

Kiwanis to Continue Camp for Underprivileged Boys

Northern Knights Meet Here to Confer Degree

Close to 200 Members of Order Attend Banquet in Evening. People of Porcupine Show Great Fortitude in Doing Without Visit of King and Queen. Says Catholics Must Band to Crush Subversive "Isms."

Knights of Columbus from Kirkland Lake, Kapuskasing, North Bay, Iroquois Falls, Cochrane and from the Porcupine Camp attended the expropriation of the second and third degree ceremonies in the basement of St. Alphonsus' Church, Schumacher, yesterday afternoon and the banquet which followed in the evening.

At the banquet which was held in the basement of the Church of the Nativity in Timmins, speakers included J. A. Bradette, M. P., and officers from the Councils of the various centres represented.

Close to 200 members of the order attended the banquet which was served by the Catholic Women's League. Chairman was J. W. Spooner.

Enlarging on a former speaker's assertion that the Knights of Columbus was an order as loyal to the British Empire as any body to be found anywhere in the land, J. A. Bradette, M.P., said that he thought the people of the Porcupine had showed great fortitude in the manner in which they accepted the fact that the King and Queen did not visit here.

Had it been at all possible to bring them here by his efforts or the efforts of the Prime Minister, they would have visited the Porcupine, said Mr. Bradette. However, in having 300 people from his constituency in his room in the parliament building in a place they could see part of the ceremony he had done something.

"A wonderful couple, intensely human and with human characteristics," was the manner in which Mr. Bradette described the King and Queen. He recalled that following the laying of the corner stone of the national war memorial at Ottawa Their Majesties took fifteen minutes to chat with the two stone masons who assisted and the man who ran the derrick. It was by such human gestures, impulsive and spontaneous, that the King and Queen were getting to know the "common people of Canada" said Mr. Bradette.

The suggestion was made that the King and Queen visit Canada every ten years or fifteen years at the outside.

No section of the British Empire was more loyal to the Crown than that part of it which was Catholic, said the speaker. The reason was obvious. The Catholic believed in the authority of God and the state and consequently had the utmost respect for the Crown.

It was, said Mr. Bradette, the duty of Catholics to assist their clergy in crushing the uprising of such subversives.

Charge Two With Driving When Drunk

One Automobile Swerves Over Sidewalk to Lawn

Alleged drunk drivers were apprehended by police on two consecutive days last week, Friday and Saturday. On Friday Mike Mokrouk was arrested on Mountjoy Street at 11:20 p.m. The automobile he was driving side-swiped another car. A constable who happened to be standing near where the accident occurred jumped on the side of Mokrouk's automobile and apprehended the driver before the car stopped moving.

Harry L. Quinn was arrested on Saturday. His automobile is alleged to have swerved up over the road on to Sol Platus' lawn on Toke street. The car broke the hedge and tore up the lawn.

Before the car went up over the sidewalk it hit the parked automobile of R. Vansickle, 35 Toke street, driving it ahead about seventy feet and breaking the rear of the automobile.

Charges Picked up Watch During Melee and Not Return It.

Hector Charon Alleges Ted Wilson Picked up His Watch While He Scuffled With Another Man.

Ted Wilson will face a charge of stealing a watch from Hector Charon, in police court on Tuesday afternoon. Value of the watch was estimated at \$35.00.

Mr. Charon lost the watch some time ago when he was stopped on the street by William Taylor, who asked him for money. When he refused to give Taylor anything, the latter was alleged to have assaulted Mr. Charon. Taylor appeared in court last week. He pleaded guilty and received sentence of two months in jail.

During the scuffle with Taylor Mr. Charon lost his watch. He now is charging that Wilson picked it up and retained it.

COMES TO REST ON TOKE STREET LAWN

The automobile shown in the above picture is resting on the lawn of Sol Platus' home on Toke Street. Shortly before the photograph was taken it careened across the sidewalk rammed the parked car of R. Vansickle, tore through the hedge and came to rest on the lawn. The driver, Harry L. Quinn, was charged by police with driving an automobile while under the influence of liquor. He will appear in police court on Tuesday afternoon.

Artificial Ice Rink and Community Hall Planned for South Porcupine

Shareholders of Rink Co. Pass By-law to Provide Increase in Capital to Finance New Rink. New Rink to be on Style of the McIntyre Rink at Schumacher.

South Porcupine, June 11th. Special to The Advance.

A meeting of the shareholders of the Porcupine Skating Rink Company was called for Thursday evening in the Council Chambers. This was the annual meeting at which directors were to be elected besides matters of importance to come up for discussion. It was well attended, Mr. V. H. Evans as president taking the chair. It was unanimously voted to return the existing board to office.—Mr. V. H. Evans, president; Mr. D. A. McLeellan, vice-president; Messrs D. Cattarello, S. Sky and G. Helmer, members of the board.

Financial and general reports were read and the question of a new skating rink in South Porcupine was discussed. It has been known for some months that the present structure, the site of which is needed by the public school for playground requisition, must be moved.

It was therefore decided to sell this building by tender, and propositions for a new, modern, artificial ice rink were discussed.

It was explained and realized that the company's entire capital must be increased in order to do what has been in the minds of the shareholders for months.

\$70,000 at least must be in sight before such a rink could be built therefore the directors passed a by-law a week ago authorizing application to the Lieut.-Governor to allow the Porcupine Skating Rink Company to increase its capital from \$25,000 to \$100,000.

This by-law was ratified and confirmed at this meeting.

The directors are satisfied that should this formal application be granted, there will be no difficulty in disposing of shares in the company to cover the increase.

Pending the reply, the directors are contemplating plans and site for the new rink.

The site will be at the west end of the town, between Dome and South Porcupine, southwest of Golden and Kerr avenues. Operations prior to building are to be commenced immediately.

The rink is to be a wooden building on the lines of the McIntyre Community Rink in Schumacher.

Ice surface of the rink will be 80 by 180 ft. with up-to-date refrigeration plant for artificial ice.

A heated arena will ensure comfort next year when witnessing ice sports of any description—the heating plant will be housed in a detached building.

The building will be of two storeys, the upper being devoted to a community hall with floor space of 35 by 110 ft. This will be a boon to South End since lack of a suitable hall has hampered many activities since the population of the town has increased so much.

Assault Charge Laid by Wife Against Husband

A charge of aggravated assault will be heard in police court on Tuesday afternoon against Roy Caesar. The charge has been laid by his wife.

Patrick Hanley faces a charge of having wine in a place other than his residence. Police report that they found two bottles of wine in Hanley's possession.

Well-Known Evangelist at Salvation Army This Week

Two well-known Evangelists, Envoys Weaver and Weedon, who were in Timmins on a previous occasion and made a big impression here, are to conduct special services at the Salvation Army Hall to-morrow and Wednesday, June 13th and 14th. Envoys Weaver and Weedon are business men in Toronto, who make a hobby of evangelistic work when away from their regular business. They will hold meetings here on Tuesday evening at 7:00 p.m. for the Juniors and at 8:00 p.m. for the general public, and on Wednesday evening at 8:00 for adults and others.

Enjoyable Concert Last Night in Aid of Children's Camp

Event Held Under Auspices of the Miners' Union.

The Children's Camp Concert, under auspices of the Miners' Union, held in the Goldfields theatre on Sunday evening, was attended by a fair representation of the people of the district, and although the attendance was not as large as the committee in charge had hoped to see present, those who did attend were pleased and delighted with the variety of the programme.

Peter Boychuk opened the evening's presentation with several selections on the electric guitar, and the Finnish children gave an interesting display of gymnastics.

Betty McNeil, who was to dance with Elsie McFadden, performed the routine tap number alone, her companion being unable to be present at the event. A duet number, "Traveller's Dream", a Finnish selection, was delightfully sung by Mr. Toivo Niemi and Miss Laila Koskela, and pupils of Miss Margaret Easton, Elsie Yates and Jean Shields won loud applause with the Highland Fling, dancing in their colorful Scottish costume. They performed so well that they were brought back for an encore, being accompanied in both dances by Piper Hugh O'Neill of the Porcupine District Pipe Band.

Sergeant John Arnott of the Porcupine District Pipe Band, brought fond memories to the hearts of the Scottish people in the audience, as he played the bagpipes, and Mrs. Irene Warder pleasingly sang a solo selection.

Messrs. Charlie Hinchcliffe and Bruce McKenzie, brought loud laughter with the skit "They'll do it Every Time," in which they comically told the story of a theatre patron who forgets that others in the theatre wish to enjoy the film. The two actors humorously characterized this "pest," and the skit was a lesson in itself.

Following a short intermission, Mrs. Mackey, sang a French selection, and pupils of Henri Bergeron, Jackie Thompson, Billie Richards and Alcide Genier, known as The Three Kapers, performed a fast tap which made a definite with the audience. They were accompanied by eleven-year-old Cecile Sannosky, whose personality showed in her dance routine.

A number which "brought the roof down" was a novelty dance featuring Vic Hall, Garth Teeple and Henri Bergeron, which showed how dancing should not be done. Charlie Hinchcliffe pleasingly sang a solo selection, and Ralph Murray and J. A. Franklyn played old-time music. Jim Cowan, in his well-known style, rendered a solo number, and Billy Brown, humorously made-up in red wig, etc., "rambled" at the piano. The concert closed with musical selections by Peter Boychuk at the electric guitar, followed by "O Canada."

Another Unfounded Story

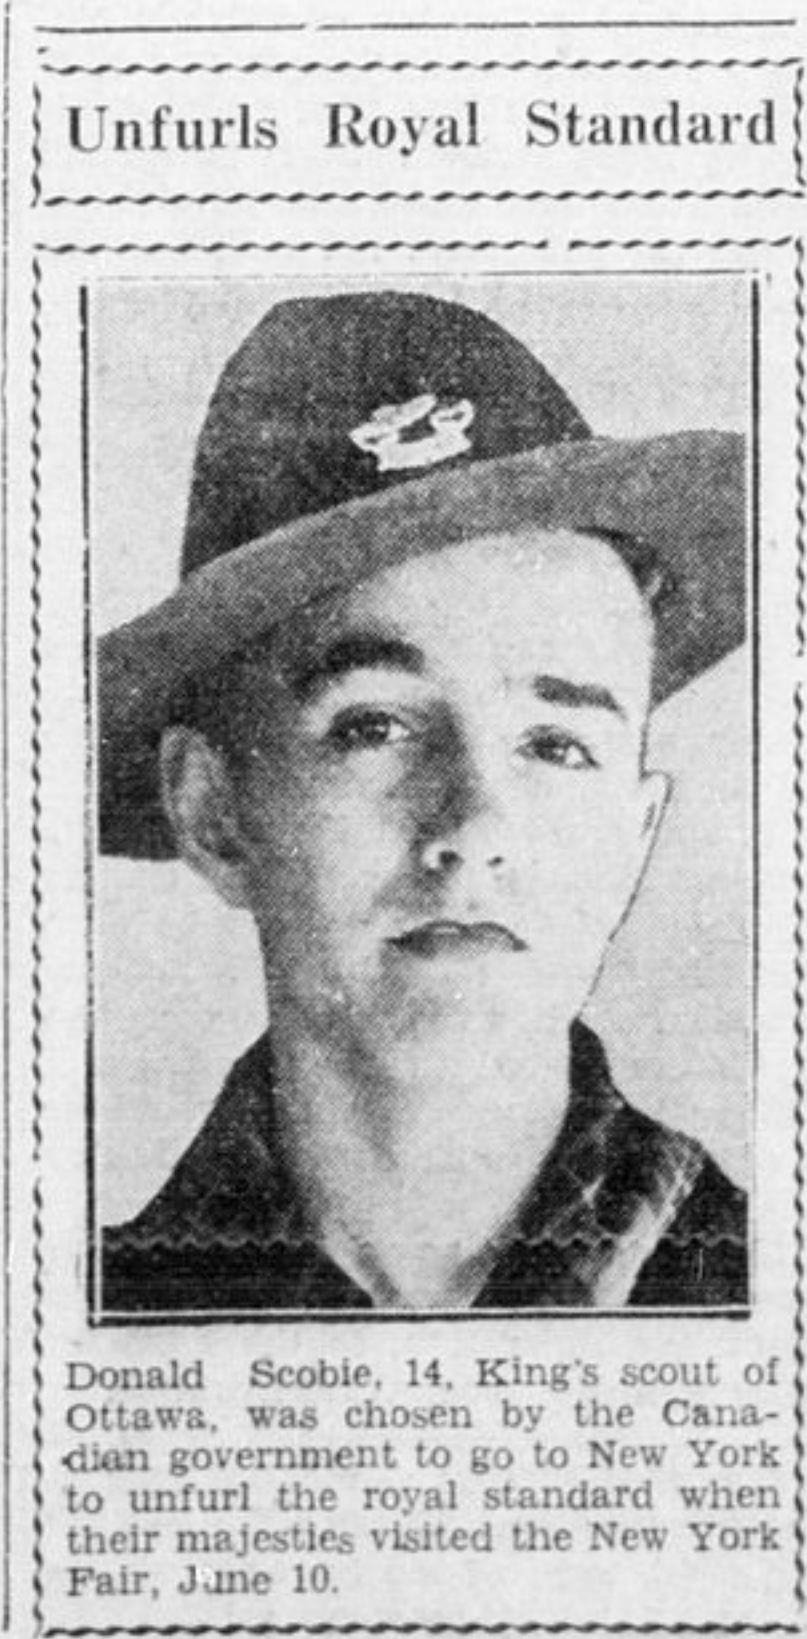

No Truth in Public Story That Ukrainian Prosvita Society 'Chased' from the Parade.

In the May 30 issue of the newspaper printed in the Ukrainian language in Winnipeg and called The Peoples Gazette, there was a story to the effect that the Ukrainian Prosvita Society group in the parade here on May 22nd was "chased" from the line by the police because they would not obey orders of the committee and were in effect disorderly. As all who saw the parade here know, this is not the fact. The Ukrainian Prosvita Society section was in the parade, as it has been in all other festive parades here, and as in previous events, it was a valued and appreciated part of the parade. When chief Gagnon was shown a translation of the story in the Winnipeg Ukrainian paper he made it plain that the story was without truth so far as the police were concerned. The Ukrainian Prosvita Society was in the parade and included the route in the usual way. They were, as usual, a credit in every way to the Canadian Ukrainian people. It is absolutely untrue, Chief Gagnon says, that the police had any call to interfere with the Canadian Ukrainian Prosvita Society. "I have always found these Canadian Ukrainians orderly, law-abiding and loyal people," was the chief's expression in the matter.

Members of the Ukrainian Canadian Prosvita Society are highly esteemed in Timmins.

Unfurls Royal Standard

Donald Scobie, 14, King's scout of Ottawa, was chosen by the Canadian government to go to New York to unfurl the royal standard when their majesties visited the New York Fair, June 10.

Donald Scobie, 14, King's scout of Ottawa, was chosen by the Canadian government to go to New York to unfurl the royal standard when their majesties visited the New York Fair, June 10.

Decide Definitely to Carry on Kiwanis Boys' Camp This Year

Special Meeting of Board of Directors and Carnival Committee Arrive at Decision. Suggestions Made for Ways and Means to Raise the Needed Funds, But the Camp Not to be Dropped.

Tag Day for Salvation Army, June 13

Event To-morrow to Conclude Annual Campaign for Welfare Work.

Each year the Salvation Army conducts a campaign for funds to carry on the excellent social welfare work of the Army. This work includes such valuable service as the prison work, the work to help women and children in distress, the care of the unemployed and the homeless, and hospital and school and refuge work. During the first few weeks a canvass has been carried on for funds for this work, and the effort in Timmins and district will conclude with the tag day to be held to-morrow (Tuesday), June 13th. While tag days are many, this is a particularly valuable service and deserving of the fullest support from all, and it is to be hoped that this year as in most past years, Timmins and district will exceed the objective sale.

Charming Wedding at United Church

The United Church was the scene of a charming wedding on Friday, afternoon at 4:30 o'clock when Ona, daughter of Mr. and Mrs. Wm. Johnson, became the bride of Mr. Desmond Dupuis, son of Mr. and Mrs. Moise Dupuis. The Rev. W. M. Mustard officiated in the presence of friends of the popular bride and groom.

The bride, who was attractively attired in a navy blue tailored suit, was attended by Miss Fisher. Mr. Fred Dupuis acted as groomsmen. Mr. and Mrs. Dupuis will reside in Timmins.

Winners of the McDowell First Aid Trophy Contest

A fairly large number witnessed the St. John Ambulance First Aid tests at the Hollinger Recreation hall on Wednesday evening. The competition was won by the teams as follows: 1st, Geo. Allison's team; 2nd, Gordon Pouley's team and 3rd, Al Bailey's team.

Striking Employees of Four Lumber Companies Back at Work on Friday

Union Calls in Picketers After Wicks Officials and Employees Come to Agreement. Result is That One of Four Companies Sign with the Union. Only Company Which Signed was Feldmans.

Postponed Corpus Christi Procession to be Held on Sunday

Bishop Rheaume Will Celebrate Pontifical High Mass To-morrow in St. Anthony's Church.

The Corpus Christi procession, which was scheduled for yesterday, will, if weather permits, be held next Sunday. It was deemed impossible to have it yesterday because of rain which fell throughout the whole day.

Three arches erected along the procession route will be left until next Sunday.

Bishop Rheaume arrived here over the week-end for the parade. He will remain in Timmins at least until to-morrow morning when a pontifical high mass will be celebrated by him in the new cathedral of the Timmins Diocese, St. Anthony's Church.

Catholics of all parishes in the Porcupine are invited to attend the mass to-morrow.

Decorations in the form of flags and bunting have been placed in the arches at various points along the proposed route of march, on St. Anthony's Church and St. Anthony's rectory, and on private homes and business places.

At a meeting of the board of directors of the Timmins Kiwanis Club and the Carnival Committee on Thursday evening last it was decided definitely to carry on the Kiwanis Boys' camp, despite all the difficulties that have arisen, so that the underprivileged boys of the town should not be deprived of their two weeks outing. Several methods were suggested for raising the required funds to finance the camp, and if these are not sufficient, the Kiwanis Club will provide the remainder by use of private funds. The feeling at the meeting was that the camp must be continued at all costs for the sake of the boys and the community.

To-day the Kiwanis Club at its regular luncheon endorsed the stand of the directors, and the camp is to be continued, even though it may not be possible to carry it on upon as large a scale as planned. One of the methods to be used to raise the funds will be held at the Buffalo-Ankerite park on August 9th. This will be an event that will attract attendance from all over the district.

Speakers Last Night at Synagogue Here

Dr. Joachim Prinz Tells of Indignities Suffered at Hands of Nazis in Germany.

Dr. Joachim Prinz, who lived in Germany under the Hitler regime and who now resides in New York and Mrs. David Dunkleman, Honorary President of the Ontario Hadassah, addressed about 125 persons last night at a meeting in the chambers of the Hebrew synagogue.

Dr. Prinz, who formerly was connected with Berlin University and who was prominent in intellectual circles in that city, told of the indignities suffered by himself, his family and his friends at the hands of the Nazis. His graphic description of the persecution of the Jews in Germany stirred his audience and left a deep impression.

Mrs. Dunkleman, who has made several trips to Palestine during the past few years, told of the work of reconstruction going on there. She gave a vivid description of the agricultural development and the fostering of maritime industries by the thousands of Jews who have emigrated to Palestine from all over the world.

Permits Total \$223,282 for New Buildings and Improvements in May

Greater Part in Residential Section. Alterations and Additions in Homes Total \$100,613. Actual Value of Work, as Usual, Much Greater Than Estimates for Permits.

The outstanding feature of the summary of building permits for the town of Timmins for the month of May is the fact that alterations and additions in the residential section totals the impressive figure of \$100,613. The larger part of the total, as a matter of fact, is in the residential section, showing the fashion here for new homes and improvement to present homes.

Another interesting feature of the figures for the month of May is that there are no very large single amounts to swell the total, as often happens. In the business section the chief items among the new buildings are:—Timmins Bottling Works, Birch street, \$18,000; Korman Dairy, Wilson avenue, \$10,000.

In the residential section there are two new homes estimated to cost \$10,000 each, the others being for lesser amounts. In the alterations and additions to homes in the residential section the largest single amount is for \$3,000 for raising house and other improvements at the home of Mr. John Tegel, 173 Pine street north. There are a number of others running from \$1500 to \$1900 but the majority are below the \$1,000.

The following is the summary of building permits for the month of May:—

Business Section		Residential Section	
Permits	Value	Permits	Value
New	11	\$ 60,500.00	
Alterations & additions	1	309.00	
New	53	61,325.00	
Alterations & additions	134	100,613.00	
Sheds and Garages	11	435.00	
	210	\$223,282.00	

Weather To Clear To-Night

Temperature Steadily Dropping Since Thursday. Rain Since Early Yesterday.

A steadily decreasing temperature since last Thursday accompanied by a continuous downpour of rain all day Sunday up until eight o'clock this morning featured week-end climatic conditions.

Maximum temperature on Thursday was 82 degrees. The maximum fell daily until today it was 40 degrees at eight o'clock.

Rain fell steadily from 4 a.m. on Sunday to eight o'clock this morning to a depth of exactly one inch.

There was thunder yesterday between 3:30 and 4:30 o'clock in the afternoon.

Maximum and minimum temperatures since Thursday have been as follows: Thursday, 82 and 52; Friday, 71 and 53; Saturday, 68 and 45; Sunday, 48 and 40. Last night's minimum was 38 degrees and at eight o'clock this morning the temperature reading was 40 degrees.

Today will continue cold and cloudy with showers, said Mr. Wheeler, Hollinger weather observer. The weather will clear toward the end of the day and the next few days will see it grow fair and warmer.
