

CARDINALS ELIMINATED FROM N. O. B. A. PLAY-DOWNS

Porcupine Chances Spoiled with Ruling on Churchill

Defeat Cardinals in Second Game Played in Downpour of Rain. First Game Ruled Out at Meeting Last Week Because Churchill Pitching Without Release from McIntyre Club. Black Pitched for Timmins. Trail Early Part of Game.

Kirkland Lake, Aug. 9.—(Special)—Kirkland Lake Juniors won the right to go into the next round of the Junior Northern Baseball Association play-downs here this afternoon by defeating Porcupine Cardinals, 19-15, in a downpour of rain.

After trailing by a 6-0 score in the early part of the second inning, the local boys opened by on Black and drove him to the showers in the third inning after scoring 11 runs from six hits and a deluge of walks. Following a weak Timmins attempt in the third which netted a single run, the Kirkland age-limiters continued in their run-scoring stride to add three more to bring the score to 14-7.

McLellan, on the Kirkland mound, began to show signs of weakening in the sixth and in the following two innings gave up six runs to put the visitors within striking distance. He was relieved by Murray who found it difficult to find the plate and walked three men in successive to give Timmins a 15-14 edge on the game.

Things looked very black for the Kirkland Lakers as they came up for their last turn in the ninth and Davay didn't help matters any when he struck out. Then it was Luchen's turn to lose direction and he walked two, allowed one hit to cover the bases. Kovalchuk worked a walk to force Murray over with the winning run. Next man up, Hardie, hit out to left and Sam Mason came to the plate with three on and two out. Mason's first two efforts went foul and then he drove one over

second and into deep right field for a home run, scoring four runs. On the game's play, both teams were evenly matched but it was certain that the Timmins boys missed the pitching and hitting of Bob Churchill, who was ruled ineligible at a Timminkaming League executive meeting on Friday evening because he couldn't obtain his release from the McIntyre senior club, for which he pitched.

Timmins: Zadorozny, rf; Porrier, 2b; Kosiek, cf; McLinn, c; Plioplis, 1b; Turcotte, 3b; Augustine, ss; Tannurell, lf; Black, p; Luchen, p.

Kirkland Lake: Behie, lf; Tremblay, 1b; Davay, rf; Murray, cf-p; Redmond, 3b; Breakwell, ss; Kovalchuk, c; Hardie, 2b; McLellan, p; Mason, cf.

Hollinger Gets Eighteen Hits From Weakened Timmins Outfit

Paste Offerings of Chambers, Who Got Bad Support in Field, All Over Hollinger Ball Park. Hit Five Consecutive Singles in One Inning. Timmins Team Made up of Veterans and Near Juniors.

Fasting the offerings of Chambers all over the greensward in the new Hollinger ball park on Saturday afternoon. Hollinger defeated Timmins ten runs to four. The heavy hitting Hollinger crew smashed out eighteen hits against a Timmins team which gave its hurler little support. In one inning alone the Hollinger crew hit five consecutive singles, about three of which never would have been tallied as hits had it not been for clumsy fielding.

The Timmins team was made up, as it has been since its recent player exodus, of oldsters and youngsters. Veterans McCann, Chambers, Wagon and Rolly Flynn were supported by Cops, Cordick, Stonehouse, all players of near junior age. Jack Marks held down the second base assignment and did a fair job considering that he has not played senior ball at all this year.

Scarlett, first man to bat, banged out a single and scored on the two-base smash of Savoie who followed him. Savoie tallied on Dorey's single.

In the fourth inning five consecutive singles resulted in two runs, scored by McDonald and Dorey. The same players repeated in the next inning, and in the seventh Dorey got his third run of the day. Yasinchuck, Rudel and Savoie all counted in the eighth and ninth innings.

Cops walked for Timmins in the fourth and Rodney followed with a single. Cops made third when McCann was thrown out and scored on Flynn's single. Rodney came in on the same single.

The locals finished in a blaze of glory.

Cops and Rodney hit consecutive doubles. Cops hit himself and scored on Rodney's two base hit. Rodney came in for the fourth run when Flynn was thrown out.

First Play-off Contest Today At Hollinger

Timmins Won 13 and Lost 5 in Schedule Battle. Macmen Won 10 and Lost 8.

Timmins and the McIntyre are scheduled to meet this afternoon in the first game of the camp ball finals. The game will be played today at 4:30 p.m. on the new Hollinger ball park.

Second game will be on Tuesday, I. will be played at the McIntyre park at the same time.

At the end of the league the standing was as follows:

	Won	Lost
Timmins	13	5
McIntyre	10	8
Hollinger	7	11
Porcupine	6	12

Knights Smother Imperials in Tilt For Leadership

Were Tied at End Softball Schedule. Met at South End in Sudden-Death Game.

Tied at the end of the schedule the Imperials and the Knights of Columbus met in a sudden-death softball duel at South Porcupine on Friday evening to decide who would occupy ranking place. When the game was over there was no doubt left in anyone's mind. The Knights won 14 to 0.

The Knights laid down a barrage of hitting, topped by four circuit blows

well as on base and Divie hit one which was batted in and one scored by Bob Churchill, pitcher, contributed towards a Porcupine victory in the first game of the series to determine the northern group winner in the battle for N. O. B. A. junior title. Churchill pitched a shut-out against the visitors on Thursday afternoon. He allowed the Kirkland outfit only four hits.

Five of the nine hits obtained by the locals came in the fifth inning. With the bases loaded Churchill smashed a triple out into centre field to score all three men. He came in when Poirier smashed a McLellan offering into left field to make two bases.

Three pitchers were used by the visitors. Allan McLellan went in first and lasted for four and half innings. When the Porcupiners started to hit him he was pulled and replaced by his brother Bud McLellan. At the beginning of the sixth inning McLellan changed places with Murray, centre fielder, and Murray finished the game.

First Porcupine run came in the second inning. With two men out McLinn hit to left field. He stole second base and made the other two in Churchill's single.

In the eventual fifth Zadorozny led off with a single through second base. Augustine walked and Turcotte singled to load the bases. Zadorozny scored when Plioplis was thrown out and Ovis fanned for the second out. McLinn walked to again load the bases and Chenier's single brought Augustine in.

With three on Churchill made his triple to score three runs. Right after him Poirier, doubled to score Churchill. Poirier was left on base when Zadorozny, up for his second time in that inning, flied out.

In the sixth inning the Porcupine pulled the only double play. Break-

well as on base and Divie hit one which was batted in and one scored by Bob Churchill, pitcher, contributed towards a Porcupine victory in the first game of the series to determine the northern group winner in the battle for N. O. B. A. junior title. Churchill pitched a shut-out against the visitors on Thursday afternoon. He allowed the Kirkland outfit only four hits.

McIntyre hit one out to centre field in the seventh and the centre fielder dropped the ball. He made two bases and stole third. He came in when Zadorozny singled.

News About Gnus is Only News When Gnus are New

(From an Exchange)
The superintendent of a zoo rang up the editor of a local paper.

"We have some news about the gnus," he said.

"Do you mean it's new news?" the editor asked.

"Yes. New news about the new gnu."

"But," protested the editor, slightly harassed, "All news is new."
"Oh, we have some old gnu news here," came the answer. "But I want to give you some gnu news about the new gnu that the old gnus have just got."
"Will you please write it," suggested the puzzled editor, "and send it in."
The superintendent complied, and this is what he submitted: "I was try-

and supported by many triples, doubles and singles.

Home runs were smashed by Frank Chase, Louis Romauldi, Nick Lukon and Alex Stewart. Mordin and Bernardi tripled and Lukon and Romauldi hit again, for doubles.

Lukon's home run in the first inning began a hit-fest which resulted in three runs. Four more crossed in the next inning and other runs straggled in throughout the remainder of the game until the fourteen total was reached.

Value of the Swimming Pool to the Youngsters

(Simcoe Reformer)
The swimming public in America is estimated to have increased 450 per cent in the last ten years. This increase has not been entirely prompted by life-saving desires, though from the standpoint of human safety a knowledge of swimming is most important.

Aside from this, no other exercise approaches swimming for all-round development of the body, a fact which emphasizes the importance of the swimming pool in building up the younger generation.

This angle is effectively discussed in an article entitled "Learn How to Swim" in the Summer issue of "Health" Magazine. It is contributed by John D. Devlin, swimming director of Ontario Y. M. C. A., Toronto, who says in part:

"Swimming exercises the large fundamental muscles of the trunk and limbs. The leg kicks develop the lower back and abdominal muscles along with the leg musculature. The arm strokes develop the chest and upper back muscles.

The muscles of respiration are developed to an unusual degree. The upward lifting and stretching of the arms acts to lift and broaden the chest. Suppleness is promoted generally in all the joints and much is done to equalize the unbalanced muscle pull associated with poor posture.

Swimming is one of the very few exercises that promotes a symmetrical development of the arms and legs, of anterior-posterior posture, and of lateral symmetry. Swimming permits free and unobstructed movements in the full range of joint action without sudden or violent jars due to contact with apparatus or to the ground.

"A fact of considerable importance to girls and women is that swimming is one exercise that does not develop the body in a way harmful to physical beauty. The muscular development associated with swimming is a smooth rounded type rather than characterized by extremely hard, bunched or knobby muscles. Flexibility in all the joints is promoted which improves physical grace in general. Even an excessive amount of swimming will not make one scrawny and thin nor will it add a great deal of extra weight. Swimming as a recreational exercise has been called a normalizer as far as all effect on body weight is concerned."

Carrots are the Thing for Safer Night Driving

(From The Hamilton Spectator)
There is no doubt about it, the diet experts are meddling too much with human liberty, and just at a time when we need all of it we can get.

These experts have no tact. Indeed, there must be a streak of sadism in them. They are continually finding out horrible things about food, and there is no end to their pontificating. If you are going to do something strenuous, they declared not long ago, eat a lot of jelly before you do it—jelly! And now comes Miss May Foley, Massachusetts State College nutritionist, a title that you can't very well ignore, to say that before you go for that evening spin in your car you should eat a couple of carrots for safety.

Here is the explanation: Carrots contain vitamin A, which prevents night blindness. "A person whose vision in dim light is impaired, due to lack of vitamin A," says Miss Foley, "can eat a serving of carrots before he goes out driving in the evening and be assured that his vision will be better."

Note the ring of authority. It is typical. Here a whole generation has been brought up on the theory that carrots make the hair curl, and no sooner do they free themselves from this yoke with a hearty iconoclasm than the carrots are thrown right back in their faces with a scientific leer.

And, frankly, we think it is unfair to carrots.

We believe carrots are good in their own way, but compulsion and food don't mix. There was something rather appalling in the old-fashioned deceptiveness about fish giving you brain power, onions resistance against colds, and spinach muscular fight. There is something cold and objectionable about the modern substitutes that are probably—and that is what really annoys us—true.

It is hard, very hard, to picture the scenes ahead of us if the Foley type of advice is strictly adhered to.

"Give me my carrots, dear. I'm going out for a short spin in the country."

Blainmore Enterprise.—Careful investigation reveals that a telephone pole never hits a motor car except in self defense.

Barrie Examiner.—We understand there is already an increased demand for dressed lumber for planks in the various party platforms.

ing to give you some gnu news about our two old gnus that have some baby gnus. Both the old gnus and the new gnus are doing very well."

Senators Carry North Bay Junior Baseball Hopes

North Bay, Aug. 19.—The Senators, managed by Don Cagliano and coached by "Scotty" McColeman, will carry North Bay's hopes in the Junior baseball wars against outside enemies.

Going on an eight-run rampage in the fifth inning, the Senators won the city title Thursday night, by handing the C.Y.O. team a 12-6 beating in the third and deciding game of the series. The Senators were trailing before they let loose in the fifth.

The city champions will now hook up with Timiskaming, Quebec, for the district crown. The first game in this series will be played here Saturday evening, with the second contest billed for the very next day in Timiskaming.

The winners will qualify to meet Copper Cliff's smart team in Northern Baseball Association playdowns.

In the first inning last night it looked very much as if the C.Y.O. lads were going to chalk up their second straight win and take the series. They scored five runs in their first time at bat.

Alyre Michaud, Senator pitcher, was removed in this frame and the assignment was turned over to Lionel Lalonde, who held the C.Y.O. to one run from then on.

Squizzato Leads Way
The Senators scored three times themselves in the last half of the first frame. Each team added one run in the third.

Going into the fifth, the Senators were two runs down. But then the fireworks started. There were two on the pathway when Alf Squizzato poled out a homer to send the Senators cut in front.

The run barrage continued until the Senators had eight for the inning. Larry Commanda, who did a fine job in polishing off the Senators in the second game, was no mystery in this inning, though he remained on the hillcock.

Macmen Score Six in First Inning Against Porcupine

Lefty Gower, Who Recently Pitched a No-Hit Game, Struck For Six Runs in Big First Inning. Babe Labag Hits Circuit Out, One of the Longest Home Runs Scored in McIntyre Park This Year. Loss Puts Porkies in Cellar Position.

Lefty Gower, who recently pitched a no-hit game for Porcupine, started in Thursday's match against the McIntyre. In the first inning, the only inning he lasted in the box, the Macmen hit him once and took fullest advantage of walks and errors to score six runs. The 6 to 2 McIntyre victory put Porcupine into the cellar position in the league.

McInnis, who took Gower's place in the Porcupine pitcher's box, was not nearly so generous as his predecessor. He allowed the Macmen only three hits in the other eight innings and held them runless.

First batter to meet Gower was Webber. He got to first on an error. Then Richardson walked and Dunn hit a single to centre field. The ball eluded the fielder, Murray, and rolled far out, allowing Webber and Richardson and Dunn to score and again clear the bases. Gower struck McNeill out and walked the next four batters, Thayer, Quinn, Moran and Cooke. Thayer walked on the quartet of walked players. A squeeze play, started by George McShane, was responsible for the other two runs.

McShane laid down the bunt as Quinn was coming in from third base. Moran was right behind and he scored on the throw-out at first base.

Both Porcupine runs were scored on Labag's homer. Patterson walked and looked as though he was going to be left standing on first base when Labag contacted one of McShane's offerings and drove the ball over centre fielder Dunn's head well out into the backlands. It was one of the longest hit balls of the season and Patterson and Labag both made home plate without undue effort.

Reminder of the game was a pitcher's battle between Dominus and George McShane. No batter got a satisfactory hit off either of the hurlers. Fielding improved and the game settled down.

It was the one big inning, the only one they had, which won the game for the McIntyre and forced the Porkies well down into the cellar position in the league.

New Bowling Alleys to Open Thursday Night

The new bowling alleys recently erected by Leo Masciol next to the Palais Royal will open on Thursday night this week. There are eight alleys ready for Thursday. The formal opening will take place when the second eight alleys are installed. Mr. Mansell, who has a notable record in bowling, is here to take charge of the alleys.

Sudbury Star—While none has yet been found, there may be less drastic ways of improving the ventilation of London's railroad stations than checking dynamite in the parcel room.
