

## Week's Celebration Starts Saturday

### Ask Investigation Into Withdrawal of Charges

Mayor Not Ready to Comment Upon Matter at Present. M.O.H. Says When Charges Laid Disease Was Not Communicable and Signs Should Not Have Been Up. Board Health Asks Council to Stop Outside Milk.

An investigation into the reason why charges of breaking quarantine against two Timmins residents were suddenly withdrawn on the order of the Medical Officer of Health, was asked at last night's meeting of the Board of Health.

Mayor Bartleman said this morning that he did not care to comment on the matter at this time but that he would be interested to know the reason. At the meeting last night Dr. McInnis said that when the charges were laid the diseases for which the families were quarantined had passed the communicable stage and it was only because the attending physicians had not notified Board of Health officials that the signs were not taken down.

Final notice was given owners of stables which do not conform to Board of Health regulations that they must tear down or move or alter their buildings before August 15. Several applications for extensions of time were considered last night and refused.

The Board of Health passed the following resolution: "That representations be made to the Timmins council to take the steps necessary to pass an up-to-date, effective by-law in which provisions would be made prohibiting the importation of milk and cream into this municipality unless it is produced within a ten mile limit be allowed to sell inside the town before securing a permit from the Timmins Board of Health."

### Monday Next is Civic Holiday for Timmins and Tisdale

McIntyre Field Day etc. Big Feature for the Holiday

Monday next, August 7th, is Civic Holiday for both the town of Timmins and the township of Tisdale and the most of the people of town and township are likely to observe it by attending the McIntyre Field Day—this being the big feature for the day in the camp. In the evening the Schumacher Lions Club is holding one of their pleasant dances in the McIntyre Community hall, and there are other evening features.

### Graphically Describes Death and Destruction In Bomed Chinese City

Force of Demolition Bombs "Unbelievable." Vacuum Created Causes Pressure Inside Which Blows Windows and Walls Outward. Fresh Damage Described. North American Capital Blamed for Supplying Means For Death.

Dr. R. O. Jolliffe, head of the United Church Press Bureau in China, and his wife are stationed in Chengtu. The Advance has carried two letters from Mrs. Jolliffe describing the havoc created by the recent bombing of that city by the Japanese. In a recent letter to his two sons, Charles and William, who are in Timmins, Dr. Jolliffe further tells of the horror of an open city being bombed.

His letter is as follows:—"It is two weeks since we had our bombing. We expected to have had the experience repeated before this but the weather has been most cloudy. It was about 6 p.m. when we got our first warning and at 6:30 eighteen Chinese pursuit planes took the air. At seven o'clock they signalled by machine gun shots that the enemy planes were sighted. The Chinese planes were high, probably 15,000 feet. Shortly, a long line of planes, flying much lower, appeared over the north wall—we had a perfect view of them. There were 27 of them, not in direct line as it seemed at first but in a "V" shape with the planes at each end pushed forward in an open shape.

"I asked the Chinese standing around if those were Chinese or Japanese planes and quite confidently they replied, "Chinese". Just then came the whizz of an anti-aircraft gun shell, accounting for the burst of smoke under the planes. Probably over a hundred bombs were dropped within a mile or two of us but in the consciousness of the roar of the machines, we heard very little of the explosions. When we came out of the dug-out, probably a minute later, we could see the anti-aircraft guns' shells bursting off to the south of

### May Have Week-end Showers

Rained One-Fifth of an Inch From 11:45 Last Night Until Early Today.

Showers and changeable weather were predicted for the week-end this morning by S. Whesler, Hollinger weather observer. He said that the next day or so would be fair to moderate in temperature but could not say if the week-end showers would be frequent or heavy enough to interfere with those who wished to spend as much time as possible out of doors over the holiday.

It rained between 11:45 last night and sometime early this morning to a depth of 20 inches.

Maximum and minimum temperatures since Monday have been as follows:—

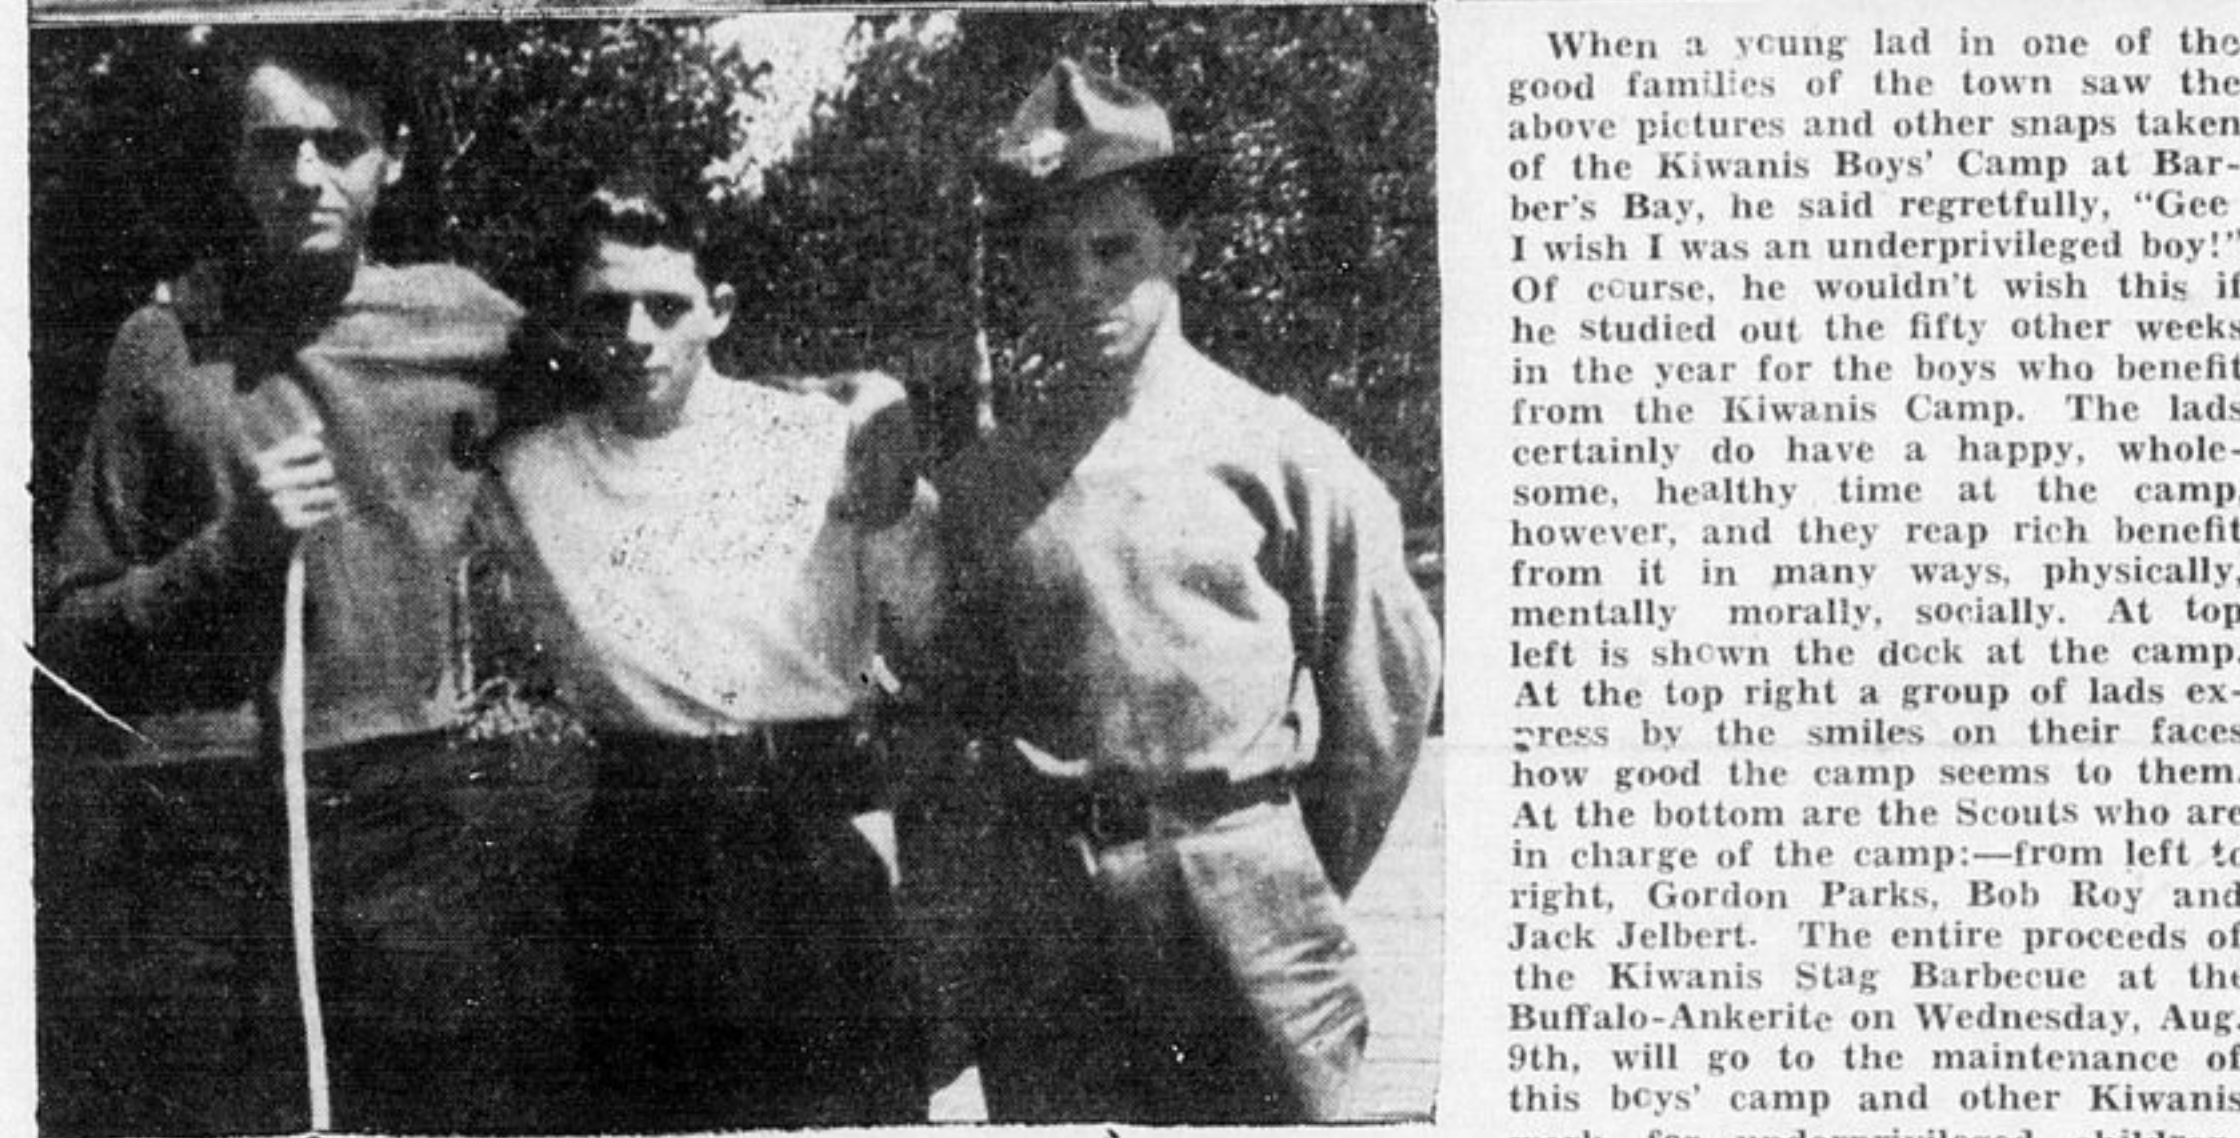

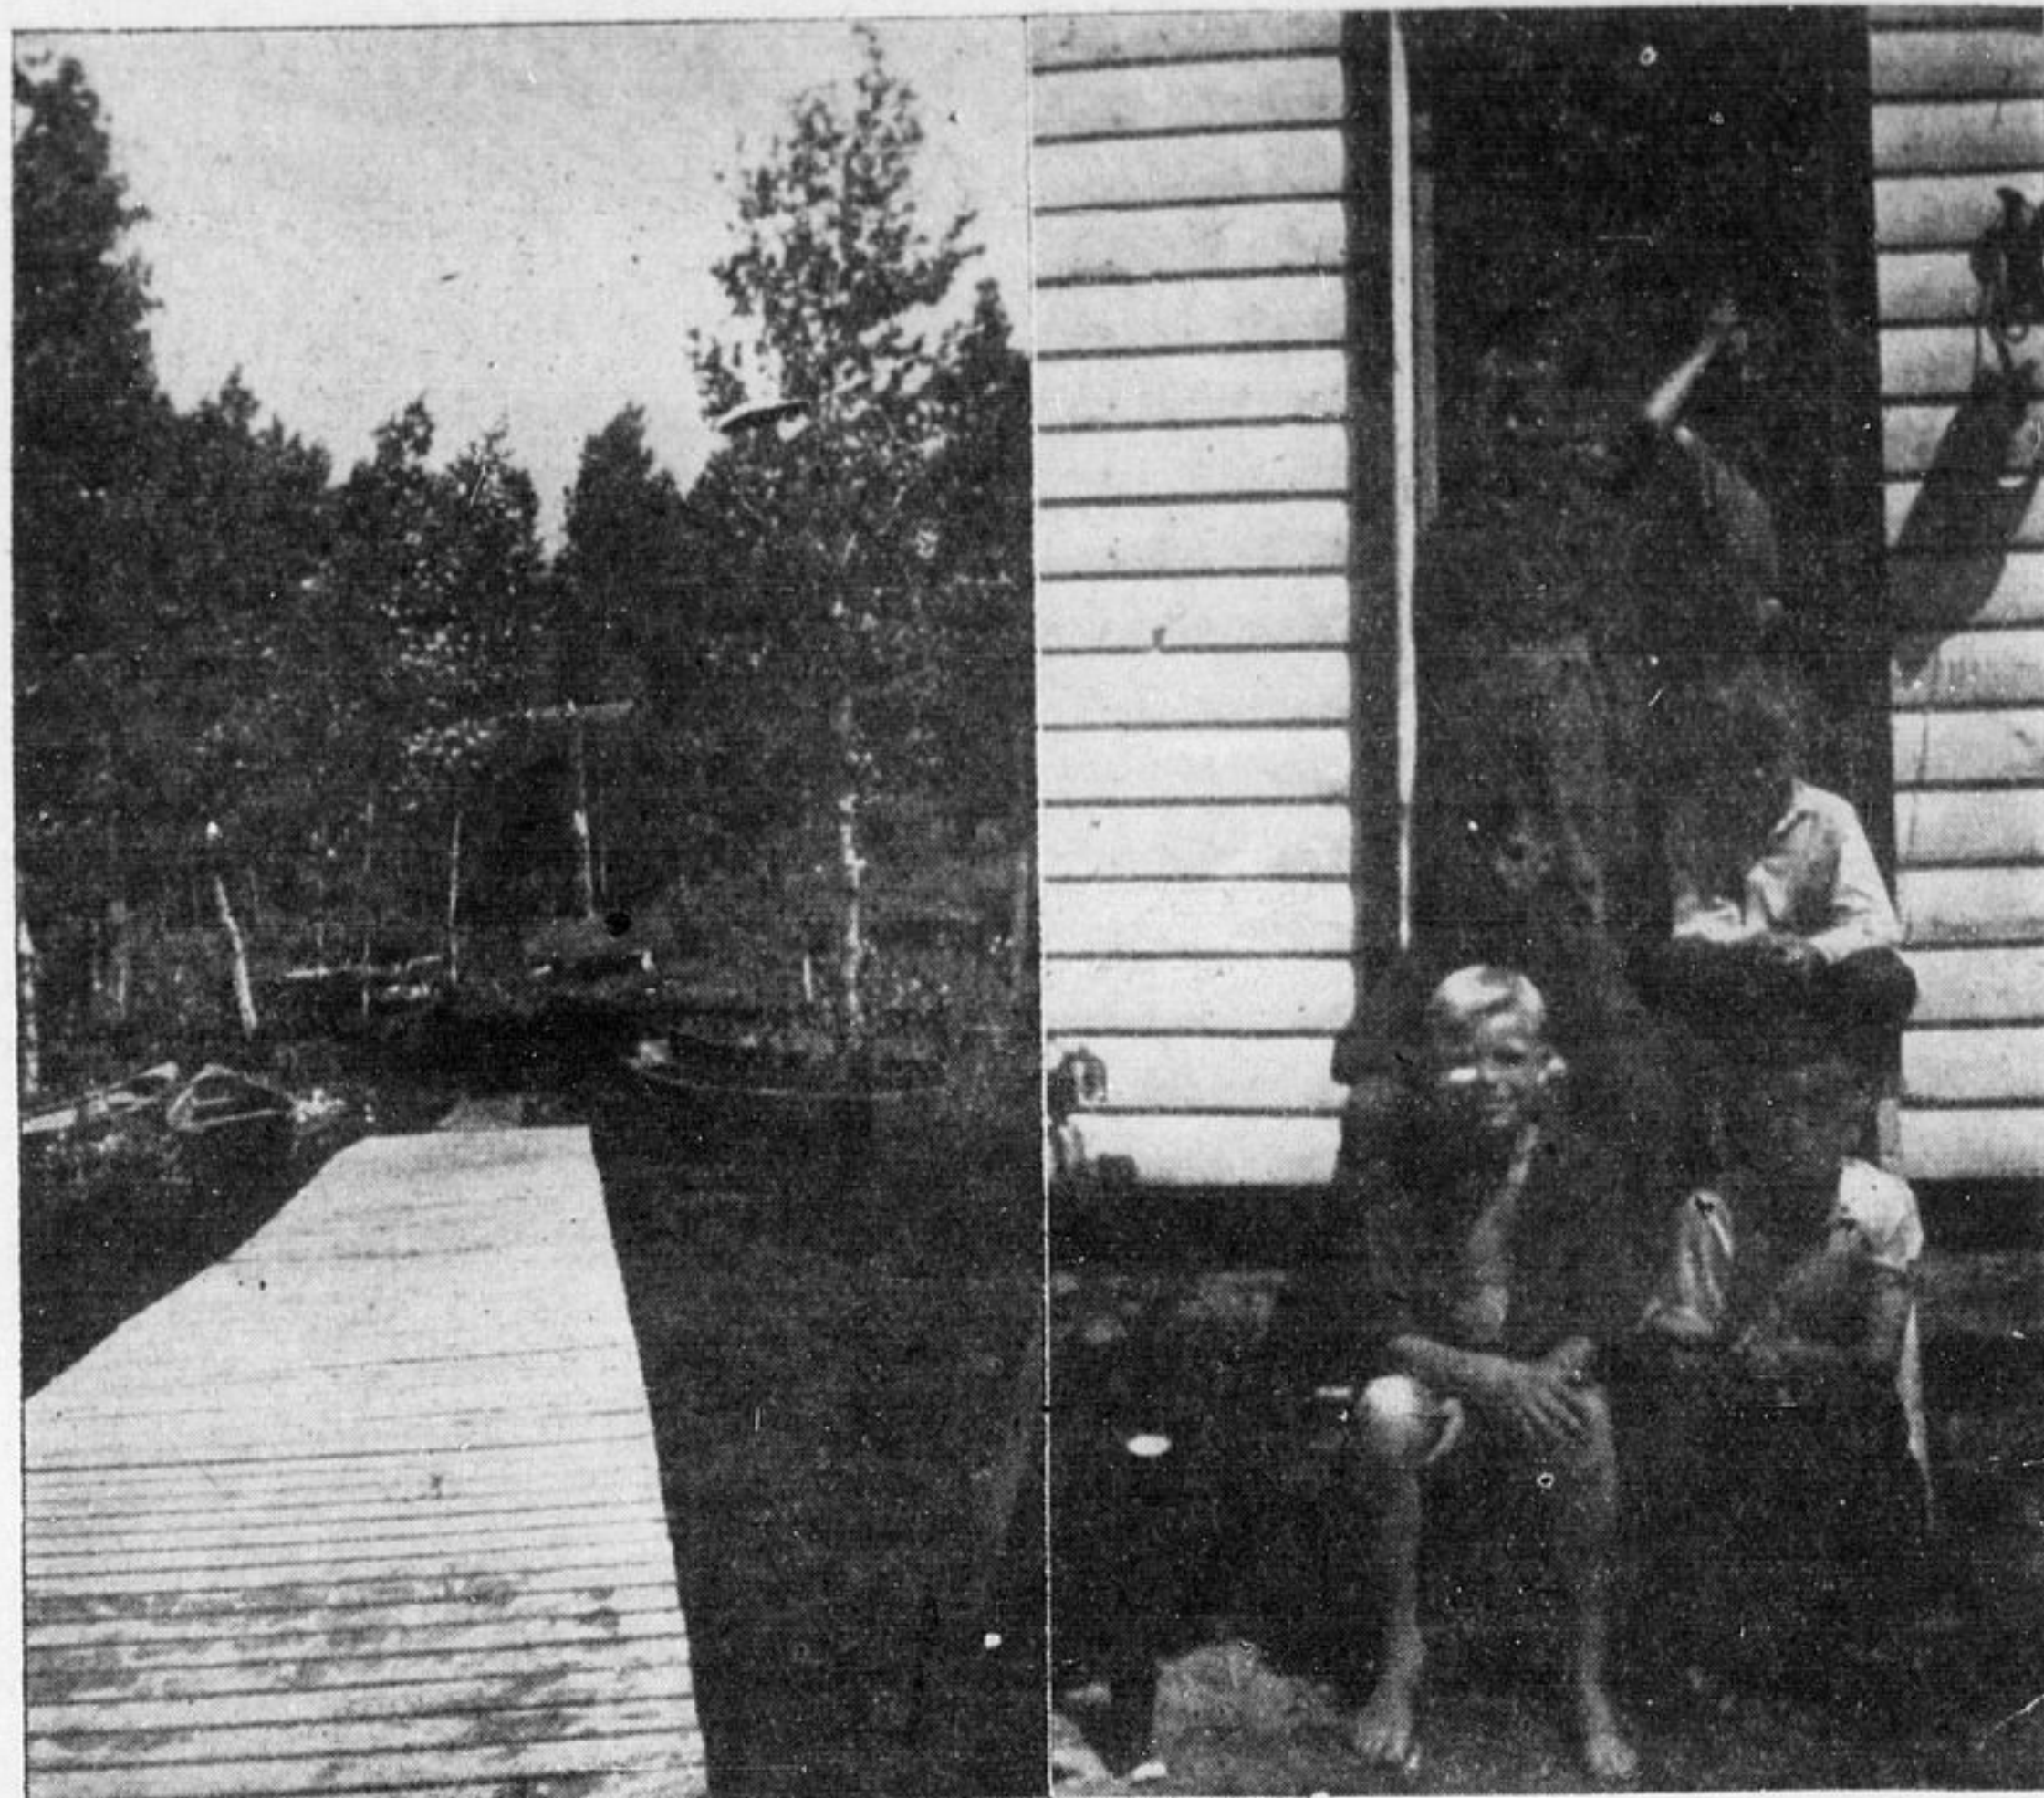

Monday, 68, and 58; Tuesday, 70 and 46; Wednesday, 66 and 50. At eight o'clock this morning the thermometer reading was 60 degrees.

### Remand in Cases of Charles Lamothe and Others Charged

Men on Gold Conspiracy Charges Remanded to Aug. 9th.

Toronto, August 2.—Charles Lamothe, of South Porcupine, Mike Serragar, of Schumacher, Solly Sigman, of Toronto, were remanded until August 9th when they appeared in police court at Toronto before Magistrate Broume to-day. The three named above are charged jointly with J. Wettenberg and S. Dollinger, of Toronto, with conspiracy to buy and sell gold and other ore contrary to the criminal code. There is also a charge against Mrs. Dollinger. In police court on Tuesday Wettenberg and Dollinger were remanded until August 9th. Bail of \$10,000 for each man was renewed.

### HAPPY TIMES AT KIWANIS BOYS' CAMP

When a young lad in one of the good families of the town saw the above pictures and other snaps taken of the Kiwanis Boys' Camp at Barber's Bay, he said regretfully, "Gee, I wish I was an underprivileged boy!" Of course, he wouldn't wish this if he studied out the fifty other weeks in the year for the boys who benefit from the Kiwanis Camp. The lads certainly do have a happy, wholesome, healthy time at the camp, however, and they reap rich benefit from it in many ways, physically, mentally, morally, socially. At top left is shown the deck at the camp. At the top right a group of lads ex-press by the smiles on their faces how good the camp seems to them. At the bottom are the Scouts who are in charge of the camp—from left to right, Gordon Parks, Bob Roy and Jack Jelbert. The entire proceeds of the Kiwanis Stag Barbecue at the Buffalo-Ankerite on Wednesday, Aug. 9th, will go to the maintenance of this boys' camp and other Kiwanis work for underprivileged children.

### New Provincial Police Inspector on Duty in North

Inspector Palmer Took over Duties at Haileybury On Tuesday

Haileybury, August 3, (Special to The Advance)—Inspector A. H. Palmer, appointed to head Ontario provincial police forces in this district, took over his new duties on Tuesday, when he arrived from Toronto. He expects to visit the various posts in the near future he said. Inspector Palmer, who succeeds Inspector F. B. Creasy, was never stationed permanently in this section of Northern Ontario until this week, but he recalled he had been on temporary duty in Cobalt, Haileybury and New Liskeard, and also on relief trains as far as Englehart, following the fire disaster of October, 1922. His first job then, he said, was to assist the late Aaron Parcher, then chief of police at Cobalt, the inspector taking over patrol of the town at night and the chief acting during the day. Inspector Palmer at that time was under W. T. Moore, then inspector at Cobalt and now at Hamilton, and this week he said Inspector Moore is still off duty because of eye troubles, for which he has undergone operations. Inspector Moore, formerly stationed at South Porcupine, is on leave of absence. Inspector Palmer said. Inspector Creasy, who exchanged posts at Toronto with Inspector Palmer, left for the south last week-end.

### Death Yesterday of Mr. George Corless Here Sixteen Years

Well Known for Keen and Helpful Interest in Horticultural Society.

Funeral services will be held at the St. Matthew's Anglican Church on Saturday afternoon at 4:30 o'clock, for the late George Corless, who died at St. Mary's Hospital on Wednesday morning.

The late Mr. Corless was born in Lancashire, England, and was fifty-nine years of age. After spending about ten years in the United States, he returned to England from where he came to Canada in about two years time. He had been resident in Timmins for nearly sixteen years, making his home for the past few years at 28 Kimberley Avenue.

The late Mr. Corless had been employed in the plate shop at the Hollinger Mine, being a popular and valued employee. He was president of the Horticultural Society for two years, had served on various committees of the societies several times, and had always been active in the work of the society.

Left to mourn his loss are his wife, one daughter, Doris (Mrs. Rigby), and one son, Joe, to whom the sympathy of numerous friends in the town and district will be extended.

Mrs. George Hamilton is spending a holiday at cottage at New Liskeard.

### McIntyre's Own Midway To Feature McIntyre Field Day on Monday

Rifle Shooting, Striker Machine, "Spill the Milk," "Duck the Clown," "Hoopla," Darts, a Magician—All Original Features. Also Professional Acts and Clowns. All in Addition to Sports, Athletics, Novelties.

Most people are likely to find the most striking feature of the annual McIntyre Field Day on Monday, Civic Holiday, August 7th, to be the original and unique McIntyre midway. This is no imported affair, but organized by the committee in charge of the field day, and it promises to afford far more entertainment, excitement and solid fun, than any of the professional travelling shows, with none of the objectionable features that characterize some of the latter class of midway.

McIntyre's own unique midway will include:—Rifle shooting, with ten \$5 prizes; a striker machine; "Spill the Milk"; "Duck the Clown"; "Hoopla"; Darts, Bingo, and a real Magician. Featured on this part of the programme on Monday are three professional acts and the happiest clowns. There is a singing cowboy, two dancing girls and Togo in his famous "slide of death." No one attending the McIntyre Field Day on Monday should fail to see this midway. And none should fail to attend the McIntyre Field Day on Monday, unless they don't care how much fun they miss.

Of course, the midway is only one of the many features of the big day. The best idea of what is in store for those attending the event may be given by an outline of the programme.

Events range in the following order: 9 a.m.—Kiddies' races. 9:30—Tug-of-war, with 20 teams pulling for the handsome R. J. Ennis trophy and \$100 in cash prizes.

10 a.m.—The McIntyre Band will leave the arena at 10 a.m. to parade to the grounds where they will be one of the popular features all day.

10:30—Water sports and log burling. 10:45—Football—Married Men versus Single.

At the interval in the football, the bicycle relay race will be held. And of course there is the midway! 12 to 1:30—Band concert by the McIntyre Band. Music-lovers will find this one of the highlights of the big

### Four Big Sports Days During Celebration by Prospectors' Association

McIntyre Field Day on Monday, Sports Day at Schumacher on Tuesday, Swimming Sports on Thursday, Field Day at South Porcupine on Friday. Other Features of the Event from August 5th to 12th.

### Swear In New Police Officer

Commission Hires New Constable and New Assistant Police Court Clerk

Arthur S. Reid was sworn in as constable of the Town of Timmins yesterday morning by Magistrate S. Atkinson. The new man is replacing John Barlow, whose resignation was received by the commission on Tuesday night.

The new officer is 25 years of age. He is six feet, one and a half inches tall and weighs 200 pounds. Married, with one child, the new constable matriculated at Hamilton, and for a time was a member of the Princess Louise, Argyle and Sutherland Highlanders, Hamilton. He has been in Timmins a year and has been working in the mines.

Vainore Tremblay was taken on as the new assistant police court clerk. Many applications for the position were considered by the Commission and Tremblay's was accepted. He is a graduate of the Timmins High and Vocational School and is highly recommended by the school principal, Mr. Tanner, and other teachers. The new assistant clerk, who will begin on Monday night, speaks and writes both French and English.

### Rev. Fr. T. J. Hunt Pays Another Visit to Timmins

Noted as a Speaker and Writer.

Rev. Father T. J. Hunt, of Whitney, his mother, Mrs. John Hunt, of Mount St. Patrick, and his sisters, Rev. Sister Hilda, of St. Joseph's Academy, Renfrew, Rev. Sister Gerard, of St. Joseph's School, Killaloe, and Rev. Sister Bertille, of St. Joseph's School, Callabogie, are visiting their brother, Mr. Ed. Hunt and family, Cedar street.

Rev. Fr. Hunt has a host of friends and acquaintances here, and always enjoys his visit to Timmins, where there are so many from Renfrew County and Eastern Ontario. Rev. Fr. Hunt is noted as a speaker and will be remembered as addressing the congregation of Rev. Fr. J. R. O'Gorman's church on the subject of "Education" during his visit here last fall. He also was guest speaker for Rev. Father Martindale at Schumacher.

Rev. Fr. Hunt has also marked ability as a writer and has recently published

### Timmins Man Leads Golf Tourney

With a 71 for the first 18 of the 27 hole qualifying round, Bob Barringer of the Timmins Golf Club, was leading the field at North Bay today where, during the next three days, the Northern Ontario Golf Championship will be decided. Barringer posted a 36 for the first nine holes and a par 35, which included birdies on holes number 3 and 7, for the second round.

Next in line was Pete Nazar, Idlewyde Club, Sudbury, whose 35 on the second round gave him a 77. Next was Johnny Poupore, Idlewyde, 79; S. Marting, Sudbury, 81.

Other Timmins scores for the first round were, Karl Eyre, 44, 42; Geo. Lake, 42; W. Rinn, 54; S. Wooley, 47; Ross, 49; Sloan, 45; Barbury, 46; Laidlaw, 45; Dr. Stahl, 46; E. B. Weir, 49; and A. W. Pickering, 48.

The Kiwanis Stag Barbecue to be held at the Buffalo-Ankerite Park on Wednesday, August 9th, from 3 p.m. on, promises to be one of the biggest and most attractive programmes of swimming, aquatic contests, games, novelties, horsehoes, and other amusements and attractions, including the health and beauty of the park itself and the Barbecue features of the occasion, carcasses of buffalo and Alberta steers to be roasted on an immense barbecue for the occasion. All the proceeds go to the Kiwanis Fund for underprivileged children, for boys' camp, milk for the undernourished, and medical and hospital attention for children. There will be ample bus service both ways for the day, at the nominal fee of 25 cents for the return trip. Also ample parking accommodation.

Mrs. John Palangio, who has been visiting her daughters, Mrs. Frank Colameco, Mrs. A. Pappone, and Miss Mary Palangio, and Miss Mary DeMarco returned to North Bay today. They were accompanied by little Miss Jean Cangiano, who has spent several weeks visiting relatives and friends here.
