

Successful Whist by Ladies' Auxiliary

Social Evening for Members and Friends on Tuesday Evening.

Eighteen tables of whist were played at the Ladies' Auxiliary Partner Whist drive held in the Legion hall on Tuesday evening.

Winners at whist were: 1st, Mrs. Stephens and Mr. Brough; 2nd, Mrs. Allen and Mrs. Devine; and 3rd, Mrs.

Bezonson and Mrs. Maynard winning from Mrs. Stonehouse and Mrs. Walker, Mrs. Shaw and Mrs. Ormston, and Mrs. Thomson and Mrs. Whittman on a cut.

The Ladies' Auxiliary will entertain at a social evening in the Legion hall on Tuesday, April 25th. This event is for members and their invited guests.

The next regular meeting of the Ladies' Auxiliary will take place on Monday, May 1st.

Annual "At Home" of the Iroquois Falls I. O. O. F.

Iroquois Falls, April 18.—(Special to The Advance)—Including the Sister Lodge, together with friends and close

associates, the Iroquois Falls Oddfellows' Lodge No. 468, held their annual "At Home" night, here on Monday evening in the Orange hall.

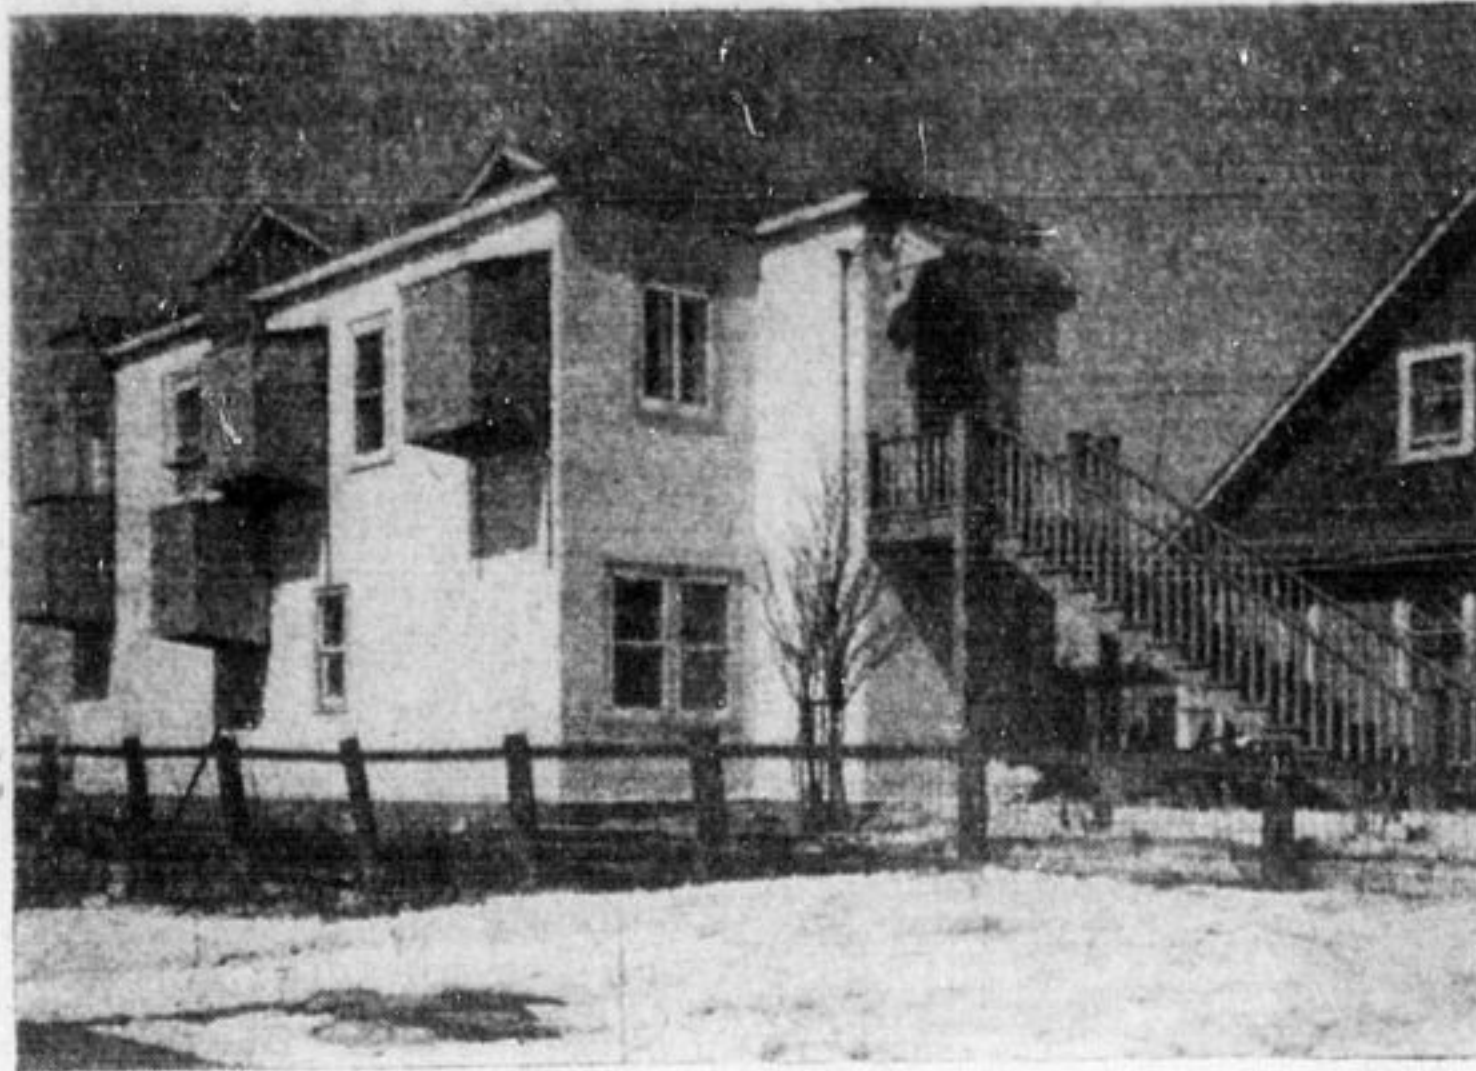

An event, long anticipated, gives an excellent opportunity for all members associated with this great lodge to come together and enjoy an evening of full entertainment.

With nearly one hundred assembling the evening was most successful and included in the entertainment were card games. Winners of the highly contested bridge games were: ladies, first, Mrs. K. Kussner; second, Mrs. A. Nixon; and consolation, Mrs. Frank Bean. Winners for the gentlemen were first, Mrs. L. Gliberman; second, Mr. G. L. Cameron; and consolation, Mr. K. Kussner.

While many participated in the bridge games, still another group played the well-known game of 500, and in this section, winners were: ladies, first, Mrs. A. Walters; second, Mrs. O. Wolf; and consolation, Mrs. N. Curley. For the gentlemen playing 500, winners were: first, Mr. O. Wolf; second, Mr. P. Crigger; and consolation, Mr. J. McLaren.

During intermission, a most dainty lunch was served by the ladies and greatly enjoyed by all. Furthering their entertainment, many danced to the music supplied by Keith McLaren and Bernard Spence till late in the evening, bringing to a close another successful evening sponsored by this lodge.

SUN RAY CLINIC HERE

Above is shown the building at 17 Elm street north which contains the Sun Ray Health Clinic, formally opened on Friday. Various ailments are treated there with the Luxostat Health Machine, which controls sunlight, increasing or decreasing its intensity at the will of the operator. The clinic opened recently and patients recommended by physicians may be treated there. (Advance Engraving).

Chief Mines Inspector to Speak at Institute

D. G. Sinclair, Chief Mining Inspector for Ontario, will be the speaker at the next meeting of local branch of the Canadian Institute of Mining and Metallurgy. Contrary to usual custom, the meeting will not be held in the Empire Hotel but in the community building of the McIntyre Arena at Schumacher.

Additional \$25,000 in Taxes for Timmins Now

(From Yesterday's Globe and Mail) Town of Timmins this year should receive \$25,000 to \$30,000 added tax revenues because of a measure to amend the Assessment Act, which was given first reading in the Ontario Legislature Monday, Mines Minister Paul Leduc estimated yesterday.

Mr. Leduc predicted Timmins, Teck Township and Tisdale township, in which are located most of Ontario's profit-making gold mines, would together receive \$175,000 more this year from the tax on mine profits.

"The bill is an effort to help the municipalities, and it will affect only mines with profits, determined by the mine assessors under the Mining Tax Act, of \$2,333,000 or more," said the Minister.

The Assessment Act as it now stands fixes the municipal tax on mine profits at 1 1/2 per cent until the tax reaches \$35,000. Tax on the excess of profits over \$2,333,000 is 1 per cent.

The amending bill, which received first reading yesterday, fixes the rate after the \$35,000 tax has been paid at 2 1/2 per cent.

With the 1 1/2 mill provincial subsidy added to the higher tax on mine profits, the Northern municipalities should have their financial problems eased considerably, said Mr. Leduc.

To Feature Debate on Woman's Sphere

Fireside Club Accepts Invitation of Men's Forum for Discussion on Monday.

A most interesting feature of the meeting of the Men's Forum of the United Church in the basement of the church on Monday evening, April 24th, will be a debate on woman's proper place. The ladies of the Fireside Club have accepted an invitation to attend this meeting and defend themselves in a debate entitled, "Resolved that Woman's Place is in the Home." The meeting, which will commence at 8 o'clock, will also have many other interesting features on the programme, including songs and other music, discussion, and a buffet lunch.

Re-Arrest Wm. Ruby on a Second Charge

Now Faces Two Charges of Conducting a Lottery. Arrest Alleged Drunk Driver

William Ruby, of Timmins, who appeared before Magistrate Atkinson on Tuesday on a charge of running a lottery and who was remanded for a week, was re-arrested yesterday on a second charge. He will face the pair of charges in police court next Tuesday. The charges follow the alleged sale of lottery tickets.

Maurice Chartrand was released on bail of \$1,000 property last night after he was arrested on a charge of being drunk in charge of an automobile. Mr. Chartrand was not involved in a motor accident.

When three youths who appeared in court last week on charges of breaking and entering the Boston Cafe gave their evidence they said that the actual breaking of the lock on the door of the cafe was done by one Rene Lebrun. Yesterday Lebrun was arrested by police on a charge of breaking and entering.

Two drunks were picked up during the day and released on summonses.

C. W. L. Presenting Irish Film Feature

Event To-night and To-morrow at Church of Nativity Hall.

The Catholic Women's League will present an Irish film, "Kathleen Mavourneen," in the hall of the Church of Nativity this (Thursday) and tomorrow (Friday) evenings. Special matinees to accommodate school children are also being shown, the first at 4 o'clock today and the second at 5 o'clock on Friday. The evening performances will commence at 8.15 p.m. This film has a setting completed in Ireland, and played at one theatre in New York City for five months. It is an excellent presentation and will provide much valuable entertainment. The scenery is especially worthy of mention, as is the cast of characters who have been especially well-chosen and directed.

Symphony Orchestra to Give Concert April 23rd

The Timmins Symphony Orchestra will present a concert in the Harmony Hall, Fourth Ave., Timmins, on Sunday evening, April 23rd, at 8.30 p.m., after the church services. Previous events by the Timmins Symphony orchestra have delighted all music-lovers attending, and the concert on Sunday evening is sure to be up to the previous high standards. The Timmins Symphony orchestra has made a fine name for itself by the notable progress made in music, and the programme on Sunday evening will add to its laurels. Mr. H. F. Schroeder is the conductor and director of the Symphony orchestra and this fact is sufficient proof of the excellence of the orchestra and the fact that they will all do their best, and that the best is sure to be good. The programme will include vocal as well as instrumental selections and there will be interest as well as variety in the numbers to be given. A short children's programme is scheduled to precede the regular concert. All lovers of music will feel more than repaid for the time and trouble spent, when they hear and enjoy the concert event.

One of Russ Cryderman's Stories of Dynamite Cap

(From "Grab Samples") A friend of long standing reports that the doctors are giving him nitro-glycerine pills and he says he is afraid to go down the street for fear that some acquaintance will come along and greet him with a slap on the back. He opines that in such case he would explode. Which is reminiscent of a story that Russ Cryderman tells about a shaft contract that a partner and he had years ago in the Sudbury district. It was a six by six single compartment affair and the crew, which worked ten-hour shifts, included a young man who had not had much mining experience and who delighted in taking foolhardy chances. It was the daring custom of this young miner to bite the explosives cap on to the fuse. One day he swallowed a cap, a mishap which occasioned a lot of joshing on the part of crew members. The cook heard about it and became alarmed. He refused to allow the young man into the cookery and when meantime came he would carry a plate out into the clearing, place it on a stump and yell, "Fire!"

To Discuss Entering Candidate in Coming Municipal Election

Citizens' League Suggests Banning "Progressive" Groups to Select Candidate.

That the Timmins Citizens' League and the Labour Representatives Association may band together with other organizations described as "progressive" and run one or more candidates in the municipal election which will probably be held early in May, was deemed a possibility last night. The Timmins Citizens' League met and a resolution was passed to call the organizations together next Wednesday and discuss the matter.

In view of the fact that the Town Council will probably deal with the matter of an election to fill the three vacancies on the municipal body, the matter was not given serious attention at last night's League meeting. It was decided to wait until the Council had taken definite action to call an election.

Recently the Council received a letter from the Citizens' League which asked the Mayor and three members to resign and to attend last night's League meeting. Both requests were indignantly refused by the Town fathers.

A resolution of protest against the open season, which ended on April 15, allowing the trapping of beaver in the area, was passed. The resolution asked the government to close the season when female beaver were carrying their young.

A brief from the Ontario Federation of Unemployed to the Dominion government which dealt with the unemployed problem, was endorsed by the meeting. The brief asked that machinery be set up to register all single, unemployed workers, permanently located and transients, across the coun-

try. It asked that the National Housing Act be amended to enable municipalities to deal directly with the Dominion government instead of through the Provincial government as they now are required to do. Completion of the trans-Canada highway, the carrying through of the St. Lawrence Seaway project, drought control in the west, reforestation and road improvement, were also asked for.

"Single men in this town are practically starving to death," said one lady from the audience last night. This town is lax in its attitude to single men and also to those who are married. There are single ex-servicemen who are sleeping outside at night," she continued.

"This is a pretty situation when they soon will be asking some of these men to put on a uniform again. Just because this is a gold town it does not mean that everybody here is sitting pretty," she continued.

The lady made other charges. Transients were dropping dead on railroad tracks she said. It was only after ten years that the government was beginning to take notice that thousands of transients were starving.

A deputation will approach the Council at its next meeting in connection with relief for single unemployed men.

A member of the audience suggested that outside women were coming into Timmins and getting jobs here—jobs that should be given to local girls. Decision was to refer the matter to the Business Girls' Club and to the Women's Institute.

Rummage Sale Saturday Auspices Fireside Club

The Fireside Club of the United Church announces a rummage sale to be held in the basement of the church on Saturday of this week, April 22nd, commencing at 9 o'clock. Previous events of similar kind under the auspices of the Fireside Club give assurance that the rummage sale on Saturday will be well worth while attending.

"How wonderful, Grace!"

"Yes, I can hardly believe it myself. Imagine a model kitchen with all sorts of cupboards and working space . . . a bright cheery room planned especially for the children . . . and at last George will have his own garden to putter around . . . and a breakfast nook, of course, flooded with morning sunshine.

"It's all so easy, too. A small down payment (not half as much as the cost of our car) and the rest is actually less than the rent we're paying now. In a few years our house will be entirely paid for and it will be like living rent free.

"Hill-Clark-Francis explained it's the government housing act that makes it all possible. They're working on the plans now. Just as soon as the weather is suitable they'll start building. George says we'll only build once so we want it built right, so of course, we're having Hill-Clark-Francis take complete charge."
