick's day (Friday, March 17th) in the Legion hall.

Two Hundred Attend Benefit Supper Here

Friends of China and Missionary Society Collaborate on Chop Suey Supper.

Oriental and occidental cooks combined their talents on Saturday night in the basement of the United Church to give a chicken chop suey dinner to more than 200 people who wished to assist the Chinese Red Cross.

The Chinese charity supper was planned and organized by the Friends of China assisted by the Women's Missionary Society. Acquiring profits will be used to alleviate in some measure the suffering of thousands of Chinese plunged into dire want and made homeless by war in their land. The supper was served in two sittings, the first at 5:30 o'clock in the afternoon and the second an hour

later. It was not a formal affair; there were no speeches. Those who came knew the cause to which they were contributing and were anxious to help, if only to the extent of making a small expenditure for an excellent meal.

Local Chinese have been extremely active in raising money to assist unfortunates in their war-stricken country. By various means they have raised many thousands of dollars.

Unofficial approval of the cause by the Town of Timmins was indicated by the presence of Mayor J. P. Barileman as one of the guests. Many other prominent citizens were present.

Cooked in Chinese style the food was excellent. Whether chicken chop suey is a Chinese dish or not may be a controversial question but there is certainly no doubt of the fact that those who attended on Saturday night not only received an excellent dinner from any viewpoint but also assisted to support a deserving cause.

All Ex-Servicemen Signing for Defence

Notable Response is Being Made to Call.

At a meeting held recently in Toronto all ex-servicemen's organizations were combined into one vast unit for the purposes of Home Defence. It will be recalled that at the time of the

European crisis last year, Col. Foster, Dominion president of the Canadian Legion pledged the full strength of the Legion to the Dominion. Since that time all other veteran organizations have emphasized the same loyal spirit and the result of the meeting in Toronto to all combine for this purpose met with instant recognition from the government.

In the weeks which followed the meeting several private meetings have been held and secret conferences exchanged with all branch offices. The final outcome has been that the government has accepted in full the services of the ex-servicemen and women for Home Defence purposes, and are asking every one to sign-up again for this purpose.

At a special session of the Timmins branch of the Canadian Legion, Austin Neame was appointed as the one to take enrolment in this district. To date there has been great response. On Saturday evening Mr. Neame outlined some of the work to be covered—guarding of power plants, patrolling of power lines and communications, guarding of bridges and main traffic arteries and industrial plants; assisting in camp work in place of active men, and other duties which would relieve the services of younger men and women.

All veterans are urged to sign up immediately. Mr. A. Neame can be seen at the Mines' Rescue Station during the daytime or at the Legion hall, Cedar St. S., every evening during the week after 7:30 p.m.

Blue Devils Hold Lead Until Dying Moments of the Match

Goodyears Win First of Best-of-Five Tilt in Toronto on Saturday. Second Game To-Night. Play in Kirkland on Wednesday and if Necessary on Friday Night. Saturday's Game Goes Into Overtime.

The powerful Lake Shore hockey machine was brought to a dead stop on Saturday afternoon in the Maple Leaf Gardens when Toronto Goodyears won the first match of the series between the N.O.H.A. titleholders and the O.H.A. champions by a 4 to 3 score after overtime.

The game was lost and won in the last twenty seconds of regular time and in the overtime period. With twenty seconds to go the Lake Shore team was leading three goals to two. Metz's goal forced an overtime period and it was then that Joe Primeau's squad took the edge.

Next game will be played to-night in Toronto. On Wednesday Goodyears play in Kirkland Lake. They remain there for a game on Friday, if necessary. If the series is docked at two games each the tie-breaker will be played on Toronto ice.

Goodyears got away to a flying start on Saturday. They rapped home a pair of goals in the first two minutes and twenty seconds. O'Flaherty got the first counter with the assistance of King and Inglis. Immediately after the face-off Metz fired one from close in that rang the bell.

However, the Lake Shores settled away and began to eat into the margin. Hastie made it 2 to 1 when he took a neat pass from Grivel and Grosso and a sweeping Kirkland attack caught the Goodyears flat-footed and Grivel got another marker at the 7:18 mark. He batted his own rebound into the net.

Every goal scored thus far in the game was tallied while teams were playing a man short.

After a spirited end to end play the Lake Shore went into a goal lead with Don Grosso getting the counter.

Until twenty seconds before the end the Lake Shore lead. Then did Metz count and Goldup count in overtime. More than 13,000 spectators saw the game.

Brownies News

Meeting opened with Brownie circle and inspection. Marjorie McChesney and Myla Croteau passed their stop, look and listen walk. While some of the Brownies served industriously for their serving test, the others did their nature and told stories. A new song was learned and the meeting closed with Brownie squeeze and the pack howl. Myla Croteau, Marjorie McChesney, Mabel Reid and Florence Harris passed their sewing.

Women Champs Blank Haileybury

Extended to their season's best efforts, Preston Rivulettes annexed the opening game of the Ladies' Ontario Hockey Association semi-finals in Preston on Friday night by defeating Haileybury 5 to 0.

Eight times champions of Ontario, the Rivulettes, seeking their ninth title, will enter a two-game series with Ottawa this week.

The home squad found the Northerners the toughest opposition they had met during the season. The Haileybury Marvels showed strong defensive strength and speedy forward skating but lacked the combined offensive power of the Rivulettes who sailed through for repeated attacks on the visitors' net.

Invite South End and Dome to Curl Mar. 17

The Dome and Porcupine curling clubs have been invited to bring six rinks to Timmins to compete in a Seventeenth of March event. If they accept two draws of eight ends will be made and run off in the one night. Prizes will be given for the rink with the largest margin.

In addition to the curling a social event is planned for Friday night.
