FIRST WOMAN SITS ON YORK COUNCIL

Eighty-nine years of tradition was broken June 13, when a woman occupied a seat in York county council for the first time. Mrs. Florence Mitchell, deputy-reeve for ward three, North York township, is shown receiving a basket of flowers on behalf of council from Reeve John Warren of East York, county commissioner. She was elected early this year when her husband was unseated because his name was not on the assessment roll. Property owned by the couple was in Mrs. Mitchell's name.

Hello Gang:-

Hello Gang-Yes another week gone by-a week of fun and disappointment for who? Well in this case I think it would be right to say that it was the 6th Timmins that was disappointed, yes sir, and myself! After all the boosting that I gave the 2nd Troop they went and let me down. I think it would be better if the sporting news was left to some Scouter that can tell a ball be at Riverside Park, Timmins. player when he looks at him because I This midway specializes in what has am sure that this is one Scouter who been termed "the rides and amusedoesn't. To leaders who want to see something new I would say visit this pack and see the fine ceremony that they close with, it is indeed something well worth seeing.

Last week I received an invitation to visit the Schumacher troop. This troop is under the leadership of Scouter Sellar and is going ahead in good style This troop will bear some watching as the boys are all eager and going places in a hurry. In the evenings run of games I was asked to take part in one and let me tell you now that what tests they pass they remember. There is nobody asleep there. I was informed that the Moneta troop 5th has an invitation to attend a meeting there on Friday (tomorrow) so as a warning, be

How many boys are thinking about the hobby show that we hold in March. Now is the time to get out in the bush for nature study. On my way up the river last week-end I noticed that the trees were growing out and flowers blooming. Now is the time to start collecting all these different tree leaves and pine cones, etc. Might I add that the mosquitoes and flies are about as good as they ever will be, and if you can find a way to preserve these Church Camp, Vilpola, McDonald flies, etc., it would a most interesting display at our hobby show as everybody finds something in common with both of these insects. There are three suggestions for next year's hobby show. Here is a message from Scouter Wright who is Badge Scout for this district of Timmins.

I wish to congratulate the eighteen Scouts who passed the firemen's badge. While 75 p.c. was set as a pass, the marks ran from 85 to 98.5 p.c. This class was put on by Capt. J. Morton and we sincerely appreciate his kindness in giving so much of his time and

I hope all Scouts who are anxious of becoming King Scouts will get in touch with their Scout masters regarding future classes. Might I add my congratulations and thanks to all who took part in this work.
