Paced by pitcher George McShane, the Solomon's Macmen went to work on South Porcupine in the McIntyre Park on Friday afternoon. They made nine runs out of the same number of hits. Given good support by the men back of him, McShane allowed four hits for one run.

Large Attendance at Funeral Service of R. Elston This Morning
Funeral Service from the Church of Nativity.

A large number of friends and relatives from Timmins and district and numerous others from other points, were present at the Church of Nativity this Monday morning at 10 o'clock to pay a last sad tribute to a respected and honored citizen of the district, the late Mr. Ralph Elston, who passed away at the Private Pavilion of the Toronto General Hospital on Thursday morning.

The Rev. Fr. O'Gorman conducted the funeral service and pall-bearers were the Messrs. Reg Smith, H. Montgomery, A. R. Harkness, David MacKie, George Wilson and Art Tompkinson.

The late Mr. Elston had been a resident of Timmins since 1914 and had made numerous friends throughout the entire district. He was born in Crediton Devonshire, England, and was sixty-three years of age. Taken ill in Timmins some weeks ago he was sent to Toronto, where despite the best medical care he passed away last week.

A popular and prominent business man the late Mr. Elston was a partner in the firm of Smith & Elston, which he joined in 1924. Numerous friends here sympathize with the bereaved family in its loss, and know that another valuable pioneer of the North Land has passed away.

Hon Ernest LaPointe Honorary President of Unity League

Wishes Timmins Organization Success in Battle Against Undemocratic
Hon. Ernest LaPointe, Minister of Justice in the Dominion Government, was recently asked to accept the honorary president of the Canadian Unity League of Timmins, and has been interested enough and kindly enough to accept this position. In his letter of acceptance, Hon. Mr. LaPointe wishes the Canadian Unity League every success in the battle to combat forces against democracy.

when the event was called. After Schumacher had won, the Italian team arrived, and Leo Mascioli put up a \$25.00 prize that they could outpull the prize winner. The teams went to it, with Leo coaching his team in a voice that could be heard to Schumacher. The Timmins team won after a big struggle. It was one of the big features of the day. Ice cream refreshments and amusement booths on the grounds added to the pleasure of the day. In concluding its report of the event, The Advance twenty years ago said: "The heat and the dust were the only drawbacks to a most successful event. The committee in charge of the big day were: G. A. Macdonald, chairman; H. C. Garner, secretary; J. W. Faithful, J. Thomas and E. H. Bridger. On the big day all day and in arrangements previous to the event they received most active co-operation from the members of the club and the people in general, Messrs A. Roberts, W. A. Field, J. Staples, A. Renolds, R. Robertson, D. Salkeld, and Harry Henderson being especially helpful. They also wish to express their appreciation of the help given by Fire Chief Borland and J. T. Easton in securing prizes and donations, to the Miners' Union for co-operation of every kind, to the young ladies and others selling tags, to the business men and others contributing to the event and to the public in general for making this a real big day all day."

First Doctor at Kirkland Visits the Kirkland Camp

(From The Northern News)
The first doctor to practice medicine in Teck Township, Dr. J. P. Wilson, now of Richmond Hill, paid a flying visit to Kirkland Lake on Tuesday and attended the Kiwanis Luncheon as a guest of Wallace Little, M.P. It is 20 years since he left Kirkland Lake. Dr. Wilson was called upon for a few words at the luncheon and in addition he was asked for some of the details of the earlier days of this mining camp for the Northern News.

A strike of the miners in the various mines in the district had created a great deal of pessimism as to the outlook for this camp and he pulled up stakes just 20 years ago because he decided that things did not look so good for Kirkland Lake. "I thought I would get out while the going was good," he said. He recalled George Cooper had offered to make him independent for life at that time he couldn't see it that way. Mr. Cooper he said offered him 2000 shares of Lake Shore mine stock at a very nominal figure. Dr. Wilson said he hoped all those who had stayed here had profited accordingly. Among those who recalled

Twenty Years Ago

From The Porcupine Advance Files
The Advance twenty years ago said: "Another Mattagami farm was sold last week at a good figure, Bourke, Lindsay & McCluskey buying the Allen Hubert farm next to the Hellstrom farm. The price paid was \$5,500.00. The Allen Hubert farm comprises of 71 acres, all cleared. The purchase of the Hellstrom and Hubert farms gives Bourke, Lindsay and McCluskey a considerable frontage on the river for their lumber business. They are already busy at the work of erecting buildings on these properties and there is every indication that it is their intention to carry on lumbering operations on an extended scale."
In the July 2nd issue twenty years ago The Advance published the list of June promotions at the public school here. The list took up about half a column of space, while the promotions this year of 1939 take up several times that amount of space. There is room here for only the first in each class of those successful twenty years ago: Jr. IV to Sr. IV; honours, Gladys Hughes; Sr. III to Jr. IV, Ervi Kari; Sr. III to Jr. IV, Jessie Marshall; Jr. III to Sr. III, honours, Edward Foster, Annie Valve; Sr. II to Jr. III, honours, Marion Colborne, Lillian Slater; Jr. II to Sr. II, honours, Elza Cushing, Sr. I to Jr. II, honours, Roland Barnes; Jr. Pr. to Sr. Pr., Timie Hasht; Kindergarten to Form I, Basil Davis.
At the annual Temiskaming Firemen's Tournament held on July 1st, 1919, Timmins Fire Dept. did itself proud. Despite a number of unexpected handicaps, Timmins won first place in the wagon race, second in the reel race and third in the ladder race. The prize for the wagon race was a banner (held for a year) and \$100.00 in cash. The other two prizes won by Timmins carried cash to the extent of \$40.00. In the baseball match at the tournament, Timmins tied with Iroquois Falls. After practicing for the 1919 event for several weeks the Timmins team in the firemen's events was about perfect and would no doubt have swept the boards. But in the meantime forest fires near here alarmed the people and it was decided that the chief and some of the more important firemen should stay at home. Accordingly, W. G. Smith, more religiously known as "Bill", had to take down a weakened team, but at that the boys made a remarkably fine showing.
The Advance of July 2nd, 1919, carried a full report of the big July 1st celebration put on at Timmins by the Timmins Football Club. The event was considered the best day of sports held in Timmins up to that time. In-
