

Prospectors' Assn. Interview Govts.

(Continued from Page One)
and Grassy River to English and Zavitz Townships; Mattagami River—That a channel be made from Pigeon Rapids to Wawaitin Landing, a small amount of work; Redstone River—be cleared and portages cut. Kamiskotia River—be cleared and portages cut to Cote Township; Night Hawk and Whitefish Rivers at the head waters be cleared to the Height of Land.
(3) That all townships now in the

Temagami Forest Reserve, which are now included in the Porcupine Mining Division, be withdrawn from the Reserve so that patents can be issued instead of leases.

(4) That all the trees on mining claims after issue of patent be granted to the patentee. It would become the duty of the patentee to stop wantonly trespassing, and to carry out reforestation and protect trees. Paying taxes on his own property and growing Government trees does not seem reasonable. Careful study of individual benefits to be derived from owning trees compares more favourably than the revenue obtained by the Government.

Wood lots should be encouraged by the Government.

(5) That Sec. 104 of Chap. 45, R.S.O. 1927, be revised in favour of the prospectors.

Respectfully submitted
tee here, facilities will be made to allow the Prospectors' Association to lay its case before the committee at some Porcupine Prospectors' Association. W. B. Nicholson, President; Geo. A. Henderson, Exec. Chairman; L. Rotondo, Rec. Secretary.

N.B.—Grand celebration of the Discovery of Gold in Porcupine in 1909 will be held at South Porcupine, Ontario, August 5th to 12th, 1939.

Lady Lindsay

Lady Lindsay, wife of the retiring British ambassador to Washington, taking pictures in her beautiful garden, where she will entertain the King and Queen at a garden party.

In the interview here Hon. Mr. Leduc assured the representatives that every point in the brief presented by the Prospectors' Association would be given the most careful consideration. In regard to matters of interest to prospectors in connection with timber on mining claims, Hon. Mr. Leduc said that if the committee to investigate timber matters has a meeting in Timmins or near Timmins the Prospectors' Association will be given opportunity to appear before this body, of which Hon. Mr. Leduc is the chairman. In case there is no meeting of the committee where the committee does meet, Hon. Mr. Crerar also showed a ready sympathy with the prospectors and appeared to be equally anxious to help them in any reasonable way.
In addition to seeing the two visiting ministers last week, various officers of the Prospectors' Association took opportunity to interview various officials of the two departments of mines, these officials being here in connection with the formal opening of the Preston East Dome mill. In each and every case they found ministers and officials alike eager to listen and to learn details of difficulties encountered by the prospectors and very ready to consider means and methods for assisting the prospectors and thus helping along the progress of the North and of Canada.

Since its recent organization the Porcupine Prospectors' Association has been able to accomplish much in the interests of the prospector and the country. Probably the most valuable service is the placing before the governments and officials the actual conditions and circumstances, together with supporting facts and figures. There is considerable to be done yet to secure the best possible chance for the prospector. So far the association has been given great encouragement. "We've just got to keep hammering away at it," said President Nicholson this week.

Pretty Wedding at St. Matthew's Church

Miss Elizabeth Hazel Innes and Mr. Stanley Bell Married.

A charming wedding was solemnized by the Rev. Canon R. S. Cushing on Wednesday afternoon at 5 o'clock, when he united in marriage Elizabeth Hazel daughter of Mr. and Mrs. Ralph Robert Innes, and Mr. Stanley Bell, son of Mr. and Mrs. Joseph Bell, of 7 Bannerman Ave., Timmins. The wedding took place at the St. Matthew's Anglican Church in the presence of numerous friends of the popular bride and groom.

The bride becomingly attired for the occasion, was attended by her sister, Miss Dorothy Ethel Innes, who was also attractively attired. Mr. James Simpson attended as groomsmen.
Mr. and Mrs. Bell will reside in Timmins.

Waterloo Chronicle: The government is going after thieving money-lenders who exact exorbitant rates of interest. One struggling man is said to have paid as high as 700 per cent. for a small loan. Thousands of others have been robbed after signing notes with conditions of which they had no knowledge.

Councils Take Time Last Night to 'Pan' Ontario Municipal Board

Procrastination Costly to Tisdale and Timmins Councils Maintain. No "Gumption," Says Reeve Evans.

While the Councils of the Township of Tisdale and the Town of Timmins were together last night to discuss health measures for the camp as a whole, they took a little time off to give the Ontario Municipal Board a "going over." The Board is scheduled to sit in Timmins and in Tisdale on May 10th.

Timmins intends to ask the Board's approval upon proposed expenditures of \$233,000. Tisdale's proposed expenditures are \$30,000.

Last year, said Reeve Evans, of Tisdale, the Municipal Board sat in Tisdale. It apparently got all the information it wanted but gave no decision as to whether or not the outlined expenditures for municipal construction could be made. It delayed so long before giving a decision that the period during which construction should be made was almost over and when it was started it was much more expensive.

"They took two or three weeks to reply to a letter," said Reeve Evans. "When we see the Board this year we intend to impress upon the members the fact that they are lacking in co-operation."

"We have the same complaint," said Mayor Bartleman. "I wrote a letter to the Board some time ago and asked it to get here as soon as possible. It should certainly be here before May 10th. Why, we should be starting work at that time."

"I think," said Reeve Evans, "that if they intend to turn you down they would rather do so by letter. They haven't got enough gumption to hand it out at the time."

Mayor Bartleman: "I believe they are trying to impress us with their importance." The Mayor used as an example of the Board's procrastination the construction of the new town hall. Permission was applied for and not granted until the cost of materials was away up in price. It cost the Town of Timmins \$15,000 he said.

Reeve Evans: "I think they should be prepared to give a decision while they are here. If it is a refusal they should have their reasons for doing so and give them."

Mayor Bartleman suggested that the two Councils jointly prepare a brief to be forwarded to the Board but Mr. Frank Evans, Tisdale Clerk, counseled caution. One had to be diplomatic with such men who were as powerful as they, he said.

The matter was left in the air.

Body of Young Man Taken from Lake

(Continued From Page One)
to a cap visible through a crack in the ice. Prying with a piece of pipe, the trio soon ascertained the body of man was in the water under the ice, and they called police. Constable Art Souliere and Fred Simpson reponing. They brought the body to shore and called the coroner, Dr. W. C. Arnold.

Removed to the undertaking parlors of Thorpe and Tulloch, an examination of the body disclosed the remains to be in such condition that it was impossible to determine even the approximate age of the victim, and search of his clothing provided no clue to the mystery. It was apparent the body had been in the water many months, since Lake Temiskaming has been frozen over since before Christmas and is only now showing signs of the spring breakup. The body was fully clothed and the clothes were encased in mud, indicating it had been lying on the bottom of the lake, it is believed, for some time past and released, perhaps, with the rising of the water level.

Later examination had disclosed the body to be that of a man apparently between 21 and 25 years of age, police said. The victim was clad in light-weight trousers, overshoes and cap, two sweaters, but without mitts. The clothing is being dried out and later further examination will be made to learn if any clues may be gleaned from the garments toward showing identity of the young man. The coroner ordered immediate burial of the body, which was interred here today.

Huntingdon Gleaner: Welfare officials at Charles City, Iowa, have been struggling with the problem of persons on relief marrying and establishing a new home and family, dependent upon relief, of course. Latest action taken is to deny relief to newly wedded persons during their first year of married life.

Pleasant Card Party by Ladies' Auxiliary Tuesday

Fourteen tables of progressive whist were played on Tuesday evening at the Legion hall, when members of the Ladies' Auxiliary acted as hostesses to their friends at a delightfully arranged evening. The event was arranged by Mrs. Harvey, social convener, and Mrs. Walter Wilkinson and Mrs. R. Hardy were the M.C.'s.

Prizes were won as follows: Ladies, 1st, Mrs. Huyton; 2nd, Mrs. H. McQuarrie; 3rd, Mrs. J. Shaw; gentlemen: 1st, Mrs. Bert Richards; 2nd, Mrs. Jacklin; 3rd, Mrs. R. Ormston (all playing as gentlemen).

After the cards a dainty and tasty lunch was served by Mrs. Jennings and the kitchen staff.

Annual Banquet of Ladies' Auxiliary of the Legion, May 9th

Other Social Events Planned for Near Future by Ladies' Auxiliary.

A large attendance marked the regular monthly meeting of the Ladies' Auxiliary of the Canadian Legion, held in the Legion hall on Cedar street, on Monday evening. The president, Mrs. Hardy, occupied the chair, and a new member, Mrs. Leslie Nicholson, was initiated.

The members and their husbands received an invitation from the South Porcupine Legion, to attend a social evening to be held by that branch on Saturday evening, May 6th.

Mrs. Dupont, of the Buffalo-Ankerite, a popular member of the Auxiliary extended an invitation to all her fellow-members and their husbands, to attend a party which she will hold in the Legion hall on May 22nd.

The members outlined a programme for the month, the first event in the list being a progressive whist party to be held on May 2nd (Tuesday last), in the Legion hall.

On May 9th, the Auxiliary will hold its annual birthday banquet, for members and their husbands. All members who wish to attend, are asked to notify Mrs. H. J. McGarry, Phone 2273-J, so that suitable arrangements may be made for catering. This event has become one of the most popular in the club year, and members are asked to remember the date this year—May 9th.

On May 16th, the members extend an invitation to a 500 card party, and on May 23rd, they will hold a partner whist drive.

May 30th is the date of the closing social evening, and the Auxiliary has extended an invitation to the South Porcupine branch of the Auxiliary and their husbands to attend this event.

After the business of the meeting, a delightful lunch was served by Mrs. Jean Smith and the kitchen committee.

The next regular meeting of the Ladies' Auxiliary will be held on Monday, June 5th.

A.Y.P.A. Planning for Annual Banquet

Yearly Event to be Held on May 21st.

The A.Y.P.A. held its weekly meeting in the parish hall of the St. Matthew's Anglican church on Wednesday evening, with the president, Jack Kirkett, in the chair.

The president gave an interesting report of the local council meeting at South Porcupine, the members discussing the trip to be made by a delegate of the district to represent the branches here at the annual convention in Vancouver.

Plans were made for the A.Y.P.A. banquet to be held on May 1st, and after the business of the meeting, Mr. C. Lacey gave a talk on his trip to Vancouver which was greatly enjoyed by the members. He pointed out the various points of interest in the Rockies, and illustrated his address with snapshots which he had taken during his visit.

The meeting closed with prayer, led by the Rev. Canon R. S. Cushing.

The next regular meeting of the A.Y.P.A. will take the form of a theatre night, and will take place in the parish hall on Wednesday, May 10th.

Funeral Yesterday of Salvator Masse

Resident Here Several Years But No Relatives in This Country.

The death occurred at St. Mary's hospital on Tuesday morning of Mr. Salvator Masse. The late Mr. Masse had been ill for about ten months. He was born in Spain, and no relatives are resident in Timmins, although he had been a resident of the town for several years.

Funeral services were held on Wednesday afternoon at 3.30 o'clock at the Church of Nativity by the Rev. Fr. Leo Madry, with interment in the Timmins cemetery.

Windsor Star: Hon. R. J. Macdon took a slam at Communism a few days ago. Now he has taken one as Fascism. The Conservative leader has gone on record as against the Dictatorial Triumvirate of Stalin, Hitler and Mussolini. Most Canadians feel the same way about those three tyrants, because most Canadians have a deeply rooted belief in democracy.
