## S. Porcupine Wins Two of School Hockey Games

Timmins Public School Teams Play Interesting Exhibition Games with South Porcupine School Teams. Good Crowd of Fans Out for Pleasing Hockey.

South Porcupine, March 15.—(Special to The Advance)—South Porcupine Public School Hockey teams were victorious in two out of three of the games played with their Timmins rivals here on Monday night at the arena.

We are glad to report that their object—a good game—was attained, and a nice number of adult fans were in attendance. They saw a good clean brand of hockey in each game of the schedule. These boys are not only being taught the ethics of hockey, but we are glad to see that they are also learning that any game may be a "gentleman's" game and that the final score does not mean as much as the clean fair play throughout the game.

To see the little team who lost led out on the ice to give three cheers for their conquerors was worth the price of the game!

Line-up—Timmins Birch St. Intermediates—Goal, Leonard George; defence, Tommy Richard, George Harrison; forwards, Bill Curik, Stanley Sturke, Roger Rumpel; subs, Leo Curik, George Shaw.

South Porcupine Public School Intermediates—Goal, Wilburn Montrose; defence, Pete Babando, Donald Galbraith; forwards, George Yorke, Gordon Kaufman, Roy McKay; alternates, Jack Syvret, Stewart Macdonald, Walter Larsen, Frank Secoli, Billy Adamo, Aro Ketola.

South End triumphed again in the senior tussle which witnessed them against the Moneta team. Moneta played a classy game of hockey all night and made it much closer than the score indicates. They at one time led by a score of 3-2, but the South Porcupine seniors turned on the pressure at the end and made it 7-3 in their own favour.

The first game saw Central School Juniors (under 12 years) defeat the South End Juniors 3-2 in a very close contest. Central Juniors scored 3 goals before the Porkies got going. Toward the close of the game the local lads came to life and scored two goals to come within a ace of tying it up. The third Central goal was of the fluke variety, being scored over the top of the net from behind!

Line cups—Central School—Goal, Bill Baulke; defence, Mirco Soni and Ken McFadden; centre, Armando Delmonte, Arthur Hodgins, Clarence Elmer; subs, Alfred LaGuande, Jack Sween, Clarence Martin, Robert Lawson.

South Porcupine — Goal, George Yorke; defence, Leo Huhta, Donald Briden; forwards, Aro Ketola, Billy Adamo, George Dubinsky; alternates, John McLellan, Thomas Jokinen, Mitchell Hrynuck, Alvin Kavanagh, Leslie Costello, Joe Adamo.

The Birch St. Intermediates were defeated by the local Intermediates (12-13 years) 2-0, in a game which was speedy and exciting. The Porcupine crew got away to a poor start by having two players penalized almost immediately after the face off, but while short-handed they outplayed the Birch St. brigade and missed a lovely scoring chance. Only the work of the goalies kept the scoring of both teams down.

The three Timmins teams are champions of the Timmins Public and Separate Schools, and South Porcupine may be proud of their teams for taking two out of three games.

The referees were—Carlo Cattarello, South Porcupine; W. Bice, Timmins.

Timmins Moneta Seniors line-up—Goal, Jim Colborne; defence, Mario Pellizzan, Morris Lallo; first line up, Armando Guidolin, Bert Leucotte, Reno Mascarene; second line up, Geuy Curcione, Archie Boyd, Robert Fraser; alternates, Emilio Pouschine, John Clancy, Mike Ovia.

Goals by Turcotte (2) assisted by Guidolin and Fraser; Guidolin (1) assisted by Mascarene.

South Porcupine Public School Seniors line up—Goal, Charlie Brown; defence, Bob Adamson, W. Fyran; forwards, T. Talentino, Dillon, McKay; alternates, Babando, Gauthier, Galbraith, Cunningham, Hughes, Bartosovich.

Goals by—1st and 2nd goals, Talentino; 3rd, Cunningham; 4th, Talentino, assist from Dillon; 5th, Talentino; 6th, Cunningham; 7th, Talentino, assist from Dillon.

Penalties—Talentino, Dillon; Bartosovich, McKay and Cunningham.

The Chief of Police wishes us to call attention to the fact that all firearms must be registered in the police office before Friday, March 17th.

We are pleased to report that the whist drive put on in the Masonic hall on Tuesday under the auspices of the Ladies of the Auxiliary of the Canadian Legion was a grand success. Sixteen tables were filled, and both Mrs. C. Countryman, President of the Auxiliary and Mrs. Wm. Thomas, Social Convener wish to thank all who helped to make this, their first large public affair, such a success. Lunch was served after cards, and prizes were won by:—For ladies: 1. Mrs. P. J. Walker (card table); 2. Mrs. Pete Raymond, (pair of Madeira pillow covers); 3. Mrs. D. Roose (6 glass tumblers). For men, first prize winner was Mrs. J. McGinn (card table); 2. Mr. J. Mudge (cigarette lighter); 3. Mrs. Wm. Murray (socks). Winner of the draw (a basket of groceries donated by a Legion member) was Mrs. T. Farrell.

The only people in town that are really glad to see this cold weather continuing are the curlers, especially the lady curlers, who are this week finishing a bonspiel at the rink. They are playing, of course, for the grand prize which is the Marshall-Ecclestone trophy, an exhibition in the curling rink, with which go four rose bowls; but in addition four other prizes have been donated for this event. Second prize will be four silver cups donated by Mr. S. Sky. Third prize four lovely cups and saucers donated by McKay-Holmes, insurance house. Fourth prize is also four very nice cups and saucers which Colonel Scobell was kind enough to offer, and the fifth prize will be four mayonnaise bowls donated by Mr. Raymer, of the West Dome.

Mr. Eli Cantor left on Monday for a week's vacation and rest. He will visit in Toronto and Napanee before returning.

Father Gelinas is away for a few days doing his Lenten mission work among the men of the lumber camps in the Hoyle and Connaught vicinity.

We regret to note that Mr. Vic Hedges, of Dome Extension, was called to Toronto on Tuesday, owing to the death of his mother, Mrs. Stahl, of that town. The notice of death in The Toronto Star gives the following: "Stahl, Alice—At the residence, 107 Glenholme avenue, on Monday, March 13th, 1939, Alice Stahl, wife of the late Simon Stahl in her 76th year. Resting at Chapel of McDougall and Brown, St. Clair west. Service in the chapel 2 p.m. hursday. Interment, Mount Pleasant cemetery."

Mr. James Foster, of Dome Extension, is in hospital having undergone serious operation for stomach ulcers on Sunday. His condition today is reported as improving.

Six games are played by each team and the scores standing at the end of play today are:—

Mrs. R. P. Smith won 4; lost 1.

Mrs. H. R. M. Turner won 5; lost 1.

Mrs. J. Cooke won 4; lost 1.

Miss C. Higgins won 3; lost 2.

Mrs. Longworth won 1; lost 4.

Mrs. Moore won 1; lost 4.

Mrs. Rayner won 1; lost 5.

We are very sorry to learn that Mrs. Moore, who is such a curling enthusiast, and who is a veteran curler, has been sick and will not be able to curl any more this season.

Mr. and Mrs. Archie Briden and family moved from South Porcupine in to the Connaught property on Monday, and will reside in the home of Mr. Wm. Briden there.

A tea and sale of home baking is to be held on Saturday in the United Church sponsored by the Choir and the Berean Bible Class of the Church. Everything will be in keeping with St.

Patrick's Day, although being held a day later.

Other St. Patrick Day festivities are to be a bridge party held in Miss A. Sullivan's home on Friday afternoon, under C.W.L. auspices; and a euchre party in the evening under the same ladies' sponsorship at the home of Mrs. J. Costello.

Tuesday's Police Court

Two drunks paid \$10 and costs.

For having defective brakes \$10 and costs were imposed and paid.

A vagrant, found wandering and giving no good account of himself, was treated leniently by his worship and given another chance. Constable Douglas testified that on March 12th at near midnight a lady of Crawford St. told the police that a man had been to her house asking for butter, and appeared to be a "bum." The constable picked up this man who had no money on him, and only a few parcels which had contained lunch, etc. He admitted he was not working. Asked for his defence the young chap said he was not begging—he and a friend were living in a shack in the bush and trying to make enough to eat by making and selling flower vases.

For travelling without light \$5 and costs was the fine paid.

A case was heard—having liquor in possession not obtained under the L.C.A. Police testified that on March 11th accused was found with liquor in a bottle inside his shirt. They had had previous trouble in this connection with this house on Railroad St. A fine of \$100 and costs or three months was given.

In another case involving possession of liquor Constable Douglas testified to following accused to a house on Golden Avenue. He was carrying a parcel, and went in. Police knew the man did not live there. He went in to the house, saw the three unopened bottles of liquor on the table and \$2.30 in money. He was told upon enquiry that the money was change out of \$10 which the lady of the house had loaned him to buy the liquor. Lady on the witness stand told by interpreter that she had previously loaned this man money. He had come in from a lumber camp, wanted to give a party before going back and had borrowed the money, bought the liquor on his own permit, and come back to give her her change before going to the place where he was staying. Unfortunately for her story another constable testified that the lady had grabbed the liquor saying it was hers, and wanted to hang on to it when the police lifted it. Accused was defended by Mr. Gardner. His worship therefore, fined the man \$100 and costs or three months, and the change confiscated by police was handed over to the woman.

A speeder paid a \$10 fine.

An assault case was settled out of court.

For parking without lights in Whitney, \$5 and costs was paid. And for having no driver's license another paid a \$5 fine.

Why are There So Many Revolvers These Days?

(Saint John Telegraph-Journal)

It is generally agreed that there are far too many arms in private custody, and everybody who owns a pistol is quite prepared to let his neighbors give theirs up. If the safety of person and property in Canada were judged by the number of arms known to be possessed by Canadians, it would paint a picture of a most insecure life. That is a rank absurdity.

It is strongly suspected that the present registration is not complete moreover, which makes the situation worse. It has been positively proved that many crimes of violence or with threats of violence are committed by persons who have stolen arms from private citizens. Evidently possessors of arms do not guard them with sufficient care and do not report—perhaps do not even know—when they are stolen or lost.

Now therefore is an opportunity for each Canadian who owns a revolver, pistol or automatic to put the question to himself: "Do I really need this weapon, is there any reasonable prospect of my ever needing it again?"

Toronto Telegram—The undertaker will always have a steady business as long as people try to start a fire with gasoline.
