Disappointment Over Cancellation of South Porcupine Sports Day

South Porcupine People Regret that Prospectors' Association Did Not Make Public Explanation of Withdrawal of Event. Other News of South Porcupine and the Dome.

South Porcupine, Aug. 12.—(Special to The Advance)—Quite a number of people were disappointed when the advertised sports day for South Porcupine, sponsored by the Prospectors' Association failed to materialize on Friday afternoon. The prizes for the different events have been on exhibition in the window of Pearce's store and during the afternoon over five hundred people (including a number of children) came to the ball grounds fully intending to take part in, or witness these sports. A number of miners from the Paymaster were in prepared to take part in the mucking contest, but after waiting until five o'clock, went home again. No official came in from Timmins to announce the withdrawal of the programme, and no notification of any kind was given to South Porcupine concerning this. Previously on Thursday—a truck with a loud-speaker had gone through the town announcing the evening programme in Timmins. Speaking as a citizen of South Porcupine, and knowing that the Tisdale Council voted \$100 some weeks ago toward this celebration, we consider that common courtesy alone should have at least prompted the organization to send around the loud speaker again announcing that the sports would not be held. In addition, the caretaker at the ball park had gone to extra work to prepare the ground for the events. There must be some explanation but none is to hand at time of writing.

CELEBRATED SILVER WEDDING JUBILEE

Timmins People at Pretty Wedding at Arnprior, Ont.

A copy of last week's Arnprior Chronicle to hand has more than one item of special interest to Timmins. A front page article refers to the visit to Arnprior of Pete Spence on his way from Timmins to New York to attend the Worlds Fair. To The Chronicle, Pete told some of the interesting incidents on his long and difficult canoe trip. He said that people all along the way had given him the most friendly welcome and kindly treatment. He uses a sail on his canoe when the wind is favourable, and not far from Arnprior this brought him a little difficulty. When he got near the C.N.R. bridge at Fitzroy Harbour he had some trouble in lowering the sail and consequently came close to having a spill. This was a sample of other trying incidents on the trip.

Mr. and Mrs. M. Pianosi, of Schumacher, who recently celebrated the twenty-fifth anniversary of their wedding. Their son-in-law and daughter, Mr. and Mrs. T. Pierini entertained in honour of the event, a large number of friends and relatives being present at a surprise party to observe the occasion.

Another item in The Chronicle of local interest is an account of the wedding at the First Baptist Church, Arnprior, of Miss Edna Leonora Remus, of Arnprior, and Mr. John C. Brown, of Ottawa. Rex A. E. Jasper, the minister of the church, officiated at the ceremony and special organ music was played by Mrs. C. A. Remus, of Timmins. Guests from out-of-town at the wedding included Mr. and Mrs. C. A. Remus and family, of Timmins; Mrs. H. Strike and family, Kirkland Lake and others.

Eleven Face Charges as Result of Bazaar Raid

Eight Charged With Keeping Common Gaming House at Prospectors' Association Bazaar at Timmins Arena Last Week. Association President, Hamilton B. Hatch, and Cliff Caesar Jointly Charged. John Carnovale Also Charged.

Close to a dozen police walked into the Timmins Arena on Thursday night and made eleven arrests in connection with a bazaar being held there by the Porcupine Prospectors' Association. Eight persons were charged with keeping a common gaming house, two were jointly charged with conducting a lottery and one was charged with allowing his premises to be used as a common gaming house.

The eight charged with keeping a common gaming house were Roland Arbie, J. B. Robillard, Louis and Tony Torcha, Edward Basil Smith, Real Cousineau, George Teem and Louis Chartier.

Hamilton B. Hatch, President of the Prospectors' Association and Clifford Caesar were jointly charged with operating a lottery and John Carnovale was charged with permitting his premises to be used as a common gaming house.

The raid on the Timmins Arena was made suddenly but there was no confusion. Police tore down equipment, which included wheels, dice, crown and anchor games and dice table and brought it all to the police office where it is being stored pending the hearing of charges before Magistrate Atkinson on Tuesday. It will be used as police court exhibits.

Police say that they warned officials of the Prospectors' Association that the bazaar, which was in progress at the Arena, had some features likely to be in violation of the lottery section of the criminal code. When their warnings were ignored they raided and laid charges.

Youths in Kirkland Hold-up Sent to the Reformatory

The two seventeen-year-old lads from New Liskeard arrested for the attempted robbery of a drug store at Kirkland Lake, were last week given terms of 18 months determinate and 6 months indeterminate in the reformatory. The Crown Attorney said he felt that the matter was so serious that a prison term was required, but he hoped that the young fellows would not be sent to the penitentiary. Magistrate Atkinson commented that crimes of the kind charged against the two young men were very serious. The youths were liable to seven years in the penitentiary under the terms of the criminal code. He felt he was being as lenient as possible under the circumstances in sending them to the reformatory, and he hoped they would profit by the terms imposed, learning a trade and preparing themselves for honest and honourable work in the world when they were released.

Married at Kingston, Ont., Take up Residence Here

The following report of the marriage of Miss Mabel Josephine Somerville and Mr. Richard Delamere McCloskey will be of special interest here. The bride is a niece of Mr. and Mrs. W. H. Pritchard, Timmins and the groom has been a popular member of the staff of the Canadian Industries Limited. Mr. and Mrs. McCloskey are taking up residence on Patricia Boulevard, Timmins. The following is the report of the wedding as published in The Kingston Whig-Standard on Wednesday last:—

McCloskey-Somerville
St. James Church, Kingston, was the scene of a lovely wedding on Saturday, August 5, at high noon, when Mabel Josephine, daughter of Mr. and Mrs. James N. Somerville, Morton, was united in marriage by the Rev. Gerald Graham, Christi Church Cathedral, Hamilton, to Richard Delamere McCloskey, son of Mr. and Mrs. H. C. McCloskey of Toronto.

The church was beautifully decorated with ferns and flowers suitable for the occasion. Mr. Tunstall presided at the organ while Miss Pearl Johnson sang "O Perfect Love" during the signing of the register.

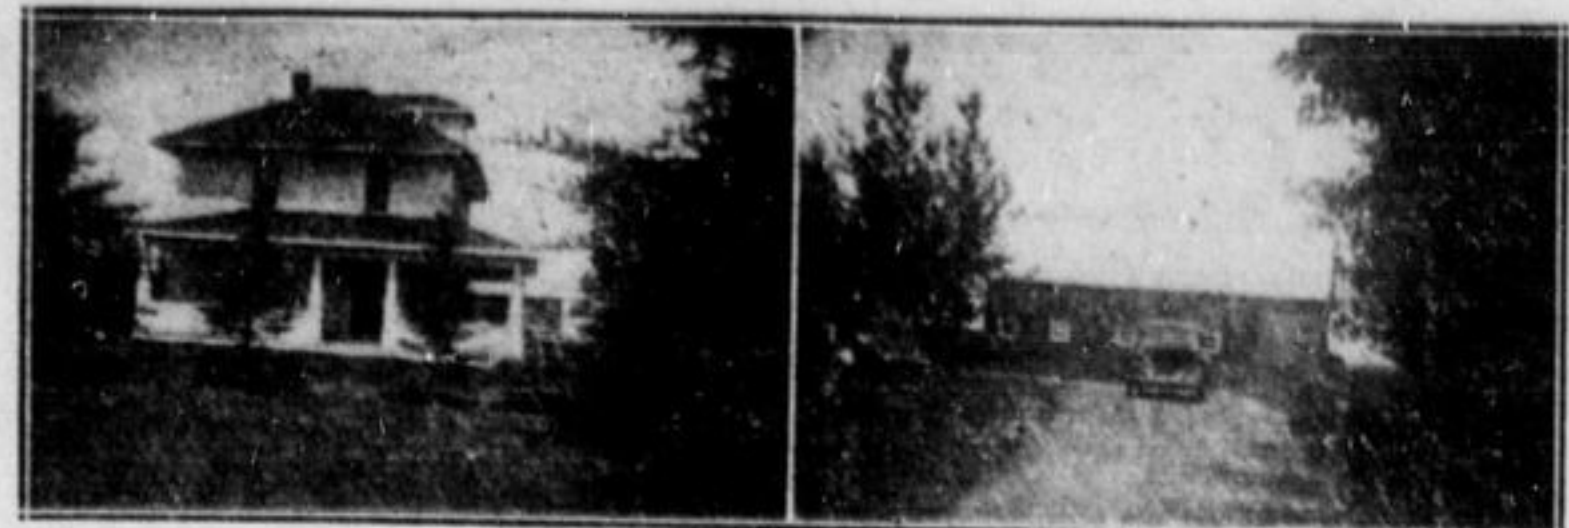

The bride, given away by her father, wore a gown of white satin with train and train length veil, gathered with rose buds and carried a bridal bouquet of Joanna Hill roses and lily-of-the-valley. Her bridesmaid Miss Reta Wright, Ottawa, looked charming in blue marquisette over pink taffeta with accessories to match and carried a bouquet of pink roses and delphiniums. Miss Shella Somerville, flower girl and niece of the bride, wore pale blue marquisette over pink taffeta with bonnet and slippers to match and carried a nosegay of roses and cornflowers. Mr. Paul McCloskey, brother of the groom, assisted as best man. Mr. Neil Somerville, Morton, Mr. Charles McCloskey, and Mr. Phillip Neukirk, both of Toronto, acted as ushers.

The bride's mother wore a gown of violet chiffon with hat and accessories to match and corsage of cream, roses and lily-of-the-valley. The groom's mother looked charming in a French Model gown of peach chiffon trimmed with black lace and hat and accessories to match wearing a corsage of American Beauty roses. The groom's gift to the bride was a string of matched pearls. The attendants received suitable gifts.

The reception took place at the Hotel La Salle, where a lovely luncheon was served. For travelling the bride donned a powder blue crepe suit, trimmed with American Beauty with hat and accessories to match wearing a corsage of American Beauty roses. The happy couple will reside in Timmins, Ontario, after a trip through the southern states.

Among those from out of town were Mr. and Mrs. Pierce of Toronto, Mr. and Mrs. W. H. Pritchard, Timmins, Dr. Gunther, Philadelphia, Miss Gunther, Atlantic City, Miss C. McCloskey, New York, Mr. George Ridpath, Mr. George Rathbone and Miss Margaret Neukirk, Toronto, Mr. and Mrs. Deeth, Rochester, N.Y., Mrs. Graham, Brockville, Mr. and Mrs. Joseph M. Somerville and Margaret of Ottawa and Mrs. Gerald Somerville, Smiths Falls.

Dundalk Herald—What a difference one little letter makes! We left the letter "g" out of the word bride in last week's issue and here's the way the item read: "A concrete bride in Mono Township was reported to be washed from its abutments by the swollen waters of the Hockley river." Different readers asked us just what was a concrete bride like and we had to admit we were buffaloed. About the only thing we could say was "Aw gee!"

Fine Array of Produce at the Market Here on Saturday

Attendance Also More Favourable. Starting on Tuesday, Aug. 15th, the Timmins Market is to be Held Twice a Week—Tuesdays and Saturdays.

Only one booth was empty when the Timmins market opened on Saturday morning at the Curling Rink. The market has been held on several Saturdays during the summer, and each Saturday has found more and more housewives taking advantage of the occasion to get appetizing fruits, vegetables, and meats for their dinner tables. Starting tomorrow (Tuesday) the market will be open on Tuesdays and Saturdays.

The array of vegetables, fruits and meats at the market last week was an especially satisfying one. There were radish, rhubarb, tomatoes, lettuce, peaches, apples, pears, cheese and many other goodies on display, all from farms in the Cochrane, Matheson and Timmins districts except some of the fruit which came from Southern Ontario farms.

The attendance at the market is beginning to be more favourable to the farmers who bring their produce to the booths, and certainly is much greater than it was when the market first opened. On Saturday morning, when The Advance reporter visited the market, the farmers were all kept very busy selling their wares, making the last market day the best to the present time this year.

Huntingdon Gleaner—Piteous cries of Anton Sather, 70 years old, of Seattle, begging them to hurry, spurred rescuers as they frantically tried to free his leg from wreckage of his automobile after it had been struck by a train. But when the ambulance arrived, Sather said calmly: "You won't need that. It was my wooden leg that was caught." "Then what was your hurry?" a perspiring rescuer demanded. "I didn't want to be late for work."

Brampton Conservator—Lady Eaton, noted for good work in many directions, has offered her fine farm situated in King township as a sanctuary for English children in the event of war. "I will be glad to take children, I have an ideal spot for children, and plenty of milk and all the essential foods raised on the farm." The generous offer will no doubt be readily accepted in the event of the necessity arising, and will be followed by others showing equal loyalty and sympathy.

Kirkland Lake Man Sent to Jail for Beating His Wife

At Kirkland Lake last week Emile Dupras was sent to jail for three months when found guilty of beating his wife. It was second time in three weeks that Dupras had faced this sort of charge. Mrs. Dupras told the court that her husband had grabbed her by the neck, choked her and that she had to crawl under the bed to escape him. Dupras pleaded not guilty, his defence being largely to the effect that it was the wife who had really started the trouble. He admitted having been placed under bond on two other previous occasions when he was accused of wife-beating.
