Daughters of Empire Timmins B'Nai B'rith Prepare for Service

Comes. Local Chapter Met Tuesday.

At the April meeting of the Timmins Golden Chapter I.O.D.E. held on Tuesday evening, plans were completed for the Welcome Ball in honour of the forthcoming visit of Their Majesties King George VI and Queen Elizabeth, to Canada in the month of May. This event will take place in the Palais Royale dance hall on Friday evening, May 5th. Invitations are being issued, Mrs. A. Booker, Telephone 366, being the convener.

It was noted that the Order of the Imperial Order Daughters of the Empire are preparing for service, if required, in the event of war.

"We are going to be ready to do our bit, in a war we hope will never come, said Mrs. Wm. Morrison, of Hamilton. Provincial President for Ontario "During the last war, members of the I.O.D.E. did considerable work at home. knitting, sewing and so forth, but this time we will have thousands of trained women on call in case of emergency Many of our members saw active service in the last war and we have the advantage of their experience in preparing now for a possible emergency.'

From national headquarters, more than 20,000 cards have gone out to Chapters across Canada, to be filled in by members who are acked to consider the question. In case of emergency the members are asked what work they are willing to do. Among the listed occupations are ambulance and other nursing, cooking, stenography, clerking, first aid, sewing, knitting, secretarial and bookkeeping work, etc. Each chapter will keep the completed or filled in cards, and forward a list to national headquarters giving the information contained in the cards.

Mrs. Morrison said that in the past year membership had increased materially, and does so every time there is threat of war. Since the last war, the I.O.D.E. had attracted thousands of alert, well-educated girls, who have been organized into Junior Chapters of which there are now twenty-two in Ontario. Senior Chapters also sponsor companies of Girl Guides who receive excellent training for useful work.

Chapters have been asked to appoint conveners to be responsible for conducting the registrations of its members across Canada.

The local Chapter dealt with this subject at the meeting, when Mrs. A. Booker was appointed registration convener. The registration cards have arrived from headquarters. Mrs. Allen was appointed hospital convener.

The local Chapter will be celebrating its 20th birthday anniversary next month. A brief business meeting will be held, followed by a short programme which will be arranged by Mrs. Moody. Mrs. Ball and Mrs. Lloyd are arranging a bridge for members at this meeting

Veterans at Rouyn-Noranda

Noranda, April 19.—A meeting of unprecedented enthusiasm was held by veterans of Rouyn-Noranda on Sunday afternoon under the chairmanship of sent to all members of His Majesty's has been very ill at her home. former soldiers of all ranks from the on Wednesday afternoon. twin towns, and many from Duparquet were present. The chairman read the manifesto and then gave the assembly | Haileybury Sanitarium an address which breathed the spirit of loyalty of the soldiers of 191418. His ern hospital, spent the Easter holiday remarks were greeted with rounds of visiting at the home of Dr. and Mrs applause. The manifesto calls for the MacLean, First Ave. voluntary registration of ex-servicemen and women, so that in the case of an emergency their services will be available in Canada.

James Kirkwood was chosen president for the purpose of this registration with T. L. Golden as secretary and the following were named registrars: Geo. Redford for Rouyn; T. L. Golden for Noranda; Col. C. E. Bent for Noranda Mines, Max Harris and R. Miller for the Rouyn-Noranda district.

The attitude of the federal leaders of both parties were discussed and their hesitancy to declare a definite status for Canada within the Empire in the event of war was deplored.

A letter of appreciation will be sent to Hon. Ernest Lapoint, on his recent

fine patriotic pronouncement. Another matter which was fully discussed was the question of alien national activities in this district. Veterans are determined to keep watch on such organizations, the leaders which are believed to be known. any event such activities will be kept under surveillance.

Forms for recording all the necessary particulars are in the hands of the above-mentioned registrars and all exservicemen and wemen are asked to make out their applications without

GIRL TIMMINS

Monday night, April 17th, the Gir Guides of the 106th Co. of the I.O.D.E.

Capt. Bailey called the meeting to order, roll call and inspection were taken by Capt. Bailey assisted by Lieut. Johnston. Horseshoe was then formed and the Guide Prayer repeated Plans were then discussed for the concent to be given by the 106th Co. on May 1st at 8 p.m. in the St. Matthew's Church basement. Tickets are now on sale for 25c and may be obtained from any member of this Co.

The rest of the meeting was spent in practising for our concert, finally plosing with the singing of "Taps."

2708 Applications for Mine Jobs at Kirkland Lake

All Applications from Experienced Miners or Craftsmen.

At Kirkland Lake all applications for work at the mines pass through a central local Mine Employment Bureau. At the end of March this bureau had applications from 2,708 men on file in the office. Since then the number has increased by 50 at least. Every one of these applicants has mining experience, or is a skilled tradesman in some for the soldiers who fell in the Great craft that is of particular use to mine | War. work. Of course, this does not mean that there are 2.750 men at present out of work at Kirkland Lake. No doubt many of the applications are from men who wish to make a change, or men new working at some less skilled work but who are equipped for better class League of work. However, while there will perhaps be a large number of jobs opening up when spring, or summer comes it would appear that there will even then be quite a number of men out of work at Kirkland without much chance of employment in mining. This received. is one reason why the advertisement appearing in Toronto newspapers last Saturday was an unfortunate one. This advt. gave a Kirkland Lake post office box reply. Those who replied—and it is understood there were large numbers of replies-received answer to the effect that if they would send a dollar they would be given full particulars. Those sending the dollar are given some information about the mines of the North and the requirements for mines. In regard to the Porcupine mines the dollar letter says that applications have to be made out for jobs at the McIntyre and Hollinger, while at the other mines personal application has to be made to the mine employment managers. "It depends entirely on your own ability and initiative," this section of the letter concludes, neglecting, however, to add that it depends still more on any jobs being open, while there are already 1,000 or more men here out of

In regard to Kirkland Lake, the dollar letter says: "We strongly advise avoiding this camp." It might have been fairer to have added a similar statement to each of the other camps.

Unfortunately, the wording of the advts. in the Toronto newspapers left the impression that some mine or mines in the North were seeking men . The truth is that there are already thousands of more men than jobs.

There is one paragraph in the dollar letter, however, that is worth the you might have to rustle the mines

have harmful effect, tempting men to the stew pot.

come here in the hopes of getting work. The matter was called to the attention of the police who checked up on the two men inserting the advertisements.

Review Work South Porcupine C. W. L.

Officers Elected at Annual Meeting.

South Porcupine, April 19-(Special to The Advance)—The fifth annual meeting of South Porcupine Sub-division of the C.W.L. of Canada took place in the vestry of St. Joachim's Church at 8 p.m. on Friday, April 14th, the chaplain, Rev. Fr. Gelinas, and many members attending. Owing to the unavoidable absence of the president, the chair was occupied by the first vice-president. After the reading of minutes of previous meeting and general business a report of the work accomplished by the different conveners was pre-
