

# DECIDE ON THIRD GAME FOR CAMP TITLE

## T. B. L. Officials Decide On Third Game After Phone Poll

McIntyre Awarded Victory Because of One Game Win and Victory by Default but Decision Overruled by Officials Who Were Contacted Over Week-end by Telephone. Third Game To-day if Weather Allows.

Whether or not the third game between the McIntyre and Timmins ball teams for the camp title will be played today at 4:30 p.m. will depend largely on the weather.

In any event there will be a third game. At the conclusion of Saturday's game, which was won by the McIntyre, it was announced that the series was over. The McIntyre was to be awarded a victory by default, because the Timmins team did not turn up earlier in the week on one of the dates when a postponement was expected.

A telephone poll was taken over the week-end from members of the Temiskaming Baseball League and officials decided that a third game would be necessary.

It was scheduled for today.

The McIntyre took the baseball championship of the Porcupine on Saturday afternoon in the final game with Timmins. After eleven innings of ball Eddie Dunn's single scored a run to break a five inning deadlock and score Richardson.

Each team won a game in the series but the McIntyre claimed another victory because of the fact that Timmins defaulted a game. Last Friday, after the first game of the series was postponed every day since the previous Monday, the Macmen were out on the field in uniform. It rained almost up until game time and the Timmins club thought another postponement was in order. Consequently, the McIntyre claimed a default and maintained that the championship was to be decided by Saturday's game.

The game was a pitcher's duel with "Lefty" Grise and George McShane pitching their hearts out to hold each other. Good ball was played and the Macmen got only six singles while Timmins hit McShane seven times.

Tension was in the air during the last of the eleventh inning when Richardson singled to left field and then made a second base steal. Eddie Dunn passed the sphere deep into right field to bring Richardson in.

An inning by inning summary is as follows:—

### Three New Bridges to be Built in Temiskaming

### Shrine Club Planned to be Formed at Kirkland

Kirkland Lake, Aug. 26th.—Kirkland Lake is to have its own Shrine Club within the space of a year, according to plans made at a recent organization meeting. In the meantime a temporary organization, of which G. R. Patterson is chairman, will function until the regular Shrine Club is established. The full name of the Order is—"The Ancient Arabic Order of Nobles of the Mystic Shrine."

### Enjoy Timmins Flower Show Today and Tomorrow

With the annual exhibition of the Timmins Horticultural Society being held in the McIntyre Arena to-day and to-morrow, Aug. 28th and 29th, the following editorial from last week's Northern News is specially well worth reading and heeding. The one paragraph in it may be read:—"Everyone should make a point of taking in the Timmins Horticultural Society's flower show at the McIntyre Arena Monday and Tuesday of this week."

The Northern News editorial reads:—"Forgetting Europe"

In the welter of thought and comment about Europe, it is a relief to turn to something that savors of peace, that is symbolic of the better and lovelier things of this world.

We refer to gardens. On Tuesday and Wednesday of next week everyone should make a point of taking in the Teak Horticultural Society's flower show at the winter market building.

Flowers and gardens make life worth living. The sight of them takes our thoughts away from strife, rests our eyes, and calms our minds.

Even in this lakeless pile of rock which we call Kirkland Lake, there are many beautiful gardens, many lovely flower beds, many bright little window boxes. The chap who doesn't know the difference between antirrhinum and delphinium likes flowers. Take them away from the scene and he'd miss them.

Perhaps Johnny Gaudes, who is in Hamilton training hard for his fight here on September 13 in the McIntyre Arena with Jimmy Webster, is pensive because of the battle he expects to have on his hands. The Webster-Gaudes fight headlines a sparkling card.

### Virginia Jubilee Singers to be Here Again, Sept. 11-12

The famous Virginia Jubilee Singers, radio, Okauchauqua and concert vocalists and entertainers, featuring Negro spirituals, plantation and folk songs, will again visit Timmins this year, holding their unique and popular entertainment in the United Church on Monday and Tuesday evenings, Sept. 11th and 12th. For five or six years past the Virginia Jubilee Singers have visited Timmins each year and have been warmly welcomed and appreciated here. On each appearance here they have been greeted with large audiences and their programmes have been enjoyed by all attending. The attractive music of the South is given special meaning and appeal by these gifted artists who add to its musical value by their sympathetic interpretation. In the Negro spirituals, the plantation songs, the folk songs, and in other special numbers, the Virginia Jubilee Singers give an unusually pleasing performance. Something of the popularity of the appeal of the Virginia Jubilee Singers is indicated by the fact that last season they made no less than forty-eight appearances in Toronto alone. It is the same way in the North, where each year they are warmly greeted by audiences in all the several towns visited. As in recent years their appearance here will be under the auspices of the United Church Choir.

**Hungary Refuses Rumania Non-Aggression Treaty**  
Reports from Bucharest say that Hungary has turned down a Rumanian invitation to conclude a non-aggression pact. As a result of this, Rumania is redoubling its military preparations. The invitation for a pact was made after Hungary had inquired about the nature of Rumania's military measures and was informed that they were merely preparations for army manoeuvres.

**Max Smith of South Porcupine Elected Head of Fire Chiefs**  
South Porcupine Fire Chief Now President of Dominion Fire Chiefs' Association.  
Word from St. Thomas, Ontario, gave the pleasing information that Fire Chief Max Smith, of South Porcupine, has been elected president of the Dominion Fire Chiefs' Association for 1939-1940, succeeding Chief J. N. Longval of Shawinigan Falls, Que. This honour brought to the Porcupine camp is one well deserved by the new president of the Fire Chiefs' Association, as he has given a lengthy and able service to the cause of fire prevention and fire fighting. Fire Chief Max Smith has not only served his own community of South Porcupine as fire chief, but he has given even greater service in the educational campaign he has continued during the years to rouse people to guard against fire dangers. His regular talks on the subject to the various schools in the township have been of more than passing value. In addition to what Fire Chief Max Smith has done for his own community, he has been active and helpful in the work of the Temiskaming Firemen's Association and in the wider sphere of the Dominion Fire Chiefs' Association. Last year his services to the Dominion Fire Chiefs' Association were recognized by his election to the position of vice-president. This year he was the logical choice as president and there is every confidence that he will fill the position with credit to himself and value to the association. Other officers elected last week to the Dominion Fire Chiefs' Association included: Vice-president, Chief Geo. Gimblet, of Peterborough; second vice president, Chief Andrew Spaulding, Preston; secretary, Chief James Armstrong, Kingston; assistant recording secretary, Chief Allen H. Clark, Lakefield. The 1940 convention will be held at Brantford.

## Timmins Takes First Play-off From the Macmen Three to One

"Left" Grise Hurls His Team to Victory in the First of the Camp Play-downs. Good Ball Played at the Hollinger Park. Copps Bats One Run Home and Wagar, Timmins Catcher, Belts Single to Score Other Two.

Since five of its star players decamped, the Timmins team may look somewhat like an old auto bound together with hay wire, but it has got a good motor in the person of its hurler, Grise. In the first game of the play-offs at the Hollinger Park on Friday afternoon the locals defeated the McIntyre 3 to 1. Star of the day was Grise but he was given fairly good support by the collection of juniors, near-juniors and veterans.

The game was to have been played on Monday last but it rained at the scheduled time, 4:30 p.m., and a postponement was made necessary. On the three following days it rained, making baseball impossible, so that it was Friday before it looked as though the heavens might withhold their downpour long enough to get in nine innings of ball.

Timmins' runs were scored in the fifth and sixth innings. After a remarkable exhibition of how to get around bases unassisted by a batter, "Red" Rodney came home on Copps' single. In the sixth inning Wagar's single brought two men home.
