Local I.O.D.E. Observes Its 20th Anniversary

Business Meeting and Address by Mr. D. B. Lawley Followed by Cards and Social Evening. Loyal Good Wishes Expressed for King and Queen on Their Visit to Canada

Timmins Golden Chapter Imperial Order Daughters of Empire celebrated its twentieth anniversary on Tuesday evening at its May meeting. The evening was featured by an address by Mr. D. B. Lawley, field secretary of the Canadian National Institute for the Blind, followed by cards and a social evening, with an interesting and pleasant programme, and the serving of refreshments that included an attractive birthday cake. At the opening of the meeting there was a brief business session, this part of the programme being featured by an address by Mr. D. B. Lawley, field secretary of the Institute for the Blind. Mr. Lawley spoke on the work of the Institute, and dealt especially with the Institute's system of financing. He also referred to the plan of operating news stand whereby comfortable employment is given to many blind persons. This phase of the work proved very interesting as there are several of these news stands operating in Timmins and district. Mr. Lawley will remain in Timmins till the Tag Day here on Saturday, May 27th. The I.O.D.E. Committee for the Blind, with Mrs. L. E. Dorway, convener, heartily welcomes assistance from other organizations of individuals wishing to share in this worthy work. Anyone wishing to help along the work for the blind, kindly telephone Mrs. Dorway, Phone 459-W. Headquarters for the Tag Day will be the Legion Hall, which again this year has kindly been loaned to Mr. Lawley by the Legion.

The National annual meeting of the I.O.D.E. this year is being held in the Royal York Hotel, Toronto, from May 27th to June 1st. The Chapter has appointed their Regent (Mrs. H. L. Traver) to represent the local Chapter for the first time at a National Chapter convention. The meeting then enjoyed a social evening of bridge arranged by Mrs. F. H. V. Ball and Mrs. Lloyd. There were five tables of bridge and one of Five Hundred. The prize-winners for bridge were: 1st, Mrs. Moody, who won a lovely relish tray donated by Mrs. A. Bookcr; 2nd, Mrs. T. E. Pritchard, who received a Royal Visit souvenir cup and saucer donated by Mrs. A. P. Currier. The consolation prize donated by Mrs. Holtz, was won by Mrs. Ball. Mrs. Dorway won first for five hundred, the prize being a crystal salt and pepper set donated by Mrs. Traver. Dainty refreshments were then enjoyed, the big feature being a birthday cake decorated with twenty candles. Mrs. Moody entertained with two amusing monologues that pleased the gathering. The evening concluded with the heartfelt singing of the National Anthem, as the Chapter considered the fact that Their Majesties the King and Queen would soon arrive on the soil of the Canadian Dominion. The hopes of all were for the safety and happiness of the King and Queen during their visit to Canada and the United States, and a safe return for them to their home in the Old Land. Thus a happy evening marked the twentieth anniversary of Timmins Golden Chapter, one of the earliest organizations of ladies to be established in this town.

Fire Threatens the Village of Valrita Near Kapuskasing

Church and School Destroyed by Fire Tuesday.

Valrita, May 16.—Fire early today destroyed the Roman Catholic church and school of this little community five miles west of Kapuskasing and threatened the life of Miss L. Pilon, teacher sleeping in the schoolhouse. The alarm was first raised by G. J. Buckley, C.N.R. station agent, who was attracted by lights in the sky. Thinking there was an especially spectacular display of northern lights, he stepped outside the station to see them and noticed flames were shooting from the bell tower of the church.

Buckley first rushed to the schoolhouse and roused Miss Pilon, then roused the village folk with shouts of "fire." The school teacher was barely out of the frame building before it was completely enveloped in flames. The residents of Valrita formed a bucket brigade and fought desperately to save buildings near the church. Fanned by a strong wind the flames were making headway until a sudden shift in the wind saved the rest of the municipality.

Fire Chief S. Robinson and three men from the Kapuskasing Fire Department responded to a call for aid and took charge of the bucket brigade. Wet blankets were spread over threatened buildings. The church and school and all their contents were a total loss as no insurance had been carried. Miss Pilon was so overcome by the near loss of her life, the loss of her books and effects irretrievably, that she was unable to say anything tonight about the fire.

"Being an enthusiastic reader," said Mr. Buckley, "I was quite engrossed in my book early this morning when I noticed a strange reflection in the sky. At first I paid no attention to it as
