### Locomotive of Royal Train Ready

Scheduled for the biggest job ever assigned to a steam locomotive, Canadian Pacific engine 2850, photographed at the Angus Shops in Montreal, is ready to haul Their Majesties the King and Queen on their 3,000-mile trip across Canada. The royal train will mark the first time one engine has made a continuous journey of this length, and 2850's record will not be equalled on the tour.

Specially re-fitted and decorated for the occasion the big Canadian Pacific locomotive is a mass of shining stainless steel, royal blue, silver and gold. The semi-stream-

### Year's Biggest Docket Tuesday - 108 Charges

Thirty-Six Parking By-law Infractions. Shoplifters Sent to Jail for Three and Six Month Terms. Usual Drunks, Vagrants, Wine Store Employee Charged With Selling to Intoxicated Person.

Magistrate Atkinson dealt with 108 cases, exclusive of juvenile charges, in police court on Tuesday afternoon. A large percentage of the cases were traffic by-law infractions.

Thirty-six fines of \$1 and costs of \$3.75 were paid for parking infractions, parking in restricted areas and not parking properly.

Six fines of \$5 and costs of \$3.75 were paid by motorists who regarded traffic lights as ornaments rather than signals to be obeyed.

Jay-Walkers and Drunks

Even the pedestrians paid tribute to the law of the land. One jaywalker paid a fine of \$5 and costs. Three paid fines of \$10 and costs for not having licenses to drive and defective brakes charges four \$10 fines.

Defective lights was another offence which drew official ire on the heads of motorists—official ire which could be assuaged only by the payment of a fine of \$10 and costs.

Those playboys of the open road, the speeders, were well represented. Three \$10 fines were levied upon them.

Four drunks were assessed \$10 and costs each. Arthur Stewart was given the alternative of a fine of \$50 and costs or 30 days in jail. Constable Amlin said that he picked him up in a lane "very drunk."

A third offender, John McCarthy, who had a long record of minor offences, was sent to jail for four months.

Trio of Shoplifters

Paul Boisvert and Michael Perkins each pleaded guilty to shoplifting in the Metropolitan Store. Boisvert stole two pair of socks and Perkins lifted

lined engine bears the royal arms over the headlight which has been sunk flush with the front of the boiler-casing; Imperial Crowns decorate each running board; the crest of the Canadian Pacific appears beneath the window of the cab and, on the tender, the royal arms four feet high are blazoned in relief.

The general decorative scheme comprises a background of deep blue on the underframe, smoke-box, front of engine and all marginal work on engine and tender. The sides of tender, cab and running boards are painted Royal Blue.

A panel of aluminum leaf laid in diagonal squares matching the panel on the cars of the royal train extends half way on the tender. The panel is outlined in gold.

The jacket on the locomotive, handrails on it and the tender and other trim is of stainless steel. Gold leaf has been employed on the engine numbers.

Engineer Eugene Leclerc, of Quebec, who was fireman on the royal train in 1901, will be the first Canadian engineer. He has been in regular Canadian Pacific service between Quebec and Montreal for approximately 48 years.

wine by Stachow.

Roland Arbique and Napoleon Lapalme pleaded guilty to fishing at night with lights. They each paid fines of \$10 and costs.

An adjournment was granted William Gillis, who is charged with having beaten a companion over the head with an electric iron in a brawl, in the New York Cafe.

ADVANCE SALE OF TICKETS FOR SUNDAY MIDNIGHT SHOW AT EMPIRE CIGAR STORE

Sunday midnight, and Monday and Tuesday, May 21st, 22nd and 23rd, may be set down as an extra special.

Hitting a new high in entertainment "The Ice Follies of 1939," starring Joan Crawford with James Stewart, Lew Ayres and Lewis Stone, will be at the Palace Theatre on Sunday midnight and Monday and Tuesday.

"The Ice Follies of 1939" contains the happy combination of plot, extravaganzas, and some of the best times to come out of Hollywood this season. It features Joan Crawford in the type of role which sky-rocketed her to screen fame, and in addition introduces her to audiences as a new find in film songstresses.

The story centres about Mary McKay, a singing ice skater who, through a series of strange twists of fate, finds herself on the top rung of the ladder to film fame. Her quick ascent, however, leaves husband Jimmie Stewart behind and the manner in which the two are finally reunited supplies plenty of punch to the dramatic action of the story.
