

## To Show Music, Dances, Costumes, of Many Nations

### Complaints Against Police Heard Tuesday At Commission Meeting

Mrs. Dion Charges Police Grabbed Her Son by Throat and Bumped His Head Against Wall. Police Deny and are Cleared by Commission. Sam Koza Says He is Being Persecuted by Police; That Fines and Legal Fees Cost Him \$2,000.

Charging that police grabbed her son by the coat and hit his head against the wall while questioning him at the police office, Mrs. N. Dion, 139 Birch street, north, was a complainant at the last meeting of the police Commission on Tuesday night. She was one of two persons who had grievances against the police. The other was Sam Koza.

Mrs. Dion told the Commission that police came to her home one morning recently at about two o'clock to look for her sons, whom they apparently suspected of stealing gasoline. Her husband at first told police they were not in, and then he discovered that they were in their rooms he had one of them call police and tell them. They came and took the boys away.

At the police station, said Mrs. Dion, Daniel her youngest son who suffers from heart trouble, went to speak to his older brother, Eli. A policeman seized Daniel by the throat and hurled him into a chair striking his head against the wall.

"I went to talk to my brother and a cop grabbed me and choked me. He hit my head against the wall," said Daniel himself, testifying before the Commission. He admitted that police had told him before to sit down and that he

### Warm Weather And Rain

Rain Fell to Depth of 22 Inches Early This Morning Says Weatherman.

Showers this morning were merely indicators of future rainfall, said Sydney Wheeler, Hollinger weather observer, today. He predicted that the next few days would see warm weather punctuated with showers.

At 7.30 this morning heavy showers to the depth of 22 inches fell. On Tuesday there were light to moderate showers throughout the day to a depth of .10 inches.

Maximum and minimum temperatures have been as follows: Monday, 87 and 56; Tuesday, 78 and 66; Wednesday, 82 and 56. Last night's minimum was 58 degrees and at eight o'clock this morning the thermometer reading was 60 degrees.

### ATTRACTIVE WEDDING EVENT YESTERDAY

### Manager Says Naybob Will Continue to Mill 150 Tons a Day or More

Optimistic Outlook Given For Naybob at Annual Meeting Here on Monday. Negotiate \$50,000 Loan With Shelldrake Securities Corporation. Give Mortgage on Property, Bonus of 125,000 Shares of Stock, Option on 900,000 Shares for Loan.

A bright future was predicted for the Naybob Mine on Tuesday morning when the General Manager, I. R. Marshall, spoke at the conclusion of the annual meeting of shareholders, held at the mine office.

Mr. Marshall said that the mill at the present time was treating 150 tons of ore daily. It had done so for the past two weeks and could continue to do so. That rate, he maintained, could be continued.

Most of the ore milled during the past two weeks was from the mariposic area and recovery was approaching a percentage between ninety-seven and ninety-eight.

At the present time the mill was carrying all the overhead expenses. As greater depth was reached increasing values would be found. The mariposic area on the seven hundred foot level inclined to the west and opened up for more than 100 feet.

During 1938, said Mr. Marshall, 4,433 feet of underground work had been completed and 12,693 feet of diamond drilling. Of the latter amount just over 8,000 feet had been done in connection with surface work. 12,633 cubic feet were cut for stations on the various levels, said the manager and 2,351 feet of drifting, cross-cutting, slashing and raising was done. The total lateral development amounted to 3.04 miles.

Tonnage per machine shift this year so far was 18.8—an increase over last year when the average was 13.3.

Mr. Marshall, in elaborating upon his statement that the present mill rate of 150 tons a day could be maintained, said that men were working upon five faces at the present time. Stopping has been carried out on the fourth, fifth, seventh and eighth levels and on the seventh it had been opened

### Death Last Night of Mr. Edward Ansara

Popular Resident of Timmins for Nearly Twenty Years.

Mr. Edward Ansara, of 116 Hemlock street, a popular and respected citizen of the town, passed away at his home here on Wednesday evening at ten minutes to 11 o'clock. Numerous friends were shocked by the news of his death and will sympathize with the bereaved family in their loss.

The late Mr. Ansara was born in Cobalt, and was twenty-seven years of age. He was popularly known to his many friends as "Eddie" and his companionship and friendship will be missed throughout many circles in town.

"Eddie" was the son of the late Mr. and Mrs. Nicholas Ansara, and had been resident in Timmins since 1920, except for two years 1934-36, which were spent in Toronto.

Surviving are two brothers, David and Solomon, three sisters, Adella, Freda (Mrs. Peter Kenemy), and Pearl (Mrs. Sam Elles); three aunts, Mrs. George Laham, of Schumacher, Mrs. Mike Shamas, of Blind River, and Mrs. Honoomi Salam, of Flint, Mich., and two uncles, Messrs Kelly and Mose Ansara, both of Kirkland Lake.

The late Mr. Ansara was a member of The Advance Bowling Team, and at one time belonged to the local Boy Scouts.

Funeral services will be held on Saturday afternoon at 2 o'clock, at St. Matthew's Anglican Church, and the remains will rest at the home from Friday evening until Saturday afternoon.

### Death of Mr. Wm. Tripp at His Home Here on Tuesday

The death occurred on Tuesday, at his home, 15 Spruce street south, of Mr. Wm. Tripp. The late Mr. Tripp was fifty-one years of age, and was born in Barrie, Ontario. Funeral services will be held this (Thursday) afternoon at 1.30 o'clock at Walker's Undertaking Parlour, with interment in Timmins cemetery.

### To Spend \$250,000 at McIntyre

Plan to Include Curling Rink, Gymnasium and Bowling Alleys in New Building. Enlarge Park.

Work was begun yesterday at the McIntyre on a project which, when completed, will include a new wing for the present Community Building, to house a gymnasium, a curling rink and bowling alleys, an improved and enlarged park at the west end of Pearl Lake and additions and improvements to the present community building.

Estimated expenditure for the whole programme is in the neighbourhood of \$250,000. The addition to the community building alone is expected to cost \$150,000.

The addition will be made at the north side of the present building, mine officials said. On the ground floor will be a curling rink with six surfaces. A modern, well equipped gymnasium will be on the second floor and in the basement will be bowling alleys.

Pipes have been laid to direct a steady flow of mill tailings into Pearl Lake. When the west end of the lake is filled it will be grassed and will be used as a park.

All these projects are expected to be completed this fall but meanwhile, workmen are busy laying a floor in the rink section of the present community building. It will be made use of for such summer sports as roller-skating.

The new park is planned to somewhat resemble the McIntyre sports field. It will considerably augment the area of the field and possibly allow for another ball diamond. Trees also will be planted.

### Last Summer Meeting of Girl Guides Association

The Girl Guides Association held a meeting in the town hall committee rooms on Wednesday evening. A great deal of business was discussed and it was decided that meetings would adjourn until September.

### Award High School Wing Contract Last Evening

Hill-Clark-Francis Gets Job of Erecting Eight Roomed Addition to Timmins High and Vocational School. Will be Final After Ratification by the Municipal Board. Work Will Probably be Begun in the Very Near Future.

The contract to construct the new eight roomed addition to the Timmins High and Vocational School was awarded last night to Hill-Clark-Francis. Before the final decision is made however, the award must be approved by the Ontario Municipal Board.

Contract price submitted by the contracting firm was \$75,500. Money raised by debentures for purposes of constructing the new wing was \$85,000. Work will probably be begun on the

### Medical Health Officer to be Speaker at Kiwanis

Dr. J. A. McInnis, medical health officer will be the guest speaker at the Kiwanis luncheon on Monday, July 3. His subject will be "Public Health."

### Over 200 to Take Part in Grand National Festival July 20th, 21st and 22nd

First Event of Its Kind in the Porcupine. All National Songs, Dances, Music, Costumes to be Featured in Big Event. Floor Now Being Laid in McIntyre Arena.

### Lions Swimming Party

Formal Opening of Pool For Season. Schumacher Lions Entertain.

Schumacher Lions Club entertained last night at the formal opening of the season of the club swimming pool. Guests were members of the Timmins club.

After a swim in the pool a lunch was served. Following that games were played and the large number who attended enjoyed themselves.

### To Start Drilling Soon on the Thomas Ogden

Boston Interests Have Option on the Property.

The Advance has been informed that Boston interests have taken an option on the Thomas Ogden Mines property in Ogden township and plan an extended programme of development. It is understood that a large programme of diamond drilling will commence at a very early date. Representatives of the Boston interests have been at the property for some weeks past.

### Pipers and Soldiers Form Guard of Honour at Wedding Yesterday

Wedding Yesterday of Sergt. Walter Cowan and Miss Helen Marie Francis One of the Big Events of the Year. Reception at Home of Groom's Parents Very Largely Attended.

The Timmins United Church was the scene of a lovely summer wedding on Wednesday afternoon at 5.45 o'clock, when Helen Marie, daughter of Mr. and Mrs. R. N. Francis, of Crichton, Saskatchewan, became the bride of Mr. Walter Cowan, son of Mr. and Mrs. James Cowan of 78 Balsam street south The Pipe Band and the Algonquin Rifles formed a guard of honour as the bride and groom left the church, and members of the Boy Scouts acted as ushers.

The officers and N.C.O.'s of "D" Co. Algonquin Rifles who were in the guard of honour were Lieutenants Taylor and Everard, Sergt. Hansell, M.M., M.S.M., Sergt. W. Pennington, M.M., Corporal Hinds, and R. S. M. Joe Weyman.

The church was beautifully decorated for the occasion with tall baskets of mixed flowers and a large number of friends of the popular bride and groom were present at the ceremony. The Rev. W. M. Mustard officiated and Mr. H. C. Treener, church organist, played the wedding music. Mrs. Wm. Hampton was the soloist, singing "Until."

Given in marriage by her uncle, Mr. Frank Francis, of Timmins, the bride was a picture of loveliness in a gown of white Chantilly lace, fashioned with a high neckline, full flared skirt and long fitted sleeves, tapering to a point over the wrists. She wore an embroidered tulle veil, falling in a long train, and caught in a coronet of lily-of-the-valley.

### Director of Kiwanis Camp Arrived Today

Ted Jarvis Will Supervise Work Necessary to Put Camp in Shape for First Group.

Ted Jarvis of Toronto, who will take charge of the Timmins Kiwanis Club camp this season, arrived in town today. He will go out to the camp and supervise work to put it in shape to receive the first group of boys in the near future. Mr. Jarvis said today that he hoped to have definite plans and more specific information regarding the camp's planned activities, in the near future.

Miss Edna Pickett, returned from Clinton, Ontario, on Wednesday morning.

### Find Bicycle in Box Car at North Bay

Believed to Have Been Stolen from Timmins.

A bicycle, believed to be stolen from Timmins has been found in a box car in North Bay. Provincial Police there have got in touch with the local detachment of officers but the owner has not been found. Anyone believing the bicycle to be his is asked to communicate with the Provincial police office here.

### Expect 25 Brigades at Firemen's Tournament at Schumacher Saturday

Fire Brigades of Temiskaming and Cochrane Districts Combine to Put on Big Programme of Fire Dept. Events and Sports, Etc. Monster Parade. Music by McIntyre Band.

Saturday, July 1st, is to be a big day in Schumacher—a big day in the North. All the fire brigades of Cochrane and Temiskaming Districts, together with some Northwestern Quebec brigades, are to be represented in this big day. Twenty-five different fire departments of the North have signified their intention to be present. The event is sponsored by the Schumacher Fire Department which is assurance that it will be well conducted throughout and well arranged in every detail.

In addition to the firemen's tournament event, which always rouse very general interest and enthusiasm, there will be a programme of sports, athletics, novelties and specialties that will appeal to all. A 24-page booklet has been issued, giving the programme for the day, and also carrying messages from business and other concerns interested in the good work of the fire departments. The programme in detail for the day is as follows:—

9 a.m.—Races for children. Boys and girls under five years; under 7; under 9; under 11; under 13; under 15. Single ladies' race. Married ladies' race.

10 a.m.—Open events—100 yards; 220 yards; 440 yards; 1 mile race; 1 mile relay race (4 men); high jump, ladies; high jump, men; shot put.

1 p.m.—Monster parade—From fire hall, up Second avenue to North Boundary, to First avenue. East on First avenue to Cedar street; from Cedar street south to Fourth avenue, and on to the public school grounds.

3.30 p.m.—Firemen's tournament.—Fire Chief's race—100 yards dash; Firemen's race—100 yards dash; Ladder race, open to all Association members; Wagon race, open to all Association members.

2.30 p.m.—Baseball—Lake Shore Mines (E.O.B.A. and T.B.A. 1938 champions) vs McIntyre Mines.

6 p.m.—Football—McIntyre and another star team.

Open swimming and diving competitions, sponsored by the Schumacher Lions Club, to be held in the Schumacher Lions Club Community swimming pool during the afternoon.

Dancing at McIntyre Community building in the evening.

The new McIntyre Band will furnish the best of music throughout the day.

This July 1st event promises to be one of the most interesting and enjoyable occasions held in the North. There will be something of special interest every minute of the day from the opening race events to 9 o'clock in the morning, to the dance in the McIntyre Community building in the evening.

There will be a particularly large array of cups, trophies and other prizes for the various competitions of the day.

### Heads Manufacturers

D. R. Turnbull, of Halifax was elected president of the Canadian Manufacturers' association at the closing session of the 68th annual convention at Bigwin Inn, Ont.

### First Group Leave for Kiwanis Camp on Wednesday, July 5

All Boys Must be Examined before Attending Camp Link Timmins and Kitchener.

First boy to attend the Kiwanis camp this year will leave Timmins a week from yesterday. A. F. McDowell announced on Monday at the regular weekly meeting of the club. He said that the camp would be under the direction of Supervisor Ted Jarvis who was expected up from Toronto in the near future.

All boys must be medically examined before going to camp said Mr. J. R. Walker.

Inasmuch as Timmins and Kitchener were linked up for the meeting in the club's all-Canada programme, Pic Holtze spoke on Kitchener.

Mr. C. A. Remus showed a film taken in Toronto recently when the King and Queen attended the Woodbine for the King's Plate.

### Good Sense The Best Safety Rule

More Than Hundred Builders Meet to Hear Lecture on Safety Methods.

J. H. McGough, Manager of the Construction Safety Association of Ontario addressed more than a hundred contractors, carpenters and men engaged in the building industry on Monday evening in the Pallais Royale.

Mr. McGough called flagrant violations of safety rules to the attention of the employers and employees and urged them to be careful—to watch for violations of safety rules and stop them.

During the visit of the King and Queen the association began a campaign to cut down accidents, said Mr. McGough. It resulted in a substantial decrease in the number of accidents from all the hurried construction work that was done.

Ordinary common sense was seen as the best rule to follow to avoid accidents.

J. E. Allen, of Hill-Clark-Francis, was chairman of the meeting.
