

# Quality You'll Enjoy "SALADA" TEA

## Interesting Story of a Boy's Birthday Party

Host at This Particular Party Was a Lad of Eleven Years of Age, Who Chose the Menu. And Here is the Menu. Anyone Can See There is Ice-Cream.

Part of the fun about having a birthday party when you have achieved all of eleven years is to have the privilege of choosing the things you like best

By EDITH M. BARBER

for your party! The fifteen young men, school friends of the host, agreed with Edwin Tuttle, as the remand for second helpings and well cleaned plates showed. And this was the menu:

- Menu  
Stuffed baked potatoes  
Buttered string beans  
Corn sticks  
Ice cream  
Milk  
Cake

That word "milk" should be capitalized. Glasses seemed empty themselves and although eight quarts had been allowed, it was all gone, and still there were requests for more.

The ice cream was in fancy shapes

and there was definite choice as to whether the guests preferred more chocolate or more vanilla. Neither did they hesitate to express their choice in regard to frostings on the cakes. For this party there were two cakes, one frosted with white icing and another with chocolate. They were placed on a large round cake board, which was designed to hold candles. Of course no birthday would be complete without an opportunity to blow out the lighted candles and to make wishes for the coming year.

The table cloth and napkins were paper, gaily colored and very practical, when the guests are active boys. There were, of course, crackers, and other favors which go with parties.

### Meat Loaf

- Two pounds lean beef, chopped.
- Half-pound salt pork, chopped.
- Two eggs, slightly beaten.
- One cup milk.
- Three tablespoons butter, melted.
- Three tablespoons catsup.
- One-quarter teaspoon pepper.
- One tablespoon salt.
- One medium-sized onion, minced.
- One cup soft bread crumbs.
- Six strips bacon.

Mix all ingredients and shape into a loaf. Cover with bacon. Bake in a moderate oven, 375 degrees F., an hour and a half.

### Corn Sticks

- One-quarter cup butter.
- One-half cup sugar.
- Two eggs.
- One cup milk.
- Two cups flour.
- One cup corn meal.
- 5 teaspoons baking powder.
- One and one-half teaspoons salt.

Cream butter, add sugar and beaten eggs. Stir in milk alternately with the mixed and sifted dry ingredients. Beat

## Beauty and You

by PATRICIA LINDSAY

This helpful lip-liner with matching lipstick is sold at your cosmetic counter. It comes in six heavenly shades.

### Rosebud Lips or Garbo's—Simply Make Your Choice

For years the Hollywood girls were way ahead of the rest of us, when it came to lip allure! Didn't you frequently wonder how they could have such compelling lips as you watched them talk and smile and kiss on the screen?

Back in my own bedroom I used to try to make my lips look like my current screen favorite's—but with little success. In fact I only managed to smear my mouth into such a mess that it practically took a hot oil treatment to remove the irregularly applied lip rouge! Little did I know that definite make-up tricks were responsible for the lip loveliness that appeared in the movies!

#### New Available to All

A lip pencil, or a brush and liquid rouge, usually outlined the star's lips. With such devices she could fashion her mouth full or thin, according to her desire. And matching lipstick filled in the outline, smoothing and with becoming color. Today any woman can change the shape of her lips and do it well providing she has the proper tools and will take a little time.

A new lip-liner is similar to a mechanical pencil—you just turn it and a lip pencil appears with which you draw the shape of mouth you want for the day. This pencil comes in six exquisite shades with a matching lipstick for each shade. The trick is to fill in the penciled outline with your

lipstick which assures you smooth-edge lips of becoming size!

After applying lip rouge you should lightly bite a facial tissue, which absorbs surplus coloring, and then dust your lips with a bit of powder to "set" the remaining color. Your tongue removes the powdery look at the first quick lick! Lip coloring stays intact much longer if you do not eat or drink or smoke for at least fifteen minutes after you apply.

Of course, there are permanent lip colorings—particularly in the liquid form which you paint on with a brush—and certainly they do stay with you for hours at a time.

You should definitely strive for "even" lips, and nothing aids you more than a lip liner or a brush in acquiring that. Most men criticize women for their messy lip appearance—they actually do not object to the coloring if it is almost indispensable if you wish to alter your natural lip line the slightest degree!

#### Lola Lane's Pet Lip Trick

Every star in Hollywood seems to have an individual trick for making lipstick permanent. Lola Lane applies cream rouge on her lips first, then uses a lip liner and fills in with lipstick. She then blots and powders her lips. Result—attractive full lips which never peel and always keep their outline.

## Crowned "Queen of the Porcupine"

Miss Gertrude Devine Winner of Honour at Dance.

Miss Gertrude Devine, a fittingly lovely representative of the district, was crowned "Queen of the Porcupine" on Thursday evening, at the second night of the opening of the Riverside Pavilion for the season. Mayor J. P. Bartleman performed the "coronation ceremony" congratulating the attractive winner on behalf of the large crowd who were present to witness the beauty contest.

Miss Devine, daughter of the late Mr. and Mrs. Devine, of 205 Elm street north, is a charming auburn-haired beauty, with blue eyes. She came to Timmins from Sturgeon Falls in October of 1938, and is employed at the F. W. Woolworth branch in Timmins. She is twenty-one years of age.

Mrs. Dorothy Crocini was the runner-up in the event, receiving two of the five votes given by the judges, Mayor Bartleman, Councillors Armstrong and McNeil, Provincial Officer Harold Gall and Mr. Leiberman. The judges unanimously voted Mr. Gall as consort to the queen.

Miss Devine was also the lucky winner of the waltz contest, her partner being Mr. Bob Churchill, who is well-known in the town and district. The prize in the beauty contest was a trip to Toronto to see Their Majesties, King George and Queen Elizabeth (all expenses paid), while in the waltz contest Miss Devine received a beautiful cut-glass vase. Mr. Churchill became the possessor of a silver cup.

The jitterbug contest which brought out some of the best talent in this form of dancing in this area, was won by Miss Jean Norton and Mr. Jack Daly, whose smooth rendition of "jitterbug" dancing was a treat for the onlookers. Miss Norton and Mr. Daly both formerly of Montreal, are newcomers to the district, Miss Norton having been here for only two weeks, while Mr. Daly has been here since the 1st of March. Miss Norton is employed at the F. W. Woolworth Company, and Mr. Daly is an employee of the Canadian Acceptance Co. Miss Norton was award-

ed a cocktail set, and Mr. Daly received a silver cup.

Runners up in the jitterbug contest were Miss Nadine Malouin and Mr. Sam Guiseppi.

During the evening, music for dancing was rendered by Ernest Manero and His Northern Gentlemen orchestra, which is winning increased favour with dancers in this district. A floor show and fashion show were part of the evening's entertainment.

## Current Affairs Discussed at Girls' Club Meeting

Visit of King and Queen to Draw Empire Closer Together.

A friendly meeting of the Porcupine Business Girls' Club was held at the home of Miss Lily Glaister, president, 258 Birch street north, on Friday evening. In spite of the cold weather, a large number of members were present at the meeting.

The chest, which will be a draw feature at an event to take place in June, has been prepared and is now on display in the window of the Robert Simpson Co. branch in Timmins. During a short business session, it was decided that the chest would be given away at a tea and bazaar to be held on June 10th. Definite time and place will be announced at a later date.

The remainder of the evening was spent in an open discussion of current affairs. The visit of the King and Queen to Canada was the main interest of the evening, and it was agreed that their coming to this country is drawing the people together and making them a real part of the British Empire.

A dainty and tasty lunch was served by the hostess.

The next meeting of the Club will be a special meeting on Thursday of this week, May 18th.

Niagara Falls Review—There are many people who consider there should be some change in the monetary system and that goods should be based on definite units of labour. Along that line it may be of interest to quote a table which shows an hour of labour in Canada and the United States will buy another 7.5 lbs. of bread; in Britain 5.2 pounds; France 5.0; Belgium 4.9; Italy 2.8; Germany 2.5; Russia 1.9.

## Field Secretary for Institute for Blind

D. B. Lawley Here to Arrange Campaign for Work for Blind.

Mr. D. B. Lawley, field secretary for the Canadian National Institute for the Blind, is to be in Timmins this week for the purpose of directing the annual appeal for finances to carry on the splendid work of the Institute. Mr. Lawley has been visiting Timmins and district for the past eight years—not only at the time of the annual appeal for funds—but also at other times during the year to help blind people in the district and to assist in other ways in the notable work of the organization he represents. During these eight years Mr. Lawley has made wide circles of friends by his geniality, his keen intelligence, his happy humour and the genuine devotion he gives to the work for the blind. Mr. Lawley, who has himself been blind for over twenty years, understands in the deepest way the problems faced by the blind, while at the same time he has kept in closest touch with the general public, and thus has proved a valuable link between the two. He will be welcomed here for his own sake and for the sake of the cause he serves.

May 27th will be Tag Day for the blind in Timmins, due permission being given for this by the town council, and in the meantime there will be the regular appeal for support from the business, professional and other interests.

While in Timmins Mr. Lawley will also look after the interests of blind people here. He has in mind, for example, the case of one young man living in Timmins, whom he hopes to have established soon in the factory of the Canadian National Institute for the Blind where he will take up training and employment in broom-making. This is only one of scores of cases where Mr. Lawley and the Institute for the Blind have been responsible for bringing new hope and giving new chance to blind persons in this town and immediate district.

It is not too much to say that Mr. Lawley has come in the North to particularly represent the interests of the blind. Now most people here know him and to others he is always ready to present his credentials.

In this connection it is worth noting that a group of apparently unauthorized salesmen are in the North to sell goods said to be made by blind persons. These sighted salesmen are without credentials from the Canadian National Institute for the Blind and there is no guarantee that the goods they are offering for sale are made by the blind. Mr. Lawley, who is always anxious to safeguard the interest and sympathies of friends of the blind, suggests that those approached by strangers insist on seeing their credentials from the Institute for the Blind, duly signed by an officer of the Institute at 186 Beverley St., Toronto. All those sent out by the Institute carry proper credentials and will be pleased to show them at any time.

Blairmore Enterprise—The only time a woman complains about having too many clothes is on washday.

## Quiet Wedding at the United Church Last Week

A quiet wedding took place at the United Church manse on Wednesday afternoon at 1:15 o'clock, when the Rev. W. M. Mustard united in marriage Annie Pierce, daughter of Mr. and Mrs. Edward Pierce, and Mr. John Garner, son of Mr. and Mrs. Wm. Garner. Witnesses at the marriage were Mrs. McKewan and Mrs. Mustard.

## Charge Woman Drove Car While License Suspended

Simone Gauthier was arrested last night on a charge of driving an automobile while her driver's license was under suspension. She has been released on a summons and will appear in Magistrate Atkinson's police court next Tuesday.

Miss Gauthier's license was cancelled several weeks ago following conviction on a traffic infraction. At that time she paid a fine.

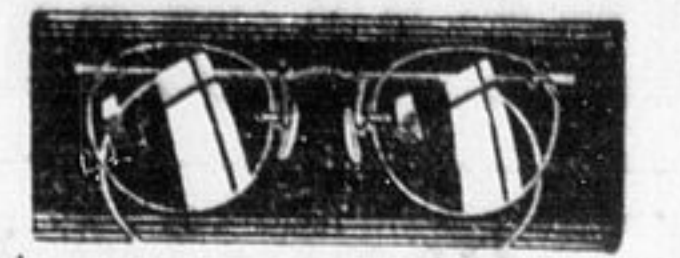

## Charming Wedding Event at Timmins Baptist Church

A quiet yet charming wedding took place in the Baptist Church on Friday evening at 8:30 o'clock, when Thelma

Gertrude, daughter of Mr. and Mrs. Henry McCaffery, became the bride of Mr. Wilkin Joseph Clark, of Shillington, son of Mr. and Mrs. James Clark. The Rev. H. Slade officiated in the presence of a few intimate friends.

The bride, who was becomingly attired for the occasion, was attended by Miss Evelyn Brightwell, while Mr. Lawrence Couias acted as groomsmen.

Mr. and Mrs. Clark will reside in Shillington.
