Schumacher Gardeners Will Make Competition Keen at Flower Shower

Timmins Exhibitors Urged to Hold up Their End at Annual Horticultural Show to be Held at McIntyre Community Hall, Schumacher, August 28th, and 29th.

(Contributed by Timmins Horticultural Society)

These articles are contributed by the Timmins Horticultural Society in the hope that many aspiring horticulturalists may be led to take their rightful place in the community. If you have derived any satisfaction or benefit from reading these columns from week to week please remember that the only way in which you can repay the society for the time and labor expended in preparing them is to place the product of your own labor where it belongs—on the exhibition table. This year the annual Flower and Vegetable Show will be held in the McIntyre Community Hall, Schumacher.

It should be pointed out to Timmins exhibitors that we have many supporters in Schumacher, and that this is the only horticultural society in the Porcupine District; therefore, for one year at least, it is only fair that we should repay our members and supporters from outlying districts by making our show more central. It must be admitted, also, in explanation for this change, that there was no suitable place in Timmins at the time necessary to engage one, that we are financially in a position to afford. The McIntyre Community Hall is suitable in every way and Timmins horticulturalists should turn out in full force to do justice to the splendid setting offered to them and their exhibits not only for their own satisfaction, but to uphold the reputation of Timmins gardeners in Schumacher. You may be sure that Schumacher will give you a run for your money.

If you have blooms or plants of any species that look good to you, bring them in. Show them even though you may be doubtful of their ability to win a ribbon; few people are in a position to judge their own produce, they are either biased for or against it. Many novices are under the impression that

Mr. Harvey Perron acted as groomsman.

Following the ceremony, a wedding breakfast was served at the home of the bride's mother, Mrs. Bigras being becomingly attired for the occasion in a street-length ensemble.
Mr. and Mrs. Landry have taken up residence in Timmins.

Regina Leader-Post:—Could anything be finer and more stimulating than that item of news the other day from Gronlid, Sask., about farmers of the district turning in and plowing and seeding nearly 200 acres of land for two newly-arrived Jewish refugees from Austria?
