

HOLLINGER IMPOSES CRUSHING DEFEAT ON MAGMEN

Walloping Hollinger Nine Batters Three of McIntyre Hurlers From Box Yesterday

Win 16 to 3 After Debate at McIntyre Stadium. Get Fifteen Hits for Sixteen Runs. Every Man on Hollinger Team Scores. McDonald Gets Three Runs. Macmen Utilize Three Pitchers.

In a game pitted with errors and near-errors the Hollinger took the McIntyre baseball team apart to see what made it tick in yesterday afternoon's game. Final score was Hollinger, 16; McIntyre 3.

The men from the big mine on the hill clouted three McIntyre pitchers for a total of 15 hits. They battered George McShane out of the box and then took the neophyte, Bob Churchill, who was nervous on his first mound appearance in senior ball, and pounded him out of the box. He was replaced by Reynolds, in the eighth inning. When the debacle ended the Hollies were smashing him over the lot.

The game was a sad exhibition at best and once the Hollinger crew got a line on what the Macmen pitchers had to offer they turned it into a slaughter.

Every man on the Hollinger team scored and five of them counted twice. Joe McDonald with two hits, one of them a triple, to his credit, got three runs.

At the end of the game the procession of replacements straggling on the field made the ball park somewhat resemble a railway terminal. The effect was heightened by the clouds of smoke which drifted over the field at one point during the afternoon when a train passed on nearby tracks.

The Macmen started off well enough. In the first inning Dunn, who has not shone as a hitter in games this year, smashed a triple to centre field and came home on an overthrow from Fargher to Rudel at third base. That, however, was the last run the McIntyre got until the ninth inning.

The Hollinger went to work on McShane in the fourth. McDonald led off with a three-base hit to right field. Darrach's fly to right field brought McDonald home. Savoie and Dorey walked and Romualdi got a hit to bring Savoie home. Zalba hit in the same place as Romualdi, out over third, and Fargher's double brought two runs in. He was caught himself when he tried to steal third base.

Things were quiet again until the seventh when the Hollinger nine again went on the rampage. Zalba led off with a hit over short stop and Fargher followed with a double. With Zalba on third and Fargher on second McShane deliberately walked Lawton and loaded the bases.

It was a foolish move. McDonald popped a short grounder out to second. Quinn fumbled the ball and Fargher came home. Lawton followed across the pan when Granberg missed the ball at the plate.

McShane put two men on bases when he walked Darrach and Savoie. Dorey hepped a fly and McDonald came home. Rudel stepped up to the plate and with a dynamite-loaded bat, blasted a triple out to centre field. It brought Darrach and Savoie home.

Romualdi followed, and he too contacted the ball for a three-base hit to left field. He brought Rudel home and himself crossed the plate on Zalba's single to left field.

Not satisfied, the Hollinger squad got two more in the eighth. Lawton and McDonald scored.

The Macmen came to life in the eighth inning and Richardson got a single to left field. He got to second on the same error at third which put the next batter, Quinn, on first base. When Moran walked the boys moved around. An error at second and a fielder's choice brought them in for two runs.

Henry Lone's Last Minute Goal Saves Day for Macmen

Win from Dome by One Goal in Soccer Match on Tuesday. Henry Lone, Assisted by Rodgers Gets Deciding Counter. Game Studded With Foul Play. Macmen go on the Rampage When Goalie Injured.

Assisted by "Wullie" Rodgers, Henry Lone, fleet McIntyre outside left, tipped the scales in favour of his team on Tuesday night after a hard-fought, fast, league football game. Lone's tally was scored a couple of minutes before the final whistle.

The game was action-packed from the beginning. The Dome led off with a score in the early moments of the match and it was a nip and tuck battle for an advantage all during the sixty minutes. There were fouls aplenty and as many arguments as there were fouls.

The Dome attack struck suddenly in the first two minutes. Before either team had fairly found its feet Gordie Chambers took the sphere on a throw-in and passed it to Fulton who took it to the side of the goal and drilled a hard, clean shot past the frame-minder, Brockbank, and into the upper corner.

The Macmen went into action. Their aggressive sallies against the Dome citadel seemed certain to result in a goal and it was no surprise before the half ended that Henry Lone, working in co-operation with Rodgers and Bain, managed to get a tying goal.

Rodgers started the scoring play by passing to Bain. Bain headed the ball right on the toe of Henry Lone who scored without difficulty.

Near the end of the second half, the Macmen took the lead. Rodgers' goal from well out was responsible. It was a hard, high shot and Baxter, the Dome goalie, had no chance whatsoever.

Tying goal came with only a short time to play. Brockbank leaped into the air and punched the ball away on a shot. As he was in the air he was bumped by one of the players. He fell heavily against the goal post. While he was helpless Horne took the ball on the rebound from the punch and kicked it into the open goal.

Argument followed. The Macmen contended that Brockbank had been purposely hurt. They went out for vengeance and as the result, were penalized many times for foul play.

Finally, just before the game ended, Lone scored. Rodgers passed to Bain who, in turn put the ball in perfect position for Lone to score.

The teams: Dome, Baxter, backs, Hampton and Wishart; half backs, Paynter, McMahon, Cockburn; forwards, White Horne, Chambers, Fulton, Foster; alternates, Cooper, Galbraith.

McIntyre: Goal, Brockbank; backs, Mayer, Davis; half backs, Duffin, Phillips, J. Lone; forwards, Rodgers, Dunstan, Bain, Morrison and H. Lone; alternates, Searle, Rogers. Referee, George Munro.

Confesses to Crime

Manford Swanson, (BOTTOM), 23, of London, Ont., was converted at Pentecostal tabernacle, then confessed to being one of two men who held up a London shopkeeper five months ago. They got \$6 out of it. Rev. R. E. McAlister, (TOP), pastor of the tabernacle, said Swanson felt that to confess the crime earlier would have been "squealing" on his colleague.

Macmen Demolish South End Eight to Three on Monday

In Two Big Innings the McIntyre Takes the League Leadership. Callery Pitched for the Winners and Gower and Cox Shared South End Hurling Duties. Weber, Dunn, McNeill Each Got Two Runs.

By a score of eight runs to three the McIntyre defeated South Porcupine at the McIntyre stadium on Monday afternoon. In two big innings during which they scored seven of their eight runs, the Macmen, 1938 Ennis Cup champions, demolished the South Enders, 1938 Northern group T.B.L. winners and took the league leadership in this district.

Callery did the hurling for the Macmen. Given good support he allowed only three hits. Gower, a new Porcupine pitcher, allowed eight. He was replaced by Cox in the eighth inning.

In the first inning Weber, first McIntyre man to bat, walked. Moran sacrificed to get him to second and when Dahl let one go at third base Dunn went on base and Weber got to third. Prout got the first of his three hits after a second basemen's error which brought Weber in. Dunn and McNeill followed across the plate for three runs on Prout's clout.

Prout made two bases on Quinn's single for four runs and Queen was left on base when Gower picked up Granberg's grounder and relayed to first sack.

Granberg scored again for the McIntyre in the third. He got to first on Dahl's error on third and crossed the plate on Weber's drive to left field. Weber was left on when Dunn and McNeill fled out.

In the sixth Weber got another hit. He laid one down to left field and stole second before the next man up, Moran, was given first on a walk but he was caught on second when Moreau picked up Dunn's poke and relayed it to Reynolds.

On the fielder's choice Dunn got to first and advanced to third on McNeill's hit through short stop. The same hit brought Weber safely home. Dunn stole home and Dunn followed across the pan on Gower's wild pitch to Leonard. Trio of South Porcupine runs came in the seventh inning. Long led off and walked to first. Moreau flied out and Reynolds walked. Leonard hit the ball to Callery, in the pitcher's box. Callery picked it up and hurried it far and wide to home plate. Granberg had no chance of getting the throw and the error on Callery's part cost Reynolds' run. Gower got a two-base hit to bring Leonard home. He was left on third.
