

Pretty Wedding at South Porcupine on Saturday

Miss Mona Mary Laforest and Dr. William Gerard Woods Married. Rev. Fr. Therriault Officiated. Church and Home Beautifully Decorated. Wedding Breakfast and Reception After the Ceremony.

South Porcupine, June 3.—(Special to The Advance)—One of the prettiest weddings of the season was solemnized on Saturday morning at 8.30 in St. Joachim's Church, when Mona Mary, fourth daughter of Mr. and Mrs. Fred LaForest, became the bride of Dr. William Gerard Woods, son of Dr. W. J. Woods, of Mimico.

The church was beautifully decorated for the occasion with calla lilies, and white hydrangeas and lilacs on the altar, and large baskets of tall spikes of stocks and snapdragon.

The Rev. Father Therriault, of Timmings, performed the marriage ceremony, assisted by Father Gelinus, parish priest.

Father Therriault has known the bride all her life; he baptized her; was her god-father, and now has tied the nuptial knot.

The bride, who was given away by her father, made a lovely picture in a bridal gown of valenciennes lace and net, which fell into a tiered and ruffled skirt from a tucked bodice. Her three-quarter length veil of illusion net was caught to the head in a coronet of fresh gardenias and lily-of-the-valley. White and silver accessories completed the ensemble. She carried a shower bouquet of butterfly roses, bavaria, baby's breath, and lily-of-the-valley.

She was attended by her sister, Miss Verne LaForest, as maid of honor, who was attired in a charming gown of erica pink net and taffeta, over taffeta, with powder blue accessories and cap of flowers. She carried a bouquet of tallisman roses, maiden-hair fern and lilies-of-the-valley.

Miss Alma Laforest acted as bridesmaid in a beautiful gown of powder blue net over taffeta with baby pink accessories and tiera of flowers. Her bouquet was also of tallisman roses, maiden-hair fern and lily-of-the-valley.

Dr. B. Kearney, of Toronto, acted as best man, and Mr. Art Jones and Mr. R. Mulcahey were ushers for the occasion.

During the solemn nuptial mass the Children's Choir, whose voices have been trained by Miss T. Burns, sang most beautifully "Emmanuel Most Holy," (accompanist Miss Pat Laforest).

A two-part mass (St. Basil) was sung by the choir, and during the signing of the register Mrs. Maurice Bessette's lovely soprano voice was heard in Hanson's "Ave Maria."

Mrs. Bessette also played the wedding march and other wedding music.

After the ceremony a wedding breakfast was served to the immediate relatives at the home of the bride's parents, and later in the morning a reception was held at which friends from Timmings and Schumacher as well as numbers from town were present to felicitate the happy pair.

Mrs. Laforest received in a gown of Queen's blue crepe with silver beaded lace insertions, with white and Queen's blue accessories, and wore a corsage of Johanna Hill roses, and lily-of-the-valley.

The house was a bower of spring blossoms, and the bride-cake held the place of honour at the bride's table, at which Miss Pearl Kennedy poured tea.

A buffet lunch was served to the guests. The young couple left early in the afternoon by car en route for Toronto and Montreal for their honeymoon, the bride travelling in a suit of beige and British tan.

Out-of-town guests at the wedding were the bridegroom's father, Dr. W. J. Woods, of Mimico, and his two daughters, Miss Josephine Woods and Miss Georgina Woods, and son Mr. Robert Woods, and Dr. B. Kearney.

The groom's gift to the bride was a set of McBrine travelling bags; to the best man a wallet; to the ushers, key cases; to the maid of honor and bridesmaid, lockets; to the organist, a French embroidered handbag.

The young newly-weds have received a very large number of beautiful gifts, and the very best wishes of all their friends. Mr. and Mrs. Fred Laforest being among the oldest and most respected citizens, and their daughter one of our own South Porcupine girls.

Dr. Woods, though a comparative new-comer, has earned the respect of all since settling in South Porcupine, and to the young people we offer our most sincere wishes for a long and happy wedded life.

Dr. and Mrs. Woods will take up residence on their return in an apartment on the Huot townsite.

Sacred Cantata at South Porcupine Much Appreciated

Choir Under Direction of Mr. Geo. Hale Gave Excellent Presentation.

South Porcupine, June 3.—(Special to The Advance)—The Sacred Cantata, "The Promises of Jesus," given by the Choir of the United Church on Thursday was appreciated by a full church. The Choir, under the tutelage of Mr. George Hale, Mus. Bac., of Timmings, is improving greatly, and the choruses and solos given during this recital were excellent.

The accompanying by Miss Mary McIntosh, A.T.C.M., on the piano, augmented by the organ played by Mr. Hale, made a fitting background for the vocal music.

Three parts—"Pardon," "Peace" and "Power," divided the cantata, each part portraying those promises relating to the heading.

During the interval Mr. Mike Kostynyk played his violin, and received great applause from the audience, as he is a talented musician.

The solos of Mrs. Moore, Mr. George Woods, and Mr. Tom Kelly, were beautifully rendered as was also a quartette, by Mrs. Harris, Miss Hale, Miss Rathwell and Mr. Hale.

The whole cantata was sung in most pleasing fashion giving real pleasure to the music loving audience.

The choir consisted of:—Mrs. Harris, Mrs. Mayes, Miss Hale, Mrs. Moore, Miss Rathwell, Miss Cummings, Miss Jordison, Mrs. Bruce, Mrs. McDonald

(soprano); Mrs. Webb, Mrs. Libby, Mrs. Stanlake, Mrs. Wilson, Mrs. McIntosh (contraltos); Mr. C. Hale, Mr. T. Kelly, Mr. C. Smythe, Mr. G. Trueblood, Mr. G. Woods (tenors); Mr. H. Smith, Mr. Ratcliff, Mr. Uren, Mr. McCurdie, Mr. Crick (basses).

President of the S.A. Vets. Urges Training

(Continued From Page One)

United States was in France, out where is the first line of defence of Canada? Would it be Halifax or Vancouver, after the forces of the Empire have been defeated in Europe and in Asia? The situation is one that has raised the deepest feelings in the hearts and minds of our people. We think of the safety of the Empire while our politicians make the statement that there will be conscription for service outside of Canada. What will be the good, I ask you, of conscription for service inside of Canada? If the Empire is defeated in War, what could Canada do against the hordes of Europe. Resolutions of Parliament regarding conscription, and the talk of politicians whose only interest seems to be keeping in power, would not bar the bayonets of the aggressor nations.

"It has been well said that a nation has a good government as it deserves. I say to you that the only democratic manner in which this great question of defence can be treated is by seeing to it that regardless of politics or political affiliations that we only support such candidates for Parliament or the Legislatures as are strong on the question of defence and realize that the defence of the Empire wherever it is required in the world is the defence of Canada at home.

"When we gather in annual Re-unions we do not do so in a martial spirit, but in a spirit of comradeship, to fight over again the battles of the past, and our associations together in the spheres of conflict, the memories of days gone by; but we have other thoughts and duties and one of the duties is that Canada should do its duty by the Empire without shirking, so that government of the people, by the people may not perish from the earth.

"Are the youth of Canada being trained for the conflict, which will assuredly come, unless it is met by a show of force greater than the aggressor can furnish? There is a fine field in the North for the training of young men who could play a great part in preparedness, ready to stand in the battalions to assist in making them ready to quickly take their places in the defence of Canada and the Empire. The men of the North are of a material that would at least make them equal of any soldiers in the world. In carrying out this scheme a Northern militia could be formed with permanent officers and non-commissioned officers and perhaps an orderly or two, stationed at the places I mention hereafter. Then, an intensive enlistment campaign could be carried on, with recruits to be signed up for one year, and one month of this year to be spent in intensive training. It would not be necessary for the whole month to be done at once, so as not to interfere with employment.

"Armouries with barrack accommodation could be erected at Timmings or some other place in the Porcupine Gold Area, Kirkland Lake and Kapuskasing, thus covering a considerable portion of Northern Ontario. At these barracks there should be a canteen, games and other attractive entertainment.

"From these points recruiting could be carried on without using up much time of bands which would have to be organized. It would be easy to dash out of a later afternoon and carry on meetings at night from any of these points. Of course, I believe that when the men are doing their month's training that they should be paid, because, as you know, it is very difficult.

"The scheme could be carried out so that it would be quite popular and gradually there would be a great number of young men throughout the North who would become military conscious and when the time came they would probably enlist to a man, thus forming the nucleus of battalions that could be formed throughout the North.

"Of course there would be many details to be worked out, but this is really the foundation of the scheme that I had in mind and the best feature of it is, I believe, that if war was declared, instead of having a whole bunch of awkward squads, we would have a considerable number of young men

that would walk right in and whip a battalion into shape in no time.

"Preparedness is the watchword." "Now in conclusion, I say to you that we fought to save South Africa for the Empire and it is a source of great satisfaction to us to know that the comrades who fought in South Africa and stayed there, together with the British parts of South Africa are united with our old foes, the Boers, in the determination that Germany shall not get back any of its African colonies and that these shall form a part of the Union of South Africa, which we feel proud that we helped to create and we also feel proud of the attitude of our comrades in South Africa and our late enemies and present friends, the Boers; that they are doing their duty towards the Empire. Would that Canada was doing the same."

There were about 50 S.A. Vets gathered for the annual occasion, marching with the pipers ahead, to the Cenotaph where Gen. A. E. Swift placed a wreath, and then marching back to the Wright House for the annual banquet. The address by Reeve, R. J. Carter was a feature. He spoke of the different conquests of Canada, pointing out that the most complete capture was by the King and Queen on their present visit. The Veterans then marched to the Federal building for the annual meeting and entertainment. The entertainment was chiefly an exhibition of wrestling and boxing by Kirkland young men. Outstanding, however, were the cornet solos by Sgt.-Major Badin, of the French Army Reserves, his notable interpretation of "The Marseilles" winning a regular ovation. The president's address was followed by the election of officers as follows: A. C. Brown, Timmings, president (for fifth time); John MacKay, Cochrane, first vice-president; J. Paterson, Englehart, second vice-president; Oscar Robertson, Timmings, secretary; executive, G. McGraw, N. Kinneburgh, Kirkland Lake; George Poppleton, Halleybury; P. Knapp, Porquus Junction; Ed. Holland, V.C. Cobalt.

Fear Drowning of Man at Camp Near South Porcupine

South Porcupine, Dome and District News.

South Porcupine, June 3.—(Special to The Advance)—Provincial Officer Gail, of Timmings, received a call to go to Connaught on Friday. A half-breed named Chamandy was reported missing and feared drowned in the Frederick House river. Dragging operations were commenced but to date no body has been recovered. The story is that some workers from Pogg's lumber camp went up river at 1.30 a.m. on Friday. Chamandy, who had had something to drink walked along the edge of the scow they were in and disappeared. He was a good swimmer, but he was not seen again. Whether he swam ashore and took to the bush, or drowned cannot be ascertained, but he has not turned up yet.

The underpinnings of the Public Library are being prepared for putting upon skids, for removal to the Masciot lot opposite, before excavations are begun for the new town hall.

The Ladies' Guild of the United Church will meet next on June 13th in the Vestry of the Church. An exceedingly interesting lecture on Japan was given on Thursday evening in the Parish hall to the A.Y.P.A. by the Rev. C. Robinson, of Geraldton. Mr. Robinson was born in Japan, his father being the Rev. J. Cooper Robinson the first Anglican Missionary to Japan. Lovely slides were shown, taken by the minister and tinted by the Japanese, views of earthquakes and volcanoes—of the Japanese people—and some of their religious ceremonies, and featuring the differences between old and new ways in Japan. Mr. Robinson left on Friday to return to Geraldton.

Next Friday night installation of officers of the District W.A. is to be held in St. Paul's Church. A special ceremony will install Mr. Bud Brewer, of Iroquois Falls, as president, Miss K. Woodall as vice-president, Mr. Elmer Wheeler, of Timmings, as secretary, and Miss K. Ivey, of Cochrane, as treasurer. The choir will render special music, and a social evening in the Scout hall will follow.

Archdeacon Woodall officiated at a very quiet wedding in St. Paul's Church on Thursday, June 1st. He united in marriage Miss Lillian Etta Christie of Iroquois Falls, with Mr. Carl Frederick Crigger, also of Iroquois Falls. Both young people were formerly of Matache-

wan, attended the bride as a maid of honor, the duties of best man being undertaken by Mr. Edward Crigger, brother of the bridegroom. Mr. and Mrs. Crigger will reside in Iroquois Falls.

There was no open air enrollment of the Brownies on Saturday owing to the rain, but regular meeting will be held at 5.45 on Tuesday in the Parish hall, and Brown Owl will hold open air enrollment next Saturday if fine.

Banquet of Loyal Order of Moose at South Porcupine

Mr. W. S. Blake the Guest Speaker for the Occasion, Spoke on Canada.

South Porcupine, June 4th.—(Special to The Advance)—A "Loyalty" banquet was held on Sunday evening in the banquet hall of the Central Hotel, South Porcupine, under the auspices of the Loyal Order of Moose.

It was fairly well attended but many were prevented from coming in from Kirkland Lake owing to the roads not being too good. Among those present were Mr. and Mrs. DeMille, of Timmings; Dictator and Mrs. Durkee from Golden City; Messrs. Karl Eyre, J. Hawkins and Mr. Thomas, of Timmings; Mr. A. Sky, of Schumacher; J. Nicholls, vice-dictator of South Porcupine; J. Payette, Past Dictator and W. Gannon, Prelate of South Porcupine.

The guest speaker of the evening was Mr. W. S. Blake, principal of our High School, who gave an address on the future of Canada.

At the present time the people of the world feel that the world is in a state of international hysteria, and are looking for a way out. Experiments, Nazism, Fascism and Communism are being tried. None of them seems to answer, and a sense of "defeatism" or "what's the use?" attitude is creeping in. It seems impossible to change a system impossible to change. Canada seems bound by tradition to look to Europe, and possibly sacrifice herself to the opinions of older lands.

The new Canadian philosophy would be to assume our place in the world. People built Canada as a place of homes. Fleeing from that in the Old World which threatened the peace and freedom of their homes to establish a new state of things in a new world.

Canada is a wealthy country, its potential riches being only scratched, and in spite of talk of wealth being sent out of the country 60 per cent, of it is owned by Canadians.

Canadians control wealth that is Canadian—our obligation is to develop it.

Canada is a potential leader of the world, and we should awaken to our obligations and act as our forefathers would have acted. We must maintain our democratic system and stick with democratic countries.

In the British Empire there are all religious creeds, all political faiths, all types living in harmony. Canada's future lies with the British Empire, and

in military union with all democratic countries to defend themselves from those who do not believe in freedom of rights and speech. Canada should lead the Empire in co-operation in trade.

Two other countries in the world today have opportunities similar to Canada—Australia and the United States—Canada should take the lead in world recovery.

After Mr. Blake's speech which was well received, Mr. Karl Eyre gave a word-picture of Moose-haven, the place maintained by the Order of Moose for elderly members, which he visited this winter when in Florida.

Mr. Fred Hawkins then presented the Lodge with a picture of Bro. James C. A. Davis, the founder of the Moose Order, given by Grand Lodge in recognition of the work being done in South Porcupine by the Order.

Mr. L. Hunkin sang "Not Understood," and as encore, "Daddy"—and was well received.

Community singing preceded the 9 o'clock ceremony led by Dictator Durkee of repeating the children's prayer which is said at this hour nightly in Mooseheart.

Mr. Edmondson, of Golden City, gave

an entertaining description of seeing Their Majesties in Toronto, before Mrs. Winchell sang, "The End of a Perfect Day"—and "O Canada" brought the meeting and banquet to a close.

Appreciates The Advance Down in New Brunswick

In renewing his subscription to the Advance, which he says "we could not very well get along without," Mr. I. Whitney, formerly manager of the Woolworth store here, and now in similar position at Saint John, N.B., says:—"We are getting along fine down here, but look forward to getting the news from the North, and often wish we could drop in and see you folks and all our old friends in good old Timmings."
